Rhiannon's Breast Of Times

CLASH OF THE TITANS

I have met many other women looking to super-size during my quest for big boobs. Since I had access to the implants and the surgeons I was a one-stop shop. I received a call from a girl who has since been on the cover of the February 2006 issue of our very own GENT.

Savanna Synn had contacted me about 6 years ago, looking to over inflate her natural D cups. Naturally, I was happy to assist. We became very good friends and remained in touch. When she was finally ready to get in front of the camera GENT was her first stop. You see, we here at GENT always get the latest, greatest talent first. So don't be fooled by others trying to pass their stolen goods off as their own discoveries.

When she arrived, it was bust-lust at first site. Since we had never actually met in person before, our first meeting was explosive. We hugged and kissed, but our focus was on exploring each other's massive tits.

After Savanna got warmed up shooting her solo sets, it was time for us to work together. Savanna is not a shy girl. Actually, she is a very dirty little girl. Despite the fact we had just physically met, we did not feel like strangers. Being with Savanna felt X-tremely natural, even though between the two of us we were carrying a good 50 plus pounds of unnatural tit. The only thing pure about us that night was our pure lust.

I must admit, I think my shoot with Savanna was the sleaziest shoot I have ever

filmed with another model. It's not very often that I shoot with another model who has comparable assets.

While groping each others massive mounds we were locked in deep-throated tongue kisses. Her tits were soft and supple. I licked and sucked her nipples until they were rock hard, while I ran my fingers through her gooeey slit. I could feel her pussy getting wetter and wetter with each stroke. I threw her down on the bench and lapped her juicy cunt. But this was just not enough. I mounted my drenched snatch directly over her face making her tongue have to stretch and work for my sweet treat. After a few short moments, I could not take it any longer. I sat on that hot bitch's face and rode

her mouth like a wild stallion. I squirted my clam cream all over her face. She eagerly licked it off her lips.

We had to take a break to reapply our lipstick and clean up our sticky faces and pussies. After all, this was supposed to be a photo shoot, not a fuck fest.

Once we were composed, we returned to the set. Anton is a very patient photographer, especially when there is big-tit girl/girl action going on. He does not like the girl/girl scenes to be posed and staged. He wants authenticity. The only problem with "real" sex shoots is that we, the talent forget about the camera and tend to get a little sloppy. As we make our way back to the set, I think, "Perhaps round two won't

be so crazy." Yeah right. It got totally out of control when Anton threw in the double-headed dildo. I fed the dildo to Savanna. As her lips glided up and down on the shaft of the faux pussy penetrator, I could feel my twat beginning to quiver. My clit was throbbing in anticipation. I took the other head of the cock and began to suck along in rhythm with Savanna. We were trying desperately to have our mouths meet while deep throating the cock-toy, but it was just too big to get too deep. However, I knew the double-header would be no problem for our dripping snatches. As she fell back against the arm of the bench, I took the prick stick and spread her rubbery lips. I split her folds to expose her clit even more. I teased her

swollen joy spot by gliding the cock-head vigorously over and over and over again. Savanna was moaning so loudly I knew she was ready to explode. I immediately slammed the dildo deep inside her drenched slit. I plowed away at her as she bounced up and down. She sprayed her cunt cream down the shaft of the pussy plunger. Once Savanna recovered, we wanted to make good use of the two-headed cock. She slid one head into her still quivering, gapping hole as she leaned over to suck the other head and lube it up for me.

As she fucked herself with the dick-stick, she lapped away at my pussy. She said she wanted to be sure I was wet enough to go for a double ride. When I was nearly ready

to cum again, I pushed her away so I could mount the head that was waiting for my saturated slit.

The cock head slithered into my hole like a snake. Savanna and I began to grind our hips simultaneously, so the cock would not only move in and out, but around and around. We danced like this for quite awhile. It felt so good to be able to enjoy a good friend on such an intimate level. After a few minutes of this I decided that it was time to ride this fucker home! We pushed so hard on the dildo that are clits were nearly touching while swallowing every inch of the thick tool. We held our hands together to get support so we could fuck that cock as hard as possible. Once I took hold of her curvy

hips, I exploded immediately. The dildo was rubbing my clit so direct from leaning over it was unavoidable. I let out an orgasmic howl that served to push Savanna right over the edge with me.

As we both collapsed in a pile we were hard pressed to catch our breath as we kissed and hugged.

I looked over at Anton, who by the look of his tight pants had thoroughly enjoyed the show, and said, "Do you think you got what you needed for the magazine?" I know I got what I needed.

Breast Wishes,

Rhannon
