Stormy is one of porn's true superstars and she's quickly rising up in the mainstream as well. Most recently Daniels landed a reoccurring role in Courtney Cox' television show "Dirt," made cameos in comedy hits like *The 40 Year Old Virgin*, *Knocked Up* and *Superbad*, and in the Maroon 5 video for "Wake Up Call." But porn is her true love, as she writes, directs and stars in features for Wicked Pictures as their number one contract star. Her movies *The Predator* and *Operation Desert Stormy* are just a few of the many that has helped catapult this star to the top of the XXX charts! Being smart and beautiful does have its advantages after all!

‘Brandy decided it was time to have me eat her pussy, so she sat on my face while her galpal was pumping up and down on my cock.’

SEX FOR SALE

To help make ends meet I took a gig selling magazines door to door. On this one particular day I knocked on a door and when it opened, I thought I’d died and gone to heaven. This cute little blond, about 5’5” stood there wearing a tank top and silk jogging shorts that clung to her well developed 36D-22-36 body. I could hardly talk! It was obvious she didn’t have on a bra and her nipples stood out like someone had sucked on them for the last 20 minutes.

She asked what I wanted and I stammered through my sales spiel. She invited me to come in and sit at the table. About that time I thought I was seeing double when I walked her roommate. She was a taller blonde, but looked a lot like the first girl—rack and all. In fact, they looked so much alike I thought they were sisters, but they weren’t. The shorter girl’s name was Darla and Brandy was the taller one.

I again started to explain why I was there when Darla asked if I would like a drink. I said a soda would be great. She went to the fridge and bent down to get the drinks and her shorts jumped up her crack and out peaked the blondest pussy hair I’d ever seen. Brandy saw me watching and immediately her eyes fell to the hard spot in the front of my pants. Darla brought the drinks and sat down as I blushed. Again I started to explain my visit when I walked, Nina, another roommate. “This stuff doesn’t happen in real life!” I thought to myself.

Brandy kept staring at my growing bulge and she reached between her legs and started rubbing herself. It wasn’t long before Nina was doing the same. Hell, she didn’t even care that her robe was open and her beautiful breasts were there for me to take in. My cock felt like it was going to shoot off right there, but before I could gather my thoughts I felt a hand stroke my leg. I stood up and told them I couldn’t take it anymore. “If you don’t stop what you’re doing I’m going to have to fuck you all.”

“Think you can handle all three of us?” Darla asked. I told her I’d give it all I had, and with that, Darla dropped to her knees and before I knew what was happening she had my cock out and was licking it like a lollipop. The other two girls couldn’t be left out, so before I could say nipple, I had six tits staring me in the face. What’s a man to do but start licking?

Darla was really doing a number on my rod. I reached over and started to massage Brandy and Nina’s pussies. I couldn’t believe how wet these two cunts were already. Darla pulled off my cock and suggested we head to the living room, and in there, we all stripped completely nude.

Nina laid on the floor and begged me to eat her snatch. Brandy crawled between my legs and decided she was going to have a nut-snack while Darla started to lick Brandy’s little blond puss.

This went on for a while when Darla jumped up and said she wanted to be the

first to fuck me. I was laid flat on my back and Darla jumped on. Brandy decided it was time to have me eat her pussy, so she sat on my face while her gal-pal was pumping up and down on my cock. Nina started to suck Brandy's tits while I ate her hot cunt.

It didn't take long for me to shot a hot load of cum in Darla, and I shot so much that it started to run out of her cunt before we were both through cumming. Nina saw what was happening and immediately began to lick up the excess cum that was forming at the base of my prick.

Brandy was pumping her little pussy on my face about 60 miles a hour. Soon she was begging me to lick harder, and the harder I licked, the faster she moved. She was gushing hot pussy juice all over my mug.

I thought I'd really had it and was done until Nina said it was her turn to ride me. I really didn't think I could get hard again, but these women really knew how to please a cock. Before I knew it, I was stiff,

and Nina hopped on and started pumping my cock like there was no tomorrow. She had the great control over her cunt muscles. As she was sliding up, she would tighten her cunt and it almost pulled my cock out of its socket. Nina started to scream, "I'm cumming, give me more cock. Fill my hot hole with cum. Fuck me harder." Darla was now grinding her cunt all over my face and every few seconds I could feel her juices spraying my tired tongue. Brandy had now switched and started to licking my balls and Nina's slit at the same time, and shortly after, my volcano erupted.

Darla yelled, "I cumming, too." She screamed and moved that cunt even faster on my tongue. I shot a load like I didn't know I had. I think I pumped for another five minutes before I collapsed with exhaustion. I'd had all I could take for one night, but was sure as hell glad that I'd taken this job!

BFFs (BEST FUCKIN' FRIENDS)

Recently I invited my best friend Janey to stay at my place one weekend. We hadn't had the chance to spend much time together since work was hectic for both of us, and I figured it would be a good time for some girl-talk. Well, we talked late into the night and finally said good night, both of us exhausted after a long workday and late night.

I crawled into bed naked as I usually do and fell asleep rather quickly. I started to wake up when I felt a cool rush on my body, I reached down to see if maybe the blankets had fallen off while I was asleep and suddenly realized that I was no longer alone in my bed—someone was there with me...Janey!

"Shhh," she whispered tenderly in my ear. "I don't want to scare you. I just want to please you." At first I was a bit shocked at what she was suggesting. I had no idea she swung that way, and I had never been with another girl.

Although, I do have to admit it was a masturbatory fantasy many lonely nights to make love with another female, but mostly in the context of a threesome.

She was wearing a skimpy teddy, and her scent was invading my head. She placed my hand on the straps of it so I could help her out of it. I was nervous, but obliged her request, albeit with shaky fingers and building excitement. She was so smooth and silky. I traced a line across her shoulders to her neck with my tongue and felt her quiver.

"Lower, Stephanie," she whispered a request. "I want you to taste me all over."

My hands removed her damp panties while my mouth continued down her body—her hands in my hair moving me down her. Janey's succulent breasts were so inviting and I couldn't help but to take one nipple into my mouth. I felt it harden and bloom as my other hand teased the other nipple, circling around it and feeling it grow as well. My hand wandered around her tight body and eventually

star bio

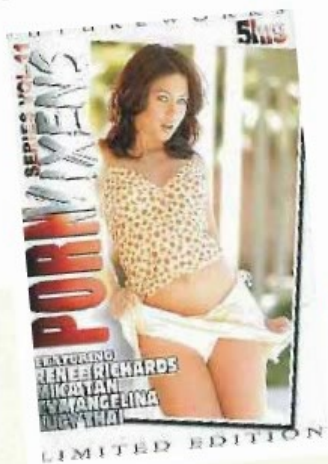

Renee Richards

STATS: 34C-24-36

HOME COUNTRY: UK

YEARS IN BIZ: 2

Renee is a British import who says she wants to push herself to the limits sexually. She's all about experimenting with sex, and we're glad she's decided to do just that for our viewing pleasure. She made about 40 fuck flicks where she's taken dick in her holes, licked some luscious pussies and pretty much helped men around the world cum from her sexual antics. What more do you want from a girl?

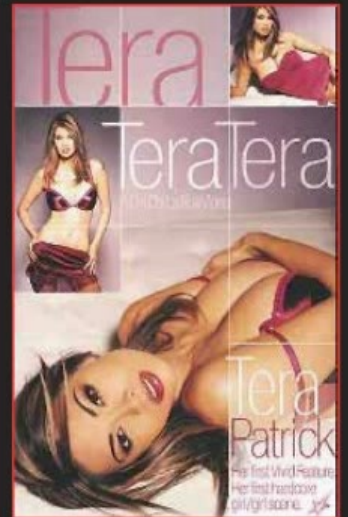

My 50th Column!

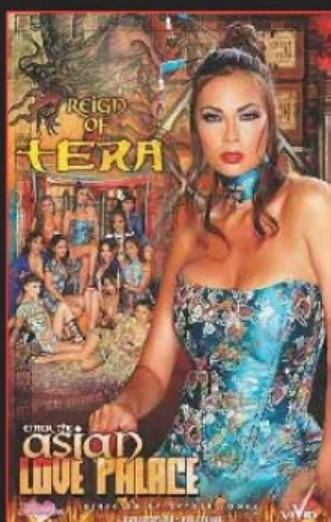

It is amazing how time flies when you are having fun! Fifty monthly issues of **GENESIS** magazine have gone right by in the blink of an eye since I signed on to be the publisher of *"The Home of Porn's Hottest Stars!"*

'During my tenure here, I have starred in Tera Tera Tera, Reign of Tera and Reign of Tera 2'

Teravision was originally my article here, and about the same time I adopted the name as the brand for my company, and now busy production studio, Teravision, and my career hasn't been slowed down since. It's been one wild ride!

Back in 2003 when I started with **GENESIS**, Teravision took part in a co-production of *Tera Tera Tera*, with our sister company Vivid. Since then, we have released 30 movies, and now release a steady two titles per month, of which I average being in three to four per year. During my tenure here, I have starred in the aforementioned *Tera Tera Tera*, *Reign of Tera* and *Reign of Tera 2* (the ultimate Asian odysseys),

Collision Course with Briana Banks, the dark and gritty *Desperate*, The AVN nominated and 1 best-selling *Teradise Island*, *Where the Boys Aren't 18*, *InTERActive*, *Tera's Fashion Underground*, and of course, my latest release, *Tera Patrick is.... Flawless*. By the time you read this my new movie will be released, *Teradise Island 2*, which I am sure you will all love. I absolutely love going out to remote and exotic locations and filming for you.

Over the last four years, not only have I been on the cover of **GENESIS** 10 times, and been featured with some of the top XXX talent, but I have also been on the covers of everything from *FHM* to *American Curves*, *Easyriders*, *Bizarre*,

Arena, *Maxim*, *Street Customs*, *Import Tuner* and many more.

I have appeared on tv shows from VH1's "40 Hottest Rockstar Wives and Girlfriends" and "Supergroup," to G4's "Attack of the show," E!'s "True Hollywood Story" and "Chelsea Lately" and many others. I have been on every major radio show from Howard Stern, Playboy Radio, Adam Carolla, and others at both national and local levels. I appeared in a video game, *Backyard Wrestling 2*, and in the animated series from "Aqua Teen Hunger Force" as myself!

Even while I have been doing all of this, I still have made time to meet all of the fans at conventions around the world in such great places as Las Vegas, Los Angeles,

Miami, New York, Australia, New Zealand, Berlin, Zurich, Japan and many more.

I have been appearing in finer gentleman's clubs around the USA as a feature entertainer, from the entire Spearmint Rhino chain, to clubs in over 50 cities around America. Mainstream nightclubs have been another part of my Tera-tour, from Tao in Las Vegas to Tatou in L.A. and many others that I have been doing both celebrity and also DJ appearances, That is right folks, I love to spin music and make people dance. As a matter of fact I just returned last week from Hot Import nights in Honolulu where I DJ'd for over 10,000 people! Thanks for the great time guys!

This year, as a culmination to all this, I won several awards that have been added to my trophy case, including XRCO's "Fan Favorite," the "Favortire Female Star" at this year's F.A.M.E. Awards, and the Venus Berlin E-line award for best performer and businesswoman of the year. As I write this I am getting ready to host the 2008 AVN Awards with Greg Fitzsimmons, a comedian who is so funny, and my company Teravision has over 20 nominations, including five for the Dave Navarro directorial debut, *Broken*,

We have launched Teravision on mobile phone download around the world, formed Teravision Europe, and got distribution partners Mile High in Canada and Cal Vista in Australia. All Teravision movies are available on cable and pay per view.

We launched my official homepage clubtera.com and my all new mega site, Terapatrik.com. I even put up the very first "trailer site" like a mainstream studio, teratrailers.com, where you can get a glimpse of all my movies for free. We

designed a video game, where you get to have sex with me called virtualtera.com and a fan club site where you can get all my autographed merchandise at www.teramania.com. You can even chat with me live at clubteralive.com or IMlive.com and visit me on my MySpace page, myspace.com/terapatrik.

Sound like I am busy enough? Let's not forget I shoot for my website every week, shoot my calendar every year, and I still have to go to red carpet events like the Grammy's and the MTV Music Awards, movie premiers, shoot all my movies, and still find time to write my monthly column here, go shopping, work out, flirt, spend a lot of time with my little dog Chopper, and of course, party and have an outrageous sex life.

In the near future, I am writing a book, working on several mainstream tv shows, a radio show, a fitness video, a worldwide talent search for the next big porn star under Teravision, and even thinking about crossing over into mainstream movies.

How do I do it all you ask? I am a motivated woman of the millennium, who loves her fans so much that I won't rest until I am dead! It's not that sleep is not one of my absolute favorite things, but I have my sights set on global domination, and a rich life of private jets and parties, all nighters and sleepy beach days, and of course more shopping.

I feel as though I am the luckiest girl on earth, and I would like to take this moment to thank everyone who makes it possible! My entire Team at Teravision—I could not have ever achieved half of what I have without you guys, That is Evan, Maxx, Erik, Pete, Jenn, Rebekka Armstrong, Candice, Coni, Viper Grafix, Juliet at Digital Organics, Dave Peskin, all

‘Over the last 4 years, I been on the cover of GENESIS 10 times, & been featured with top XXX talent’

my family at Vivid, Teravision Europe, Lisa Boyle, Jimmy D, my directors, Axel, Sancho, Jimmy, and Spyder of course, Claude at Gamma, April at Versatile Media, Gabe at Outbreak Marketing, my team at SWpr, all the media both adult and mainstream for their support. I would also like to take this opportunity to thank the Magna Publishing Group for all their support and **GENESIS** Editor and close personal friend Dan Davis for believing in me from the beginning. I love you Dan! Last but not least, you guys and girls, **THE FANS**. I live for this amazing sex dream called my life, and thanks for the ride, no pun intended. This is my vision, Teravision. May all of you live turning your dreams into reality every day. Thanks and love to you all!

Micah Moore

STATS: 32B-22-33

HOME STATE: Oregon

YEARS IN BIZ: 1

Micah just loves taking loads on her pretty little face. Why do we say that? Maybe because it's that in the vast majority of her 40 or so XXX flicks she's had goo land on her mug? She's gotta love it, right?! Cocksucking is this girl's forte, but so is delivering killer scenes. As you can see here, she's not one to shy away from pussy, as Jessica got a nice tongue lashing from Miss Moore. We definitely want to see more of Micah!

Jessica Lynn

STATS: 36C-24-36

HOME STATE: California

YEARS IN BIZ: 1

Jessica is fairly new to the hardcore game, with less than a dozen dirty deeds caught on film under her skirt. But that hasn't stopped her from quickly becoming a fave among those in the know. She's taken both deep dickings and pussy lickings in her short career and time will tell if she has what it takes to take her to the top. This blonde is without a doubt one to watch.

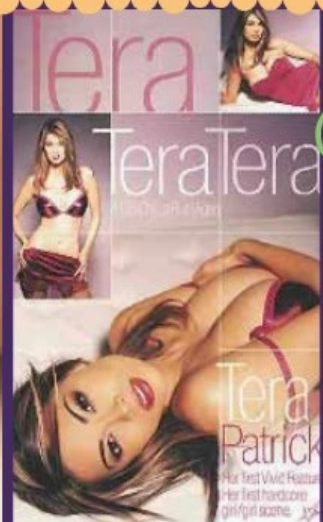

Tera Patrick

Tera's mainstream resume includes an appearance with Stormy in the movie Blades of Glory

Break on Through

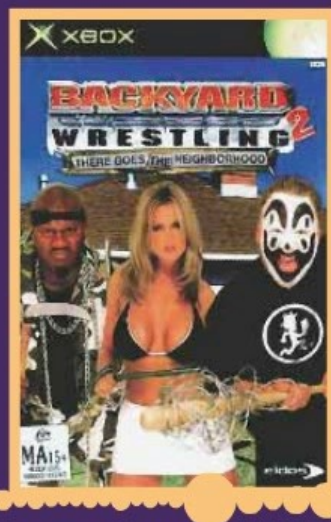

When you get right down to it, porn stars break into the industry for one reason: they're good at doing at least one thing really well, and that's fucking, and looking good while doing it. And fucking is what their fans want to see more of. Your average porn fan isn't all that interested in seeing his favorite starlet with her clothes on, and watching her exercise her practically nonexistent thespian abilities in some non-X-rated big budget studio film is...well, it's sort of missing the point, isn't it? That's like renting a porn DVD and skipping over the sex scenes so you can watch the "talky" parts.

Porn stars, however, see things a bit differently. Even with all their jiz biz fame, magazine covers, and industry accolades, they lust after recognition from the world outside the borders of adult video more than **GENESIS** readers lust after the hot bods that grace the pages of this magazine. Most sex industry starlets would gladly trade that "Best Anal

Porn Stars Who Have Hit It in the Mainstream

By Tim Case Walker

Ron Jeremy & Mary Carey

Ron Jeremy's appearances include roles in the cult favorite films *Boondock Saints* and *Detroit Rock City*, while the lovely Ms. Carey is currently starring in the VH1 reality series "Celebrity Rehab with Dr. Drew"

Scene" trophy they won last year in Vegas for a Screen Actor's Guild card and a little bit of acceptance from what they call "The Mainstream."

This new breed of porno stars, wanting more than a life of getting undressed and bouncing tail on film, are choosing to keep their clothes on occasionally to go after the big time—that's Hollywood stardom, baby, or Fame with a capital F. And, believe it or not, they're getting it.

Take Stormy Daniels, for instance. Wicked's beautiful and brainy contract superstar is undeniably one of the biggest names in porn, and her stellar writing, directing and performing talents have made her a triple-X triple-threat and a force to be reckoned with in adult film. It sure hasn't taken long for the rest of Hollywood to sit up and take notice, either. In November of 2007, Stormy was able to show off her intelligence as well as her beauty when she appeared with Wicked Pictures VP of Special Projects Joy King on an episode of AMC's "Sunday Morning Shootout"—a rare honor for a porn actress. Stormy fielded questions like a champ and impressed everyone involved, especially the viewers, with her performance.

Stormy's obvious talents were also on display in the DVD version of the hit film *Superbad*, as well as in 2005's *The 40 Year Old Virgin* where she talks to actor Steve Carrell in a full frontal dream sequence after he views one of her videos before going to bed. On the DVD release of the hit comedy Stormy appears in two of the DVD extras, as well. One is entitled "My Dinner With Stormy," in which she displays a tattoo on her breast to wine-drinking actor and co-producer Seth Rogen. Suitably impressed, director Judd Apatow hired Stormy again for a cameo appearance with Nautica Thorn in his next film *Knocked Up*. She also appeared with Tera Patrick in Will Ferrell's hit, *Blades of Glory*, and on Comedy Central's "Mind of Mencia." In 2008, you'll see her in two upcoming films; the THC-soaked comedy *The Pineapple Express*, and then again with Ann Marie in a film entitled *Forgetting Sarah Marshall*, and she's also the flag-waving, pole-dancing, bikini-wearing hottie that's seen throughout the music video for "Wake Up Call," the hit single from Maroon 5. Stormy, who must have a hard time finding time to even shoot anything XXX, even has a recurring role — she's appeared in three episodes so far — in Courteney Cox's FX series "Dirt" playing a prostitute by the name of "Stormy." But the smoking Wicked Pictures starlet is far from the only adult film superstar to be noticed by the world outside of porn, even if she may currently be the most visible one.

The beautiful visage of Tera Patrick is everywhere you look these days. In addition to her best-selling adult films and international appearance schedule, the stunning Vivid Girl,

The legendary starlet received a great deal of attention for her full frontal appearance in the 1997 film Howard Stern's *Private Parts*

Jenna Jameson

GENESIS Publisher and CEO of Teravision was a standout performer on VH1's "SuperGroup" series (and getting camera time when you're on a show with media whores like Ted Nugent and Sebastian Bach can't be easy). She appeared in several episodes of the hit cable reality show, and in one episode she did a sexy photo shoot with Bach's wife Maria. A perennial VH1 favorite, the wife of Biohazard and The Spyderz musician Evan Seinfeld, also appeared in the channel's show "Top 40 Hottest Rockstar Girlfriends and Wives," and who would deny it?

Tera's mainstream resume includes appearances in FHM magazine, where she was the first porn star to ever appear on the cover, and the aforementioned appearance with Stormy in the movie *Blades of Glory*, in which the two starlets are briefly seen presenting an AVN Award to Ferrell while dressed in sexy cavewoman apparel. She has also appeared several times on E's late night comedy talk show "Chelsea Lately," on G4's "Attack of the Show," on "The Man Show," she was a presenter on Spike's "Guys Choice" awards, numerous performances on Howard Stern, and on specials like HBO's "Thinking XXX." Tera has even been animated. First in the video game "Backyard Wrestling 2" and also on "Aqua Teen Hunger Force." And if that wasn't enough to keep Tera on the mainstream radar, check out her Mistress Couture fashion line (being produced by Lucky 13) and her new branch of her career as a DJ at the world's top clubs.

While probably no threat to Stephen King or Tom Clancy yet, porn stars Ron Jeremy and Jenna Jameson both have *New York Times* bestsellers under their belts—Jenna in 2004 with *How to Make Love Like a Porn Star* (it was on the bestseller list for six straight weeks) and Ron with his 2007 autobiography *The Hardest (Working) Man in Showbiz*.

Ron has made a second career out of appearing in mainstream films, on television and in music videos, and it's safe to say he is probably the single most recognizable porn industry figure to people who don't know anything about porn. Some of the appearances on his mainstream resume that you'll recall include roles in the cult favorite films *Boondock Saints*, *Spun*, *Orgazmo*, and *Detroit Rock City*; a recurring role in the VH1 hit cable series "The Surreal Life"; and at least 14 music videos (more than any other porn performer) including Kid Rock, Sublime, Moby, Everclear, the late Sam Kinison and Guns N' Roses. He's even appeared naked in a poster for PETA (People for the Ethical Treatment of Animals) which illustrated the importance of spaying and neutering your hedgehogs, er, make that your pet dogs and cats.

The Queen Bee herself, Jenna Jameson, is no slouch when it comes to making a mainstream spectacle of herself, either. The legendary starlet received a great deal of attention for her full frontal appearance in the 1997 film *Howard Stern's Private Parts*. Jenna has also hosted several episodes of the "Wild On" show on E!, had a bit part playing herself in the NBC televi-

"For porn stars with the brains, looks and talent to make it as Big Fish in the Big Pond, the mainstream is obviously waiting with open arms."

Miss Jane has been featured on the cover of Drowning Pool's 2004 album *Desensitized*

sion series "Mister Sterling," has starred in a number of horror films including the upcoming *Zombie Strippers* and now has her own comic book *Shadow Hunter* from the inaptly-named Virgin Comics. Her upcoming clothing line and appearances at Fashion Week each year, plus her relationship with UFC superstar Tito Ortiz, have kept Jenna in the public eye since her announced retirement from porn (and subsequent breast implant removal) in August of 2007. There's also a big screen adaptation of her best seller in the works with rumors of stars like Scarlett Johansson, Sienna Miller and Rachel McAdams playing the superstar.

Mary Carey, big-titted California gubernatorial candidate, certainly made a huge media splash in 2003 with a campaign that took her to such previously squeaky-clean and porn-free venues as NBC's "The Tonight Show with Jay Leno" and "The Today Show." Now a permanent blonde smear on the public's political consciousness, she's still reaping the rewards five years later. In addition to being weekly tabloid fodder, the lovely Ms. Carey is currently starring in the VH1 reality series "Celebrity Rehab with Dr. Drew" in which she attempts to learn to live a sober lifestyle while in rehab alongside a group of Hollywood B-listers like Jeff Conaway, Brigitte Nielsen, Joanie "Chyna" Laurer and Andy Dick.

AVN Hall of Famer Taylor Wane has had her mainstream successes also, appearing on virtually every major talk show out there, on HBO shows like "Mr. Show" and "Mind of the Married Man," and various "skinamax" movies. Wane has also been seen in a ton of music videos for bands like Danzig and for good friend Gene Simmons. Taylor is currently also pursuing a music career. The trained singer is working with some major producers and writers and hopes to have her debut disc out in 2008.

Jesse Jane, Digital Playground's contract superhottie, has made some inroads into the non-porn world with several appearances on E's plastic surgery nip/tuck-fest "Dr. 90210." Miss Jane has also appeared on an episode of the HBO series "Entourage" and been featured on the cover of Drowning Pool's 2004 album *Desensitized*. Jesse can also be seen in the band's music video for their song "Step Up."

"Dr. 90210" has also unfortunately made a mainstream name out of neurotic plastic surgery-addict and porn chick Tabitha Stevens, who introduced to the cable viewing public the tasteful subject of "anal bleaching." Steven's first mainstream film project, 2006's *The Shaman*, was proclaimed by Howard Stern to be quite possibly "the worst movie ever made".

For porn stars with the brains, looks and talent to make it as Big Fish in the Big Pond, the mainstream is obviously waiting with open arms. For others, however, it might be best to just stick to doing those anal cream pie flicks. ★

"I like my men like my food," Janelle told us. "To put it simply, I'm a meat and potatoes kinda girl. I like to keep it simple—a strong man with a strong mind. And while that

seems like a simple request, it's not as easy as you would think. I'm not at all superficial. I don't care if you have a bit of a gut or a receding hairline. I'm just looking for an honest and caring man to spend time with. I guess I'm just a bit of a hopeless romantic, but I want a good man to make love to."

touching her cooter down on the farm. "Masturbation is good for both the body and the soul," Alyssa said. "I believe everyone should do it at least once a day. It's even better doing it while someone watches or having someone do it for me, even. Especially another girl! They really know what gets me off and just how to touch me!"

Alyssa has a deep love for diddling, also known as fingerbanging her cunt into a climactic finish. She just goes crazy

SHAYLER

22, Office Manager
5'8", 32B-26-32
Rochester, New York
Photographed by her friend, Gus.

Shayler's fantasy is to go to a local watering hole, meet two or three guys, and take them home to work on her

holes. "I want one kissing me, one in my ass and the third in my pussy," she confessed about her dirty thoughts. "It would be my first multiple penetration—one in each hole. What a rush that would be! After they make me cum, it'll be my turn to make them erupt. I'd fuck and suck them into oblivion until they all can't take anymore and pull out and cum all over me. I want to be drowning in man juice!"

TYLER

21, Retail Sales
5'5", 38D-26-38
Clearwater, Florida
Photographed by her friend, Paul.

"I've always been extremely proud of my tits," Tyler said, and added, "but can you believe that my last man was embarrassed by them? He said he felt weird when we would go out and guys would stare at my chest. Needless to say he's history and I'm on the prowl once again for a man who's secure enough

to deal and who will get off by guys checking me out. He can take solace in the fact that he's the one who gets to come home and use me any way he wants to!"

KATIE

19, Student
5'6", 38D-28-37
Wilmington, Delaware
Photographed by her lover, James.

There's something extremely sexy about an all-natural, all-American, all-nympho girl. Katie just happens to be one of those girls. She rarely wears make-up and just wants a guy who accepts her how she is. We would take this

girl any way we could get her, and that's for damn sure. Then again we also know that Katie loves getting ridden nice and hard, so that's just the bonus plan to us! What can we say, other than we're suckers for nasty little natural nymphettes like Katie!

20963

RYANNE

19, Student
5'6", 34B-28-34
Hillsboro, Illinois
Photographed by her friend, Sal.

They don't come much dirtier than this coed from Illinois. Ryanne might not appear as a filthy little slut in her day o day life, but believe us, she is that and a while lot more. She'll take it in any of her horny holes without hesitation, and do it all with a dirty smile on her talented mouth. Let's just say that if you're looking for a good girl who's gone very bad, Ryanne is the answer to your prayers and is ready to get on her knees or on all fours to prove it.

21698

ARDEL

21, Entertainer
5'9", 34B-26-34
Indianapolis, Indiana
Photographed by her friend, Carl.

Ardel says that she prefers older men who aren't into playing mind games and know what they want. "So many men come into the clubs I dance in and try to be something they're not," she told us. "But the men who get my attention and have a shot at getting me into their bed are the ones who can say it all with a smile. I know which guys are going to be best at sex just by looking at them.

VICTORIA

28, Homemaker
5'6", 36C-26-37
Baltimore, Maryland
Photographed by her husband, Chris.

It's always a good time getting pics from wanton wives who just happen to love good old fashioned smut. Victoria loves some really kinky smut though. She says she's into messy sex. "I'm a fetishist who loves liquids on her, food smeared on my naked body and stuff like that. Sure, I like cum on my body as much as the next slut, but there's nothing like having food like pudding rubbed on my pussy and then licked off. I told my husband on my wedding night that I wanted to be the cake!"

ADVICE

How can I juggle three girls at once? I have one very special woman I'm seeing, one that's just a booty call, and one that is a borderline-stalker (she pursues me relentlessly). Flattery is nice, and I occasionally give in to the stalker, but I feel like the main girlfriend is ready to make a commitment and I am not ready to give up the booty call yet. Help!

Babe Magnet
Springfield, MO

I hope you are all using protection! You didn't say if all these women are being loyal to you, but I assume they are. If you want to be a playah, that's fine. But it sounds like Girlfriend #1 expects more from you and would probably walk if she found out about the others. I suggest you come clean with all three of them and see what happens. Or better yet, take them all out for drinks together... you could

stage your own reality show. Seriously, what are you thinking? You are either monogamous or you aren't. Admit you are a snake or do the right thing. Sheesh.

Do you have any advice on how I can get used to going down on a girl? I have tried it on several occasions. I just don't like it. Is it an acquired taste? I can't help but feel skeeved out every time my girlfriend hints that she wants it. We've showered together beforehand, so I know it's not a cleanliness issue. I've read books and watched porn DVDs for inspiration. Please help. I think my girlfriend is getting annoyed!

You need to develop an appreciation for the finer things in life. And the taste of pussy is definitely on that list!

First off, the sight and smell of a pretty pink snatch is supposed to be an aphrodisiac! Maybe you had a bad experience that set the tone for your dislike, but you really need to change the way you think. After all, you expect your girlfriend to go down on you, don't you? Second, barring any skank-factors, the pussy has a musty fragrance all its own. Think of it as a tropical rain forest. You must learn to conquer your fears and explore this uncharted territory. Claim it as your own! Once you have the proper mindset, delve down between your girlfriend's thighs and explore her with your lips and tongue. Ask her what feels good. Be soft and take instruction! I guarantee that if you get the feedback you are looking for, you will be a pussyman for life!

Who are you voting for in the next election? I've done my research and I'm still undecided. Can you sway my vote?

Politically Incorrect
Gallup, NM

Now that is an interesting question! But unlike a lot of celebrities, I don't like to use my fame to influence the masses. Just like I don't kiss and tell who I sleep with in my private life, I am not going to tell you who I am voting for. I will tell you this though: I only vote for the candidate I'd most want to sleep with! Have fun trying to figure that one out!

You broke my heart! I met you at an industry party in Los Angeles and we hung out for a while. Then I ran into you at an appearance in Miami and you totally blew me off! I thought we really had a connection. I mean, we didn't hook up or anything, but I really felt like we had potential. At the very least, I had hoped we could be friends. What gives?

D. Jected
Ft. Lauderdale, FL

I'm sorry you feel that way. You have to understand that in this business, I meet so many people there's no way I can remember them all. Part of my job is to appear at industry functions and meet and greet all kinds of people. If we had a connection one night, I wish you had reminded me or given me your number then! You never know when the planets line up just right!

How often do you masturbate? I read somewhere that you love to masturbate more than anything else, but I wonder how that's possible when you are on set having sex! Have you thought about doing a masturbation video? What do you prefer to use when you diddle yourself? Can you describe your typical scenario?

Curious Jorge
Kileen, TX

Haha! Yes, you read it correctly. I do love to masturbate! I get off watching porn online and looking at magazines like **GENESIS**. I also finger myself in my car on my way to work, at night before I go to sleep and first

thing in the morning! I've always been a very horny girl, and having loads of incredible sex as part of my job hasn't ever slowed me down. If anything, I masturbate more now than ever! Usually I use my finger and/or a pocket rocket to get off. I think about the cute guy at the store or the last really hot chick I banged, and I cum in a matter of seconds! I've shot a number of solo scenes during my career as a contract girl. Look for a masturbation video from Adam & Eve in the future! ★

'She moaned even louder and began to fuck my finger as she continued to eat me with even more fervor.'

favor, tasting her sweetness with my tongue and lips. Both of us were getting so hot and our hands roamed at their own free will all over each other's bodies as we sucked at each other's luscious treasures. We drew each other's mouths closer by wrapping our legs around the other's body as our tongues probe deep inside our honeypots. These were such sensations I never enjoyed before!

I placed one moistened finger near her ass and gently traced the tight opening with it as Janey moaned in approval. The more I teased her hole with it, the more she moaned and then I slid it inside her tight asshole. She moaned even louder and began to fuck my finger as she continued to eat me with even more fervor.

I couldn't contain myself no longer as I arched up against her mouth and found myself going right over the edge into

found its way down to her waiting pussy that was already wet in anticipation. I continued to play with her breasts, but began to concentrate more attention on her flowing cunny, one finger playing now with her clit, moving back and forth over it and back to her wet opening. I was getting so very excited and her moans of desire spurred me on to more explorations.

"Turn around, so I can play with you, too," Janey begged. I didn't hesitate for a second obliging her as my cunt was so wet and longing for her touch. I could

smell her sweet kitty and my mouth watered at the thought of finally tasting another girl's mound.

As I imagined the feast I was about to have, I felt her tongue tracing over my thighs and heading for my hunger point. I began to shake when I felt her licking inside my legs and over to my pussy, tracing up and down from my clit to my ass. "Oh, yes! Lick me more!" I moaned at the exquisite teasing Janey was giving me.

We got more into a position where I could reciprocate the pleasure I was getting, and I responded by returning the

sheer bliss. Janey soon followed me up and over the climactic cliff I was falling off of as we muffled each other's screams of delight in the other's muff.

pornstar

an aural exchange with the lovely & talented

TRINA MICHAELS

For nearly four years now San Francisco native Trina Michaels has been making adult films—over 300 to be exact. Even though Trina Michaels isn't a superstar like Belladonna or Tera Patrick, she has been a consummate performer, which has earned her the respect of her peers. The Bay Area native never really had aspirations of being a porn star. In fact it all happened by accident when a photographer put up some of her photos on a website and Michaels started getting calls to shoot adult films. By her own admission Michaels says she is a normal and boring person who has never (nor will ever) do drugs. She was a loner in high school, even though she sported a 36D chest. She even earned good grades and went to church. Michaels lost her virginity at age of 18. Once she got a taste of the cock (literally) Michaels was consumed with sex. Soon the 5' 6" 34DD-24-36 blonde was taking it in the ass from her high school sweetheart. Michaels slowly was turning into a slut and on the highway to an adult film career when she was 21-years-old, which is one of the many things we spoke with Trina about recently.

Interview by Troy Michael. Photos courtesy of Digital Playground.

GENESIS: Do you regret being so shy when you were younger?

Trina Michaels: I would love to go back to high school and show people what I look like and what I do now.

Have your parents been supportive of your career choice?

They don't know I am doing porn and if they do know they haven't said anything. It just sucks because I used to be really close to them and talk about everything, but now we don't talk very often because I don't know what to say.

Even before porn you had a pretty wild sex life with your boyfriend, who is now your husband. How'd that come about since you lost your virginity at a relatively old age?

Once I lost my virginity, my mind opened up to sex. We just started talking about our sex life and trying

new things. He wanted me to have exciting experiences and it has worked out. I have been with the same guy for eight years now.

What was your first movie and who was it with?

I did *Jack's Playground 19* for Digital Playground. My scene was with Joey Ray. I was a little bit nervous, but not too much. I don't know what I expected it to be like, but it was...I liked it...I wanted to do it again. When I first signed up to do porn I had already done anal and double penetration in my personal life, so I think that helped when doing my first scene. My second scene was anal and my fourth scene was a DP, so I moved along pretty fast. Now that I think about it, I wish I had spaced those sex acts out more.

After four years and nearly 300 titles to your credit,

what is the most important thing you have learned about the adult industry?

20135

Trina Michaels in *Busty Beauties* February 2006

With Joey Ray in *Jack's Playground 19*

It takes a strong mental person to stay in this business or it will eat you alive. It is a very tough business at times, but I love what I do and have a great time with it.

How long do you see yourself making porn films?

I will take it for as long as it will go. The last couple months I feel like I've come into my own with photo shoots, website content and films. I really felt on the ball. With directing I feel that I could really open a lot doors for me.

What's the wildest thing you have done in your personal or work sex life?

For my personal life, I didn't go to a lot of parties when I was younger. But after high school I went to a lot of swinger clubs with my boyfriend. One time we actually met a couple that invited us to their house for an after-party and there were five couples there. Everyone was fucking. I wound up on top of one guy and my boyfriend

came in to fuck my ass. And the great thing is everyone stopped fucking to watch me get DP'd. It was amazing.

How was it working on the big Eli Cross epic Upload?

It was really fun. My character has significance to the movie even though I don't have a lot of time in the film. I got to work with Derrick Pierce and it was an amazing scene. I am quiet by nature, but in this scene I had to practice yelling a lot along with my lines. So to do well, I practiced my lines for a month before. I thought it turned out really well.

You've been out on the feature dance circuit a lot. I bet you have a lot of amazing stories. Care to share any?

This club in West Palm Beach, Florida—I love them there—is the only club that told me I could actually do penetration on the stage. I had a weekend feature there and by the end of the weekend these two house dancers were DP-ing me on stage. The word got around Friday, and by Saturday night the show was sold out before I even went on stage. 🍀

herStory

Joanna Angel

The story of my first scene is a lot different from most other "first scene" stories. First and foremost, it was shot on a rooftop in Bushwick, Brooklyn, which is also known as "the bad part of Williamsburg." It was about as opposite as you could get from a big house in L.A. with marble floors and a swimming pool. Secondly, I was working for myself—not a director who had done this a million times. And last but not least, the guy who I did my scene with was also doing his first scene. In other words, there was not one "I have done this before" person in my crew—not me, not the guy, not the camera guy, not the photographer. We were just a motley crew from Brooklyn attempting to make a porno we would eventually call, *BurningAngel.com: The Movie*.

Finding a guy to fuck me on camera was a lot harder than you would think. I didn't know anyone in the business at the time, and it wasn't like now where you can find anyone and anything from your keyboard. For months, I searched for the right guy and time after time got the same response to the question, "Will you fuck me on camera?" That was, "Well, why don't you come over and we can practice first." And time after time I did in fact show up for these "practice rounds" and then when I'd follow up a week later to see if round two could be filmed, they would say something like, "Can I block my face out? What if my dad sees? Can we practice a few more times. I don't think I am ready yet."

Just when I was about to give up on my entire porn career before it started, I met the male performer we know today as Tommy Pistol through a friend of a friend. I thought he was decent looking and kinda funny and it was rumored that he had a nice penis. When I met him, I asked "Do you want to fuck me on camera?" and without a blink of an eye he said, "Sure, when?!"

So now that I had a guy, I needed to find a place. I booked a hotel room in a particular hotel room in Chelsea that was known for having themed room decor. They had a beach room, an outer space room, an Asian room with dragons all over the place. I thought it was so perfectly pornographically cheesy. I booked it for the date that coordinated with everyone's schedule. The photographer and camera guy had agreed to be part of "Project: Let's Make a Porno" months beforehand so that was taken care of.

The camera guy asked me. "What kinda scene do you want to film?" I didn't know what he meant and he explained to me that in porn some girls take it up the ass and some girls don't. I had tried anal sex like twice in my life with an old boyfriend. I kinda liked it, but was too nervous to ask him to do it again. It was like this weird thing we just did and then never spoke about, so I thought this would be a good opportunity to do it again. I didn't have a boyfriend at the time and my sex life consisted of fucking random guys I met at bars I barely trusted enough to give them my phone number, let alone my asshole.

So on that fateful day, we all arrived at the hotel right around check-in time. I told the guy at the front desk my name and explained that I had a reservation, but before I could finish my sentence he interrupted me and said that there was a problem with the hotel's plumbing and no one could stay there for the next few days. I cried and pleaded and told him that my friends and I were tired tourists and really needed a place to sleep, but he pretty much said he didn't care. We then tried another hotel around the corner that was twice as expensive as the one I had previously booked, with no themes, and was about the size of my closet. There was just barely enough room for one person to sleep in the bed, let alone two people to fuck and someone else to film it.

I was about to throw in the towel. It was really hot out and my freshly shaved crotch was starting to itch from the heat. Tommy made a phone call to one of his friends who had a loft in Brooklyn and asked if we could move the production over there. Personally I didn't want to. For some reason, I thought it was glamorous to shoot porn in a hotel. I envisioned myself having sex on Tommy Pistol's friend's bed and it made me feel really pathetic. The camera guy told me that if I was unhappy with the place we could just go home. He had a good point, so it was worth a try.

We arrived there, and like I expected, the loft looked like a place a bunch of boys lived in, with half-eaten bowls of macaroni and cheese and marijuana smoking devices scattered throughout the place. I looked visibly disappointed. One of the tenants then escorted me onto the rooftop of the building. I took one look and I was like, "Yeah, this is where I want to fuck!" There was a view of the entire city, and all the bridges and shit, and everything everywhere was covered in graffiti. For the first time all day I felt relaxed, excited and aroused. I was ready to be a porn star.

Of course, there was a problem. The fact was that it was a fucking rooftop, and it was summer time, and lots of people were hanging out smoking weed, drinking beer, and grilling hot dogs. I figured if I went over to the group and smiled and winked and spoke to them nicely that maybe they would be kind enough to move their summer festivities elsewhere. When they asked why, I tried to tell them I was shooting a student film. They took one look at my outfit and knew that wasn't true. In more or less words I was told, "I know you're gonna film some kinda porno, and we're gonna stay here whether you like it or not."

Was I bothered? No, not really. The whole idea turned me on. I was worried that this would upset Tommy, but he was equally as excited as I was. The thrill of having all these strangers watch me get pounded up the ass was exhilarating.

The scene was perfect and it seemed so natural! We kissed, I sucked his dick, he ate my pussy, he fucked my pussy and put it in my ass. We didn't break at all—we just fucked and fucked and fucked, and everyone watched. People in the crowd called their friends to tell them about the excitement, and by the end of the video the crowd had tripled. With a face covered with cum I looked at them and said, "Who's next?" Not one guy raised their hand. They were too busy covering the overly obvious boners in their pants. ★

FETISH LESBOS 3

Starring: Eufat, Anetta Keys, Cindy, Valerie, Hanna Hunter, Sabrina Sweet, Linda, Peaches, Katy Caro, Zafira and Deniska.

Directed by Denys DeFrancesco.
(Swank Digital)

Five awesome scenes featuring 11 of the sexiest pussy eating princesses you'll ever

Deniska & Zafira

see. And these girls are deeply into getting kinky and sucking on toes as well as pussy.

Two beautiful brunettes Eufat and Anetta share an empty art gallery and slowly begin the soft dance of girl-on-girl seduction. The pacing is great here, the action builds and builds as their clothing is gradually peeled off. You can almost smell the sex that must hang in the air as the ladies get kinky. The lesbians go from sucking on toes to dipping their toes into each other's cunts.

Check out the torrid threesome of Hanna Hunter, Sabrina Sweet, and Linda. Silk stockings on each babe accentuate their perfect form and the lust in their eyes is palatable. It's obvious these gorgeous girls are holding nothing back as they attack each other. Pay attention to the incredible pussy and ass eating daisy chain. It's a thing of beauty.

The final scene with Zafira and Deniska cannot come too soon. Your cock will be a withered mess by the time this couple throws down. Hold off, if you can, because this finale is worth the stroke.

DESPERATE BLACKWIVES 3

Starring: Amile Waters, Chocolate, Jada Fire, Jordin Skyes, Vanessa Monet, Marie Luv, Monique, Mr. Marcus,

Sean Michaels, Sledge Hammer, Tee Reel and Vanessa Monet.
Directed by Anton Slayer.
(Afro-Centric)

Vanessa Monet, Amile Waters & Mr. Marcus

Chocolate & Monique

Jada Fire & Tee Reel

This ebonized, eroticized version of the popular show stars some awesome, testicle tightening black talent sure to please even the most jaded aficionados.

Jada Fire is a boner fide X-rated superstar. She's pretty, and pretty fucking voracious, especially when stuffing Tee Reel's gigantic bone between her luscious lips. Jada really knows how to slurp a Johnson, and she's no slouch in the coitus department either, with an ass that gyrates as she fucks Tee into a stupor. He winds up the session by coating Jada's studded tongue with sticky cum.

Marie Luv is working out on the treadmill wondering why her husband prefers Internet porn to her dick stiffening charms. But personal trainer Sledge Hammer is there to console her by showing his massive member up her hot slit, and then into her eager to be fucked ass; she diddles her clit as he stuffs her rectum, then sucks the last drop of man juice out of the stud.

This movie will leave porn fans desperate for more!

LATINA LOVERS 2

Starring: Sativa Rose, Eva Angelina, Luscious Lopez, Havana Ginger, Alyssa Knight, Cherokee, Scott Lyons, Alec Knight, Chris Mountain and Franco Del Torro.
Directed by Bridgette Kerkove.
(Ethnicity Films)

Cherokee & Alyssa Knight

Does porn get any hotter than when it is done by filthy hot Latin chicks? Bridgette Kerkove, the legendary anal porn queen, gets behind the camera to capture some the dirtiest screwing ever seen! The Latina cock queens put out so

much energy your cock will stay hard for days after watching this flick.

Sativa Rose, who really should be recognized for the alpha whore she is, rocks the shit out of her two studs. The pint sized raven-haired fucker is one of my favorites and one viewing of her scene will make you a fan too. Two guys have the honors of enjoying her theme park of a body. Sativa opens up all her holes for play and the guys DP her and she is in Heaven.

Sativa Rose

Eva Angelina is my perfect Latina. Kind of thick (but in the right ways), very adorable and totally fuckable, your cock will scream for her too. Eva fucks as wild an animal in heat. Hot blooded and always ready to screw, Eva leaves it all on the screen in every scene.

Six beautiful Latin girls in five boner-draining scenes. How can you go fucking wrong?.

EDEN

Starring: Courtney Cummmz, Bree Olson, Carmen Luvana, Ava Rose, Evan Valentine, Evan Stone, Tommy Gunn, Jerry, Jean Val Jean and Xavier Towers.
Directed by Daniel Dakota.
(Adam and Eve)

Courtney Cummmz & Tommy Gunn

Eden may be the death of me. I have lost so many fluids to this flick that I am writing this with an IV in my arm and a smile plastered across my grill. These ten stroke-worthy fuck scenes are almost too much and may cause sensory overload. Count them off: Carmen Luvana, Bree Olson, Ava Rose, and Courtney Cummmz. All four are superstars in the porn world and daily stars in my daydream fantasies. *Eden* is kind of a "Fantasy Island" meets "Lost" with lots and lots of cum dumping and anal reaming in the gorgeous locale of Hawaii to round out the fun.

Carmen is first up as Jean Val Jean pounds her underneath a tree after some beautifully shot horseback riding. Just when things get hot, in walks Courtney to

make this scene into a volcanic three-some. Carmen's perfect ass gets a cumshot and Courtney licks it off. Wow.

Evan Stone almost fucks Ava in half. Bree Olson gets double dicked by Tommy and Jean in the second to last scene. Bree gets fucked in the ass, but never gets fully double penetrated. A decent double cumshot splashes into the blonde's mug to cap the action.

BUBBLE BUTT TEENS 5

Starring: Brianna Love, Dominique Pleasures, Kristina Rose, Megan Reece and Queen B.
Directed by Jacob Jewel.
(T.T. Boy Productions)

Dominique Pleasures & Rock

A cute brunette, Kristina is sporting some sexy threads, as she shows off her booty in an outdoor setting. Opening up her juicy thighs Alex Gonz finds a tasty treat to slurp on and sets to eating her nice looking pussy. Getting some fingers in her tight gash he works them in and out to her obvious satisfaction. She gives him some credible head, lubing up his

Kristina Rose & Alex Gonz

cock with her saliva before he shoves his prick into her doggy style. They get into a flurry of positions with plenty of enthusiasm from both pro fuckers. Alex dumps his seed on her mug and she cleans up his sperm with a blowjob.

Brianna looks like a real whore in her hot pink outfit, and I say that with all due respect. Brianna's butt shaking is good,

Queen B & Rock

but doesn't hold a candle to the other dames. After some serious sport fucking in various positions Domineko pops a load into her face.

Queen B brings up the rear as she oils up her ass for prime viewing. Queen can shake her ass like nobody's business.

Rock returns to tackle the bubble butt baby and he makes short work of the cock lover. Rock lets loose a big drippy cum blast to run down Queen's ass-cheeks and bring this movie to a well-deserved ending.

JERK & SWALLOW

Starring: Harmony, Simone, Marco Banderas, Mckayla, Savannah Stern, Kaiya Lynn, Jay Huntington, Donny Long, Trent Soluri, Presley Maddox, Christina Aguchi, Alex Gonz, Rachel Starr, Reena Sky, Persia DeCarlo, Alexia Sky, Winston and Diamond Bunns.
Directed by Vincent Voss.
(Toxxxic Entertainment)

Simone

Reena Sky

Two DVDs with 28 slurping and jerking scenes are here to drain you dry. The dick sucking displayed by Harmony is itself worth the price of admission. Harmony doesn't just give head, she gullet fucks the hog stuck in her yapper.

The scene with cuties Candy Apples and Katie Gold working in tandem is a true standout. The second disc is a real smorgasbord of all blowjobs all the time. And

Harmony

thankfully we don't have to see any of the guys' faces, just their stiff rods.

These two DVDs give you more bang for your buck, although there's no actual banging, just stroking and cock chugging, it's still quite a bargain.

FUCK FLICK OF THE MONTH

STOOD UP

Starring: Rev. Bob Levy, Savanna Samson, Evan Stone, Tommy Gunn, Lee Stone, Kimberly Kane, Kimberly Franklin, Penny Flame, James Deen, Moni Michaels and Lanny Barbey. **Directed by** B. Skow. (Vivid)

It's a crazy trip into the life and times of comic Rev. Bob Levy. Fans of 'The Howard Stern Show' will know the protagonist immediately for others, here's a brief intro. Following in the Dangerfield vein, this lovable loser comic cannot catch an even break. From mixing up with a trollop of a manager to having his best jokes and bits "stolen" by hack comedians, Bob's life is a comic tale of woe.

Savanna Samson & Tommy Gunn

The story opens with Bob chatting up some lovely young piece of ass, Moni Michaels, as he waits for his set to begin at a seedy comedy club. He's laying on the rap pretty thick, that he could have been a huge star if not for some terrible choices. His first bad decision comes when he takes on an agent, Savanna, who isn't out for his best interest. Thankfully when it comes to the sex, Bob is replaced by a professional cocksman. In the first scene, Tommy Gunn

Savanna Samson & Rev. Bob Levy

Penny Flame & James Deen

places a younger Bob as he meets up Savanna and they get acquainted. By getting acquainted I mean Tommy fucks all of her holes in the back room of the comedy club. Very hot shot and shot very well with lots of attention paid to Savanna's amazing butt.

The good Rev. relates another story when some rednecks beat him up after a show. Agent Savanna leaves Bob at that point and has a wicked lengthy threesome with Evan Stone and Kimberly Kane. You have to see this action, as it gets fierce and stays primal the entire time.

Kimberly Franklin, Lanny Barbey & Lee Stone

Funny, sexy and full of hot, hot, hot chicks, make *Stood Up* part of your porn library.

SexZ Pictures has been making some damn good porn movies lately including a couple of major league action adventures. First it was *Corruption*, which won just about every award known to mankind last year, and now *Upload*, an epic science fiction fuck thriller.

Upload was directed by Eli Cross, who won the award for best director for *Corruption*, stars professional asshole Hillary Scott and Cuban/Chinese sex machine Eva Angelina.

I knew *Upload* was no ordinary porn flick because the shooting schedule stretched for nearly a month. Set in the near future, *Upload* tells the story of two federal agents tracking down a hacker they believe carries a computer virus that could change the world as we know it. Hillary is perfect as Tesla, the sexy cyberpunk who holds the future of civilization in the palm of her hand, and Eva Angelina is Cassandra Cray, the brooding agent who's chasing the secret Tesla holds. By inserting a SIM computer chip directly into the body, amazing life-altering sexual experiences can be realized. Everybody is 'jacking in' to experience all sorts of pleasures, pains and mind boggling adventures.

The entire movie is a cat and mouse chase filled with some of the dirtiest and most perverted sex ever captured on camera. We tend to think that European porn is nasty, but you really haven't seen anything until you take a look at *Upload*, which along with *Corruption*, has rewritten all of the rules.

During a short break on set, I asked Cross about his well publicized style of movie-making. "We want the sex to be over

the top and even harder than the best gonzo movies. I want people to see things they don't normally get to see but I also want to bring you an entertaining story."

The dirty action suddenly turned to the makeshift stall of a public bathroom that was as run down and nasty as the surrounding city streets. Eva sat down for a torrid masturbation session. Once the sound of "action" filled the air, Eva's perfectly huge tits became unbridled and hung freely as she rubbed her nipples to a full firmness. Her left hand dropped to her crotch area and began to pull her panties slightly to the side and rub her clit. Her hips rocked back and forth as she massaged her entire pussy bringing forth an orgasm that caused a river of pussy juice to drip as she stood up to get a better look at her snatch. Eva pulled her panties all the way to the left, and pulled her thick pussy lips apart giving us a clear view to one of the most incredible vaginas anywhere.

I came back the next day to witness Hillary doing some emotional dialogue with James Deen. Cross had the sex sequence set up next to a dirty mattress on a concrete floor adjacent to a room housing some of the most futuristic computer equipment you could imagine. After a few hours of intense acting, which by the way Hillary is a master of, the two were ready to fuck.

Cross asked the pair to engage in oral sex and then fuck like it was the end of the world, which perfectly fit the storyline. Upon the call to action, Hillary crawled on her knees and began to unzip Deen's pants to reveal his waiting cock. Her tender eyes gazed at it a bit before devouring it for an awesome BJ. Her tongue licked up and down the shaft as she took turns caressing then deep-throating him. She inserted his entire prick down her throat as the make-up she was wearing began to run off her watering eyes. She sucked hard attempting to satisfy his hunger, but her pussy would be needed to make him cum.

Hillary spread her legs to reveal a spectacular pussy that was moist with anticipation. Her pussy lips opened wide as he began to insert the head of his cock inside her. Her cunt began to swallow his entire prick as she allowed him to thrust deep inside

her body and it wasn't long before the two were fucking in a steady rhythm. Her pussy was soaked with juice as his glistening cock would briefly appear before slamming back inside her lips before he turned her over for a doggy style fuck. She begged for more fucking as he penetrated her hole with a reckless abandon before pulling out to re-submerge deep inside her ass. Her tight anus looked impossible to penetrate, but his lathered up cock was determined to enter her and began to press forward on a mission of backdoor loving. "Oh God, yes, fuck my ass. That's what I love, that's what I like," she yelled as he massaged the inside of her rectum with his powerful thrusts. Her once tiny ass was expanding to accept his full thickness as she reached down to rub her clit causing a string of explosive orgasms. "I'm cumming baby," she cried as he fucked her derriere deep.

"I'm gonna cum," he shouted as he pulled out and blasted a load covering her gorgeous face in a filthy sperm bath.

I spoke briefly with Hillary who stood there totally naked looking for something to drink. "I just love sex, but I also love to act, so when the chance to do a movie like this comes along, you just jump at it," she said. "I love being with SexZ Pictures because they're the only company with the balls to do movies like these."

All in all *Upload* is the kind of movie that will fuck your mind up and get you off about a million times. 🌟

NAKED AMBITION!

From the trailblazing naughtiness of Betty Page to the pole-dancing craze of modern housewives, the mainstreaming of adult entertainment is undeniable. Now comes *Naked Ambition: An R-Rated Look at an X-Rated Industry*, a fine-art book from renowned celeb photographer Michael Grecco that offers an unabashed peek under the silken covers of the billion dollar porn industry.

The beautiful hard cover, oversized, full color, 224-page book takes readers to the AVN Awards in Las Vegas. Culling from well over 13,000 photographs taken during two recent awards shows and conventions, Grecco gained access in every area of the four-day Vegas pornography extravaganza. The result is a unique collection that captures artistic, revealingly human portraits of porn stars and filmmakers such as Tera Patrick, Jenna Jameson, Sunny Lane, Ron Jeremy, Janine and former **GENESIS** Sex Star Hunt winner Tassy Pink.

For the text of *Naked Ambition*, Grecco chose veteran pop culture journal-

ist/author Lonn Friend and former FHM executive editor Rob Hill. The two seasoned scribes crafted insightful essays and biographical captions that lend literary depth to the breathtaking photos. Readers will be both titillated and surprised by the journeys these X-rated performers made from anonymity to erotic stardom. "This is not an industry of human casualties,

but an eclectic collection of astute, enterprising sexual artists," notes Friend. "Some of their stories absolutely boggle the mind."

For more on the book, go to www.nakedambition.com.

ADAM & EVE KROSSES FINGERS WITH KAYDEN!

Adam & Eve have signed stunning beauty Kayden Kross to an exclusive contract. The former Vivid Girl joins current stars Carmen Luvana, Ava Rose and Bree Olson, bringing her classic sexuality and smoldering look to the table. With only a few movies under her belt, Kayden is already in high demand with directors and talent alike.

"It was a natural," says the 22-year-old Kross. "Adam & Eve produces some of the best adult material out there today for women and couples. They really focus on their contract stars as individuals. It's the only place I'd want to be." Kayden began her career dancing in order to raise money for a pony that was going to be slaughtered. Her love for animals is notorious. "My ultimate goal is to one day own a horse farm," she

explains. "I have always wanted to rescue animals and create a safe place for them to live out their days."

Don't let her soft side fool you, though. This petite beauty can go from demure to dangerous in the blink of an eye. "I hear 'action!' and I start getting wet," she laughs. "There's just something about the lights and the sets. Something primal in me just takes over and everything is heightened."

"Kayden is simply amazing," explains Adam & Eve Pictures' Meredith Christopher. "She can come across as sweet and shy or desperate and depraved. But that's exactly what you want in a contract star. She's a chameleon and the camera and fans love her!"

Kross's first movie for Adam & Eve is the western-themed *Kayden's Krossfire*.
