### **ACKNOWLEDGEMENTS**

Tim Holman and Darren Nash: my champions!

The super-fantastico Orbit US/UK team: where would I be without you, guys?

Julia Denos, cover artist, and Peter Cotton, designer: you both rock! And Mark Timmony, who's cursed with my maps.

My selfless and dedicated beta readers: Glenda, Mark, Elaine, Pete and Mary.

Ethan, my agent, who copes admirably with this control-freaking writer.

My dear friends, who put up with my extended absences as I write.

The fans who've been so kind to email and say my books have entertained them.

The booksellers who point new readers my way.

Lastly, my parents, who still don't get what it is that I do but continue to support me anyway.

### **In Memoriam**

Robert Jordan, author of the genre-changing Wheel of Time series, who departed this world too soon, leaving many broken hearts behind him.
