Is Belladonna the nastiest porn slut of all time? She's sure got the credentials. A career full of anal, deepthroating, dykes, dicks, more anal, dwarves, transsexuals, and even more anal puts her up there. Also, she did anal. We chat to the legend (p56) but some of our other babes want to give her a run for her money. Madison (p8) goes for a triple dick-tacular drilling, while Gina Lynn humps in the hay with two hot girlfriends (p40). Our MILF of the month Anita (p104) knows her way around a cock or two, while Sunny Lane (p84) and Tanya (p138) both get meat from guys named Matt. Enjoy...

GOT MILF?

No website, but one big wang with Lex Steele in Jules Jordan's *Lex The Impaler 4*.

Lisa Ann has become one of the biggest porn stars in the world during her recent career renaissance. So color us shocked – no, stunned – to discover that she didn't have an official website until very recently. There were plenty of fansites and unofficial spots dedicated to the busty MILF, but she never had her own. "It's something

I've wanted to do for a very long time," she commented. "It wasn't until recently that I met anyone I thought could do it the way I wanted it done." Expect exclusive photos, video, video chats and Lisa's own blog. Expect us also to be milking her bones to it for some time.

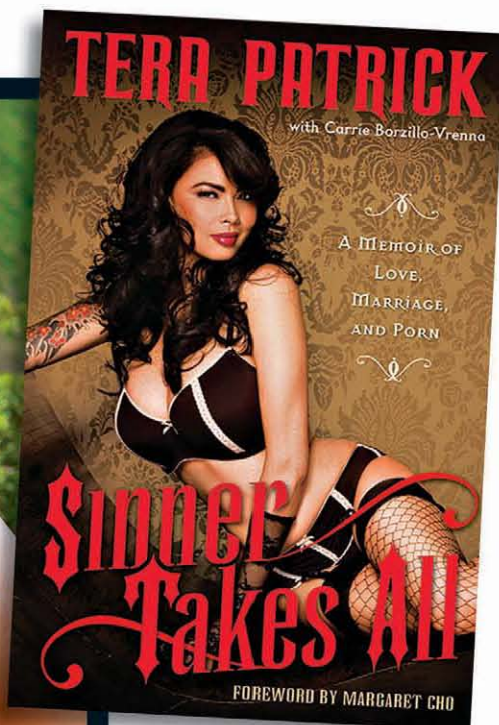

www.thelisaann.com

Raylene 1.0. Let's hope 2.0 is just as hot.

YOU PICKED A FINE TIME TO LEAVE US, RAYLENE!

Our sister magazine *Club* reported the rumor a couple of months ago, but now we can confirm it's true. Raylene, the hottie who won AVN Awards before calling time on her porn career in 2001 to become a real estate agent, is back on the bone. *Raylene's Dirty Work* is the first fruit of her comeback, directed by B. Skow for Vivid. Her return from an eight year hiatus sees her humping her way through four scenes. We can only assume the current recession forced the career backtrack but, if this is the case, let's hope the deeply screwed housing market sends us back some more classic porn stars soon!

WOMEN'S WRITES!

We've got a whole pile of books waiting for us when we retire, and we're not sure there'll be many of 'em written by porn stars. If there's one thing we want porn stars to do, it's fuck. Writing? We'll stick to writers, thanks. But Tera Patrick has lived enough life already to justify a memoir, so we'll definitely be sitting back with a cold one, our feet up and a copy of *Sinner Takes All: A Memoir of Love, Marriage and Porn*. Co-written with author and journalist Carrie Borzillo-Vrenna, Patrick's book takes readers through the ups and downs of her life, culminating in her hugely successful porn career and marriage to rock star (and now fellow pornee) Evan Seinfeld. She also digs deep into her past. "For the first time, Tera talks about her inner demons, her darkest days and how she overcame these obstacles," says Borzillo-Vrenna. That's all well and good, just as long as she talks about her pussy and rack too...

Sinner Takes All by Tera Patrick with Carrie Borzillo-Vrenna is published by Gotham / Penguin, and will be available in January 2010.

The pen is mightier than the pork sword. With Erik Everhard in *Digital Playground's Island Fever 2*.

BOOKS & FUCKS!

Like the idea of Tera's book? There ain't too many other classics penned by pecker-pleasers, but we can recommend these:

***How to Make Love Like a Porn Star: A Cautionary Tale* – Jenna Jameson (Harper Entertainment)**

Honest, frank and, at times, shocking, Jenna Jameson's autobiography pulls no punches about her ride to the top. She reveals all about the porn industry, shares gossip about some big names, and delivers pretty much the definitive porn book. Well, apart from *Club Confidential*, that is.

***The Smart Girl's Guide to Porn* – Violet Blue (Cleis Press)**

Actually, this isn't by porn star Violet Blue, because there isn't a porn star called Violet Blue. Well, there was, then the author of this book, a well known author and blogger, sued the porn star Violet Blue for trademark infringement. She changed her name to Noname Jane. So, should you buy this book? Nah. Much better to jerk off to a Noname Jane movie!

***Insatiable: The Rise of a Porn Star* – Heather Hunter (St. Martin's Griffin)**

Don't be fooled into thinking that this is legendary African-American porn star Hunter's kiss-and-tell memoir. Instead, it's the fictionalized account of one Simone Young, a New Yorker and hip-hop fan who becomes a stripper and then a porn chick. You can see why some people might think it's an autobiography... ♣

THE VERY WILD WEST!

ANAL BABES LUV IT!
888-292-4ASS

Madison sure likes to hang out at cowboy bars. It's not the country and western music she likes – keep a secret, she hates it – but she loves the clientele: rough-edged guys with big hands and even bigger cocks. They come to sup a few cold ones and party hard, and no one parties harder than Madison.

The owner is happy to turn a blind eye if three of his regulars want to get a piece of tail, and Madison is putting everything on the menu: mouth, pussy and ass. Bob, James and Lauro all go for the mouth first, taking turns to get lipstick smeared down their shafts. It's gettin' a little crowded up top, so Lauro breaks off to give that pink pussy some close attention.

Madison muffles her appreciation through a mouthful of cock.

Once his dick is good and slick with pussy juice, Lauro decides to tap that inviting ass. Madison moans her encouragement and Bob sees a chance to get in her cunt, James still fucking her mouth. In seconds she's more airtight than Fort Knox and the guys ball her harder and harder until she starts to cum over each and every cock. They keep swapping holes until they've all had a turn in her ass, and then they line up to lace her face with three creamy loads in turn. She might not be a real cowgirl, but she sure knows how to ride... ♣

**"THE GUYS BALL HER HARDER
AND HARDER UNTIL SHE
STARTS TO CUM OVER
EACH AND EVERY COCK"**

SHOOTING STARS RHYSE RICHARDS

SHE'S A BUBBLY FLORIDA FUCKSTRESS WHO'S FUCKING UP A STORM WITH HER STEPSISTER RHYLEE BY HER SIDE. AND IF SHE'S REALLY HAPPY TO LIVE ON JUST CUM, WE'RE SURE YOU GUYS WOULDN'T MIND FEEDING HER PLENTY...

Alan Stafford and Rocco Reed enjoy Rhyse's cups in Wicked's Hardcore Cougars.

How did you get into the adult industry?

I got into the industry on a dare. How silly is that? Rhylee [her fellow porn star and stepsister] dared me to do it so yeah, here we are.

P.S. I won the dare!

What was your first ever scene like?

Oh my god... it was Brazzers' *Big Tits at Work* with TJ Cummings. I was so nervous

HEIGHT: 5'3"
WEIGHT: 110 lbs
VITAL STATS: 34DD-24-34
HOMETOWN: Tampa, Florida

but it ended up hot and sexy. We were in Vegas in the summer so it was sticky and sweaty and we were sliding all over. It was definitely one of my favorite scenes.

what I mean.

Any other favorites?

Cougars 2 from Anabolic. Definitely. It was Rhylee and I, Tony T and John Strong, in a crazy hot scene! There was something to grab on to suck or lick in every direction. I think they actually called cut two or three times before I noticed.

Do you still like to masturbate?

Yes, and I do frequently. I love to masturbate on trips in the car when everyone is sleeping. I love sex toys and my favorite is my glass vibrator.

Had you been with girls in your private life before getting into the business?

Yes, many times! The first girl I ever dated was on my cheerleading squad. I kept staring at her during practice and watching her huge over-developed breasts bouncing up and down. I couldn't believe how much it turned me on. Later, when she tried to kiss me in the locker room, I closed my eyes and just let

Do you get off easily?

No. It depends. If I am getting fucked by a guy I like it doggie style so I can still rub my clit. Standing doggie's my favorite position. But with a girl I like to be the dominating one. Fucking her and choking her out while sitting on her face usually works if you know

her have her way. It was awesome and addicting. Since then I have had many, many girlfriends. I love girls.

Who do you think gives better head – men or women?

I think I would say men, but I'm sure we give them some strong competition.

Does size matter?

Yes, but it matters because I don't like the crazy huge ones. I am a small girl so seven or eight inches is good enough for me. Still, if a guy has a smaller dick but really knows how to use it, I am open to that, especially if he is cute and he can eat pussy well and spends a lot of time going down on me. Sometimes you have to make exceptions.

What turns you on?

I'm a voyeur, so watching is so hot in my book. I used to go running in the park when I lived in North Carolina. One day I saw this couple having sex over a picnic table in the middle of the park. I froze right in my tracks and couldn't move until they were done. They were just so into each other. Later, when I

got home, I fantasized about them while I masturbated. My panties were totally ruined but ever since then I have totally gotten off watching other people. I always imagine that they will end up dragging me into the hot sex action with them.

Any turn-offs?

I am really turned off by arrogant guys who think they are all that. I like the guys who want to take care of me first. I also find guys who think they are prettier than me and spend all their time in front of the mirror to be a HUGE turn-off.

Do you prefer scenes with people you've worked with before or new talent?

Actually, at this point, I really prefer to work with people whom I have worked with already. There is a comfort level working with people you know that allows me to just let go and go for it. All my inhibitions just melt away. I think it's better like that. Some of my favorite guys are Tommy Gunn, Alan Stafford and Brad Armstrong and favorite girls are Puma Swede and Eva Angelina.

**Who knew that
cougars drink milk?**

**A session on the couch with Brad
Armstrong in Wicked's Roommates.**

Is there anyone you'd like to work with that you haven't had yet?

Jesse Jane and Evan Stone, together or one at a time. Doesn't matter to me, I want them both.

Is there a particular type of guy that appeals to you?

Southern guys who get their hands dirty, ride motorcycles, can shoot a gun, and most importantly still take care of their woman!

What's your favorite nasty sex act?

You would never guess, but I would have to say that it would be cum swapping. I never did it before I got into porn, but once I tried it here I totally loved it. It's so dirty.

Do you enjoy working in groups?

Yes! I really do. I have only been with four people at once so far, in *Cougars 2*, but I would be willing to raise that number up considerably if the situation was right and I felt good.

How many cocks can you handle at once?

I would have to say I top out at three. I have only been with two guys in a scene but once at a swingers' party in Florida I did get to be with three guys at the same time. It was exhilarating. I grew up a nerd and never dreamed that three guys would want me at the same time. It was such a rush having them all take turns on me. I will never forget it.

Do you have a blowjob style?

Well, I don't really think I have a special way, I just love to suck cock so I figure it changes with each one! I think it's what I'm best at and I go with what the guy likes, whatever does it for him works for me. I try to just relax my throat and take it as far back as I can. I've learned to hold my breath for long periods of time and that helps. There is nothing like the sounds a guy makes when you're really good at sucking cock or the feeling of being able to get someone to

unload in your mouth. Now that is hot. I also like to take that load in my mouth and on my tits, I like to watch it slide between my cleavage.

Do you like the taste of cum?

I love the taste of cum. I crave it. I especially like it when a guy has a clean diet or eats a lot of pineapple because it makes his cum super sweet. I could practically live on cum!

If you were producing a movie, who would you choose for your fantasy cast?

Jesse Jane, Dyanna Lauren, Janine, Evan Stone, Randy West and Billy Glide. The cream of the crop.

Have you had sex in any unusual places?

The first thing that comes to mind is the time that I had

sex in a bathroom at a football game. I was with a group of friends, nearly forty of us, and we went to a Florida State game. There was this really cute guy in our group and we started flirting, he was someone I didn't know. I could tell he really wanted me, but he was there with his frumpy girlfriend, so when I went to the bathroom I let him know he should follow me. We didn't know where to go and I wanted him so bad. Eventually I said 'fuck it', took him by the hand and we marched into the men's room in front of everyone. I took him into one of the large stalls and practically ripped his pants off and the whole time we were fucking I could hear other guys coming in and out of the bathroom. Guys were shouting and

Rocking classic cougar wear with John Espizado in Wicked's *My First MILF*.

cheering us on! It was awesome. After we were done, we went back to our seats and I ignored him the rest of the game. His girlfriend kept asking him what was wrong and why he had lipstick on his jeans. It was pretty funny. Another time I met this really hot construction worker at a gas station so we went on a quick

ride in his truck and had crazy, spontaneous sex. I wonder if he remembers it. I still masturbate to that guy.

What type of sex scene do you prefer, soft and sensual or rough and hard?

I like it rough and hard.

What's the most sensitive part of your body?

That would be my nipples. Whenever I get excited my nipples get rock hard and amazingly sensitive. I love when a guy teases my nipples with his tongue or nips at them with his teeth while he is fucking me. It can be just the thing I need to push me over the edge into a super hard orgasm!

Do you think there's any class you'd need to take in the 'school for sex'?

I would need a teacher for anal because I haven't done it yet, but I could teach a class in eating pussy!

Do you dance in clubs?

I haven't started dancing yet,

but Rhylee and I are going to start feature dancing on a tour next month with A List Features.

Is there anything you can tell us about yourself that would surprise us?

I love to shoot guns and ride dirt bikes. I love hiking and being outside. I also love spending time with animals.

What do you think makes one of your movies special?

I love filming and I love knowing there is someone at home stroking their cock or fucking their wife to me! That is what gets me ready for my scenes and I think it makes my scenes better.

How can your fans get in touch with you?

They can reach us at www.myspace.com/rhyse_rhylee until our sites come online at www.ourxxxclubhouse.com and also at www.rhyseandrhyeelive.com. Come visit, check out our dance schedule and come to see us. I can't wait to make more movies for all our fans and hopefully meet them in some of the clubs we will be featuring in soon! ♣

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

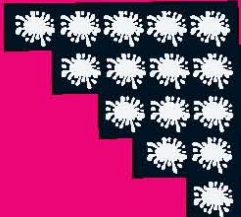

CUM BLAST!

A TORRENT!

A NICE SPLAT!

A DAMP PATCH!

A DRIBBLE!

I'm keeping a close eye on studs these days, because there seem to be less and less of them. If my calculations are correct, the time is nigh when directors are so desperate for dick they might even come knocking at my door...

SEX IN MY PJ'S

STARRING: Sadie West, Heather Starlet, Danica Blue, Brynn Tyler, Krissy Lynn, Mark Ashley, Domenic Kane, Christian, Anthony Rosano.

DIRECTED BY: Eddie Powell.

AVAILABLE FROM: New Sensations.

PUSSY IN PJ'S / STRAIGHT SEX

Now, here's a fetish I didn't know that I – or anyone else – even had, but sex in PJ's is what the title offers, and sex in PJ's is what this movie gives us. Of course, it's just a college girl spin-off really, or for those guys who like to see girls in men's pajamas. I've just realized that I do like that, but only when the bottoms are pulled down, or the top is open to reveal a pair of tits nestled beneath the cotton. Happily, that's exactly what director Eddie Powell gives us, and I can't wait to see Sadie West bursting out of a pair.

Krissy Lynn is first on the cock, shimmying out of her pajamas and onto a cock. She's got a sweet, perky pair of tits, but the sex isn't exactly electrifying, although she does use her face to soak up a good load, which is nice.

Brynn Tyler is a blue-eyed blonde who looks pretty perfect for some college girl casting. She huffs on Mark Ashley's hambone while he gropes her through her jammies, before they slip off and he plugs that inviting-looking pussy. It sure makes me want to snuggle up with her.

Danica Blue is the third blonde in a row, and maybe the hottest yet, despite some dodgy eye makeup. Maybe it's down to the combo of her slutty look and her lovingly shaved snizz. Christian taps her twat in missionary and doggie, her PJ's stranded around her knees, in a scene that had me reaching for my own jimmy-jams.

Hells bells, but I want to put my cock in

the vicinity of Sadie West. She's all woman, with the curviest, peachiest ass I've seen in years. Sadie with pajama pants around her knees and a dick balling her in doggie is worth the price of admission alone. I freeze-framed it so much I burned a picture of it into my plasma screen. Last up is Heather Starlet.

Another red hot blonde getting stuffed by a big cock? Don't mind if I do. Suddenly, the world of lingerie doesn't seem so alluring – if I knew any chicks, I'd be buying 'em some PJ's right now.

SUMMARY: Really hot girls looking sweet and innocent while getting pounded by penises. Plus pajamas. You do the math.

FRESH OUT THE BOX 12

STARRING: Blue Diamond, Heather Huntley, Tara Lynn Foxx, Cali Couture, Persia Pele, Lexington Steele.

DIRECTED BY: Tina Tyler.

AVAILABLE FROM: Mercenary Pictures.

ONE ON ONE / LEX SEX

Man, it must be good to be Lexington Steele. Big dick, own production company, and a couple of DVD lines to crank out consistently. Seems sweet to me. *Fresh Out The Box* is where he introduces some brand new or relatively new girls to his legendary length. That's it. It's as high concept as porn gets.

Tara Lynn Foxx is a very pale, natural blonde with real tits, a pretty poor star tattoo on her back and the right kind of attitude to sex for a wannabe porn babe. There's a brief interview and chat, before Tara strokes her slot in readiness for some cock. Once Lex arrives, she smothers his dick with her mouth – well, as much as she can – and then he starts to nail her in earnest. A lot of new chicks can be fazed by Steele's stick, but Tara takes it all the way and lights up like a bonfire before he pops into her mouth.

Black hottie Blue Diamond rolls up in fishnets and reveals she's 18. Well, she's got the bubble butt of someone much older, and that's what my eyes were drawn to magnetically as it shook its way through her pussy pounding from Lex.

Cali Couture is another all-natural babe with big – verging on the floppy – tits,

that I wouldn't say no to burying my head between. Other parts too. Lex puts his cock between them, which they pretty much beg for, before switching to her mouth and her mound. While the previous scene was about watching ass jiggle, this is all about watching tits bounce. And bounce they do.

Heather Huntley's name is a little similar to Heather Hunter's, don't you think? Still, there's no confusing them other than that. She puts in a serviceable scene, and you might as well lose the last of your load here because you'll be hard pressed to lose it over the last scene. It's okay, but I'm assuming litigation is going to follow whatever the hell has happened to Persia Pele's rack. It's a crying shame.

SUMMARY: New girls line up for one of the biggest dicks in the biz. No alarms, no surprises, but plenty of strokeable fun.

FILTH CUMS FIRST 4

STARRING: Carmel Moore, Chase Evans, Jenny Hendrix, Kristina Rose, Priya Rai, David Perry, Mick Blue, Scott Nails, Tommy Gunn.

DIRECTED BY: Robby D.

AVAILABLE FROM: Digital Playground.

HOT CHICKS / GLOSSY GONZO

There's a lot of stuff I like from the people at Digital Playground, but right now this might be my favorite line from them. Why? Well, the title sums up my attitude to porn – *Filth Cums First*. You can add all the other stuff you want – plot, comedy, acting, sound effects, whatever – as long as you remember that people are watching this movie to make their balls

lighter. Or whatever it is that happens when ladies touch themselves.

Chase Evans has fun with the dicks of Euro studs Mick Blue and David Perry in an opener that reminds you that this is as close as Digital Playground gets to gonzo. She warms up with some sex toys, slipping one into her ass before the cocks arrive and she attacks them with hunger. Face-fucking ensues, Chase sure liking it rough, before they start slipping in and out of her pussy and ass. A DP seems inevitable, as does a double dose of the creamy stuff.

My cock is no stranger to Priya Rai's curves, and Tommy Gunn seems to like 'em too. An enthusiastic blowjob leads to sex with more chemistry than a Bunsen burner, Priya fiending for her own pussy juice from Tommy's tool, before he provides her with some juice all of his own making.

Things really come alive in the third

scene as Kristina Rose shows how much she wants it in the ass by sticking a glass dildo up in there. Scott Nails tastes her butt before aiming his cock right into it, and there are few finer sights in the world. She seems to get hotter by the scene, and the combo of her POV blowjob and ass-fucking here meant I had to take a pause to wipe down my TV screen.

Brit hottie Carmel Moore seems to have been resting recently, but I welcome her back with open pants. Mick Blue and David Perry give her a lot of cock to consider and screw her pussy from all angles before dishing up dessert. It's nice, but not as nice as the sight of Jenny Hendrix's phenomenal tush getting speared by Tommy Gunn in the finale. She looks like a slut, she acts like a slut. Job done.

SUMMARY: Well shot semi-gonzo with incredibly hot girls. Kristina and Jenny take the plaudits, however.

1 ON 1 VOLUME 3

STARRING: Tori Black, Penny Flame, Holly West, Lexi Belle, Harmony, John Strong, Mark Wood, Mr. Pete, Jenner.

DIRECTED BY: Gregg Alan.

AVAILABLE FROM: Diabolic.

RED HOT CHICKS / VIGNETTES

At first glance, I thought this was called *1 on 13*. As much as I like the idea of me with that many chicks, I was a bit worried about how 13 guys on 1 chick, or 13 chicks on 1 guy, was going to play out on screen. The problem with gangbangs is that there's always a lot of spare dick hanging around trying to stay hard, or a lot of spare pussy doing the same, but

with wetness instead of hardness. This is all academic, however, because it ain't *1 on 13* after all. Phew.

Hats off to a great cast as well. Harmony is a consistently solid performer, Holly West and Lexi Belle take care of cute, while Tori Black is something else. As for Penny Flame, well, she's retired now, so enjoy one of her last scenes. Holly West gets things off to a nice start with Mr. Pete. She teases him, grinds in his lap and then gets down to business proper. The blowjob is all good, the doggie sex matches it, and then Holly takes it to the next level by letting her stud take her ass. The only downside after all this eye candy is Mr. Pete losing his mess on her stomach. Really, what's the point?

Lexi Belle won't be taking it in the bunghole, I'm pretty sure, but that doesn't mean she isn't a whole sack of

fun to watch. Mark Wood ensures she gets the dick she deserves, and the humping stays hard and intense throughout. Lexi, will you marry me? For real? I might also send Penny Flame a marriage proposal too – after all, she's out of porn now. Here she works Jenner's joint to a frothy conclusion.

Tori Black really is beautiful, but she huffs meat like a champ too, I'm happy to report. She also gets a length of Mark Wood's wood, and brings her trademark energy to another sweet scene. My dick cried at the end. Harmony doesn't let me down either, rocking her usual deepthroat skills on John Strong's dong and then taking a pucker pounding to boot. All is well in my world.

SUMMARY: Five hot girls take on five hard dicks. No porno rules are rewritten, but with this quintet of quim, who needs to?

TERA PATRICK'S PORNSTAR POOL PARTY

STARRING: Mya Luanna, Daisy Marie, Madison Scott, Charmane Star, Daisy Duxxx, Angie Savage, Brooke, Lexi Belle, Kayla Paige, Trisha Oaks, Juliana Jolene, Holly West, Holly Wellin, Maya Gates, Lorena Sanchez.

DIRECTED BY: Brian McCarthy.

AVAILABLE FROM: Vivid / Teravision.

ALL GIRL ACTION

What the hell are Vivid and Teravision playing at here? Two companies with a great reputation have combined to dump on me perhaps the worst porno I've reviewed in a few years. What's wrong with it? Well, for one, Tera Patrick isn't

directing, so with her name attached and the legend herself on the box, I expected to see her in action. Nothing doing. Nada. Instead, she does a brief spoken word intro to each scene, her bikini resolutely on. Secondly, how do you manage to get together a cast like that and have the sex be so appalling? Thirdly, throwing two midjets and a non-sex cameo from Ron Jeremy into the mix isn't going to liven things up either. And lastly, what kind of modern porno clocks in at 50 minutes? Companies are hitting us with bonus discs and scenes to get us to spend our porno buck, and you give us 50 minutes with dwarves but no Tera action. Baffling.

So what do we get? Mya Luanna and Charmane Star go through the motions, doing their vegetarian thing but for the briefest possible time. At the point where most lesbian scenes would kick into second gear, this one ends. Daisy Marie and Daisy Duxxx were surely only cast together because they share the name

'Daisy'. That said, they're starting to generate some heat courtesy of a dildo just as the scene grinds to a halt slightly north of the seven minute mark.

More short-changing ensues as Mya Luanna and Madison Scott last all of five minutes in a badly shot and badly edited piece of nothing. Things pick up slightly as Daisy Marie returns for a threeway with Kayla and Angie that the director lets develop for a few minutes at least. Toys, tongues, twats – this shit ain't complicated to get right.

Last up, at least a dozen babes gather in a cave pool for a lesbian orgy that's shot so badly it's funny. The lone camera glides around, leaving us with fleeting impressions of foxes fucking, before Ron Jeremy breaks it all up lest we get too turned on. Woeful.

SUMMARY: A misstep of huge proportions from a studio that normally deals in quality. And if you promise Tera Patrick, you'd better deliver Tera Patrick.

NYLONS 5

STARRING: Sasha Grey, Nika Noir, Shawna Lenee, Cassidy Morgan, Madelyn Marie, John Strong, Tommy Gunn, Mark Wood, Lee Stone, Mr. Pete.

DIRECTED BY: Miles Long.

AVAILABLE FROM: 3rd Degree.

HOSIERY 'N' HUMPIN'

I couldn't give two fucks about nylons or, indeed, any kind of hosiery. Matter of fact, I've been turned on to pajamas this month and I'm not quite ready to make another leap. However, what I do give two fucks about is watching hot chicks fuck, and Sasha Grey is one hot chick. Fucking. Depending on the day, I can take

or leave her. Sometimes that glacial expression is the cock-smokingest thing in town, on others I think it wouldn't hurt her to crack a smile. John Strong doesn't seem to mind either way, as his dick is hard and dipping in and out of her mouth. Her hose get used plenty, both for a handjob and for John to stick his dick through. The sex is good, but I'm used to seeing Sasha with a pipe sticking out of her cornhole, and that doesn't happen.

Nika Noir's black patterned stockings sure look good, and Lee Stone warms to them immediately. His curved cock spends some time in her mouth before switching to her pussy and they go through every prescribed position. Nylon lovers are usually foot freaks too, so they'll love the footjob here, and Nika cleans up the cum that's blasted onto her foot at the end.

Shawna Lenee always looks pretty

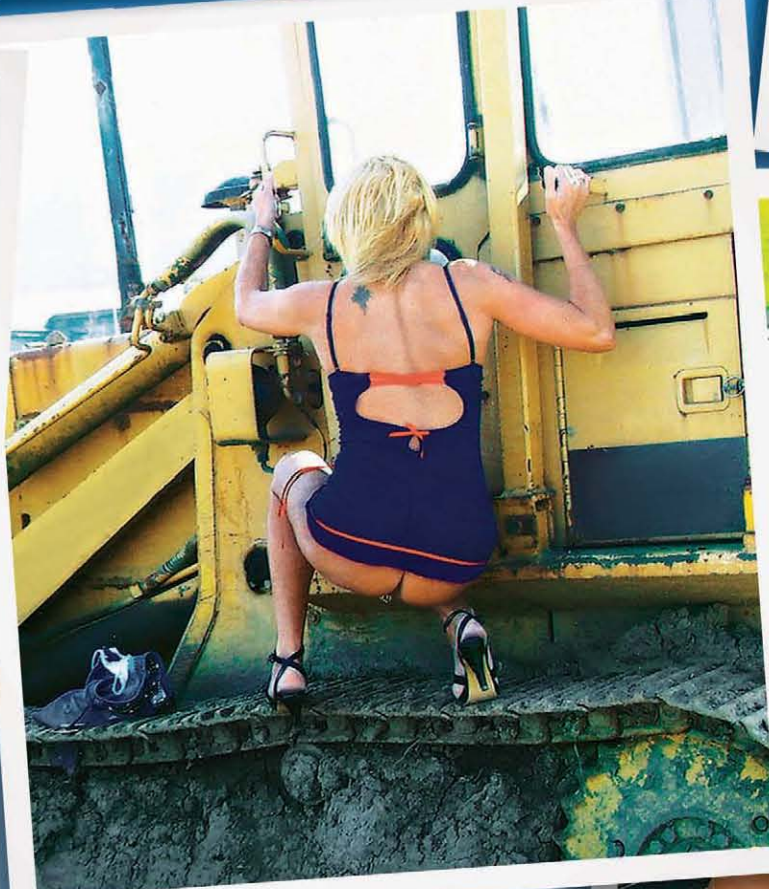

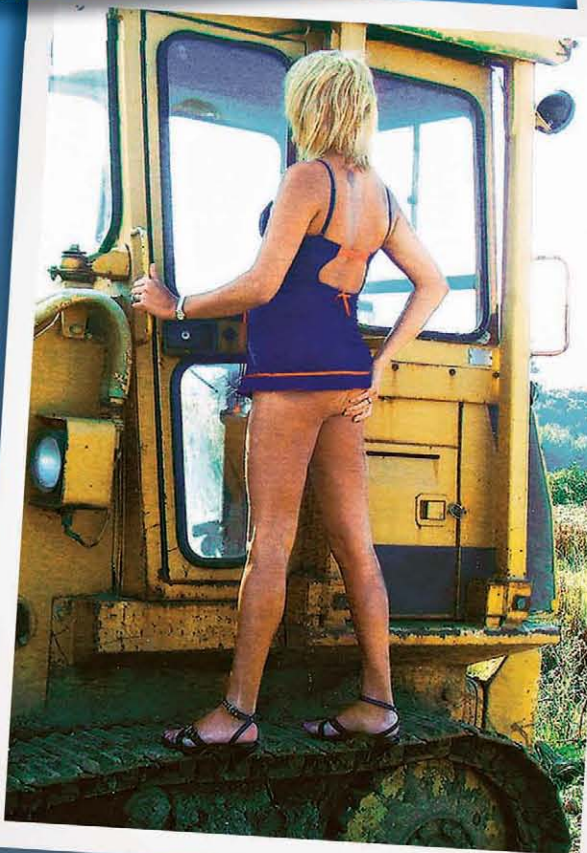

spectacular, and Tommy Gunn can't wait to peel down her hose and apply his dick to her tempting cunt. The nylons see plenty of action, whether wrapped around his pecker, or with Shawna blowing his cock through them, but I'd still like to see her falling out of some PJ's and onto my rod. I don't feel the same way about Cassidy Morgan, although she's cute enough, I suppose. Mr. Pete puts some dick on this bubbly cutie in a scene that feels like a hangover after Shawna's winner.

The very cute Madelyn Marie ends things on the right note by wearing knee-high stockings and then wearing the jizz of Mark Wood after a thoroughly enjoyable fuck. Nylon lover or not, you'll like what she's got to offer.

SUMMARY: This stays on the right side of fetish with the nylon-love never getting in the way of raw sex.

MY SEX LIFE!

"I NEED BOTH HOLES FILLING!"

A couple of weeks ago, my favorite fuckbuddy and I went for a drive and came across a truckstop. As we pulled into it we saw several cars and trucks parked up. There was some woodland nearby so we decided to take some photos.

We parked in front of a truck and I got out of the car. I was wearing a skimpy dress and high heels. I realized my heels weren't really practical for walking in the woods, so I opened the trunk of the car to get my walking boots.

As I sat on the edge of the trunk to put on my boots, I gave the truck driver a flash of my pantyless pussy. Then I

made sure he was watching as I picked up a blanket and the video camera and headed towards the woods. I glanced behind me to see him climbing out of the truck so, just to make sure he followed me, I lifted my skirt and wiggled my bare ass at him.

It was only a short walk into the woods, and once there we found a suitable spot and spread out the blanket. I lay down and spread my legs, showing my tits and getting into poses for my friend to take photos. I had a vibrator with me and I started fucking myself with it. All the while I could see the driver getting

closer, his cock in his hand.

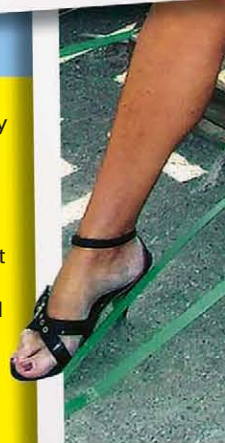

I called him over and just took his cock in my mouth, licking and sucking it. My friend was taking photos. I've been told I give a great blowjob, and I sucked hard and deep until the guy shot his load in my mouth. I swallowed every last drop.

My fuckbuddy was rock hard now, so I told the guys I needed both holes filling. My friend started fucking my pussy and the truck driver was soon hard again and ready to do my ass. They started taking turns, switching places and giving me a thorough reaming. I was so wet that

every time a cock thrust into me, my juice was splashing out.

I started to cum over and over again, and this set the guys off, so soon my cunt and ass were dripping with two loads of jizz. My friend took photos of the spunk pouring out of me and I used my hands to spread my holes wide so the pics captured the horny heat of the moment!

Gina Lynn and Sophia Santi in a barn with hot newbie Merrick? Something tells us these girls aren't taking shelter from a storm. Why do we think that? Maybe it's the strap-on cock that Sophia is climbing into – who just happens to be carrying one of those around?

As Sophia straps it on, Gina gets Merrick's tight pussy ready for it with some sweet tongue music. Gina's a past master at eating cunt, and as her tongue explores Merrick's folds, she slides a finger in too, to make sure Merrick is wet enough for the fake fuckstick. She's plenty wet, so Sophia takes her place and steadily slams some slot while Gina lowers her own dripping pussy onto Merrick's mouth.

Can Merrick handle the pace with these two world-class porn stars? She sure can, managing to make Gina cum even as Sophia is picking up the pace in her pussy. Gina wants a cunt full of plastic too, so Sophia switches between the two inviting holes. We thought barns were full of hay; turns out they're full of horny hotties and sex toys... ♣

Belladonna

FROM DICK TRICKS TO DIRECTRIX, BELLA LOVES TO BALL...

Belladonna is truly something special. She's recognized as one of the best performers in adult history and she has established herself as a director, too, winning Director of the Year – Body of Work at the 2009 XBiz Awards.

She has managed to bring the same passion she displays as a performer into her directing. Evil Angel owner John Stagliano recognized that after she'd shot only three movies, bringing her into the fold with names like Joey Silvera, John Leslie, Rocco Siffredi and many other legendary directors.

Over the years she has not only survived what could have been career-killers for anyone else – a devastating interview with Diane Sawyer on *PrimeTime Live*, shaving her head, sporting major tattoos before they were fashionable – but managed to turn all of these into advantages. Who thought this innocent Mormon girl would become one of the biggest stars the porn world had ever seen? Not Belladonna, but with Belladonna one needs to expect the unexpected. Acme Andersson gets up close and personal with a porn icon...

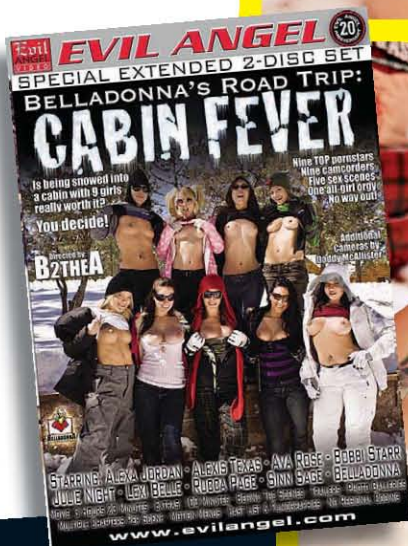

AA: How do you think being raised Mormon influenced your adult career?

B: I was always in a conservative area because I was always surrounded by the people in my family, which were Mormon people. I wonder if I do all these things because I was Mormon, or was I just going to do it no matter what.

AA: In every interview I ask the person whom they most enjoy or want to work with, and usually they say Belladonna.

B: That's so interesting. When you're that person you just don't get it. I appreciate it and I'm flattered, but I don't get it. You need to forward me this list so I can find these

Belladonna: Baseball bat not pictured.

Bella loves boob.

Ava Rose gets a faceful of one of the most famous twats in the jizz biz.

Bella gives head, avoids a head cold. Sensible.

because everything she does is with passion and it's so amazing to watch. I feel like I've never seen a girl fuck a girl before I saw her fuck a girl. I'm doing a whole movie on her, it's called *Discovering Sinn Sage*. I get chills watching her, and I've been in this business for years and no one has ever made me feel like that.

AA: How did you get into directing movies?

B: I never wanted to be a director! I never had a desire, it was never even a thought in my mind, but I would tell my ex-boyfriend [Nacho Vidal] all the time, "Here's an idea for a movie." I had all these wonderful ideas, but I didn't want the pressure

girls and work with them.

AA: It's because you make a connection with the person you're working with.

B: I know what you're saying. I think a lot of people forget that everyone has their own boundaries and no matter what you're doing you should be able to enjoy it. You get some people where they can't do anything but that one type of sex and

that's not how the world works. Everyone is different.

AA: Who is it that you really like working with?

B: Right now I'm on this huge kick with this girl Sinn Sage. I feel like... I don't want to say I feel like I'm watching myself, but I'm watching someone who reminds me of myself when I perform

of actually doing it. Finally I gave in and I started doing movies for Sineplex and I was having a lot of fun. After about three movies for them I went to Evil Angel. My ex took a movie to John Stagliano and said, "Watch this, you've got to have her direct for you." And, sure enough, the next day he said 'all right'. It's insane.

For the first movie I seriously stressed out. I put one movie out in one year.

I kept telling John, "I need time," and I was surprised that they let me stay there. He brought me in for a meeting and asked me if I really realized the workload of being a director and all this stuff that you need to know, and I said, "If you guys don't want me to direct for you, I totally understand and that's cool, just tell me." John looked at me like, 'Are you serious?' I'm not like the people they're used to dealing with. I didn't really realize how big a deal it was. I've finally reached a point after five years that I'm finally comfortable as a director.

AA: How do you select the talent for your movies?

B: I've started to do casting calls. They could be girls who've been in the business five years, it doesn't matter, it has to be that they're new to me. I want to see what they're like, what their personality is like, what kind of sex they're into, things that they don't like, what their screen presence is, because that makes it so much easier for me to make them have a good time. It also allows me to see what they look like in person because sometimes you go to these agents' sites and you see these super airbrushed images of people and they show up in person and it's a totally different person. You want to see also, too, that their bodies don't have any staph infections or major bruises, because I've had girls show up to set and it's like, "Are you joking?" In 10 or 15 minutes you can know a person pretty well. That helps me tremendously.

AA: You have a way of taking things that, on paper, seem completely insane and making them incredibly hot.

B: Give me an example.

AA: Putting a baseball bat up your ass.

B: It's funny, because I don't really plan it out. For that one, I was in Prague and I saw this baseball bat and I thought, That could fit inside me. I get bored very easily,

**Bella and Alexis?

world of butt.**

Rug munching.

Looks like all bases are loaded.

so I'm always looking for something different or to change it up or be with someone new. I guess it's the passion behind it. No matter what you're doing, it's the way that you do it.

People always bring that up and tell me how I'm doing all these crazy things, but how often do you see me doing them? I don't do them every time I make a movie. It's when I feel like it. I think I've used my baseball bat two or three times. People sometimes act like that's all I do. But I have some movies that are super erotic and there's not much anal in them or whatever, I always have something different going on, because for me that keeps it fresh. A lot of girls come on set and they're scared to death what I'm going to do to them. I'm not going to do anything to them that they don't like doing.

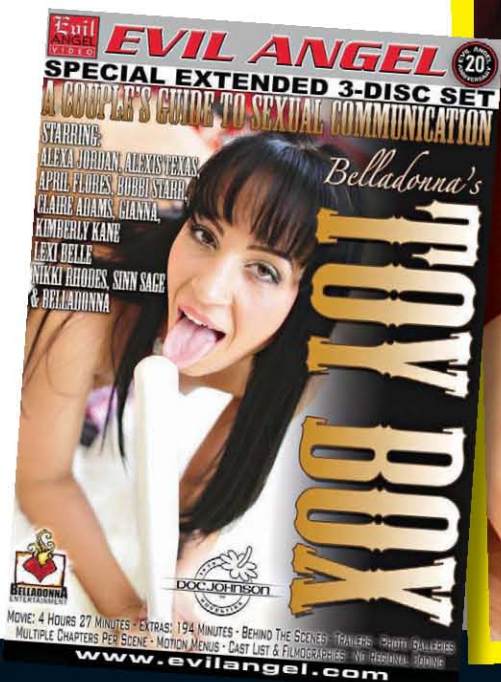

AA: You won Best Supporting Actress at the AVN Awards for *Pirates 2* last year. Acting wasn't something you had really done before.

B: I want to do a lot more of it and I'm going to. It's fun to start doing something different.

AA: Have you thought about doing features for your own company?

B: We're working on some scripts right now and we'd love to do our first feature in the next couple years. We're really excited about it. It's hard, because you want to be just as into the story as you are into the sex. I'm glad I have an interest in it now, because I didn't always, but after *Pirates* I knew I wanted to do more of it.

JAZY

FROM HOLLYWOOD, CALIFORNIA

Name: Jazy

Age: 19

Occupation: Party Girl

Life of the party: "I know party girl isn't a real profession, but that can come later. Right now I'm having a blast being 19, going to great bars and pool parties and getting my fuck on! Once it gets to midnight, everyone peels their bikinis and shorts off and there's pussy and cock everywhere. I like both, so I'm in horny heaven!" ♠

A blonde woman with long, wavy hair is lying on her back on a colorful beach towel. She is topless and looking directly at the camera. She is wearing a thin silver necklace with a heart-shaped pendant and a red beaded bracelet on her left wrist. Her legs are spread apart, and her hands are resting on her inner thighs. The background shows a blue body of water and a yellow beach chair. A red speech bubble with white text is in the upper right corner.

FAQ About Xomax

- Q.** How soon do you see results?
A. Most men see results with their first dose and increasing results over 60 - 90 days.
- Q.** Are the results permanent?
A. For most men, if Xomax is taken continuously for three to four months followed by a maintenance program the results are permanent.
- Q.** How much growth can I realistically expect?
A. Up to 5 inches or more with a increase in width of 50%
- Q.** Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.
- Q.** What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such as Ginseng or low end forms of L-Arginine.
- Q.** Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within three months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are

HOOKED ON BONERS

Recently, an old buddy from my boyfriend Jonas' hometown said he was bringing his cousin to the city to celebrate his 21st birthday – so where were the best strip joints? Jonas said he'd get them a real nasty hooker instead, one who'd do anything for a hundred bucks. Guess who played that role?

I squeezed my curvy body into a tight dress, tits spilling out over the top and half of my ass cheeks exposed. Spike heels, backcombed hair and cocksucker lipstick completed my look as I arrived at their hotel.

There's not much Jonas hasn't seen me do, but I think even his dick jumped in his pants when I walked in. He acted like we were strangers and I played along. I'd never met the buddy, Karl, or his cousin, Paul, but neither of them were the hicks I'd been expecting!

This was Paul's night, and so I did a slow strip for him, bouncing my tits in his face as I unhooked my bra. Then I bent over so he could pull down my panties. I draped them over his face, crotch over his mouth and nose so he was breathing in

the aroma of my pussy juice.

I backed toward him and ground in his face, my shaved cunt wet and sticky against his lips. He may have just turned 21 but he knew how to eat pussy – just one sneaky rub of my clit had me cumming all over his tongue.

Now I undressed him. "Damn, let's get you on the bed, honey!" I gasped as I saw his hard-on, and it wasn't just flattery

SUNNY & MATT

When Sunny and Matt rock up to the lakeside, they ain't fishin' for trout. Nope, the only fishing happening today is Sunny fishing for Matt's cock in his jeans. And Sunny Lane always gets a bite – it must be the red hot bait she's packing in the form of suckable tits and a bangable bubble butt. Whatever, Matt's nibbling.

Sunny gives special blowjobs, starting at the tip and sucking real hard, before showing off her nut-gobbling party trick. Both Matt's clockweights get cleaned in her mouth while her hand jacks his dick to new levels of hardness. It's not a selfless act – she wants that prick super-hard because she plans to sit all over it for the next hour.

And she does, her sugar walls clenching his meatstick in place as she slides onto it. As she picks up pace, she's soon leaping up and down like a salmon as Matt kicks back and enjoys the view. The view of Sunny's ass, that is. It ain't all one-way traffic though, Matt doing his bit for the cause by resting Sunny on her shoulders and piledriving into that sweet pussy. That lets him get real deep so she can cum from her G-spot being tickled and he can send jet after jet of scorching jizz washing around her pussy. Who needs to fish when you can fuck? ♣

I clenched, and moments later I was draining his balls, any move I made just setting off yet another spurt of cum

– the guy was hung! I jacked him up against my crotch, getting off on the feel of his helmet up against my clit. I thought he might cum before I got him inside of me, but once he penetrated me, he took control, fucking me like he could go all night.

Karl was openly beating his meat, looking like he could feel everything I did to Paul's cock. One time, he actually said, "Slow down, baby..." like I was fucking

him too hard. Jonas sat playing with his cock, maybe looking a little too pleased with himself.

"You," I said, pointing to Karl. "Come here." Jonas grinned and I said, "You stay where you are." That shocked him, I think, but he kept playing the game.

I licked Karl's cock – the head was plump and shiny, salty against my tongue. I flicked the underside, stretched taut, then sucked it all the way in.

Paul grabbed my tits, not that I needed any reminding he was there. His big dick pistoned in my snatch and Karl reached down to give my clit a rub. In seconds, I began to cum, my cunt gripping Paul's shaft. I bore down hard on it to stop his thrusts, wanted him to feel me orgasm, but I was showing Karl's boner no mercy.

As I tasted the salty drops, a sure sign he was almost done, I started to ride Paul's dick again, my hole pumped up

tight around his girth. I clenched, and moments later I was draining his balls, any move I made just setting off yet another spurt of cum.

Almost right away Karl began to cum too. I swallowed a little, then let him out to splash it over my lips and then down onto my tits. The sight of it set off a couple of final jerks in Paul's cock.

I gave them both a kiss, pulled on my skimpy clothes and left. Some hooker – I totally forgot to take the hundred bucks from Jonas!

I guessed he'd hang out with the guys, but less than two hours later, he let himself into the apartment, while I was on the bed replaying the night's events in my head. Really, he knew me leaving him out of the action was a tease, but he actually looked a little shaken!

I told him to fuck me wherever and however he liked, and so he bent me over the bed, pushing his prick inside of my asshole. I said I'd just been saving the best till last, no cock satisfied my cunt and ass like his, but he was pounding me so hard I could barely speak the words.

There was one final thing to do – tell the guys the truth about their 'hooker'. Jonas sent them an email with pictures of me sucking and fucking his dick. Sure beats a birthday card, anyway!

SERVICED WITH A SMILE

Even though there is a recession going on, I decided to save up some extra money to get my hair cut and my toes polished last Saturday afternoon. Little did I know that I was about to get more bang for my buck, literally, than I ever could have predicted.

Feeling energized, I arrived a few minutes early to my appointment and was extremely happy at the welcome I received. As soon as I walked into the salon, everybody began flirting with me. The receptionist tucked my hair behind my ear when I checked in, the shampoo girl was rubbing her crotch against the side of my face as she lathered my hair, and finally the stylist, Katrina, unbuttoned her blouse as I sat down in her chair. At first I just assumed they were really grateful for my business, but what happened next was more than just good customer service.

"You look so damn sexy in that skirt," Katrina said while massaging my scalp. I looked at her in the mirror and smiled. As she continued to work on me, I could feel her pushing her tits against my back and could see a hint of her black lace bra curving around her big tits.

"Do you like what you see?" she asked. For a moment I wasn't sure if she was talking about her gorgeous rack or the style she was creating with my hair. Both were out of this fucking world. I smiled again and nodded my head. This time, however, I got her attention in the mirror by unbuttoning my blouse just a bit to let her know I wanted to play. She gave me a wink and the game was set.

As she finished styling my hair, Melody, the pedicure technician, brought her files and polish over to my chair. She gave Katrina a gentle kiss on the lips before parking herself between my legs. I rested my feet against the top of her thighs as she rubbed lotion up my calves and kept going. By now I was feeling very horny and extremely wet.

"Keep going," I whispered as Melody worked her hands over my damp pussy. She curled her fingers around my hairy muff before darting a few inside my soggy hole. She wiggled her fingers around and around, eventually pulling them out and sucking them clean.

While Melody continued rubbing, stroking and penetrating my pussy, Katrina started to massage my tits. Although we were all out in the open, nobody seemed to care that I was getting fucked in the barber's chair!

"My turn," Katrina said, switching positions with Melody. Katrina took things to a whole new level, burying her face between my legs and plunging in with her tongue. She chugged my clit like

a chainsaw and had me cumming in her mouth after a few short minutes. When she arose, her face was dripping wet. I grabbed her head and brought her up to my lips. I stuck my tongue out and ran circles around her mouth with it. I've always loved the way my gush tastes, although this time it tasted even sweeter mixed with Katrina's saliva.

After experiencing a spectacular orgasm, I decided to return the favor to my new friends. I got out of the seat and arranged Melody in doggie position in the chair. With her butt poking out in my direction, I slid her pants down her legs and began eating and fingering her tight asshole. It was salty and delicious! Katrina quickly joined me, thrusting her

fingers into Melody's pussy.

So there we were, in the middle of the hair salon, treating the nail technician's sex holes like our own private amusement park. It was so fucking wild! By this time the place had cleared out and

all that remained were the three of us. After having her pussy and ass pummeled, Melody let out a ferocious scream before splashing us down with her squirt. Once finished there, I treated Katrina with my magic tongue. When she exploded into my mouth, I could feel her warm drips slither to the back of my throat. I stayed in the salon for several more hours, fucking the girls in the break room whenever they had a moment away from their clients. I only wish we'd thought to turn the security camera around and film our fun so we had a permanent reminder!

"Triple Treat" – Nevada

ITALIAN STALLIONS

There is an incredible Italian restaurant ten minutes from my front door that has been getting a lot of attention. After hearing my friends sing its praises for several weeks, I decided to give the place a try. To my surprise, it was everything my friends had raved about and more. Not only was the food absolutely delicious and the service second to none, but the owner and the Sommelier were the hottest pieces of Italian ass I had ever laid my eyes on.

From the first moment we met I knew I would stop at nothing to fuck them both. It helps that I'm a hot Latina who captures

the attention of every man in every room that I enter. This room was no different.

Last Friday night, when the place was just about to close, I made my move. I arrived late wearing my sexiest black dress with a neckline that exposes my skin all the way down to my navel and a pair of black stiletto heels. I took a seat at the bar and was served a glass of wine. I caught the attention of Fabio, the owner. He instantly knew exactly what I was there to do. He came up to me and whispered in my ear, "Ciao, amore. Let me get rid of everybody." He leaned in and kissed my shoulder. I grabbed the crotch of his pants as he walked past and could feel that his cock was already big, fat and ready for me.

As soon as the place was clear, he

rushed to me like a raging bull. I opened my legs wide in anticipation. Finally, after weeks of flirting, we were face to face. I wrapped my legs around him. He began to kiss and bite the edges of my puffy lips while running his fingers through my long curly hair. I could feel his cock against my pussy so hard that I began to gush at the thought of him sticking it inside of me. He placed his hands under my dress and pulled me in by the ass for a dry humping session that had us both moaning and completely aroused.

"I've wanted you from the moment I saw you," he said, kissing my neck and working his way down my chest. He yanked my dress open and began to gorge himself on my perky tits. He

cupped them in his hands and twirled his tongue around my nipples, leaving trails of saliva over my tanned skin.

As he was busy drawing my nipples in and out of his mouth, I unzipped his pants and pulled my dress up. I placed his cock between my palms and began to jack it, using lots of spit and a twisting hand motion.

Now he lifted me up onto the bar and slipped his cock inside of me for the first time. It was so fucking big that I felt my pussy walls throb as I stretched open to accommodate his big Italian salami. He grabbed my ankles, continuing to pummel my hole like a drum and spit on my clit. In between thrusts, he'd pull out and suck on my slit like he was slurping up a plate of spaghetti.

I rolled my head back in ecstasy and was instantly surprised the moment my

mouth began to fill up with another cock. It took a second to register since Fabio was still fucking my pussy down below. I opened my eyes to find that Jacopo, the Sommelier, had made his way into our after-hours party.

"Got room for one more?" he growled, smacking his cock against my lips. His sausage tasted so damn sweet that I began to shove him into the back of my throat, paying extra close attention to sucking on his foreskin.

"Jacopo, you've got to try this pussy," Fabio said while switching places with Jacopo. Immediately, Jacopo flipped me into doggie on the bar stool and went straight for my ass instead, while I polished Fabio's knob with my tongue. I came so hard with that big cock in my

ass and the other in my mouth.

Finally, the guys pulled out and took turns to shoot their jizz across my tongue. I licked up every drop of their tiramisu cream and made sure to book a table for the following week before I left. Now that's what I call amore!

"Double Stuffed" – New York

THRILLS 'N' CHILLS

On our last winter vacation, my boyfriend and I shared a large ski cabin with three other couples.

One day, he went boarding with all the guys and one of the girls. It was too advanced for me, so I said I'd stick to the easy runs with the two remaining girls, Nanci and Kara.

That was the intention, but Nanci didn't want to leave her bed. Kara and I tried to persuade her to get up, attacking her with pillows. Then Kara grabbed the covers and pulled them right off the bed. Nanci was naked under them. She didn't try to cover up again, just lay there, showing off a very sexy body, daring us to make our next move.

Kara walked out the room, only to return with a bottle of flavored vodka straight from the freezer. "Screw skiing!" she said, cracking it open before getting into the bed.

Nanci insisted it was a 'naked bed,' so Kara undressed, as did I before joining them. There was a lot of giggling and we drank a few shots, then Kara and Nanci started making out. Nanci moaned as I

nuzzled her neck and ran my hand slowly down her back.

I caressed her cheeks, then explored her crack, my fingers meeting Kara's on her clit. So I dipped them in her hole, fucking them in and out like a cock.

Now Kara had her mouth on Nanci's tit and I leaned over her body to suck the other. Nanci was yelping with pleasure so Kara put a couple of wet fingers in her mouth to suck on.

Nanci was humping against us both,

but then she spit out the fingers and asked me to eat her ass. We moved around so she was on top of Kara in a sixty-nine, butt tilted upward, ready for me.

I started out with her pussy, while Kara fingered her clit. She tasted good but I had an idea. I grabbed the vodka and poured a thin stream of it over her asshole, running it down over her slit. I jabbed my tongue in and out of her, then moved upward, licking her asshole

as I dripped on a little more vodka.

She was tight yet soft around my tongue tip – I even got a touch of cock envy, wishing I had one to glide up that silky asshole! Instead, I used my fingers and smeared vodka on her clit this time, giving Kara a little shot before lowering my own head to kiss her.

Nanci was already cumming, streaming with her own natural liquor, so we sucked and probed till she deadweight over Kara's body, a mass of sweat and

I grabbed the vodka and poured a stream of it over her asshole, running it down over her slit. I jabbed my tongue in

quivering in every muscle.

Kara mimed a blowjob with the vodka bottle, but I had something better to suck on. Most times my boyfriend will get back from the slopes feeling horny – he'll pull me into the shower for a fuck. But I've learned to pack a few toys in case he's too exhausted to ball me!

I got my dildo and vibrator from my room, and let Kara get her lips around the latex. I switched on the vibe and began to use it on my clit, and Nanci asked for it. "You've only just cum!" said Kara, but Nanci didn't want it for herself – she laid me down and began to work it all over my crotch. A few hard, plowing thrusts seemed to prime my clit for more sensation, as she dialed it up to max speed and held it to my button.

"Whoa..." said Kara, watching as I flailed around on the bed, totally losing it. She handed the dildo to Nanci, then got over my face. Nanci plowed the dildo into me, then it all went dark as Kara dropped her juicy, scented twat onto my mouth. She was frigging her clit hard, so turned on by our girlfriend fucking the hell out of me. A stream of sticky cum juices ran down my throat. Then she kneaded my tits, pinching my nipples, and it all seemed to hit at once – my body convulsed and I screamed into her slit as I came my ass off.

My boyfriend came back looking like some kind of snowbeast, balls-out adrenalized and ready to bone me. He noticed the well-fucked state of my snatch and asked had I been masturbating, which is when I remembered I'd left my toys in Nanci's room! I waited till the next morning to retrieve them, and by the smell and taste of pussy on them, they'd been creatively used!

HOW TO BE A STUD!

PART 20: CURVEBALLS

Upping your stud-dom by concentrating on new sex positions or lasting longer before losing your mess is one thing, and working with your chick to enrich your sex life is another. But sometimes the element of surprise is the key to incredible sex. You could be doing the same old same old, and then you pull a trick out of your bag that has her gasping and rinsing your chin in special lady sauce. Here are just a few...

1: NIBBLE AND GET NASTY

Teeth and sex can be a marriage made in heaven or hell. A blowjob from a chick who knows how precisely to nibble your pecker can be mindblowing. But what you don't want is chomping of any kind. Same goes when it comes to going down. Instead of plunging tongue first into her pussy, try some very light nibbles on her inner thighs instead. See that juice? It's you doing that...

Kapri Styles getting off on the right foot with Chris Charming in Digital Playground's *Jack's Leg Show 1*.

Nikki Benz's spankable tush in Digital Playground's *Babysitters*.

2: SPANK THEN SPUNK

Just because you think your chick isn't into spanking, doesn't mean she isn't. Hell, she might not even know it herself. Ignore the fetish world with paddles and whips – that might be what's putting her off – just use your hand a little more than gently when you're tapping her twat from behind and you may well get a good response. The best one? 'Do it harder!'

3: LICK-WID

We've covered playing with hot and cold before, but here the element of surprise is what's going to get you the wildest night ever. Or a slap in the face. It could go either way. You might need to be beneath the sheets to pull this off, but a mouthful of champagne (okay, any fizz!) slowly dribbled onto her pussy could just send her over the edge. The worst response? 'I just laundered these sheets!'

Herschel gets Savage on Jessica Drake's slit in Wicked's *Slave To Love*.

If we were Scott Nails, we'd be heading further north on Teagan's red hot bod.

4: BAREFOOT IN THE DARK

You might not want to do this if your lady has been working on her feet all day – toe jam isn't gonna turn anyone on – but when you go down next, why not go down all the way – right to her feet. While some people hate the idea of their feet being played with, some gentle toe-sucking can often trigger a chain reaction. Which is when you work your way back up... ♣

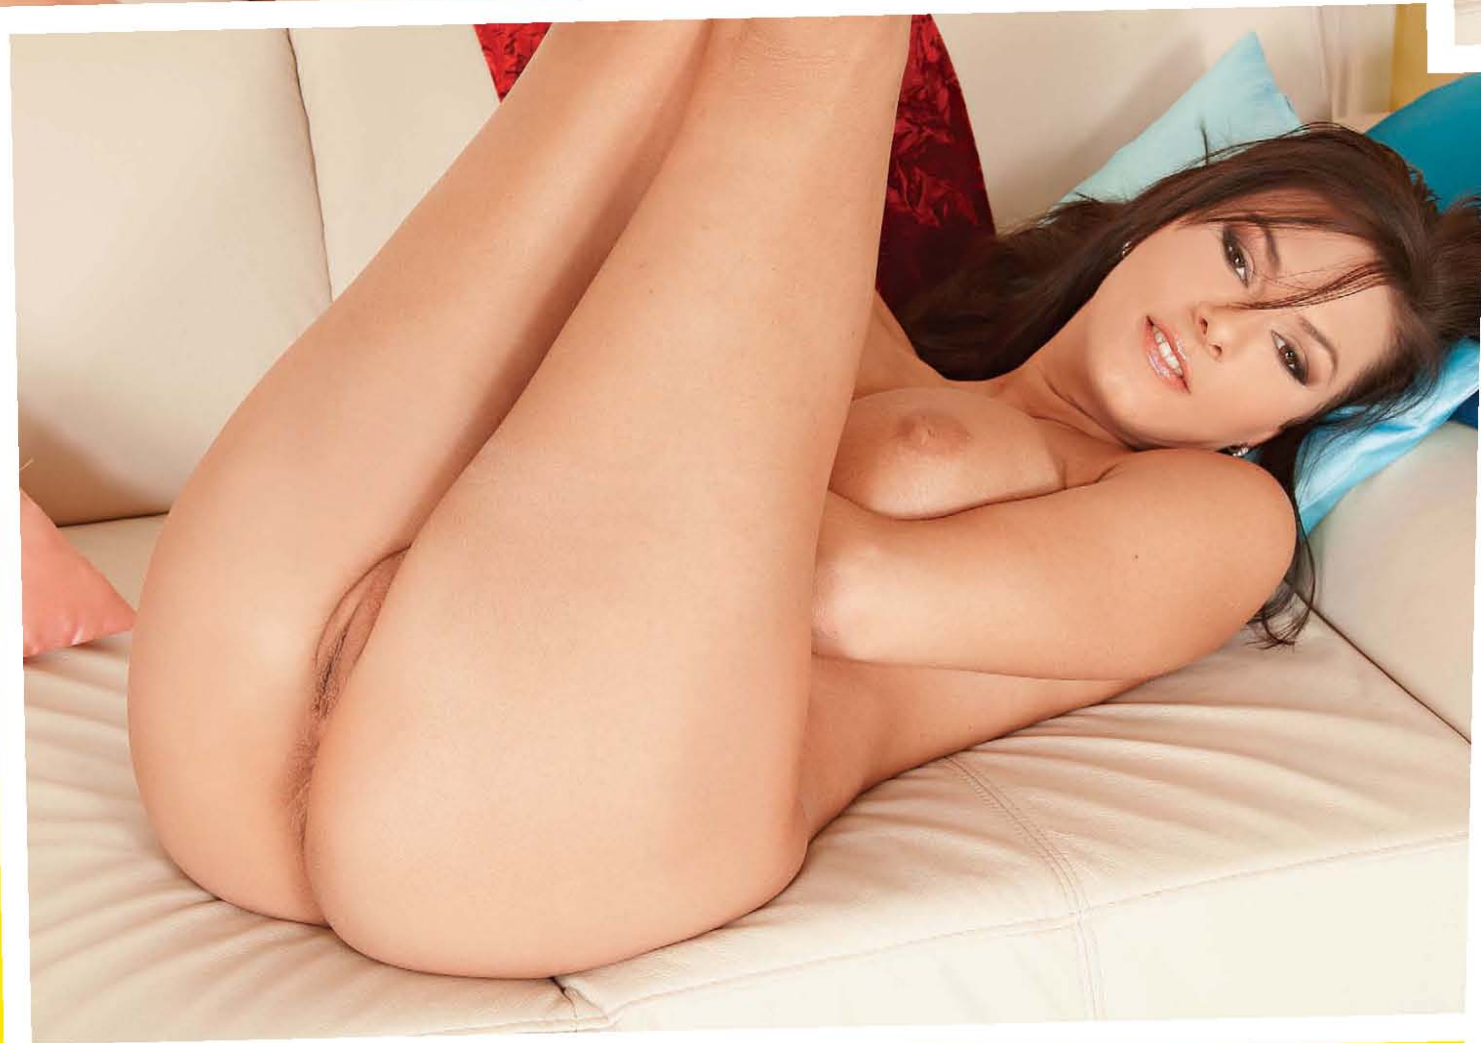

MILF
OF THE MONTH

A woman with long dark hair and light skin is lying on her back on a light-colored couch. She is looking directly at the camera with a slight smile. Her hands are placed on her pubic area, which is partially covered by a black and red lace thong. The background is a simple indoor setting with a white wall and a brown headboard.

ANITA

FROM TAMPA, FLORIDA

Name: Anita

Age: 34

Occupation: Homemaker

MILF of the Month: "I'm proud to be considered a MILF. I like to share my experience with cunt-hungry 20-year-old guys. They're full of energy and cum but sometimes I need to slow 'em down and show 'em how to hit that twat from the right angle. Oh, and this is one MILF who loves to take it in the ass – I can teach a stud plenty of tricks when it comes to packing my pucker!" ♣

DANCE BEAVER!

JENNA HAZE SETS THE STAGE ON FIRE IN LA...

We're resigned to the fact that we'll never get to experience one of Jenna Haze's exquisite blow/hand-jobs. We also figure that we're not gonna get to spend any time in her ass. But we can get a ringside seat when the AVN Performer of the Year comes to town, so we made sure we had a top table when she danced at Skin Club in Los Angeles recently.

Jenna dances like she fucks – with skill and passion – and she tore up this gentleman's club in fine style. Perhaps the hardest thing she pulled off was dancing gracefully while not tripping over our tongues as they hung out. Did dollars hit the stage? Believe us, once Jenna was working that pole, we were making it rain! ♣

HOT LIST

No.2 PORN STARS WHO TWITTER!

As if life wasn't busy enough already, they've gone and invented another way to waste time. Twitter is taking the world by storm / pissing everyone off (delete as you feel appropriate), but one thing's for sure, porn stars love it. Yup, many of your favorite starlets are posting their 140 character messages on a regular basis – it's something to do while kicking around on set, we suppose, and these are the ones we're 'following'. Note to police – that's following in a Twitter sense, not in a stalking one...

ALEXIS TEXAS

Inevitably, lots of Alexis' tweets are about her awesome butt, feeding her awesome butt, and letting boyfriend Mr. Pete get a piece of awesome butt.

OUR PICKS:

"On my way to work, stopping by Wendy's to feed the booty. I get to work with the beautiful Kayden Kross. Yea! Today is going to be a good day."

"Just finished my 1st pole dancing class! What a great workout, so much fun. Now I want my own!"

BREE OLSON

Always honest and, seemingly, always horny, Adam & Eve contract star Bree peppers her tweets with pleas for someone – anyone – to come over and fuck her. Damn, we need to move to Indiana.

OUR PICKS:

"At the movies watching The Ugly Truth it's funny as hell but I've barely got to see any of it cause I've been sucking cock. 2 loads 12 go."

"I need to get fucked really hard and good. I am so horny and wish I had a man here that appreciated what I could give him sexually."

KAYDEN KROSS

The straight-talking Kayden is drier than your average porn chick. Her Twitter feeds are a slice of life in the adult industry with more laughs than you'd expect.

OUR PICKS:

"I was going to make a smoothie. The fruit is cut. The yogurt is ready. The super healthy hemp protein is opened... and I don't own a blender."

"Wow. Stuck up flight attendant. I just played a flight attendant in my last porn. I did a better job. I think I'll tell her that."

DANA DEARMOND

Funny, a little grouchy (her noisy neighbors really get it in the neck) and always entertaining, there's never a dull moment with anal slut Dana's tweets.

OUR PICKS:

"I won best anal scene for Rico the Destroyer. I'm an award winning ass fuckee!"

"I believe the title of today's production is 'Tight, Fresh and Loves Anal'. Describes me to a tee."

TORI BLACK

The rising star spends a heap of time on Twitter – and blocking the people who want to abuse her about her job.

OUR PICKS:

"@marieluv if you wanna come kick it before the show you know you're more than welcome to come sit on my face!"

"I'm horny. I think I want some sex in public."

STOYA

She's sassy, she tweets the whole time, and she's refreshingly cynical / passionate about her job. Yup, Digital Playground star Stoya carries her screen persona into the real world.

OUR PICKS:

"Jesus loves what I look like getting face fucked by a dick that's fresh out of my ass."

"Sitting around on set, text-flirting with men and drooling over hot porno chicks. Today is awesome."

BELLADONNA

Porn's nastiest (well, anal, deepthroat, midgets and transsexuals will get you that kind of rep) Twitters like a twittering thing. Some random, some worrying, some sexy.

OUR PICKS:

"Watched my YouTube video of my first molding for Doc Johnson! My new Bitch Fist is going to be insane!"

"My asshole is like my mouth, it can suck dick all day!"

JENNA HAZE

How does she find the time with making porn, feature dancing and picking up award after award?

OUR PICKS:

"People are seriously twittering me asking if I am an adult star or saying I should go into the adult biz. Ha! Where the fudge have u been?"

"I actually prefer to swallow but never turn down a good facial..."

Tanya & Matt

HOT VIDEO

Tanya can't punch her way out of a paper bag. Boxing trainer Matt could show her the ropes from now until the year 3000 and she still wouldn't master the basics of pugilism. Still, at least there are those titties to distract him, and she's long been a master on penisism. She forgets all about the punchbag and concentrates on his ballbag, sucking it into her mouth while his boner floats like a butterfly in front of her face.

After round one – her nose nestling in his groin with his cock in her throat – round two sees him barreling his dick into her snug pussy in doggie style. She bumps back against his every thrust to get the maximum cock inside her, making Matt slow the pace so he doesn't deliver the knockout blow too soon.

That comes after he's fucked Tanya to a couple of orgasms in spoon position, her pussy spasming around his slick shaft until he has to pull out and decorate her mouth and tits with cock-cream. Seconds out... ♣
