OFF MY CHEST

Editor's Notes

Tits, tits and more tits, that's always been my mantra, which makes me the perfect guy for this job. I have spent my life in the quest for the holy bosom. I just returned from my annual Vegas shooting trip. I shot 70 layouts of 30 different girls. I couldn't have managed it without Rhannon handling the bookings and itinerary. Because of her diligence and perseverance, I didn't have one cancellation or no-show. If this business that's amazing. It was one exhausting fucking week, but well worth the effort. Many of those girls are featured in this issue. I spent the week in a house with pornstar/model Teri Weigel and Steve Nelson from Adult Industry News. It was so crazy with models cumming and going, we should have been filming a reality show. Nobody would ever believe all that was going on. Steve gives you guys's X-tended full coverage in The News Rack. Our covergirl **Starla Sterling** was the most pleasant surprise of the trip. When she walked in, my jaw practically hit the floor. What a face with those big doe eyes, topping of her incredible "sex kitten" body. **Rucca** was another great surprise. As you'll see, she has wonderful natural boobs and a beautiful face. Both she and Starla have never been published before. Great finds! **Angelica Sin** came in to shoot one day during the trip and ending up staying in the house for the next 3 or 4 days. You'll read more of her X-plots in The News Rack. Needless to say, you want her around in a situation like that. **Dee Dee Deluxe** is a monster-titter who retired right after we shot. She's totally out of the business and moving away. She has one freakin' unbelievable body and pair of tits. I'm very happy I was able to point my camera at her. What can I say about **Sexy Vanessa**? She is exactly what she did. In fact, I asked Steve if he'd like to play "stunt cock", and he about knocked me over getting to the set. I don't think I've ever seen a girl look classier while she's slurping a cock. Vanessa has style. The last girl in this issue from Vegas is **Alisandra Monroe**. Sexy bedroom eyes, hot body, great tits. I first shot **Victoria Valentino** during last years Vegas trip. That was actually her very first shoot. I recently shot her again; only now she is a porn star, so as you'll see, there was some dick involved this time around. Her body just smokes! **Bibette** and **Porsche** are a couple of busty sweethearts I met at the Gent party during last years AVN's. Soon after, I got the opportunity to shoot them together. They are really CLOSE friends. Rarely have I had a better time with a model that didn't involve sex. As gorgeous as she is, her personality is even better. (And you guys thought I was shallow.) Now, this being a sex book and all, I am pleased to present **Sinthia**. She's a Midwest girl with a great set of tits and an insatiable hunger for cock. While in my studio, I couldn't bring in enough guys to satisfy her. Speaking of abundance of cock - **Amber** assisted a gang-banger going for the record in FoXXX On The Run. Her fluffing ability was essential to the success of the event. As I stated before, Steve Nelson was in Vegas to document all the decadence. Of course, he's not one to miss out on a good situation, so he merely added to the decadence. I guess Angelica getting fucked on the kitchen table wasn't really behind the scenes, but you can't see some of that action in The News Rack. Misty nights gives full confession about what she loves about the adult industry - in full color detail - in Confessions Of A Big-Tit Porn Slut. That's a brief overview of all that we have in store for you this month. As always, It's All About The Boobs!

TALE OF TWO TITTIES...

Dear Gent,

I miss the glory days of the "Monster Tits". I loved those girls with a passion. True slim and stacked girls were the norm back then. I realize that the fuller figured, natural girls are popular today, but I still yearn for those freak-tit gals. Seeing your Monster Tit issue really brought back all those feelings. Please don't let that be the last time we get to see those superstars.

Tony Scarpo, Rochester, NY

Dear Anton,

The Monster Tit issue is a fucking classic. What a fine collection of huge fake tits! I miss those over-the-top girls so much. Thank you, thank you, thank you!

Andy Wills, Fort Wayne, IN

Andy & Tony,

Putting that issue together was a true labor of love. I really grew up with models/pornstars like Wendy Whoppers, Lisa Lipps and Tiffany Towers. I still have all their porns sitting on my shelves. While they fucked and sucked with the best of them, all I really cared about was seeing their incredible boobs. By the time they took their shirts off, my "business" was usually completed.

Seeing that we barely scraped the surface of all those freak-tit models, I'm sure that we will be doing another special issue in the future.

Yours in massive implants,

Anton

Dear editor,

I felt compelled to write to you to share one of my lustiest adventures. Like your models, I too am an extremely busty girl. I sport a pair of the sweetest natural double F-cup tits. I'm not really slim, but I'm definitely not fat. I have a pretty face and a hot round ass. I've never posed in front of a camera, but the guys that I fuck see my copies of Gent and always tell me that I should be in there too. I don't think I'd ever have the nerve.

I have been reading Gent for over a year now and my favorite part (other than the pictures) is the letters section. The best letters to me are the ones written by other big-titted girls.

A couple weeks ago I was at the food store doing my shopping. As usual, I was dressed in jeans and a tight sweater. With tits this sized, no matter what I wear is tight. So as I'm shopping I notice that this guy seems to be following me. No matter what aisle I'm in, he's there. I had to admit that he was kind of nice looking, as stalkers go.

At one point I was at an area that was very tight. Between me and my carriage, there was barely enough room to slip by. Well this is when he decided to make his move. As I was bending down to get something off a lower shelf, he moved to get by me. As he did his groin came in contact with my ass. There was no mistaking that

he had an erection as it slid across my ass. And it seemed to be quite substantial.

Obviously, my initial thoughts were confirmed. He was following me. After that little contact, I was now the one following him. I made eye contact and gave him a knowing smile. He smiled back and finally came over to say something.

As he did, I looked around to see if we were being watched and before he could say a word, I dropped my hand to the front of his pants and wrapped it around his evident bulge. Even though his mouth was open, no words came out.

I looked straight into his eyes and said; "Don't rub that thing up against me if you have no intention of finishing the job."

We left our full shopping carts where they were and I guided him to the public bathrooms. I took a quick look around and pulled him into the Ladies room and right into a stall. He still hadn't uttered a word as I dropped to my knees and pulled down his zipper. I reached in and was pleasantly

surprised to find the he wasn't wearing any underwear, so his cock easily popped out.

I wrapped one hand around the base and swallowed what remained. He fell back against the stall wall and I really went to town. Slurped every delicious inch in and out of my hot sucking throat. I got his meat-stick all covered with spit and used my hand to stroke him in conjunction with my mouth.

I could feel the veins throbbing as I continued my barrage. When I felt like he was getting close I pulled off and his cock popped out with a loud "pop!"

I pulled my sweater up to reveal my huge braless tits. Taking one in each hand I sandwiched his salami in my deep cleavage and started titty-fucking him. On each down stroke his swollen cock-head popped out and I flicked my tongue over it. I could taste his pre-jiz oozing forth, which I greedily licked up and swallowed. Periodically, I'd spit down into the boob valley so that his dick flowed smoothly between my mushy mounds. I could feel his cock start to

pulse, so I squeezed even harder until the first volley of boy-juice spurted up into my open mouth. The blast was so big that it filled my mouth right away. I swallowed quickly before the next rope spewed forth. That too I swallowed. Three or four more shots erupted until the last few dribbled out and fell into my crevice making a rich creamy shake.

I quickly stood up and pulled my sweater down, leaving my cleavage coated in his gooey goodness. I slipped out of the stall and back into the store before he even got his pants up.

Luckily, I found my shopping cart undisturbed, so I was able to resume my shopping. The only thing that would have made this trip to the food store better would have been if it were double coupon day.

Lisa, Mission Viejo, CA

Dear Ms. FoXXX,

FoXXX On The Run is my favorite part of Gent each month. You are such a dirty girl. I love watching you getting fucked, sucking dick and even eating pussy. I can just picture

your big titties wrapped around my dick until I spurt a big load into your face. I have jerked off so many times to that vision, I can't even count. You are my Goddess and I would give anything to make that fantasy a reality. What are the chances that I could ever make that happen? I promise you that I would give you a real good fucking.

Brent Anders, Chubbock, ID

Dear Brent,

I'm really easy to get a hold of... literally. If I meet you and we hit it off, I'll be sucking your dick in a matter of minutes. That's what I do and I'm very proud of it. Keep watching my website to find out where I'll be appearing and who knows, you just might get to fulfill your fantasy.

Love, Amber

TERI WEIGEL

KENDRA SECRETS

SUNNY DAY & RUCCA

TERI WEIGEL
& HUSBAND
MURRILL

The week of the Exotic Dancer Magazine's Gentlemen's Club Expo I went up to Las Vegas to help Gent Magazine's Editor and renowned photographer Anton Fury with some of the shooting and to interview the girls who were scheduled to be there.

Day 1: When I got there the first thing I see is Teri Weigel naked on a float in the pool! To my delight, Teri Weigel, her husband Murrill and their crew were sharing the house with Anton and his crew. The makeup artist, Ivy, was also there, set up in a downstairs bedroom, which she was also sleeping in for the week.

Debbie Page, a new girl who I met briefly about a year ago arrived with Fran and Mike from World X Productions. Debbie has had a name change to go with her new svelte look. Fran and Mike will be submitting articles to Gent and were also filming behind the scenes footage. They brought several girls to the shoot.

Kendra Secrets is a hot sexy MILF who looks like she could burn the sheets off your bed. Anton shot her out by the pool and Fran got to oil her down. It was nice to see her take a plunge in the pool naked after shooting.

Sexy Vanessa is from Argentina whose fire red hair is only matched by her sexual heat. I almost had a heart attack when

Anton needed a dick for a boy/girl set and asked me to help out. (See page 140) She and Murrill did a boy/girl set too. Vanessa is insatiable!

Sunny Day was here with lighter hair and a fresh look and did a girl/girl set with Rucca Page100. Sunny can lick both of her nipples at the same time. Hot!

Day 2: Turns out Teri loves to cook. She made dinner for everyone every day during the week. I came into the kitchen and found her baking a chocolate cake. She had all the fingers of both hands in the mix looking for lumps. Teri sure knows how to make cooking sexy!

Davia Ardell came in with her boyfriend who Anton was shooting with her in a XXX layout. They had a scene scheduled with Teri and Murrill later. Teri continued to keep everyone fed.

Devon Michaels dropped by to do a couple quick sets. She is such a pro that her sets were finished in record time. Anton calls her a "point and shoot" model. She is awesome in front of the camera! Watching her work is fantastic. She moves with grace and every shot is a keeper.

Later Teri gave Murrill a haircut out on the patio. She's usually in the kitchen with her boobs hanging out doing something domestic. She cooked spaghetti

and meatballs from scratch for dinner tonight - enough for the whole crew.

I interviewed Shelly Berg aka Shelly the Burbank Bomber aka Milfy Mellonboobs. She is undecided on her name and asked my opinion. I told her what Nina Hartley once told me: "Pick a name and 'shtick' to it."

Kitti Lynxxx, a curly red-haired beauty with a winning smile appears on the scene and is radiant both in and out of clothes. Davia and Joe came back to do a scene on the pool table with Teri and Murrill tonight. The next day I found they missed something while cleaning up. Behind the light stand I see a used condom.

Nikki Jackson shows up with shorter hair and an attitude that's designed to start as much mischief as possible. Nikki kept egging everyone on into as much sex as possible. Angelica Sin turned up and looked ready for trouble!

This month's cover girl Starla Sterling and Angelica Sin in the makeup room, Angelica is up first. Starla is brand new on the adult scene and everyone wants to take her under their wing. Joslyn James is stacked, slim, tattooed beauty.

Nikki doesn't do boy/girl scenes but when she had her boyfriend take shots of us together she pulled out my cock and touched her tongue to it in a mock-blowjob pose. She's a tease, but a very hot, sexy tease! That's as close to sex without actually being sex that I have ever been!

Angelica comes out in a red top and black and red bustier with sheer black panties that reveal her trimmed patch of hair. She and Nikki do a girl/girl set for the camera.

Starla shoots a set on the stairs in an alcove overlooking the dining room, while in the kitchen I see Teri and Fran attempting to make something in the blender as smoke pours out of the base. Teri deals with the offending kitchen appliance.

Naomi Knight's makeup is finished in time for dinner, but her hair needs a finishing touch. Tonight's menu features mashed potatoes, steak and chicken with broccoli created by Teri. Even while eating these girls are entertaining. Naomi feeds Nikki a bite from her fork.

I leave to pick up Brittany Blaze, a new girl to magazine work who has a place up near the strip. I get back just in time to see Nikki get her boyfriend take a few shots of Murrill and her with his hard dick near her open mouth. Angelica jumps in and starts to blow him. In the makeup room she starts playing with her pussy putting sunglasses over it as though it's a little puppet.

Nikki starts taking pictures of Angelica's pussy with the camera on her phone and somehow the action moves to the kitchen table where Angelica has Murrill eat her pussy and then fuck her for desert. It seems that Angelica's boyfriend fucked Teri a while back and Murrill owed her one, so she evened the score. He pops on her leg and then she sucks the last few drops of cum from his cock.

Naomi goes outside naked to smoke, Brittany is ready and shooting a set and Naomi comes back in and cuddles on the couch with Ivy, the makeup artist.

Brittany is now fucking herself with a glass dildo for Anton. She's really having fun with it! She has a hard time keeping the thing still for the pictures as she keeps thrusting it in and out of her pussy.

Day 3: Elle Cee is shooting first thing in the morning. Also known as Leslie Culton, Elle is a hard-bodied babe with a friendly attitude. Alisandra Monroe is also here and looks great with her long flowing hair and boobs pushing up out of a black bustier. Alisandra and Elle do a set together.

Sandy Beach arrives with a tattooed friend who is sexy as hell with freckles across her cheeks and bridge of her nose. Angelica appears out of nowhere naked with a drink in her hand. Sandy has an incredible body and did a set on the pool table. Elle comes down the stairs naked. Teri runs through with some laundry - she's always busy doing something domestic. Alisandra, Elle and Teri then relax in the kitchen in various stages of undress.

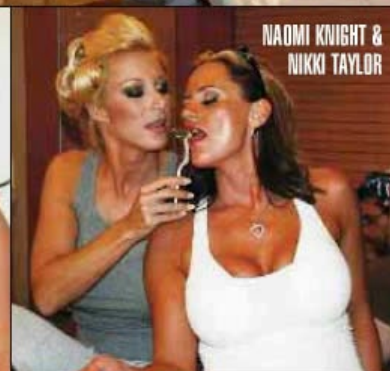

Elle is now doing a handstand on a chair for the camera with her boobs mashed against the seat and her shapely legs arched gracefully above her head. Anton is shooting Alisandra in the kitchen. She and Anton seem to be enjoying themselves.

Day 4: I run over to the Expo to see what's going on. At the Lyken Entertainment booth is Kitti Lynxxx, Naomi Knight, Elle Cee, Jada DeVille, Felony Foreplay, Eva Lauren and several others. Anton is shooting many girls from Lyken and Gent has worked closely with them in the past. In fact, look for these girls in next month's issue.

When I get back Starla is in the makeup chair. Anton brought her back to get a couple more sets of her. She has brought a friend with her who is talking with the girls in the room. Angelica Sin is back and comes in while talking on the phone and begins to join the conversation. They are eating pizza and I get the "if you shoot me while I'm chewing I'll kill you" look from several of them.

Nina Ferrari arrives and without makeup looks like a fresh young girl who you would want to hit on in the supermarket. She has this Texas drawl I love! Trina Michaels gets in and gives me a big hug. I've known Trina ever since she showed up at the XRCO awards years ago with brand new boobs when she first decided to get in front of the camera.

Starla gets out of makeup and has on a black sequined dress and I nearly step on my tongue when I first see her like this! I snapped a few too-good-to-be-true file photos for AINews.com

Anton pulls several clean dildos from the dishwasher and shoots Starla while Mike films behind the scene footage. Her first set this time is in the foyer. Anton is taking his time with this one. He's posing Starla and basically teaching her how to pose. She's a quick study. These pictures will be awesome and I'm looking forward to seeing the pictorial in a future issue of Gent.

Nina Ferrari comes out of makeup in a bustier and is a fucking knockout! Teri Weigel slides

down the carpeted stairs on her ass to say "Good night" and tells Anto to make sure he eats before he goes to bed.

Anton shoots Nina in the same place he shot Starla who watches while waiting to do another set. Nina is a ham! I really enjoyed talking with her. Personality and beauty are a winning combo. She's funny too, making faces and sticking out her tongue at me when we check the lighting and pretending to pick her nose.

Davia and Joe are back now to do a scene with Teri and Murrill. Angelica is back too and I get a couple of shots of her goofing for the camera. Teri poses for a few with Mike and Fran. We shoot a few more sets of Starla in the upstairs hall. I man the meter while Anton shoots with a ring flash.

Trina Michaels is up next. She's a real pro. I was watching her compose herself before poses and each time she focused then turned it on for the camera. From time to time I would catch her in a look over to me that was just fun but she always is a pro and gives 110%.

Day 5: Anton also shoots for a few other magazines. The first girl up today was for Plumpers. She had a really pretty face and definitely would satisfy the kind of a man who wants a LOT of woman.

Again Angelica appears naked and after seeing her for 3 days straight, I finally realize she's staying in the house too. She playfully tries to fuck Anton in the ass with a strap-on.

Goddess Kashmere shoots next. She's a chocolate-skinned voluptuous beauty who I gladly helped into her corset. She wore a leopard dress that was really hot! She would give me a really sexy look when I was shooting the BTS. She knows how to make love to the camera.

Rhiannon's
**Breast

Some of you may know, but I have spent a good portion of my career as a Dominatrix. Being in charge has always come second nature to me, so it was a very easy avenue to pursue. Many guys would come to me for discipline and more. You would not believe some of the things I have done to guys all of which they thanked me profusely for when I was finished. This being Gent and not some fetish mag, I won't be going into the gory details, however, you can get all of that at MistressRhiannon.com.

With the guys it was a job, but with the girls it was always an adventure. I love taking a beautiful submissive girl and bending her totally to my way of thinking. Even going back to high school I always had some girl that would want to please me in any way I desired. I remember one such girl who I would send to the store each day to buy me cigarettes and make-up. At the time I didn't understand the true dynamic of our relationship, but years later, once I had honed my craft, I realized exactly what had been happening. I wasn't into chicks at that time, but had I been she would have spent many an hour licking my hot cunt.

That was a few years ago and now I am into chicks licking my hot cunt, plus I'm a Dominatrix, so it has worked out pretty well. Take the girl in these pictures. Originally I hired her to do a photo shoot with me for a leg magazine. (Me in a leg magazine go figure.) Anyway,

so she came to my house and we shot a scene with all my hundreds of shoes. During the shoot she ended up sucking on my 7-inch heels, my toes and ultimately my pussy.

At the time I thought to myself, "This is far too real for this girl to be acting." She licked my clit and slipped her tongue deep into my slit. Even though I was working, my pussy juices began to flow. We finished the shoot and that was the end of it until I got a call from Nikki stating that she'd love to come over to my Dungeon and shoot some more fetish type things. Since I'm always looking for people to shoot with for web content, I readily agreed.

A few nights later she was on her knees before me waiting for my commands. Turns out Nikki is extremely submissive and will do anything to please me - my perfect kind of girl. We started out with a few posed shots with her climbing up my legs. Next we got into her sucking my heels before I laid back in the sling and pulled her face to my twat. She didn't need any instructions with this part and her tongue immediately flicked it's way across my quickly chubbing up clit. I felt the pulse all through my body, so I just closed my eyes to enjoy the ride. She licked across my bud repeatedly as I pulled my knees up to give her full exposure. My head was thrown back in rapture as she alternately licked and thrust her firm tongue deep into my spread gash. Her hands moved up to cup my firm tight

ass as she ate me like it was her last meal.

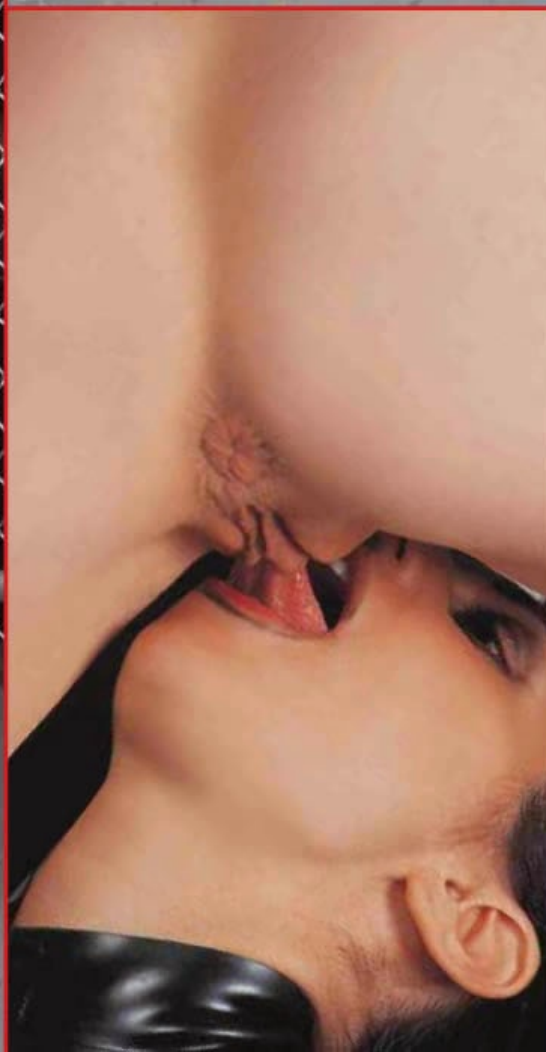

I looked down at her sucking face and told her to put her hands behind her back and only use her mouth on me. I get off as much on the power as I do the act – although this bitch eats pussy like a pro.

With her fingers clasped behind her back, she continued her oral endeavor on my slit. She was not missing a spot and everything she did felt wonderful. My hips started to move as I placed my hands behind her head and got a firm grip in her hair. I rotated my hips so that my soaked cunt was grinding all around her face. Her tongue continued to spear my gooey gash as my breathing got quicker. I roared her face more deliberately, as I felt the impending cum racing through my body.

I pulled her head up so her lips were grinding my pulsing clit and continued to rotate. At that moment I explode over the top into an amazing orgasm. She kept fucking my cunt with her tongue while I ground down on her fuck-toy face. My juices were flowing from me like an open faucet as I kept grinding, grinding, grinding and cumming, cumming, cumming.

Once the cum had subsided my clit got really sensitive, so I used my feet to kick her off me and she crumbled to the floor. I got what I wanted from her and now I was done. Such is the life of a Dominatrix. Hey, it's good to be the Queen!

A DICK ADDICTION

WRITTEN BY AMANDA FUKK MEE ILLUSTRATION BY AARON WARNER

Hi. My name is Amanda, and I'm addicted to dick. Nine minutes after sharing that with the group and I'm airtight. Spread out on the table like a roast with one dick in my mouth, another fatty in my ass, a third prick in my twat, and jacking off another in each hand... absolutely loving it!

It started just after I graduated and finally blossomed as a woman. I lost the baby fat I'd been carrying around high school for years, and my boobs grew so big. I was a very curvy nineteen year old starting college and after years of being ignored by the boys, I found myself the center of attention, and making up for lost time. I fucked a lot of guys. I mean I *really* fucked a lot of guys. My grades slipped, I stopped going to classes, and eventually lost everything. I was a filthy cock whore.

I fucked frat guys, jerked the jocks and sucked everyone's dick. I walked in on my roommate's boyfriend taking a shower and sucked his dick. I had two roommates, both had boyfriends, and I had both of their dicks. I'd meet guys at the student lounge and go anywhere with them as long as they let me feel their dick, suck their dick, or fuck their dick. I wanted to see every dick. I never got enough.

Now here it is year's later, I'm barely holding down a job, I'm late with all my bills, I'm one check away from losing my ass, and I give it away every night for free, just to taste the almighty dick.

I stole my college roommate's vibrator and fuck myself in the car on the way to work. I ram the plastic cock up my twat, get my pussy all nice and juicy, and cum all over my sticky fingers as soon as I pull into the parking lot.

My boss calls me in about being late and my hands grab his cock through his pants. I unzip him and pull his dick out through the flap into my waiting mouth. I'm so wet for his thick dick and I want him to spray my face with his warm sperm. I suck his dick as far as it goes, my nose is buried deep in his bush, and my chin rubs on his balls. I start jerking that beautiful, veiny cock in desperation to see it squirt all over me. I lift my shirt and bra

and let my big tits drop, hanging against my tummy while I pinch my nipples and arouse myself. He grabs my hair and really goes for it, fucking my face until he busts a nut and that gorgeous cock spews loads of cum all over my mouth and tits. I massage it in and let the goo cover my nipples, licking what I can reach before tucking my boobies back in my bra and helping my boss pull his pants back up. He thanks me, but it was my treat.

I go to the ladies room to freshen up and pass the maintenance man in the door. He says hello, but I just want his dick! I push him against the wall and lift my shirt so he can see my big titties 'cause I know that's what makes men hard. Then he starts sucking my boobs and fondling them while I tear into his coveralls. I have them down to his ankles in no time. With my mouth wrapped around his sticky prick, I tongue his piss-hole and massage his wonderful balls. He's ready to come, but I want more. I lay back on the tile floor of the bathroom and he parts my pink folds with the tip of his masterful dick. His old hands shake and he spears me with the vigor of a man half his age and we fuck. He comes all over me. It's a huge mess. There was no coordination, and I'm ecstatic! Lines of jizz rocket from his dick and mix with the boss's dried cum still in my cleavage from earlier. My tits are so pretty under the glistening man milk.

After lunch the delivery guy fucked me in his truck. I was so hungry for cock! I made him lie down in the back while I froggied his giant pecker. My tight ass bounced up and down, and his gorgeous erection fucked my tight hole. In and out, it fucked me good. I love to watch. I watched his dick fuck my pussy and it was so wonderful. I bet his wife loves how big he is.

Then Marla tries to hit on me before we leave for the day. She's pretty and nice, but I'm not into chicks. I ignore her and walk right over to some guy jogging by the office and stick my hand down his shorts and work his member into a stiff dick before he realizes what's happening. I lean against a tree, and lift my leg to my chest so he can get it in. He gets

the head in, and we're making out. He's loving it but not really fucking me, just kind of standing there, so I get down and suck my pussy juice off his dick and finish him off in my mouth. His sperm hits the back of my throat and as he unloads I look at Marla who is frantically pointing and someone calls the police. The judge lets me go under one condition, which is how I ended up here a week later with these eight guys taking turns on me.

The coffee pot's on the floor and I'm spread out on the table, ravenous and sucking off a big nine-incher as cum squirts outside the corners of my mouth. I jerk him off and grab the next boner I see. It's a beautiful cock, so long and hard. The tip is glistening, just wanting me to suck it, so I do. My mouth goes up and down on the thick dick and I reach around for another. I grope and fondle and slowly guide one up my ass. That big dick makes me moan and I force it in all the way. His big cock feels so good in my tight chute.

I grab the dick pressing against my clit and position it to fuck my wet hole. He does and it goes so deep the balls almost go in after it. I feel so pretty and plugged up. I reach out and pull another big boner towards my breasts. He starts titty-fucking my melons, holding the big mounds steady with his hands while I jerk-off another yummy dick. Every hole is getting pumped and these boys are fucking me hard!

It feels so good as they each explode! The cock in my twat fills my gulping vagina with warm sperm just as the fucker in my backdoor shoots a load in my ass and pulls out to empty all over my back. Then I feel cum hit my face as the dick in my hand spits at me. Thick ropes of jizz leap through the air and smack my soft skin. The titty-fucker blows it all over my big tits. His beautiful erect dick lurches with every burst of warm cum. It runs down my side and tickles, sending me over the edge in an orgasmic frenzy as the guys watch and jerk themselves back to attention.

I finally feel at home. I know I have an addiction. And the fact I'm sentenced to attend 6 months of group therapy for sex addicts seems too good to be true!

CONFESSIONS

Of A Big-Tit Slut!

FEATURING MISTY KNIGHTS

I love being a porn star. I have always loved cock and a few years ago I decided that making porno would be the natural job for me. I love going to a shoot knowing that I'll be getting fucked, but not knowing who the guy is or even how many.

Today I had a booking. When I got there I was pleased to find this guy Marco. I had seen his pictures before, but had never had the opportunity to work with him. He's really good looking with a chiseled body. But his biggest asset is a nice big thick cock. Even when I had seen pictures, I knew that it would fit so nicely in my little twat.

At the shoot we were introduced and had a chance to talk a bit before we were needed on the set. He was definitely no "rocket scientist", but I was not planning on splitting the atom.

I couldn't help myself. As we talked I reached down and wrapped my hand around the bulge in his pants. We just continued talking, like my having a grip on his manhood was the most natural thing in the world. Well, I guess in our world, it is pretty natural. Anyway, so as soon as I touched him his cock began to balloon up. The conversation continued. I just wanted to get him ready for the shoot. It didn't look like a fluffer was going to be necessary for this one.

Finally, we were called onto the set. This being a big-tit porn they had me wear a corset that left my huge breasts exposed. I guess there was really no point in prolonging the inevitable.

As our tongues jostled, Marco reached around to grip my huge tits. I felt his hot cock pulsing against my ass. I dropped to my knees to expose the beast. As I pulled his zipper down and unbuttoned his pants his cock jumped out and slapped me in the face.

I wrapped my pink-gloved fist around it and gave it a few long firm strokes. A drop of pre-jiz flowed out, which I greedily licked up. It was hot and sweet. I opened my mouth and slid his thick member inside. I closed my lips tightly around the shaft and sucked hard. As I pulled my head back, my tongue left a trail of spit up the entire length. As my hand followed the trail, it became slick from my mouth juice.

I continued my oral assault until I felt his dick get firmer and thicker. I let him "pop" from my

throat and quickly wrapped his meat in my boob crevasse, making a meaty cock sandwich. I squeezed the massive tit-flesh around him as he began to slide the sausage in and out. Copious amounts of cock-cream flowed from his piss-hole into my deep cleavage, allowing it to slide freely.

He pulled free of my titties and forcefully eased me back onto the bed. He quickly dove between my spread thighs into my hot, gooey slit. His tongue went directly to my clit and gave it a few firm flicks. I thought I was going to cum right there, but he just kept me on the edge. He licked all around my hole and sucked on my swollen lips. Me made his tongue nice and thick and thrust it into my like I wanted his cock to be doing.

As if he was reading my mind, he pulled his tongue out and standing up, placed his big cock-head to my now gaping entrance. With a forward thrust, he parted my lips and didn't stop until his balls slapped my asshole. I pulled my knees up so that my cunt was fully exposed for his advances. He slowly pulled back and then slammed back in with a mighty force. The power of the assault took my breath away and I let out a passionate growl. His hands went to the backs of my knees to keep me open as he picked up the pace. His hips were slapping me so hard that it sounded like he was smacking my ass. But it felt so fucking incredible. My eyes rolled back into my head as the cum shot through my body. It started deep in my toes and jet-tisoned op right into my hungry pussy. As the camera snapped, I just kept cumming. Marco picked me up and threw me around like an inflatable sex doll. It didn't matter what position he put me in, I just kept cumming and cumming. His cock felt so fucking good. It was hitting all the right spots.

When I had completely turned to mush, I felt his cock swell up and throb. He pulled out, pushed me back onto the bed and slapped it once again down into my deep cleavage. As soon as I wrapped my tits around it, it began to spit rope after rope of sweet cock nectar. A few jetted into my open mouth, which I gladly swallowed down.

The photographer said, "That's a wrap!" and through me a towel. Sometimes my job can be just fantastic!

CRAZY BIG TITS

STARRING: Daphne Rosen, Giana Lynn, Trina Michaels, Eva Angelina and Emilliana

DIRECTED BY: Jorgan R. Septo RUNNING TIME: 155 min.
AVAILABLE FROM: Exquisite - VenomDigitalMedia.com

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

Crazy Big Tits is chock full of tits and more. These girls love cock too. The first scene feature Daphne Rosen getting her brains fucked out. The guy pounds her so hard with his big dick that at one point I'm feeling like she's not even enjoying it. However, when he flips her over onto her side and resumes the pummeling,

it's quite evident, by her screaming, that she is loving every pussy-pounding stroke. The next scene has Eva Angelina taking on 2 guys in what turns out to be your basic boy/boy/girl. She a hot girl, but doesn't have what you'd call "crazy big tits." What she lacks in boobage, she more than makes up for in enthusiasm. After a brief plot setup, she drops to her knees and swaps spit with both guy's cocks. Again, like the first scene, this is non-stop action culminating in both boys blowing big creamy loads in her pretty face. You can't look at Trina Michaels without thinking nasty thoughts. She has "porn slut" written all over her sexy face and "built for fucking" body. It appears that the stunt cock feels the same way. When she drops his pants to swallow his meat-stick, he is bursting at the seams ready to go. She slides up and down his dick, slurping and choking like the true pro she is. She uses "prison lube" to get his dick good and slick before clamping her pussy down onto him and going for a ride. Before he gets a chance to blow, she jumps off, bends and sucks off her own cunt-cream. In a blink of an eye, she impales her sweet asshole on his thick anal intruder. ATM at it's dirty best. For the next 15 minutes she's going back and forth from her ass to her mouth until he ultimately unloads ribbons of boy juice into her open mouth with remnants falling down onto her wonderful tits. Very fucking hot scene. Up next is Gianna Lynn. While she's got a great little body, she really is a bit small in the tit department. That being said, she still puts on a great scene until the guy blows a nice load all over those same tits. **DDD-CUP**

KITTI
LYNXXX

NAOMI KNIGHT

DESTINY
B. WILD

VIXEN LAMOUR

CONTINUED FROM PAGE 42

I took a break and went back over to the Expo. I see Alexis Amore and Olivia O'Lovely passing the Quest booth. Kitti Lynxxx is dressed as a cavegirl-cat today complete with ears and a tail. The leather cavegirl costume has a bone buttoning it in the front. Someone in a duck costume comes up and starts fondling the tail of her costume. Naomi Knight is an angel in white with fuzzy glittery wings - and really nice tits.

Destiny B. Wild has been a favorite of mine ever since Anton & Rhiannon brought her to my birthday party last year. She says she and her girlfriend left my party early because no one was getting naked.

Chelsea Charms walks by and disturbs the space-time continuum with the massive gravitational field of her tits! Vixen Lamour is a babe! Tera Patrick and Evan Seinfeld were at the Vivid booth.

Destiny and her partner Mandy both ask me to meet them at the Orchid Lounge at the Bellagio between 12 and 1 a.m. I wait until 12 and they show and take me to dinner after cavorting in the bar among the features and pornstars. Destiny, legs akimbo, was a critical mass of sexy as she got more and more girls to pose and play for the camera. I'm surprised they didn't kick us out for all the blatant raw sexuality!

Day 5: I crawl from some bed somewhere in the house just as Kelly Madison arrives for a few sets bright and early. She is cheerful and awesome! What a body! Slim and stacked and really, really huge hooters! Her undercleavage is too sexy for words!

I'm kicking my own ass on the way out the door because I've made a commitment to be somewhere and will miss most of Kelly's shoot. Fortunately I get in an interview with Kelly before I split.

Day 6: The highlight of the week for me! June Summers shows up and looks like she's already been in makeup - NOT! This girl looks fresh and sexy already! June is a feature dancer who has decided to do porn. She has long brown hair to her ass, a beautiful face and a body that

just won't quit!

Teri is getting ready to go to the Exotic Dancer Awards Show to do a number on stage and is in makeup. I'm planning on going with them to help where needed - shoot Teri singing on stage, carry stuff for them, etc. and to watch the show for my column. We have been planning this since the first day here. Murrill mapped out where the cameras should be and who gets the close-ups, who is on stage with the other singers... Teri looks awesome! It's time to go with Teri and Murrill when Anton says, "Hey Steve, you want to do a scene with June?" I instantly say, "See ya Murrill!" and give Anton a hug thank you! Anton says that he's been so busy all week that that was the closest thing to sex he's had. That's pretty gay.

The scene with June was awesome! She was sweet and sexy and real easy to work with. Icing on the cake of a great week of shooting! She rode me like a cowgirl and yelled "Yee Haw!"

Day 7: I woke to June Summers knocking at the shoot house door. She was early at 8 a.m. and ready to knock out a few more sets. The last girl scheduled to shoot was Hunter, a blonde from Seattle. The cleaning crew was there and was only too happy to let Anton shoot a few more sets before we had to vacate the house. Luckily, the crew was a couple guys.

Well, here I am typing this up in a strip club deep in the heart of Texas. After Vegas I met up with Destiny B. Wilde and Mandy for some fun.
