College Campus Coozie

My GF has a butt so round that I can't keep myself out of her starry hole. I love it when I make her scream in orgasmic pleasure. She loves having her asshole played with almost as much as having me fuck her tight wet pussy. We watch ourselves in the mirror as she bounces her tight ass and juicy pussy on my dick and then take a hot creamy load on her pretty face.

— Neil, Raleigh

Like usual, I'm late again for my Economics 201 lecture in Grant Hall. I push the door open and a loud squeal permeates the large auditorium. I enter the room and half the class turns in my direction to look at the latecomer. I don't see an empty seat near the front so I had to work my way past everyone to the back of the lecture hall. Sitting through class I could not stop thinking about what had just happened. The sex was just amazing.

All I could do in class was to think about it. The dismissal bell rang and it's shrill tone snapped me back to reality. As I was getting up to leave, I grab my books from the empty seat next to me and when I brought them up to my chest, I notice my nipples were hard and clearly visible pushing against my tank top. The wetness of my pussy gave my shorts a damp spot between my legs. I waited for the hall to empty and headed to my next class where I went and sat down quietly in the back of the room.

As a cute guy walked over to sit next to me, I saw him staring at my obviously erect nipples, then he tried to look down my top as well. Once the rest of the students settled down, I unbuttoned my shorts and pushed them down enough so that the top of my nicely trimmed pussy hair was visible. I didn't want to get in trouble or else they would've been pushed all the way down to

my ankles. I caught the guy's attention and watched as his eyes nearly exploded when he saw what I was showing. I peeked over at him and saw him rubbing his cock over his pants. When he saw I was looking, he took his hand away and I noticed he had left quite a large lump down there. I wrote and passed him a note to text me around four today so we could hook up. He looked at me and with a meek smile, he nodded.

My third class was Biology 203 and as soon as I went in, the prof asked me and Danny to take a bunch of empty trays to the shed behind the class building. On the way I told him I had given a guy a bj in his car before classes started in the morning, and licked my lips. Danny just laughed but when we got to the shed and went inside, I dropped my shorts and panties down past my knees and curled my finger for him to come over. He took three steps to me and I grabbed his cock through his pants and made him hard. It took a minute but then he was hard enough to penetrate my pussy.

Since we had very little time, I just lifted one of my legs for him to grab and I guided his cock into me. His cock was slightly longer and thicker than the cock I sucked in the morning. He was pretty well built, but kinda awkward as he fumbled trying to rub my clit. It made me wonder if this was or wasn't his first time fucking a pussy. He pumped me slow at first but since I was pretty wet, he went faster within a few pumps only. It was a good thing because we needed to cum quickly. Although the pleasure was there, and because we were also in a rush, he started going really fast and I

finally started panting and moaning from the wonderful sensations.

He came quickly, shooting several huge loads in my pussy before I pulled him out and stuck his cock in my mouth. Turns out he had a couple more spurts in him so I swallowed it as best I could. I wiped up what I could that dropped out of my pussy with one of towels laying around the shed. Danny and I walked back to the biology classroom not saying a word to each other. Later in the day between classes, I also gave another guy a hand job behind a tree during our one mile jog around the campus.

A handful of students saw us as well as a groundsman, but I kept on until he came. Then we finished our run and headed back to the locker room. When I came out, there were a couple guys waiting near a bench and came over to me. They said they heard I was going around campus doing all sorts of wild sexual things and they wanted in on it. I told them that I wanted to be kept a secret. I wanted my identity to stay mysterious so they could have the unexpected feeling of a surprised fantasy come true. They silently agreed to stay quiet and would look out for me.

It was getting near four pm and I texted Mitch from my Economics class as I told him I would. He told me his classes ended at two and he was hanging with his best bud, Dennis. We agreed that I'd go over to their flat and hang with them until I had to leave to go do my homework. I got over there after a short walk off campus and Dennis opened the door. He looked like he was in his mid twenties. I went in and put my backpack down by the sofa where Mitch was sitting. I wanted to be sure what

Mitch wanted but it didn't take long for him to tell me to take off my clothes right there in the living room as Dennis was staring right at me. Mitch was several inches taller than my five-foot-five frame while his friend was about same height with a lot more muscle on him.

Mitch had a camcorder sitting on the coffee table and reached for it. I stopped him and said that if he wanted to take pictures, it had to be on a cell phone. He said okay and put it over on a shelf. I finished taking off my clothes and got on my knees and they both came over in front of me. I began massaging their cocks through their pants. Slowly I undid both of their belts and unzipped their pants. Dennis was already rock hard with a nice fat cock with a small mushroom head. It was so thick I could barely get my hand around it, but it wasn't all that long, maybe six inches and a little disappointing.

Mitch's hadn't quite hardened yet. I don't know why but I worked my hands on it while my mouth sucked on Dennis' cock. Because it was so thick, I couldn't get my mouth halfway down his cock. Seeing me blow his friend and slobbering all over his cock, Mitch grew hard quickly. He was quite longer than his bud, about eight inches, but also much thinner. I now took and stuck his in my mouth. I was blowing them both for about ten minutes when Mitch got behind me, put me on all fours and started fucking me from behind. I groaned loudly

Crazy Girl

After a crazy night of partying had died down, I pulled out my camera to take a few shots if my gorgeous blonde girlfriend Josie, who was still hanging out. I knew what that meant and wasted no time I began rubbing her boobies and pulling her panties to the side to play with her pussy. That got her horny as hell, so she didn't even hesitate to drop to her knees and give me a BJ right there in the back yard with twenty others passed out around us. This girl was truly a crazy GF that loved sucking cock. Then we fucked like two wild animals, as I pounded that hot pussy deep and hard.

— Hugo B., Ohio

on his first pump as I continued to suck on his friend's cock in my mouth.

I stayed for about an hour more and we all came a couple times each. But then it was time for me to get back to my place. I told Mitch I would look for him on campus, and as for Dennis, he was just lying back with a huge grin on his face. I left and walked to my apartment still tasting the two guys all the way home.

— Lauren B., screwing in plain sight

Nature Girl

Nicole was my girlfriend throughout my junior year in college. We were schooling in Colorado so the great outdoors were a vital part of our curriculum. She was good at school, good at camping and climbing and an awfully good fuck. I guess you could say she was a super sexy, all-natural girl that loved to be good. So when I took her up to the mountains to a secret spot I knew with an incredible view of the Rockies, she just melted. We drove to a large overlook, parked under some big trees and started our hike about ten in the morning.

Nicole was obviously feeling quite frisky as I walked on the path behind her. She would point all over the place at trees, rocks, clouds; man she loved it out there. As we kept walking, she pointed out how desolate it was. She wondered if anyone else was out there, or if anyone could see us. When we got to a small grassy area just off the path, she said she wanted to take a break and set down a large towel and grabbed our bottles of water.

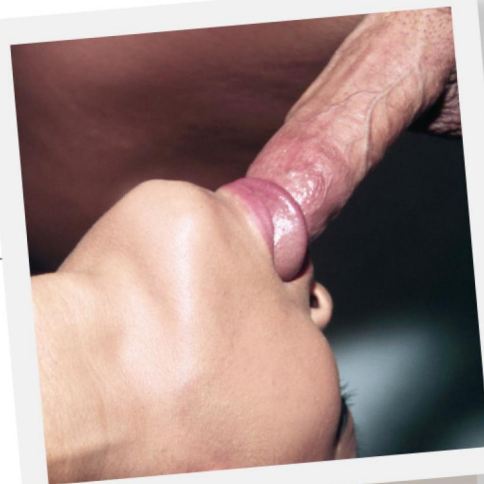

She put them down, got on her knees and

then unbuttoned her shirt and pulled out her big perfect tits. She put her back to the mountains and took out her cell phone and took a selfie of herself flashing Mother Nature. I egged her on, and pretty soon her beautiful firm, round booty was out in full view of the eagles and rabbits.

A moment later, Nicole dropped her cotton panties too, and exposed her smooth college pussy. I was so fired up at that point, I didn't even care if anyone was around that I just whipped out my cock and immediately sweet Nicole started sucking away on it. This dreamy girl was giving me a full nature hummer right there at 8,000 feet up. She put those cock-sucking lips to work all up and down my man meat making sure that I was going to be satisfied with her good work. And I was. After a few minutes she laid down on the towel and spread her legs, telling me to get to licking her. Of course I obliged and dove into that natural wonder between her legs.

She came with a couple soft moans but I could tell she wanted more. So I bent her over doggy-style and pounded that insane pussy from the back. It was a thing of beauty watching that tight ass rebound from each hard stroke I gave it. Then Nicole made me get on my back and rode my cock like a champ, as her bountiful boobs bounced all over the mountainside. I held out as long as I could before I pulled out and blasted my load all over her gorgeous boobs. It was a wild romp and a nature fuck everyone should do at least once.

— Randy B, sky-high in the Rockies

PLAY FOR PAY

There's this co-ed at college, Diana, that likes to give blow jobs in exchange for homework. She came to my dorm looking for someone to do her World History and I volunteered, but I made sure to get my hummer first because I've been told she'll promise, take the work, and then leave without doing her part. She gave me an insane hummer before I pounded her young pussy all over the couch.

— Andy, In-Diana

Tia looks so young and fresh you can almost hear her squeaky sexy voice oozing out of these pages. Her low, long moans, her short grunts, her deep breathing and little squeals. There's nothing like a good fuck to bring out the music of sex.

Confessions of a Hot Older Woman

800-815-3635

Older women? What about wiser, wilder, wanton women? Because I'm quite prepared to admit that I have every intention of becoming a dirty old woman. Of course I use the word "dirty" rather loosely. I suppose what I really mean is that I expect to still be interested in all things sexual (and especially all things kinky) right to the bitter end! I've certainly become more passionate with age and more interested in experimentation. Don't get me wrong - I've always been highly sexed but it's only in recent years that I've developed the poise, the self-assurance, to be comfortable with my downright horniness! And while I still enjoy "vanilla sex" I enjoy even more exploring my naturally kinky nature and if it's with a man who's younger than me (sometimes CONSIDERABLY younger than me) then so much the better. These days I find myself indulging in all kinds of sexual fantasies in all kinds of places.

Must be 18+

The young man at the grocery store, the businessman having lunch in the local bistro - all are likely to be disconcerted by my appraising glance! Since we all know - or SHOULD know - that the most sensitive erogenous zone is between our ears, then it makes sense that it's a woman's aura, her vibe, that arouses a man's interest. An older woman is more likely to give off an air of confidence, an air of knowing just what she wants and how to get it. Such a woman knows her body well and knows how to extract every last drop of pleasure from it. She's comfortable in her own skin and doesn't waste fretting about minor imperfections the way she might have done in her twenties. By the time she's in her forties a woman knows what's important. She knows the value of taking her time, knows that where there's one orgasm, there's also another and another. An older woman is experienced in the ways of pleasing a man and, more importantly, in how to please herself. She's not looking for a man's approval - she already knows who and what she is and what she demands from life. You won't need to spend your time trying to guess what the older woman wants from you - she'll let you know!

A word about "head games" and yes, there's a world of difference between a mind fuck and a head game. The kind of head game an older woman plays is more likely to be a way of enhancing her enjoyment - and her partner's - rather than to bolster a fragile ego as is often the case with a younger woman. Oh, and you won't find an older woman asking "What are you thinking?" because, quite frankly, she doesn't much care.

If you want your world to be rocked, rather than just a little shaken, then seek out the older woman - she'll rock your world in ways a younger woman hasn't even thought of yet!

I didn't realize how sensitive my body parts were until I started playing with them. At first, when it was only me, I thought I was just too sensitive, but as I became more sexually active I found out. My breasts are incredibly sensitive and I've cum a little just by tweaking my nipples, And my clit, you can just blow on it and I'll cum instantly.

Wanna try it?

My erogenous zones are very sensitive. I just love having my breasts touched and caressed. Then if they get squeezed harder, I'm in boobie heaven.

COLLEGE GIRLS ON THE LOOSE

Imagine eighteen and nineteen year old girls on the loose during their first couple years in college. Studying is not that important, after all, there are at least two more years to get that right. Then there are campus parties with lots of girls and guys with similar raging hormones. Here's what a couple lollypops did.

why ellen doesn't study

Ellen's dorm room was pretty small but had a lot of décor. A coffee table full of text books and fashion magazines, shelves full of vases and pictures of family. She turned off the lights and joined me on the bed. She started out sitting upright to the right of me, but it ended with her head on my shoulder and arms wrapped around my right arm. I stopped paying attention to the movie. I was nervous that I might go to fast, and she would get uncomfortable. Half way in the movie I couldn't hold myself back, and didn't care about being nervous. I moved my left hand across my thighs, to hers, and just rested my hand mid-thigh. Her muscle was tense but softened within a few seconds, then I continued slowly and moved my hand up and inward towards her crotch.

It was warm, and I began to slowly rub my hand around that area, and going down to the thigh and back up. Her breathing was quickening and shaking, along with mine. We were staring into each other's eyes as I undid the pants button and

zipper, and slid my hand in. Her eyes were now closed, her head tilted back, and lips partly open. Her breasts moved up and down as her breathing got heavier, and a light moan escaped her lips. Our lips touched and parted for our tongues, which explored each other's mouths and wrapped themselves together like two serpents.

I just grabbed Ellen by the shoulders and threw her down on the bed, "Don't move." I said removing my socks, pants, shirt, and my bra and panties. I began to kiss her again and let our tongues dance. I got to my knees on the soft the bed, and removed her pants slowly, kissing her inner thighs. I slowly brushed my lips and nose against her crotch teasing her, then to her belly button and breasts. I removed the rest of her clothes. She put the palm of her hand against my stomach and rubbed inward towards my crotch and began to slowly rub my clit. I kissed her neck and removed her remaining clothes. My lips traveled down to her nipples and I began to suck on them. She began to moan again. I stopped sucking her nipples, and stared at her as I shoved a finger into her warm wet pussy.

COLLEGE GIRLS ON THE LOOSE

I watched her breathing, pacing my thrusts. Her breathing became harsh, fast, and heavy, and her back arched slightly. There was one last long loud moan, which vaguely sounded like my name, and her pelvis shot up and down, and her legs curled in along with her fingers and toes. Her whole body became one spasm event, and her long nails cut my back. The whole time I didn't stop shoving my fingers in and out of her. When her pussy relaxed and her body was calm again, she opened her eyes wide and a large grin spread across her face. I smiled back, proud that I made her orgasm.

i want more butt candy

I recently transferred colleges from Ohio to Colorado. I needed to get further away from home so I could 'find myself' and not be inhibited by my parents so close. A few weeks after my sophomore year began I was already tired of studying, I decided that I wanted to taste the night life. I hadn't been laid all summer and now at school it may be easy, or it may be hard. I had to pretty much minimize my chances for failure.

Early that evening, I go through my drawers trying to find which thong made my ass look best. After trying on several pairs, nothing fit like the red g-string, it made me feel so sexy. And I liked the color contrast with my skin. I pulled up a pair of thigh high stockings and selected my black five-inch heels.

I'm only 5' 5" so the heels make me look taller and really help push my already plump ass out there even more. Looking in the mirror was such a turn-on, my ass looks good in red. As I start to shut the drawer, I caught glimpse of my huge butt plug. I debated whether to leave it, bring it, or put it in. What the hell, I thought. I enjoyed it in me and I had done an enema in the shower, so why not. I could always pull it out if I needed to. I bent over, pulled my thong to the side and spread some lube all over my tight little star. I firmly grasped the huge plug and directed it between my cheeks. My body starts to tingle as the plug starts sliding in. It felt amazing, then all of a sudden it popped all the way in. I moaned as a shock of pleasure-pain ran through my body. It was so filling, almost as good as being stuffed by a cock.

I decided to go to Murphy's Law, a club/restaurant on the boardwalk at the beach. I walked in, showed my ID and paid the dollar admission, since it was Ladies' Night. I tend to avoid Ladies' Night at clubs because it can get crowded and the girls get caddy. The guys are all looking for nookie, so the scene is pretty much a meat market. Fortunately, it was a weeknight so it wasn't as crowded as I feared. I walked over to the bar, tightening my sphincter so waves of pleasure surged through my body. I found a stool and gingerly sat on it with most of my weight on one leg. After I got my drink, I turned sideways so I could see the room. It was a mix of people, almost all students, with a lot of bumping and grind

ing, and twerking on the dance floor. Then this good-looking guy comes over and sits on the stool beside me and orders a drink. A few minutes go by and he stands up and whispers over my shoulder asking me to dance. I turn a little more and check him out. I told him I'd love to, but I needed to use the ladies' room first. He chuckled. I asked why he laughed at that. "Because it's a unisex bathroom. There is no ladies' bathroom," he said. I laughed too and headed for it.

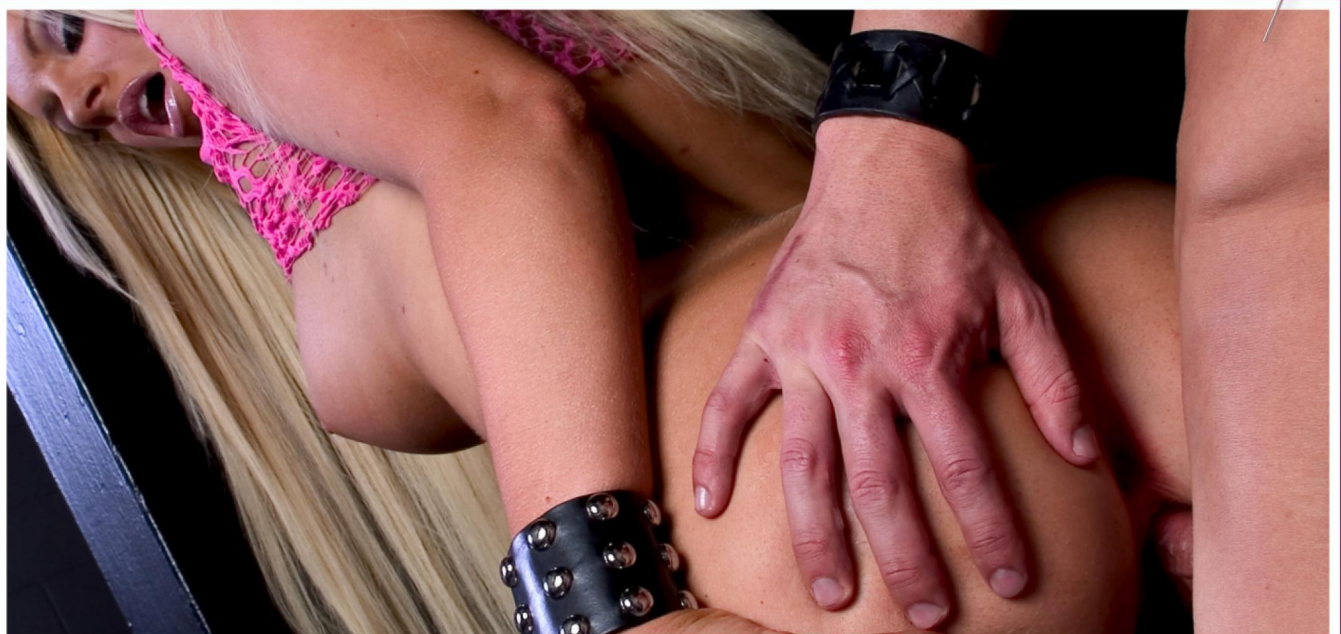

I quickly walked down the hallway and entered the first door. I walked in and quickly shut the door behind me. I am thinking the whole time that I probably need to take out the plug if I'm going to dance. I quickly pulled my skirt up and my panties down around my ankles and pulled both feet out. I find the end of my butt plug and get ready to pull it out. All of a sudden the door handle rattles and I hear the door swing open. I look back still bent over and in walks my soon-to-be dance partner. He shuts the door and locks it behind him.

"You know your gonna give me some of that ass," he says. My heart dropped and my pussy started throbbing. "You know I will," I said. "Do you like my ass?" He smacked me on the ass and turned me around. He put his hand on my head and pushed me to my knees. As he unzips his pants, out pops the hugest cock I have ever seen. It was already hard and over nine inches long, easily. He grabbed my hair and pulled my face to it. I reach my hand up to grab it and noticed it was as thick as my wrist. I stuck out my tongue and started to lick

the head of it. I open wide and start to take it in. Halfway down, I start to choke and gag. He bobbed my head up and down until I almost couldn't breathe. I could taste his pre-cum in my mouth and loved the taste of it. He pulled it out of my mouth and turned me around and bent me over the booth. He grabbed the string of my thong and pulled my ass up higher in the air. He saw the plug and hesitated for a moment. I was so sidetracked that I actually forgot about it. "I got something better than that," he said and pulled the plug out of my anus. He led me over to the sink and bent me over it. He pulled my red g-string to the left and started to lick my ass.

The adrenaline started pumping as I feel the head of his enormous cock start to enter my butthole — inch after inch for what felt like ages. It hurt so bad but felt so good, my body couldn't stop shaking. He pulled out real slow and then shoved it back in. With every thrust he made sure I felt it and didn't slow down at all. He held tight on my thong and he said, "You know where this cum is going, don't you?" He pulled my hair and I felt a warm explosion in my ass. It was so warm and filling! He pulled out and I felt my anus shrink back down. He pulled up his pants and walked out. I got dressed and put my plug back in to hold the cum inside me.

I went back to the bar and tried to act as if nothing had happened. I finished my drink but really didn't want to leave. I saw him on the dance floor.. He smiled and waved. I wanted to go back in and see how many more I could get to fill my ass.

THE FUCKIN' INTERNET

How the Web helps you get famous, rich and laid.

MAKING AN INTERNET CELEBRITY

You might not have heard of Tiff Bannister, but odds are that you will someday soon. She's an Internet phenom—a girl whose immense popularity began with a few funny pictures posted to Facebook. People noticed her quirky personality and fondness for revealing photos. She was featured on the hit TV show Tosh.O on Comedy Central. She publicly debated doing porn, which garnered a lot of responses from her 90,000 followers. Finally deciding to capitalize on her fanbase by launching a career in adult modeling, she quickly noticed huge results. "I've always loved my fans, and they've helped me throughout this process. Their response was incredible. I started out making silly posts and putting up pictures of myself doing sexy poses, but not getting completely nude. I even

traded pictures with hot guys and helped them get followers, too. Well, when I finally jumped into doing porn, everybody wanted to see me! They flooded NaughtyMag.com and made their accountant think that they were being hacked because of all the new traffic it brought! I'm really winning at this!"

EQUAL OPPORTUNITY JERKING

According to a new poll by British lingerie and sex toy manufacturer Ann Summers, a surprising 93% of women don't consider watching Internet porn to be cheating. That seems like a far cry from a decade ago, when a snooping spouse uncovering a hidden stash of skin mags might have kicked off World War III. What's more, over 85% of women described their porn viewing as a fantasy escape, something that allowed them to act out certain sexy or dangerous sexual situations in their minds before committing to do them in real life. That translates to more and better sex for you, friend! Although you might want to look for a younger lady because the majority of women with this open mind towards nudie pics are in the 18-24 range. That means that your young secretary, the college student down the block or even that coffee shop barista, probably rubbed her clitty to a little satisfaction early this morning. It kind of lets you see them in a new light, doesn't it?

GO GET SOME

You can use the Net for pretty much everything these days. But there are more important things than tax returns and car shopping, namely getting laid. Some estimates now rank female consumption of porn to be around one-third to half, which leads many people to believe that attitudes towards what is appropriate and inappropriate are shifting. Just take our Equal Opportunity Jerking piece to the left. But what does that mean for you? We're giving you the best apps for getting laid, telling you the odds of getting some strange tail and giving you a sneak peek at an Internet celebrity who used her popularity to achieve success in the high-paying and oh-so-fun world of porn. We've also been in contact with some of our favorite amateur girls from yesteryear, asking them to dish on their personal porn-viewing habits.

We're beginning by talking to Tiff Bannister, a girl whose sexuality has been equally celebrated and criticized. She told us, "Most people my age don't have a problem with porn. We grew up with access to it from the time we were young. I tend to date a lot of older guys and they have this thing with hiding their stash from me. Like, they'll have a bunch of magazines or files on their com-

THE HOOKUPS IN YOUR POCKET

Sarah and her friends all use hookup apps.

You can call and surf the web on that computer in your pocket, but did you know that it also acts as a direct line to horny women looking for a quick, no-strings-attached fuck? There are certain apps that cater more towards the casual relationship and there are apps designed to get you into some pussy as quickly as possible. Here are our staff favorites:

- 1) Tinder claims to have over one hundred million users, so you know your odds of getting tail are pretty high. Plus, it's easy to use. Pictures of possible lays appear on screen and all you have to do is swipe one direction if you want to fuck, the other if you think they're not up to snuff.
- 2) Down is an app formerly named Bang With Friends. Although the name has changed, the goal is still the

same. It's no-nonsense flirting with a purpose. Everyone using this app wants to fuck, not date.

- 3) Pure might be the most effective app on the market for hookups. It has a similar style to the previous two, but Pure has the added benefit of penalizing people who don't follow through on their sexual promises. If your potential lady agrees to meet but doesn't show, she's booted off the app!

SEXTING AND THE CITY

Have you ever been caught up in the moment with a woman on the phone, her messages are becoming more and more sexually charged, and you can't help but wonder what to put down that won't make you seem like a fool? Well, we've got you covered. Here are a few brief pointers to help you out with your sexting.

- 1) Start out small. Complimenting her on her eyes or hair is a much better idea than asking for tits immediately. Once she thanks you, you can continue to flatter her in more and more provocative ways. Eventually you'll get to the good stuff. Take your time and it'll pay off.

- 2) If you're expecting some nudes from this girl, then you're going to have to supply some of your own. Don't jump the gun and start rattling off dick pics to everyone in your phonebook, though. Make her wait for it, and make sure you've had several boob pics first. After all, her entire body can give you a boner, but you've only got one piece of equipment.

- 3) When it comes time to send that cock shot, make sure to take care of yourself. Never send a flaccid shot. Seriously. You should also make sure that you're trimmed and clean down there. Take your time. Also, sharing is not caring. If you don't want your pics going public, don't let hers.

Fuckin' Internet

puters that they don't want me to see. I'm like, 'I don't care! I want to watch it with you!' I watch porn every time I masturbate. I know girls who will watch really dirty porn and play with themselves before a big date. They think it helps them think more like a guy, you know, all sexually charged and stuff. I don't know if it works, but they do seem pretty popular on dates!"

If that move sounds familiar, it's probably because guys have been jerking off before big dates for millenia. But pre-gaming dates with a little self service isn't the only thing women have adopted from us guys, the more outwardly sexual gender. According to a poll by the UK's Telegraph, women's changing attitudes have resulted in them opening up more and seeking to find more sexual partners, and not all of them have to be in long-term relationships. In fact, as their average amount of sexual partners has doubled in the last 20 years, their tastes in how they find suitable partners has shifted as well. We called up Sarah, who got fucked in *Naughty Neighbors* Apr. '11 issue and came back to masturbate in the Jul. '13 issue. We wanted to know if she uses her scenes to make guys jealous or horny. "I absolutely show off my pictures to prospective guys. I don't show guys I want to date, but I definitely show my hardcore stuff to guys I hookup with on the Internet. I'll show them how a good fuck feels and how I want them to per-

Fuckin' Internet

form. Most of them get off on it. They feel like they're fucking a celebrity or something, and I get pleased the way I want." We then asked Sarah where she finds these porn-lovin' horn-dogs. "I find them online. I used to use the casual encounters page on Craigslist, but that's full of scammers and bots now. Besides, there are so many other places to find quickies. My only complaint with those apps that are out there is that guys can be flakes. They just want a nude picture to jerk off to and then, all of a sudden, they don't want to come over anymore. It's bogus. I just send those guys my link to NaughtyMag.com so they can go and fuck themselves, because I'm sure as hell not going to. I'd say I've probably hooked up with a dozen or so guys, and I've got a few on the line. It's so much easier than going out to a bar or a club or somewhere you can't even hear the person standing next to you. It's how people get laid nowadays. They use dating sites for love and fucking apps for their sexual needs. It's cleaner that way."

Fuckin' Internet

just as turned on by casual fucking as guys nowadays, but that doesn't mean that all women are like that. Some women still want to find Prince Charming. That's okay, we're sure he's out there somewhere, sticking his dick in one princess for the rest of his life. The *NewCummers* staff doesn't have anything against those blokes, but we do have to point out that there are plenty of options. We've listed the apps above because we've tried them. They work. We've called up our favorite girls because they're a good test of the single, horny girls out there in the world. And we've given you sexting tips

because we've fucked up royally before and want to spare you the embarrassment.

We're going to leave you with this one thought from the ever-gorgeous Kate Anne, the Bush Baby from England who starred in our DVD *Bush Babies*. "I loved having my pictures printed in your magazines because it's just so smutty and I felt like one of those pinup models military blokes have posted above their bunks. It was purely sexual and erotic. I only touch myself to DVDs and mags. I use the Net for dating, hooking up and finding friends, though. It works. I show up and I get fucked. It's simple."
