MY SEXY SECRET!

"WAS IT WRONG THAT I WAS WET?"

I'm getting married and moving to another state with my future husband, who's studying to be a doctor. My girlfriends at my job gave me a party with the usual bride-to-be presents such as Tupperware, bed linens and a few pieces of skimpy lingerie. As a gag, one gift was a dildo—something I had never owned before. When I got home, I took the sex toy out of its packaging and was amazed at how realistic it felt. I washed it thoroughly before examining it further. I wasn't seeing my fiancé that night because he was studying, so I thought I would try the toy out. I got naked and lay down on the bed. It almost felt like I was about to cheat on my man. Nervously, I lifted the fake penis to my lips and kissed the tip. Then I let the dildo penetrate my mouth. I closed my lips around it and sucked. I think of myself as a respectable person, not like the slut image that is so popular these days, but I couldn't stop sucking that dildo while I played with my swollen clit. It felt wrong that I got so wet. I began to work the toy into my tunnel, and it was only about two inches inside when I came all over it. When I was finished, I called my fiancé and told him what I'd just done. He put down his books, hurried over to my house and fucked me the second he walked in the door. He told me to throw away the toy, but I don't know if I want to!

SHOOTING STARS CANDIDA ROYALLE

A REBEL AMONG REBELS BY ACME ANDERSSON

Other than Rush Limbaugh, few things rile up feminists more than pornography. Now take a woman who has been an active and vocal feminist and put her in a few dirty movies and then—heaven forfend!—have her start her own company and begin producing her own adult movies. Gloria Steinem's head must have nearly exploded when she heard about it!

Curiously, it is this same pro-women slant that has made our subject here just as

much of a Porn Valley outsider as she is with the feminists. A rebel within an industry overflowing with them. Standing out is not easy. But Candida Royale has managed.

She got her start in 1974, appearing in about 25 adult films during the decade—who could forget *Liberation of Honeydoll Jones*, *Backdoor Therapy* or *Sissy's Hot Summer*?!—in an effort to “finance her unconventional lifestyle,” which included

avant garde jazz and theater productions. In 1984 Candida started her own company, Femme Productions, with the crazy new idea of making couples’ pornography.

Oh, how the gold-chained producers in Porn Valley laughed. While Candida wasn’t the first female to get behind the camera, women were certainly made up a small minority of working pornographers. And “couples’ porn”?! Outrageous! Undeterred, she started

shooting and putting out product. And it sold.

As is always the case, the copycats came in droves. They less stole her style, instead trying to bank on this new genre’s name, selling the same old product, only sticking the “couples’ porn” label on it. Some things never change.

But Candida kept with it, believing there was a largely untapped market looking for material that actually set up a context for the sex and with

action less misogynistic than your typical tape. Even today she feels that most of the thousands of releases annually are, at best, less than stellar

"I find most of it unsexy and, honestly, I am absolutely horrified and disappointed to see the direction it's gone in," she said. "Until the dinosaurs die off, it's just mired in that same old crap. More importantly, as long as this culture insists on seeing explicit sex as a fringe thing that doesn't deserve to be celebrated and doesn't see the possibilities and encourage creative, talented people to go into the field of exploring sexuality and creating beautiful images, it's going to keep

looking the way it does because most of the people who make it are not creative, they're not talented, they just like sex and it's cheap and easy to make."

It's true that America's strangely Puritanical views of sexuality have largely kept porn in the dingiest corners of society. And not a few of these anti-porn types are the feminists that Candida herself relates to in so many ways. But she says it's not like a strung out Keith Richards walking into an AA meeting for a cup of coffee.

"I don't feel any animosity toward me or any challenges to my self definition as a feminist," she said. "I'm sure there are some that might

still say something, but you know, I think they get that I'm on their side unless you're really against pornography per se, I think you understand my position."

Candida's position is that sex is actually a positive thing. Sex is good! Sex is great! It should be celebrated, not banned! Not that she hasn't questioned it herself. She spent eight years in therapy trying to get a grip on what she was doing once she quite performing.

"I wanted to make sure I was okay with what I did," she said. "I wanted to understand why I would choose something so controversial and something that would really make me something

of an outcast and I wanted to be okay with what I had done and not drag around a bunch of baggage that I felt would affect me for the rest of my life."

After all was said, analyzed and done, Candida was back. In recent years she has put out well-received titles like *Stud Hunters*, *Under the Covers* and *Aphrodite Superstar*. The latter was an exercise in an effort Candida has made to bring more similarly-minded female directors into the fold, something that's been more difficult than one might think. While there are plenty of ladies behind the camera today, most of their output is no different than what the men are producing.

What's better than two babes about to go down on each other? Nothing, that's what!

SHOOTING STARS
CANDIDA ROYALLE

"Where are the women who are looking to do something really unique and creative and not just say, 'I really do like 15 men cumming on my face?'" she said. "Most women don't like that, most women are never going to want to do that, they don't even fantasize about it, let alone look to do it. So you're creating a fringe form of entertainment that is completely dominating the porn industry, so it's making it so that no one wants to dare associate themselves with the porn industry."

"There has to be a new

industry, a new name. I'm sick of it. I don't want anything to do with porn anymore because of what's going on. It wrongly defines my work, my continuing to be in the porn industry. I'm looking to start a whole new venture where I give women an opportunity to get their work out there, but they have to do something else. They have to do sexually explicit material that is not what's coming out of the mainstream porn industry."

In *Aphrodite Superstar*, the non-sex scenes were shot by Venus, a grad student who had chosen Candida as a mentor and suggested shooting an adult title for Candida.

"While she directed all the acting scenes, when it came to the erotic scenes she froze, she didn't know what to do," Candida said. "That's why I'm credited with directing the erotic scenes. That gave me a renewed appreciation for the unique technique I've created to direct. I realize that when I direct it is completely different than what you're going to see in a typical porn shoot. I don't know how you teach that to anyone."

That doesn't mean she's given up. Instead she's taken things in a different direction. She's looked to Europe for more enlightened directors. And rather than go through the traditional adult press

route—ie, *Adult Video News* and its ilk—she's gone straight for the mainstream, becoming a go-to spokesperson for an industry she has less and less to do with.

"I'm starting to get more vocal because I think, *Enough already!* I can't look at AVN because it literally depresses me and makes me ashamed to be associated with it," she said. "When do we grow up? When do we become a mature, intelligent, thoughtful industry? Anyone who thinks we are, is fooling themselves. I think I'm reaching a point now where I'm sort of stepchild of the industry."

"What I always managed to do from the start with Femme

Any car guy will tell you it's always better to check the rear first!

Just a few more seconds before she takes the meat! Hooray!

Productions was to create my own media buzz. I knew I had a unique voice and a unique product, and once I sent out my press release and my media kits, when they looked at it, they had to agree that it was different, and they did. I've developed an excellent relationship with the media and that's how I sell my movies. My movies don't rely on AVN and the adult industry other than the fulfillment end. They really rely on my relationship with the mainstream media, and that's really where my viewers come from."

That mainstream coverage has included appearances on Slice TV's *How to Make Love to My Wife*, articles in *Time Out New York*, Oprah's *O* magazine, *Redbook*, just to name a few. A couple years ago she even published a book, *How to Tell a Naked Man What to Do: Sex Advice From a Woman Who Knows*.

She has also created a line of ergonomically-correct personal massagers called Natural Contours. Much like her adult product, once the adult toy industry saw her line selling, they began repackaging their own prod-

ucts to try to get their share of the market. (Despite its claims to the contrary, with very rare exceptions innovation and originality have not been the key to the adult business' success.)

Candida continues to push forward with both her Femme Productions and Natural Contours. By the time you read this, she'll have released another movie, *Feeling It!*, this one directed by Petra Joy, a German who in the 1980s was actually active in the anti-porn movement in her home country. An established documentari-

an with more than 70 documentaries under her belt, she decided that rather than fight porn, she would try to create it the way she thought it should be done. If that sounds like just the kind of thing Candida has been looking for, you're right.

"I'm really looking to start a whole new direction, which is the next level that will appeal to people who want more, different and better," she said. "I have it in me." ♣

A BRUTHA CAME IN YOUR MUTHA

STARRING: Raquel Devine, Totally Tabitha, Brittany Blaze, Kelly Leigh, Kendra Secrets, Cuntre Pipes, Ethan Hunt, J. Strokes

DIRECTED BY: DaWayne Dane

AVAILABLE FROM: Black Ice

INTERRACIAL / MOTHER FUCKERS

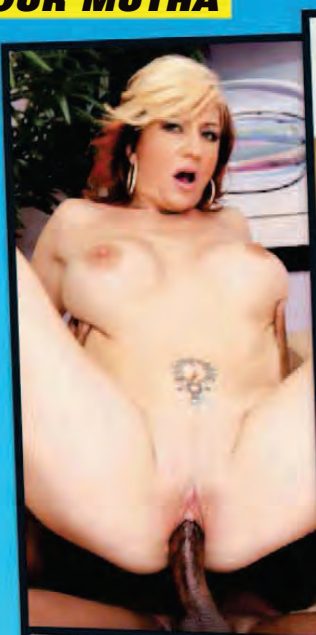

Okay, there is no delicate way to put this other than to say, **THESE MILFS GET FUCKED!** With respect for their elders going out the window, along with any inkling of romantic bedside niceties, big black men put five seasoned pussies to the test in a way that screams out the movie's message loud and clear, "A Brutha Came in your Mutha!"

With that out of the way, let's begin with Raquel Devine. Making a cosmic comeback, (to say the least) Raquel earns the top spot on this cougar hierarchy by demonstrating that an experienced pussy is the better pussy. Here she is perfectly matched up against J. Strokes, a man who is capable of handling such a lethal labia. They fuck incredibly well together, with Raquel doing her best work on top in reverse cowgirl.

Kendra Secrets is another marinated maiden who proves she's down for ebony cock when she nearly sucks the skin right off Ethan Hunt's chocolate bar, in what is the hottest oral showing featured. From here, she bucks, fucks, and makes him earn her pussy instead of her earning his load. Hot!

Totally Tabitha is another girl who delivers insanely sloppy bouts of oral love when it is her turn to suck off Ethan Hunt. He makes sure she is left good and stuffed by holding her head down until she gags, and pays him homage by delivering a vaginal cream pie surprise.

Brittany Blaze is up next. She continues the show on a high note by grinding her

pussy over Cuntre Pipes until her inner lips fluff up like a baked potato. Her genuine interest in Cuntre is also quite evident, as is her love of swishing his frothy milk in her mouth.

J. Strokes concludes the show by liter-

ally fucking the stuffing out of Kelly Leigh's asshole until she is a dripping mess from elbows to anus. Solid!

SUMMARY: Sexy Milfs stack up well against IR cocks in a movie that is black on white done right. ♣

TOO SMALL TO TAKE IT ALL

STARRING: Shawna Lenée, Crista Moore, Rebeca Linares, Tanner Mayes, Asa Akira, Lexi Belle, Mark Ashley, Chris Charming, Steve Holmes, Ben English

DIRECTED BY: Danny Case

AVAILABLE FROM: Third Degree Films

PETITE PRINCESSES / PUSSY POUNDING

Who better to lead us on an erotic adventure than six pint-sized performers? They, along with astute director Danny Case, a group of awarded studs, and masterful camerawork, deliver five amazing scenes that are perfectly suited for people who prefer their women compact and petite.

Although each girl performs at optimal

levels, the bar is raised when cover babes Shawna Lenée and Crista Moore team up to devour Ben English. With incredible oral action that has each girl smashing down the head of the other, and enough piled up pussies to make these two whimper, this trio fucks hard and fucks well! Consequently, the image of Shawna yanking down Crista's panties on the boxcover has enough heat to raise your cocks well before the show even begins.

As is the case in most movies, Rebeca Linares is absolutely infectious from start to finish. Here, she donates her pussy and her asshole to the cause when agreeing to get fucked deep by Steve Holmes. Their erotic connection turns fatal the instant he starts kneading into her butt cheeks like dough in cowgirl position. Perfect!

Asa Akira, my current porn crush, proves why she's skyrocketing to the top of the critic's charts when she happily

takes on Chris Charming, a man whose cock is literally bigger than she is! Their fucking is so damn hot that looking away or blinking is not an option.

Lexi Belle is another winning starlet who adds her girlish charm to the mix. With a candy pink tongue and a newly spouted patch of pussy fuzz, Lexi floods Ben English with her lovin' and does her best work when pummeling down on his lap in reverse cowgirl. The doggie annihilation he bestows on her is also out of this world, as is watching Tanner Mayes get hammered to the wall by Mark Ashley's meat. In their scene, she barrels down with everything she has and bathes in his cum shower when finished.

SUMMARY: It's porn perfection from start to finish that showcases six petite performers who prove that the best fucking surprises in the world come in young, tight packages! Bravo! ♣

HOT SAUCE 8

STARRING: Victoria Sweet, Christina Moure, Alexis Breeze, Vanessa Leon, Nataly Rosa, Ruby Rayes, Talon, Jenner, Mick Blue, Mark Wood

DIRECTED BY: Sid Knox

AVAILABLE FROM: Diabolic

SPICY SENORITAS / LATIN FLARE

For those of you who prefer your ocular adventures to be extra spicy with a side of sexy Latina, then director Sid Knox just might have the dish that you've been craving. Here, not only are the scenes well lit and fun to watch, but the ladies themselves (most of whom are relatively new to the business) try their best to please the cocks they ride. The result is some worthwhile recognition. As with

most productions that are chalked full of new babes, some excel from the start while others may need a bit more practice.

Cover girl, Victoria Sweet, proves to be a Latin lover's fantasy brought to life and is the best girl featured. With her silky black hair, puffy lips, and hungry pussy, she makes a solid showing with Mark Wood. The action between the two is very passionate, although the shabby sofa pushed against the wall is not.

The nasty three-way action that makes Jenner the meat in Ruby Rayes and Vanessa Leon's love sandwich ends up being the best in show. Their combined oral action is spot on, while the intensive pussy pounding that ensues from position to position is what porn fans hope to experience.

Nataly Rosa is another cock-starved bitch who goes wild when Mick Blue

enters the frame. She fucks him with razor sharp intent in several strong positions, before working her way backwards to take his cock up the ass! It's quite a showing in deed and only improves with his jizz shower.

Christina Moure, another cute girl with studded nipples, tries her best to work over Talon's claw but doesn't quite seem up for the challenge...yet! She tries her best however, although the lights seem to be off and the chemistry practically nonexistent between these two.

Alexis Breeze—a name worth remembering—definitely fares off much better than her predecessor fares and provides plenty of hot sauce with each position.

SUMMARY: South of the border starlets fuck and suck hard in hopes of turning us all into Latina lovers. So, dip your chip in their hot sauce and let the fiesta begin. ♣

INTERNAL CUMBUSTION 15

STARRING: Shyla Stylez, Crista Moore, Andi Anderson, Jayden Jaymes, Jenna Presley, Mick Blue, Pat Myne, Mark Wood, John Strong, Danny Mountain

DIRECTED BY: Danny Case

AVAILABLE FROM: Zero Tolerance

INTERNAL POPS / GOOEY GASHES

Although sticky facials or a nice slop toss across the ass can make for a great visual, there is something naughtier, and perhaps a bit more primal, about watching men deliver internal pop shots to their ladies after solid bouts of fucking. It's the love liquid that stifles the flames, and the feel of exploding inside of her sweet meat that helps solidify the union. Director Danny Case, is clearly a man

who understands this concept and the eroticism of internal pops. Here he delivers five awesome scenes that showcase our undying love of gooeey gashes.

Demanding attention on the boxcover, Shyla Stylez is the stand out winner in this production. Not only does she give up killer doses of pussy, but also wows the crowd by turning things around to take the heat up her ass. The frothy pussy pop helps to seal the deal in style.

On par with Shyla's performance is Andi Anderson. She also does double duty by taking a licking in both holes, with the help of Mark Wood and John Strong. Together the men pound her to a pulp and turn out multiple double-penetration positions that make fucking two cocks at once look easy.

Following closely behind is Jayden Jaymes. She's undoubtedly a powerhouse in the bedroom, evidenced by the

way she bucks and fucks Danny Mountain through multiple positions. It's when she takes it hard in missionary, however, that will have your lust for her turning into love.

Without a moment lost, Crista Moore goes for broke when riding out Mick Blue in the next instance. This results in impressive pussy stretching techniques that ends with a monstrous pop shot inside the puss. In a word...brilliant!

Jenna Presley, and her sticky sweet spot, round out the experience with Pat Myne. Eagerly, she gives him her all and proves that pound for pound, her pussy is one of the best in the biz.

SUMMARY: Each of the five featured babes fuck and suck like champs, all ending with cream pie finales that are just as impressive as the pussies they are coming out of. Let's just call this one a keeper. ♣

FACE FULL OF DIESEL 6

STARRING: Shane Diesel, Leenuh Rae, Kirra Lynne, Valerie Luxe, Jessica Steele, Erin Shadows, Kalee Hunter, Ashli Orion, Jaelyn Fox, Brittany O'Connell

DIRECTED BY: Shane Diesel

AVAILABLE FROM: Digital Sin

DIESEL DICK / INTERRACIAL ORAL

This movie is specifically designed for those consumers who enjoy their interracial smut to be mixed together with torrid bouts of lethal cock injections. Therefore, if your thing is watching young harlots try to get their pretty mouths around the Mack truck that is parked in Shane Diesel's pants, then the sixth installment of this all-oral series may have just found a happy home at your place.

Although it is entertaining as hell, shot well, and is at times astonishing, watching these featured ladies try their best to ingest this human tripod becomes more awe-inspiring than horny. Somehow, the true heat of being face-to-face with such a mammoth-sized cock gets lost in translation. In addition, the actual pop shots are nothing more than a coin-sized spot on each girl's tongue. What's up with that?

Nevertheless, there *are* many redeeming qualities about this production. Take Leenuh Rae for instance: She does a fine job at getting as much meat down her throat as she can. In actuality, that pretty much means she was successful in getting the head of his cock shoved inside her mouth. She later bounces her eighteen-year-old ass up and down for Shane before going in for some more sucking action and twisting hand love.

Later, Jessica Steele tries a bit harder

and goes a bit deeper. Here, she sucks down his mushroom tip and an inch of shaft before her eyes bug out of her head. Anyway, it is a lofty fete worth mentioning.

Valerie Luxe also looks and sounds dynamite when slurping down Shane's snake, while the hot POV angles are great at highlighting just how big his pecker truly is.

The best cocksucker featured here, however, is Ashli Orion. Not only does she talk the talk, but she also walks the walk. She commits herself—mind, body and throat—to deliver the best oral experience that she is capable of giving.

SUMMARY: Watching nine young girls trying to ingest one of the largest cocks ever produced is a show worth watching. Although for some, the intended heat of sucking down such a mega wang may get lost in translation. ♣

SLEAZY RIDERS

STARRING: Melanie Jayne, Jessica Jaymes, Mya Nichole, Cherokee, Angie Savage, Britney Amber, Rachel Starr, Spyder Jonez, Lee Stone, Tommy Gunn, Evan Stone, Steven Knight

DIRECTED BY: Spyder Jonez

AVAILABLE FROM: Teravision

SLEAZY SLUTS / GREASY MONKEYS

Complete with dive bars, drunken patrons, and biker babes galore, director Spyder Jonez adds plenty of hardcore raunch to his latest creation by doing a fine job of turning good girls into filthy whores.

The ruckus unfolds with Tommy Gunn bending Melanie Jayne over the handlebars of his chopper to get a mouth and

cock full of her Midwestern poon. Like metal to magnet, Tommy's tool takes on a life of its own. He pumps faster than the speed of light, turning Melanie's girlish moans into carnal screams!

The high voltage action continues with Mya Nichole and Jessica Jaymes vying for first dibs at Lee Stone's cobra cock. Thankfully, he has plenty of meat to satiate both babes and isn't timid about proving that fact when connecting Jessica to his balls and Mya to his shaft. An all out three-way ensues, with cataclysmic energy and enough gash gushes to give the pool table a much-needed wash down.

When finished here, Lee Stone and pals are treated to a girl-on-girl show that has Cherokee and Angie Savage lezing out on the bar top. Soon the girls are dipping into and out of each other's snatches, while the boys try to sneak in a few tongue swipes. Although they never

succumb to cock, their chemistry is good and is truly stroke worthy.

As the carpet munching ends, Evan Stone sails off to go get crotch connected with pint-sized performer, Britney Amber. Their interlude begins at his photography studio, where she does much more than pose for his camera. In fact, this bitch goes bonkers, especially when being pounded to hell in doggie. She proves that good things come in blonde packages.

Finally, Rachel Starr and Spyder Jonez top the movie off with a gritty performance. He uses her holes properly and arranges her body correctly for the camera, without the positions feeling contrived.

SUMMARY: Spyder Jonez, and a sexy legion of biker bitches, fuck hard and fast atop splattered bars and customized choppers for what becomes a hardcore ride worth taking. ♣

STARRING: Raylene, Julia Ann, Francesca Le, Phoenix Marie, Holly West, Katie Kox, Lily Lovely, Carolyn Reese, Pepper Foxxx, Sierra Skye, Sophia Lomeli, Claudia Valentine, Alanah Rae, Jessica Bangkok, Hunter Bryce, Angel Vain, Sarah Vandella, Topanga Fox, Sophie Dee, John strong, Mark Wood, James Deen, Dane Cross, Mick Blue, David Perry, Marco Banderas, Ben English, Toni Ribas

DIRECTED BY: Mike Quasar

AVAILABLE: Third Degree Films

Although there is much to be said about the raw intensity of one-on-one sexual encounters, much more can be felt when that intimate combination is flipped on its head to include not just two—but a whopping twenty-seven people fucking simultaneously for your viewing pleasure!

Along with two private interludes starring Julia Ann and Sarah Vandella, director Mike Quasar has painstakingly gathered a delectable list of top-heavy starlets and given them free reign over eight well-hung pros in the second installment to his celebrated series for Third Degree Films called *Big Boob Orgy 2*.

Included here is a fine mix of hungry cougars, like Raylene and Hunter Bryce, along side a gaggle of hot blondes, an enviable list of Latina labia, and a smorgasbord of other saucy slits to satiate the most discerning porno palate. Undoubtedly, there's a choice chick for every dick. So for now, all that is left to do is sit back and enjoy the show as nineteen sets of panties start hitting the floor!

Well, before we get to the marathon, how about a little warm-up session with

PHOTOGRAPHS COURTESY OF THIRD DEGREE FILMS

Titty target acquired. Commencing
countdown to cum. Thrusting. And....
surprise! Shooting load into mouth!

Mr. Pete and Sarah Vandella? After all, any good healthcare practitioner would suggest a solid stretch before the big race, right? Actually, it doesn't turn out to be that much of a stretch, but is instead a power walk as Sarah proves that she has come here today for one thing only...cock!

Before Quasar calls action to his scene, Sarah is already ripping off her clothing and is on the floor siphoning Mr. Pete's beans into her mouth. "Fuck, bitch," Pete moans, as he smacks his frank against her nose and bucks his hips into her face. Soon, she's opening up wide in her greedy attempt at taking in all of his manhood, at which she is successful. "Ah, I see. It's like that," Pete continues, while holding her head down with one hand and plugging her nose with the other. After some gagging and choking sounds, Pete momentarily releases his killer grip from Sarah's mouth. She takes in huge gulps of air and smiles as trails of warm saliva come pouring out of her

pretty mouth.

"Cock. I want more co..." Sarah begins to call out, only to find her words stifled yet again as Pete buries his boner back into her face. After plenty of oral action is given, Pete checks the wet spot between her legs and is pleased when his fingers come out sticky and saturated with clam juice.

"Now it's time for my big stick," Pete tells Sarah as he folds her in half at the waist to get his first dick-full in doggie position. Sarah comically yelps the moment his cock wedges it's way up her vag. Once a few practice humps are offered, Sarah sinks her fingernails into the oriental silk sheet in front of her and pleads for Pete to fuck her harder and deeper. "Don't you stop, Pete. Don't you ever fucking stop," she begs, as her big tits begin to jiggle and sway in front of her.

With a mouth full of bed sheets and an ass pulled wide open, Pete flips Sarah on her side to continue the pounding in

spoon. This proves to be a very wise decision on his part, as Sarah is now in the ideal orgasmic position to turn all of her pussy juices loose. "Oh shit, I'm coming!" Her honey quickly spews out of Sarah, after what only seems like seconds. With a flushed face, a trembling body, and a clit the size of a cherry, Sarah tosses out the first of three gooeey gash blasts. Her third release, that is consequently her wettest, finally extracts Pete's milk like an utter until frothy cream empties onto her sweaty face.

"Now that's the way to begin a movie!" Quasar gasps, as the caravan of hot girls start making their way into the cavernous loft where the orgy is moments away from beginning.

With a front row seat and a box of fuck toys at my side, the action starts to unfold. At first, there are only sexy women who fill the room. To my left is Raylene, who consequently looks better than ever, and is wrestling Holly West to the floor to eat out her candy ass in pile

Plenty of cock and cunt to go around at the Big Boob Orgy!

driver position. Soon, Sophie Dee and Pepper Foxxx get a waft of Holly's open butt and rush to the scene like a pair of scavenging vultures to claim their piece of Raylene's fresh catch. "She's mine. Go find your own!" Raylene growls in defense. Eventually, Raylene succumbs to the hungry invaders when Julia Ann bum rushes her backside to suck on her sweet pussy by suctioning her tongue over her twat. "Pipe down and take it!" Julia Ann insists when she breaks away for a breath. With a mouthful of ass and a polished cunt, Raylene tilts her head toward the ceiling and exhales, "Fuck, I missed this! I really missed this!"

As this mishmash of poon gets broken up and reassembled elsewhere, my attention is diverted to Alanah Rae treating Claudia Valentine's pussy like a pin cushion by jutting her full of fingers and even a toe! "You're a fucking nasty girl," Claudia calls out, later pulling Katie Kox over her sharp nipples to burry her face in her cleavage. Katie seemingly loves

this form of titty worship and keeps Claudia's face smothered in her rack until Claudia bangs on the ground to tap herself out. "Bitch, you know my titties are too sexy for you!" Katie hisses while being drug away to lock legs with Hunter Bryce in the left corner of the room.

With hot lesbian action that seems like enough material for a well-covered movie in itself, Quasar finally unleashes the men. They come in naked like a steam of raging bulls. Together they go after the slits as if their gushing middles offer them some sort of porno salvation. The girls become blissfully aware that the men have arrived when their bushels of contorted pussies are broken up and replaced with probing cocks. With smiles across everyone's faces, the girls almost cheer out in unison, "Hell yeah, the cocks have arrived!"

From the beginning, it becomes quite evident the type of girl that each of the eight guys fancies. Mick Blue, a notorious blondeizer, goes straight for the

golden locks by sicking Carolyn Reese and Topanga Fox on his dick for a double suck and blow session. As he watches the girls fight over his shaft, Mick's attention diverts to watching Francesca Le slither her tongue along the underside of Dane Cross' prick. He points at her and chugs, "You're next!"

Meanwhile, Mark Wood has Raylene barreling down on his lap in reverse cowgirl. "I can't get enough!" Raylene giggles and pops, as her chest begins to turn beet red. After a spurting release that drenches their laps, Raylene eventually breaks away from Mark's crotch and rushes over to stick her tit into Phoenix Marie's pretty mouth. Although Phoenix loves the feel of Raylene's spiky nip against her tongue, she loves David Perry's cock even better. This is perfectly evident when Phoenix scoops up some foamy ass cream and pushes Raylene's face away in lieu of her grimy fingers instead. "Your ass makes me crazy!" David belts out, as Sophia Lomeli sets

Clearly, this is as good as it gets.

herself right next to the trio to ride out Mark's wood like a fucking jockey. She breaks the tension by calling out, "Yeehaw, motherfuckers!"

As that group break up, I become overwhelmed at the sight of James Deen pounding the hell out of Lily Lovely in a languid standing doggie display over a leather sofa. Just to get more bang for her buck—literally—Lily folds down as low as she can to knead Jessica Bangkok's squishy boobies in her palms. Jessica loves the play and eventually falls wide open and is more than happy to enjoy Sophie Dee's tongue swipes. Remembering the box of toys at my side, I throw a pink vibrator in Sophie's direction and watch as the toy is submerged up saucy slits. "Thanks, babe!" Sophie happily whispers in my direction.

After another hour and seemingly endless displays of porno pretzels, pussy stackings, and asshole wackings, the incredible scene ends with a communal

cum shower that drenches these hoes from naval to nose!

But wait, there's more! After this cosmic collection of cooze comes to a close, Julia Ann takes center stage one more time for one last hurrah with Toni Ribas. For all intensive purposes, we'll consider this the cool down portion of the show, although the heat generated by these two is enough to put us all back into overdrive.

Their scene begins with Julia lapping up the sides of Toni's cock like she's sucking a melting ice cream cone.

"Oh baby, you know what I like," he says in his sexy Spanish accent, while stuffing the head of his prick in her cheek until it rounds out like a lollipop.

It doesn't take long, however, until he is clobbering her clam in a myriad of positions that includes cowgirl and mish. Although the action is scorching throughout and their sexual chemistry can be felt by all, Julia Ann proves her

current standing as top cougar when she gives up her asshole to Toni in a reverse cowgirl spread that renders the entire room silent and panting. "You horny fucker!" she calls out after about twenty minutes, only to have her words hushed in a shower of cum that drenches her face eyes. It's the perfect ending to a perfect fucking day, to say the least!

So, with so much prized poon on the line, and plenty of titty meat to satiate everyone's lust for big busts, director, Mike Quasar and crew have hit a home-run with **Big Boob Orgy 2**. So the next time you are out and about, do yourself a favor by picking up a copy of the big show and have a blast letting the pussy party unfold before your eyes. And whatever you do, don't forget the roll of super absorbent paper towels. Lets just say, you're gonna need 'em!

WESTERN RAUNCH-UP

Last Saturday afternoon, my boyfriend Dale and his friends, Roy and Gene, were having a Western movie marathon at my apartment. Dale lives with me. They really like those old "horse operas," and once a month they rent a few and kick back in front of my TV.

I don't care much for Westerns, so I usually meet a girlfriend or run errands, but when I came home they were still watching the last flick. Dale pulled me down on his lap and I found myself getting into the movie, too. "They sure don't have too many girls on the range like you, Steffi," said Roy, ogling me. "Oh, sure they do, Roy," I said. I looked at Dale and he kissed me hungrily.

"That's it, drive your friends crazy, you SOB," joked Gene, tossing kernels of popcorn at Dale and me

as we smooched.

"Your friends are jealous, honey," I said squirming my butt deep onto Dale's lap. I could feel his hard-on grow in his jeans.

"Wanna make them unjealous, darlin'?" Said Dale. It was something we'd discussed in private, and now was the time. I nodded, and Dale got up with me in his arms, handed me over to Roy and said, "You carry her into the bedroom, buddy, I'll get us some more brews."

A few minutes later we were all naked on the bed. Roy and Gene had seen me in my bikini, but never nude before. I found myself between these three handsome men, their hands all over my tits, ass and pussy. Dale wasn't hogging me and everybody was getting his fair share. After all, they were his best friends, and the idea to make them happy, too, was something that gotten my pussy wet ever since I'd gotten involved with Dale and

DOUBLE TEAMWORK

As soon as school started, sexy sorority sisters, Louise and Yasie, rushed to make a private pact: to share all of their conquests throughout the year. It was, in fact, a sensible arrangement. That way, the jizz-hungry pair would be partners in crime rather than rivals in raunch and could pool their exxxtra curricular efforts. The duo soon had their eyes on Martin, the dean's studly assistant. One afternoon, under the premise of wishing to meet with the dean to discuss the formation of a new academic club, Louise and Yasie went to his office wearing their sluttiest schoolgirl finery where they proceeded to ambush the unsuspecting Martin. He never knew what hit him. One minute he was busy filing mid-semester status reports and the next minute he was in the middle of a hot and heavy threeway atop the dean's Italian leather couch with two of the most desirable babes on campus. Always an opportunist, Martin wisely chose not to overthink his good fortune and instead concentrated upon treating both Louise and Yasie to a seriously sound dicking. First he fucked one and fondled the other, and then he moved on to screw who he'd fondled while finger banging the freshly fucked one. The girls were delighted with their victory of having both their vags' violated and giggled together as they split the spoony spoils. Two important things to always remember are: there's no "i" in "team," and no cum in the eyes.

realized his buddies were as hot as he was.

All those bobbing cocks and strong muscles put my mind in a fog. I started sucking Roy first, and his dick was unusually thick and not easy to fit in my lips. I jacked Gene at the same time, while Dale ate my pussy and fingered my asshole. Roy was happy sucking on my boobs while Gene took a turn at fucking my mouth.

Dale pulled my legs toward him and lifted up my butt so that he could cram me full of his prick. I reached down and rubbed his balls; he likes to feel my fingers there while he's doing me.

Gene took a turn on my boobs while I jerked him off, and Roy straddled my face so I could lick his balls and asshole. I wondered

if Dale had ever discussed this little project with his buddies in advance. My intuition was that he had. His pals seemed so totally at ease, Dale had probably been telling them all along in detail what a great fuck I am.

I enjoyed it when the boys switched positions. For the next round, Roy was in my pussy for the first time. His wide cock felt so good. Meanwhile, I sucked Dale and Gene, moving from dick to dick. "Somebody please play with my tits," I said, realizing they were being neglected. Dale, ever the attentive boyfriend, took his rod out of my mouth and cuddled up close and took one of my boobs in his hand. He held it tight and sucked the nipple hard. I love to look down and see him sucking my tit that way.

"I need something tight now," Gene said, and suggested they give me a DP. It was okay with Dale and I told them to get in position. Gene got underneath me and, after lubing up, slowly stuffed himself in my butt, while Roy kept his place in my pussy.

I looked over at Dale. He was

"Somebody please play with my tits," I said, realizing they were being neglected.

grinning. "Hey, Steffi," he said, standing up, "I get to enjoy you all the time. Let them go to town. You can finish me with your fist."

I sure could. There I was, sandwiched between Gene in my ass and Roy in my pussy, and I reached out to jerk off Dale. The whole room smelled of sweat and musk and then suddenly, Gene said he was going to jizz in my ass. Dale told him to go ahead and give me a creampie. Even as I felt Gene pulsing out his cum, Roy pulled out of my pussy. "I want to see it on your face!" he said hopefully, pulling his shoulders in tight and holding his cock like a fire hose, letting a long blast fly. Well, he didn't reach my face, but it splat a good gooey mess up on my tits. It was joined by Dale's load a few moments later!

We relaxed after a few brews, then we were ready to start round two.

HORNIEST OVER HANDJOBS!

I really have a thing for handjobs, almost to the point where I don't really want to do anything else. I mean, I could have other types of sex, but I just don't want to. That's just the way I am at this point in my life at age twenty-five. Maybe it's just a phase?

You'd be surprised though; there are guys out there who are satisfied just getting their cocks tugged. My current boyfriend, Mitch, is a good example of that type of guy.

When Mitch and I started fooling around our first time, naturally he went for my panties like any guy would, but I took his hand away and lied and gave him the excuse that if somebody besides myself touches my pussy, I get close to fainting; and to have actual intercourse, well, I was afraid to try it! I told him I'd become a specialist in handjobs. He looked at me like I was crazy, but he didn't turn down the handjob I offered.

Sitting next to each other naked on the couch, but not about to fuck, was very exciting to me. I kissed Mitch and slipped my tongue in while taking his cock in my hand. He was still between hard and soft and I ran my fingers all over his shaft and balls. I told him it was okay if he played with my tits.

Even though I couldn't tolerate pussy stuff didn't mean he had to avoid the rest of me. So, he cupped one of my breasts in his hand while we kissed.

Soon, he was erect and very hot in my fingers. I looked down at his erection and thought it would be nice to suck, but I just wanted to stick with the handjob at that point. Mitch played with my boobs and then he pushed me back so that he could suck my nipples. I wondered if he was going to try to convince

me to let him fuck me.

We lay there for a while, with me stroking his cock with a tight grip in the palm of my hand. I was even more curious about putting it in my mouth, but at the same time, I was so aroused by the idea of not letting myself do so. I began to ache to feel Mitch's fingers inside my pussy, but I kept reminding myself it was more exciting NOT to get what I wanted and just tease myself with the sight and feel, but not the

penetration of his prick!

It's hard to enjoy sex when you're having a war inside your head, and so I sat Mitch up and told him to keep his hands to himself now and just let me concentrate on his handjob.

"You're a kook," he said, but the way my hand was swirling over his shaft made him just relax and enjoy the stroking. I bit my lip looking at how hard and leaky he was getting. I started to think maybe it would be okay to take a little suck, and so I finally did. I put his tip in my mouth, and Mitch moaned and shuddered and said that I better watch it because he might blow his load too soon. Every time it started to feel like he was coming close to exploding, I squeezed down on the base of his meat. Then, finally, I went back to just concentrating on the handjob.

"I feel like you're my live male doll," I said. "Every grown girl should have a big doll with a spurting cock."

I bent my head down and gave it a few more quick licks and sucks, and then I held his balls in one hand and jerked his shaft with the other. Mitch began to rub my back but it was too distracting, so I told him to put his hands on my head. He looked at me with that "you're a kook" expression again but then he clammed up. My fist was a blur and Mitch was groaning and I knew it wouldn't be long. "I want to see how far it'll jump out of your dick," I said, "So let it all out, let it fly in the air and make Hallie's hands all wet." Mitch looked like he was totally out of control now, his eyes were wide and almost teary, and then suddenly, he snapped his eyes shut again and his mouth opened wide and deep like a trench and he let out a groan as big as the load he was squirting into the air like liquid fireworks. "Oh yes baby, you did that so good, so very good for Hallie!" I said, as Mitch shook and twitched under my hand until I got every last drop out of that dark pink, squirting, cock eye.

Needless to say, he doesn't think I'm a kook anymore thanks to my hearty handiwork.

When Cassandra's handsome hairdresser friend, Tommy, first suggested she sport a new blonde 'do she was a bit skeptical. "You won't regret it," he slyly assured her. "Blondes definitely have more fun." So, Cassandra agreed to go tow. More than pretty, but a bit on the shy side, Cassandra was a bit shocked by her way lighter locks as she looked dazedly at herself in the mirror, post-bleaching. "You look great," Tommy assured her and to prove his point he pulled out the thick chubby he'd been sporting ever since her style set. Cassandra gasped as he leveled his ramrod right at her. "You're gonna have to get used to this sort of thing now. Ask any dude—gentlemen most definitely prefer to bang blondes." Cassandra shrugged and began to ambitiously embrace her new lighter role by parting her thighs and allowing Tommy to take her. She cast off her brunette identity and rutted with abandon, offered up all her precious holes for Tommy to explore with his fingers and fleshbone. He spent a nice, long while wedging his worm up her ass, stretching her tight, pink hiney hole wide open. Then he flipped her over to shoot a steamy stream of hot cum into her open mouth. Cassandra swallowed his load whole even before her asshole lost the gape he gave her. Not bad for her first fair-haired affair! ♣

MY SEX LIFE!

"WEDDING BELL BLUES!"

26224

It goes without question that a woman's wedding day is supposed to be one of the best days of her life. Mine on the other hand, was anything but. A few hours before Josh and I were to be presented as man and wife, I walked into his groom's chamber and found him banging the hell out of my best friend, and maid of honor, Susan!

I stood peering at the two fuckers in action through the crack of the open door. Josh and Susan were so busy fucking that they didn't even realize that I was watching! I ran back to my bride's chambers and picked up my digital recorder. I resumed position at the threshold of their door and hit the record button.

While still in his tuxedo pants, Josh bent Susan over into a standing doggie position against the lounge chair. He was taking turns fucking both her pussy and her asshole. Finally, Josh pulled out and shot his bullets all over her mouth, with one blast hitting her square in the eye. "Josh, you idiot. How am I going to explain this?" she said. During that squabble, my wedding band came rolling out of Josh's pocket and hit the floor. Both of them started to laugh their asses off at the irony of it all. After this, Susan rushed to the bathroom and tried to get herself back together. That was it. I had caught them both red handed, well...white handed, actually!

For revenge I ran over to my other best friend, Marissa and brought her into my bridal chamber. Without a word, I slipped her dress off and ate her cunt like crazy. Her juices were dripping down my chin as my tongue lapped her every fold. She responded by sticking three fingers into my gash and one up my asshole to get me off. Before I knew it, my white silk bridal panties were covered in my goo. We both came like crazy and when she stuffed the dildo she had in her purse up my ass, I couldn't help but scream! I could've cared less about my now-off wedding, but at least I didn't have to go through a messy divorce. **"Ms. B. Haven" - Connecticut ♣**

COCK & ROLL

Rock and roll skanks have a rep for being exactly the right kind of nasty, and groupie gal pals, Kenzie and Rebecca, are certainly no exception. Accustomed to pulling out all the stops and then some in order to gain backstage access, these two avid cuntcert goers are masters at making it with the crew. Veteran roadie, Eric, was busy unloading sound equipment and had no idea that today was about to be a goddamn great day in his love life when he spotted Kenzie and Rebecca marching towards him. He straightened up and felt his skin flute strengthen. Both girls looked smokin' hot and seemed to be approaching with an agenda—nipples standing out from beneath their tops, tongues poking out from between shiny parted lips and well-manicured hands caressing taut, smooth thighs. Oh yes, Eric had seen it a million times—these girls had their hearts set on some passes and they were about to set their pert parts upon him in order to get 'em. It was a perk of the job that was hard to beat. The girls descended upon him in a flurry of perfumed hair and black lace and soon the three were fully entwined—Rebecca and Kenzie working over Eric and each other with mouths warm and moist and Eric pounding them both with his drumstick. The final act was a face full of baby batter for the heavy-breathing babes as Eric blasted them both to the beat of the band. ♣
