Cheyne is such a good fuck. He takes direction easily from the director and from me. He's got a great tongue, and of course a great cock. And he knows how to use both of them to his lady's delight. Today, that delight will be mine. We hear the director say 'cut' as he's licking my pussy. I tell Cheyne not to stop and he doesn't. I cum quietly so no one knows but me and my oral lover.

It's 8:30 in the evening and I'm waiting for Steve to come over. He's my 25 year-old booty call. I really hope he's on time because I'm really horny. He called and told me he was only a few minutes away. When he got here I and saw this handsome stud with a huge fat cock, I wanted to make sure my wait was worth it.

Wanda

Immediately I got on my knees and started on his cock.

It was huge and thick and solid as a rock, and that's just not an expression.

Must be the iron in his blood.

Did you see the size of that cock. It had me biting my lip, and I didn't think I could ever take it all in. But I persevered and finally milked it for all he was worth. I'm glad he spewed on my cheeks because it would have been too much cum to swallow. Next time, big guy.

Dear 50+ Magazine:

Debra, my wife, and I decided to go to one of those couples' resorts in Jamaica for our twenty-fifth anniversary. We've been together for almost thirty years, but she wasn't my first, nor I hers. It was our third night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area.

The pool was deserted except for a couple of young ladies still laying back on beach chairs. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friend's bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight.

I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks

Julia Ann, finally!

I'm not a gay woman at all. I've been happily married for almost thirty years, and love my husband dearly, and often. The reason that I'm writing is to say how much the both of us love Julia Ann. We're pretty liberal when it comes to sex and have a subscription to both **40+** and **50+** magazines. Why? Well, when I met my now husband, he had a huge VHS collection of porn. It took a while for me to understand, but eventually, I did, and began watching with him. Of course it led to some wild sex, but that's not the point. We would have fun rating the videos and the porn stars. We were especially hard on (no pun intended) the guys. But when we rated the ladies during those times, Julia Ann was always at the top. Her ice dildo scene with Janine is at the top of our list.

—Erin G., Boise

right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up to hard immediately, then lets go for a moment to pull by jammies just below my butt so my cock could free itself.

She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as she is cumming, and then I let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

—Doug, Jacksonville

To the Editors,

I'm finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the girl-

girl couplings. It's nice to see sexy people doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial, Misty and Payton. I love lesbian women and those two were the cat's meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers.

By the way, if there's any way that I could get on a photo shoot, especially a girl-on-girl shoot, please let me know. I'd pay my way there and even foot the hotel bill. I've enclosed a self-addressed stamped envelope to make it easy for you.

— Roger B., Houston

To the editor:

It's been awhile since I written to any magazine about my sexual experiences. But this one happened a short while ago and I love to tell and retell the story. It's about an old girlfriend that I reconnected with since we saw each other an one of these 'Golden Oldies'

music concerts about a year ago. Since her schedule and mine don't permit many hook-ups, we get what we can.

We decided to meet in Anaheim for another concert and it so happened her flight schedule matched mine, and we were able to connect in-person. Since she had an early flight tomorrow, I'll keep this brief.

I picked her up at the airport after her flight. We had a very warm welcome, embracing and kissing briefly before we departed the terminal. Holding hands while managing luggage was a bit of a challenge, but doable. We got the rental car and headed for the

hotel. Since it was pretty early, we enjoyed a fair amount of time together.

When we got to the room, we dropped our luggage on the floor, and she collapsed on the bed because her flight was a red-eye from Newark. She patted the comforter, inviting me to join her. It was great! As I joined her, we resumed our hugging and touching. After momentary kissing and clothed embracing, I began unfastening her blouse.

While she looks great in clothes, she looks just as good out of them. As clothes were shed, her creamy skin became more visible. Her lovely areolas were revealed; their size perfect for her breasts.

I love lesbian women and those two were the cat's meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot.

The nipples juttet straight out, pointing at me, egging me closer.

Immediately, my hands and mouth clashed as each wanted to engulf her lovely breasts. I found the combination of hands and mouth to be better partners than adversaries, so I engaged them both together. The more I enjoyed her breasts, the more she seemed to respond. As her breathing became deeper and more rapid, I decided to slide one hand inside her skirt and I met no resistance as I parted her thighs.

Making contact with her velvet pussy was delightful. Since her trip was long, she selected cotton panties to cover her

privates. As I pressed and stroked her pussy, she writhed even more under my hand. Her lower back arched in seeming attempts to meet my hand. It was time to start pulling things down and off, I stripped her and she denuded me. All our clothes ended up on the floor, strewn in no particular form of neatness.

Now her beautiful pussy was exposed with soft tufts of hair neatly trimmed. There's just something right about a bush being full but neat. Even though there was springy hair, there was also a slick track down the middle, glistening in the soft light of the room. I was not about to miss the opportunity to indulge, so I began stroking up and down - then fingers in and out of her amazing lady parts.

Her clit was very responsive. Since I am very focused on bringing a woman pleasure, I dallied about down there for quite some time. Faster breathing was matched with a slight oozing from her pussy. She created a great deal of moistness between her legs, and I delighted in the sight and smell of it.

My hand was soon replaced by my mouth. I

love to lick a moist pussy. She asked me to move my hips closer to her so she could rub my cock. As I licked, sucked and nibbled at her pubes, she began to stroke, suck and lick at my member. We became lost in our oral pleasure, with all the joy of the sights, sounds and fragrances.

We didn't end up fucking each other that morning because our oral pleasuring was so intense. We were both out of control. She came first, and I followed shortly thereafter. We collapsed in a heap after our climaxes, holding each other.

We began to drift off and slept for a couple hours.

When we got up we showered together, spending a little extra time to be sure our special parts were extra clean. We were going to spend a lot of time and energy down there later.

We helped each other dress, then headed out for dinner. We fed each other, and touched fingertips frequently. After dinner, we returned to the room. We were naked before we even hit the bed. She pushed me down and climbed on top in another torrid sixty-nine and we sucked each other to climax, swallowing the other's cum. Then she rolled off and got on all fours.

I mounted her from

behind and she took my entire cock balls deep. I pounded her hard and she took every thrust. We fucked until three in the morning.

As I grabbed our bags to check out, I saw her looking at the screen of my laptop computer, making sure I was giving accurate details of our rendezvous.

— Trevor, Omaha

I used to be a sad woman. My husband departed and I was alone for many years. I was caught up in the misery when one day my neighbor sat me down and talked to me. He made me feel better and after a few weeks we slept together.

Natalia

And it was nice for many months until he said that there's a young guy at his office that's pretty sexually liberated. He suggested a three-way.

A man with tattoos on his arms is performing a handstand over a couple on a bed. The couple consists of a man and a woman. The woman is wearing white lace underwear and is looking up at the man in the handstand. The man on the bed is looking towards the camera. The background features white curtains and a painting of a flower on the wall.

Of course, at first I said definitely not. I would never. But then I thought about it, and a young cock to boot, well, why not. I hesitantly told my neighbor that I would do it. We had such a great time that they suggested we do it again, but with photographers this time. Again, I hesitated, but agreed and this is what you're now looking at.

Kelly had just come in from sunbathing topless in the backyard. A few minutes later her two neighbors, Ava and Tanya, who were also sunning topless. Soon the three vixens were played out all over the sofa getting it on and doing the things that fun loving lesbians do.

Tanya & Ava & Kelly

It's hard to decide who's going to get eaten out first. Oh, nice choice ladies, Ava's down first and her pussy is moist and ready for them.

Looks like we lost count as to whose kitty was under the tongue. But no matter, they all looked delicious and delectable. We especially liked the expert use of the finger insertions and tongue play. A well-spent afternoon for our coo-some threesome.

*We're off to the Poconos for a vaca.
We're gonna poke... Ya knowz.*

sometimes love needs a refresher course a time for us, again

A LOVE NEST IN THE EIGHTIES IS A LOVE NEST ONCE MORE

They've been married for more than twenty years and it has been a good marriage. T. J. loves his wife, Pennie. She loves him, too. They raised three wonderful children. They have two cars in the garage. They've accumulated many friends, and a comfortable nest egg. All that came pretty easily compared to maintaining a satisfying sex life. But they try. Like this trip to the Poconos in an attempt to kick-start their love life...

T.J. and Pennie are lying in bed together. T.J. just got out of the shower and Pennie is wearing nothing but panties. They are next to each other, both on their backs. Her knees are elevated, and his hand is on her thigh. They talk about their trip here twenty years ago. But today have nothing to do. They have all day to themselves with nothing to do. Nothing...

Pennie moves her body so she is closer to his side, her hand drapes over his chest, her left leg over his. He keeps his hand between her thighs, and she snuggles her face into his neck. She smells his clean skin. Even though he just showered, she thinks he still smells like himself. The clean, comforting smell his body has always had.

Together, they lie there quietly. She strokes his chest lightly, and feels his hair beneath her fingers. She adjusts her face, slightly, her lips against his neck. She kisses softly, moving slowly up, towards his ear. She kisses his cheek, and he turns his face towards her. They smile, and their lips meet. Soft at first, just brushing. Her hand moves up from his chest and meets his cheek as their lips continue to dance. Their tongues run over each other, her grip

on his cheek pulls him in closer. His hand between her thigh moves up.

She lets go of his cheek and moves her hand down his body, exploring his tight belly and settling her fingers around his cock. She runs her index finger down his shaft, and back up again. Her hand grips the head and squeezes it gently. Her palm runs down his cock, cupping his balls and squeezing softly. As they kiss, he moans into her mouth. She knows he doesn't want to take it slow. She reminds him that the day is theirs to do with as they choose.

Pennie takes her hand away, releases his lips and lays on her back. She smiles at him and beckons him to come towards her. He moves closer, kissing her again, his

Our sweaty bodies make it easy for her to slide out from under me and she drops to her knees before me and sucks my cock into her mouth

hand between her thighs pushing them apart. His other hand moves up her body and finds her cheek again as he kisses her harder.

One hand moves down, pinching her nipple between his fingers, running his other hand across her chest as he places his thigh against her crotch. She pushes down on him, moving her hips up and down, grinding against him. He focuses on one nipple, then the other. He kisses her belly as she moans.

His hand moves down, once more, brushing the line of her panties. His mouth continues on her nipple, biting gently. He moves his leg off her as his hand slides lower. He traces the inside of her thigh with his fingers, up and across her pantieless, up her other thigh and back down. He pauses over her pussy, moves her panties aside and feels her warm desire cover his finger tip. She throbs at his touch.

He grasps the waist line of her panties and pulls them down to her ankles. She kicks them off, and she lies bare before him. Her cleanly shaven mound awaits. His fingers glisten as he runs them back up her stomach, leaving a trail. He traces his fingers over her lips before pushing them into her mouth, allowing her to taste herself.

She sucks them lightly, her tongue running over them. He moans into her chest. He rolls onto his back again, grabbing her as they go, pulling her on top. She straddles his lap, and he feels her soaking wet pussy on top of his cock. If she moves back slightly, he could enter her easily. They could fuck and cum together. But she wants more. She wants it to last.

She rubs herself against him, wetting his shaft and balls. She kisses his chest as her hips rock, her clit beginning to throb again at his touch. Pennie wants to cum. She is close but chooses to delay it. She can wait. She moves her mouth down his body, licking his stomach, kissing his hips. Her mouth finds his balls first; her tongue laps

at them, tasting herself once again. Tonguing up, across him, at the base of his shaft, she licks. She flattens her tongue, and her head moves up, up his perfect shaft, pausing at the head of his cock. Finding the split, her tongue explores it and the head intimately.

Her hand wraps around his base and pushes down as her mouth surrounds him. Her spit runs down; she is so eager, so happy to have him. She loves the taste of his precum. It makes her work harder. She never goes quickly, not like this. She wants him to go to the edge and back. She wants him to beg her for it.

She stares up, her big blue eyes looking deep into his dark brown ones, forgetting herself for a moment; she loses herself there. She sticks out her tongue and rubs his head against it, her lips trailing down him, kissing, worshipping his cock. Their eyes lock. His hand grabs her hair and pushes her onto him one final time. Down his shaft, taking him deep, feeling him in her throat. He pulls her off and gasps. She crawls back up his body. She pauses for a moment and kisses his lips, before continuing the climb up and straddling his face.

She is perched just high enough to tease his mouth. She stares down at him and runs her hands through his hair. He smiles up at her, letting his tongue dart out and flick

her clit. She throws her head back and presses herself onto him, moaning. He buries his tongue deep inside her, thankful that he finally gets to taste her. His tongue is eager and pushes deep. She moans louder; this is her favorite.

His tongue is like magic, moving over her, inside her, circling her clit. She grabs at her breasts and pull at her nipples. He cups her ass and spreads her wide. She has to grip the head board as her legs begin to shake. She was close before, but this is almost too much. She reluctantly pulls herself off once again.

She moves back down his body, pressing her weight on top of him, their chests meet, their lips connecting once more. Her hands lock around his face as she kisses him, deeply. His mouth is home; she wants this to last. This feeling. Her pussy rubs against his cock, wetting the head once more. She moves her hips, and feels him slide deep

wet spot grows as she flows.

Beads of sweat line his forehead as he watches her convulse on top of him. He exhales deeply but he's not finished. It's his turn now. He grabs her hips and flips her over and turns her round. Her pussy is still throbbing as he pulls her ass into the air and runs his cock over her slit, teasing between her slick pussy lips.

He teases her more, before pushing himself deep inside her once again. His hands grab at her hips as he pulls her on and off his cock. He pounds her hard. They hear nothing but their mangled breathing and moans. He wraps his arms under her and pulls her up, against him. The sweat on his chest meets her back, and he holds her close, driving up inside her. She presses down hard and reaches her hand down, brushing her clit, finding his balls and rubs them. She knows this will push him over the edge and give him what they both want.

T. J. shoots deep inside her. He fills her with his cum, trying to catch his breath, biting down on her shoulder. He pulses inside her, unloading. His arms grip her close as they come down, pressing their skin together. Their combined juices soak the mattress even more.

They both laugh and breath deep, and collapse on the bed. He lies on his back. She finds her place against his neck. Her hand crosses his chest again, but this time she hugs him tight. He faces her, and they kiss. His arm atop hers, gripping her. He runs fingers through her hair. It is something she loves after lovemaking. It is soothing and sensual.

inside her. She moans loudly as she pushes herself up, her hands on his chest. Her hips bucking backwards and forwards, rocking to the rhythm of sex.

She rides him, feels him deep inside her, feels him pushing into her void. She leans back, and his hand slides against her stomach, the other on her hips, grasping her. She's going to make herself cum. She feels it. She explodes around his cock, screaming out. Her juices flow down his shaft, over his balls and onto the mattress. The

The roll together and spoon for a couple hours. They'll sleep, shower and do it again. But this time they will find another spot in the house. Maybe the bathroom. Perhaps the living room or kitchen. T. J. prefers his lunch on the patio by the pool. Followed by a long slow blow job as he sits on it's edge and Pennie splashes her feet in the water.

But today, it's raining. They decide to stay inside, turn off the lights, and do the same nothing all day. Nothing...

Rebecca & Kacey & Sindee

We ladies love candy, some of us love jewelry, and all of us love money. But then we grow up to be ladies that like other ladies. We ladies like cock, but some like pussy, and some like toys.

Some like to shove dildos into pussies. These are the ladies we have with us here today. Enjoy.

A photograph of three women in a sexual scene. One woman is lying on a red couch, another is leaning over her, and a third is standing behind her. They are all nude. The woman on the couch is holding a vibrator. The woman leaning over her is licking her breast. The woman standing behind her is looking at the camera. The background is a light blue wall with a doorway and some plants.

We all know that a
dildo or vibrator is
just a cock substitute,
but when one isn't
around, what's a poor
girl to do. We'll
wager that every lady
has some sort of toy
around, just like every
guy watches porn. It's
not wrong or bad, it's
just a part of life.

Cock Hungry Coeds Ready to Please!

I've been told
that I have a
really tight pussy
for a fifty-two
year old. Yes,
it's seen more
than it's share of
cocks, but has
stayed firm and
tight and ready
for more. I admit
that I've had
more than cocks
in there, so I'm
happy that my
little friend can
stay so elastic.

Rheina

Believe it or not, I
have just recently
started shaving
down there. It's
been a slow and
tedious process.
I began with different
types of waxes and they
hurt. I would do
different pubic
cuts, but they
too were troublesome.
Now my
pussy's bald and
easy to maintain.
Besides, everyone,
including me, loves it
that way.

**You would think at my age,
I would like to be in charge,
even with a younger man.
Well, that's not the case with
me. It's just not my thing. It's
not a turn on if I have to bark
out directions or take the
initiative. I want the guy to
do that. I want him to decide
when he shoves his dick into
me. Don't just talk about it.
Come over here and take
some action, dude. That
gets me hot.**
