# Kayla

Austin, Texas

**Student**

**Age:** 18

**Born:** February 13

**Ht:** 5'11"

**Wt:** 145 pounds

**Bras:** 36B

**Panties:** None or thongs

**Anal:** One finger feels good

**BJs:** Swallow some

**Diddle:** 3-4 times a week

"I never planned to pose or I would have been dressed up a bit more to start off. It just happened," said Kayla. "My boyfriend does kitchen cabinet installations in new houses, and I sometimes go along with him and his crew on weekends. Being the boss, he's always the last one to leave the place...so use your imagination. I surprised the hell out of him by deciding that I wanted to share the photos with the world. I tracked down *NN* 'cause he's not into porn. He says he's got me instead!"

"I know I look all girly and innocent and that kinda stuff, but I'm far from it," said Kayla. "Ever since the first time I had sex—it was awful—I've really been into it and I've wanted to know everything and try everything at least once. But I'm not all that

far along the way because I'm still with the same guy who got my cherry. I've looked at tons of porn online and read all sorts of articles about sex positions and things to try. My guy just laughs and goes along with me when I suggest something new."

### Sex with Kayla.

"I love oral first, and then I like changing positions a few times as we're screwing. When I feel like I'm close to cumming, I like to go onto my back with my legs on my guy's shoulders. I always have a loud, jerky, wet orgasm that way."

## How to ask for a blow job without saying the word

This piece is from thefrisky.com, one of our favorite, regular reads. Although it, too, is for women, you can learn from it. If you're too shy to directly asking for a BJ, one of the “methods” mentioned might work for you.

Conversations about blow jobs, which will go on as long as there are willing mouths to suck penises. In other words, forever. This column's topic: how men ask for some mouth-on-dick action without actually uttering the phrase “blow job.” Why a man can't just straight up ask for one? We're not sure. Instead, most guys are cunning, using covert tactics, physical cues, and code words to try to get the fellatio they desire. And while men might think they're being subtle announcing, “Honey, I'm erect,” we're fully aware that they're trying to urge us into BlowjobLand (and often, we're happy to oblige). For the record, guys, there's no need to make a cheese plate as a subliminal message urging us to orally indulge in your penis, but we do appreciate the gesture.

Here are some other blow job-hint-strategies that we women have

been onto for years...

- Asking you to “just kiss it real quick.”
- Pulling his pants down and showing you his hard cock.
- Putting on some music that you blew him to once, as if you'll hear it and automatically open wide.
- Lovingly moving your head down that direction while you're sitting on the couch watching TV.
- Suggesting that you 69 (or slowly con-torting into the 69 position while going down on you).

This article—aimed at women—will give you ideas on how to ask for a blow job without saying the word.

- Asking you to “make it wet” before you fuck.
- Putting his fingers in your mouth and talking about how “hot” and “wet” your mouth is.
- Announcing that he has an erection.
- Putting his penis near your face while you're sorting laundry, taking out the trash, or any low-to-the-ground activity.
- Luring you into the bedroom because he has “something important to tell you,” when really it's his dick that wants to tell you something.
- Telling you he's been “thinking about your lips all day.”
- Making you a cheese plate and pouring you a bottle of wine to “help you relax” (code for “give head”).
- Touching himself while longingly staring at your mouth.

**Wt:** 130 lbs.

**Bras:** 36A

**Panties:** Only thongs

**Anal:** Not in years

**BJs:** Love swallowing

**Diddle:** Now and then

Born and raised in Moscow, Layla is now a U.S. resident with no thoughts of going back to her homeland. She has quickly become a sun-loving Floridian, so when she decided to seek the thrills of cock-sucking and fucking one of our studs, she asked if she could do it outdoors as that would be another first for her. We were delighted to make it happen, and Layla got to sex it up with Brandon by this pool. They wanted to screw in the water—and they did it—but our photographer couldn't get useable shots for you to enjoy so he asked them to continue by the pool.

"My boyfriend didn't object when I started talking about having sex with a stud," said Layla. "I love screwing him, but his dick is the normal size and there's something about feeling what it's like to have my pussy crammed full with a huge cock that really excites me. My guy can't wait to see the mag. He can show his guy friends if he wants to; it wouldn't embarrass me."

"Having sex with Brandon by the pool was the most sexy thing I have ever done or imagined," Layla said. "I was so excited that it felt like my nipples were full of electricity and would shoot sparks if they were touched. I love my boyfriend's cock, but I'll never ever forget having Brandon's big one in my mouth and in my pussy. I had a wonderful orgasm when he was inside me, but the orgasms my boyfriend gives me are just as great. It felt so sinful to be having sex in the water and I would have loved to finish like that, but I understand why it wouldn't have been good for the photographer."

"The guy I'm spending time with these days—we don't call it dating—wanted me to get glammed up for the photos, but we'd just gotten out of bed after a quickie between classes, and I wasn't about to do that and then change down again for my next class. I told him that clothes aren't what the guys want to see. I like sitting on a guy when we're fucking; that's how I have my one orgasm. But all ways do a lot for me, especially doggie style which feels like I'm being nasty and whorish."

"Now that I've gotten my photos in a mag like I've wanted to for ages, my next sexual 'to do' is to get more into butt sex to where I actually enjoy it so I can have a threesome with two guys and get double-plugged. I've had a couple of ses-

sions in bed with another girl and a guy and they were awesome. Pussy is great, but cock is better, and I think two cocks would be the frigging ultimate. After being DPed, then I'd like to try some really kinky stuff that sorta appeals to me."

### When Tessa cums

"Every guy I've slept with told me afterwards that he'd never had a girl cum like I do. I make noises through the whole fuck, then really let go when I'm cumming. And I move a lot and my pussy squishes the guy's cock really hard."

"It's great working in a big tourist place like Bar Harbor during the season—the money's great—but it's not so good during the winter when it's only the locals around," said June. "I mean, I think I've dated all the year-round eligible guys there are in town and, of course, I've got competition, too. It's different during the season when there are lots of visiting guys to be had. Luckily, the place I work at doesn't have a rule about not dating customers. I posed during the off-season when I had too much time on my hands, otherwise I might not have got around to it. Who took the photos? I'd rather not say because he shouldn't have been with me when I was naked."

"I take my vacations during the winter and either go skiing where it is, sometimes, possible to hook up with a sexy guy for some fun, or stay with friends down in Boston where we party hard and I have a FWB who's only too happy to spend a few

nights with me," said June. "We'd probably be dating if I lived in Boston, but I'm staying where I am for a while to save all the money I can. So, was it my FWB who took the photos? Nope? He's cool; he won't be jealous about some other guy doing it."

### Sex with June

"I'll only do it in a bed. I need foreplay with oral to get me hot, then I like to be told what to do. I only cum once, usually when the guy's on top of me, but I like all positions."

**Anal:** Thinking about trying it

**BJs:** Swallow a bit

**Diddle:** 2-3 nights a week

"I posed to get a check so that my bloke and I can take a sexy trip to Santa Cruz in the Canary Islands, off the coast of Spain," said Anna. "We both work in warehouses, and we want to spend our holiday sitting on a beach every day drinking wine, eating a lot and shagging ourselves silly at night. I'll try not to get sunburned while we're there because that might interfere with our bedroom activities. But if I go home all burnt that will be worth it. I'd love to go topless or get naked on the beach if it's legal and my boyfriend doesn't mind. I think it would be fabulous to expose myself to lots of men and women and have them check me out. It would be wilder than what I'm doing for the magazine."

### Shagging Anna

"Anything goes! I like quickies in loos or the backseat of a car just as much as a whole night of slow and romantic sex. I'll have a couple of orgasms no matter what. My favorite position is doggie style 'cause it makes me feel like a slut and so I let myself go more when I orgasm."

**Barbie**

SEATTLE, WASHINGTON

Age 46

**Cougarlicious**

This sexy-looking business owner wanted the photos to look like a voyeur was taking them; that's why she doesn't make eye contact for a while. "Imagining a guy secretly watching me and taking photos to jack off to later is a big turn-on for me and not

scary," she said. Barbie is 5'9", weighs 140 pounds, wears 32C bras and only wears panties when she's wearing jeans. She enjoys anal sex, swallows when giving a BJ and has a collection of toys that get used frequently. Her birthday is September 29.

**"If a guy's great  
in bed, he's a  
keeper...for a  
while, anyway."**

Barbie is living the wild life of a divorcee on the prowl. "One time, at a local adult club, my date arranged a surprise gang bang for me. The highlight was feeling one dick cumming in my puss and another in my ass while a third guy jizzed in my mouth. Awesome! I don't have an age preference about guys I sleep with: a lot younger, my age or older, it's how good they are in bed that I care about."

"Doing something like this is not typical of me: I'm a good girl," said Dee. "I blame my boyfriend and his cock! See, he talked me into going for a hike in the woods one afternoon after class. It was lovely weather and we enjoyed listening to the birds. He

even picked me some wild flowers. When he was sure there was nobody around, he produced a bottle of wine, glasses and a blanket from his backpack and he seduced me. Of course, he had to try *really* hard to get me naked for him to take these photos."

"I have screwed a couple of guys in the backseats of their cars in my past, but those were really uncomfortable fucks," said Dee. "Lying on a blanket under the trees, listening to the birds and the wind with, thankfully, not many flying bugs around, was dead sexy. And knowing that we weren't going to be disturbed or overheard by roommates—we both share apartments—made it even better. Since the day these photos were taken, we've had repeat 'woodsies' as we call them a few times. One time it started raining but we just laughed and kept on screwing. I'm sure it made me cum even harder than I usually do."

**Anal:** Like being fingered

**BJs:** Try to swallow

**Diddle:** An awful lot

"I let my boyfriend take these photos on a wet Saturday morning when my folks and my brothers were out and I had the house to myself," Brooke said. "Stripping for him was compensation for not having sex because I was too nervous that someone would come home and hear me. I'm really loud the whole time I'm shagging and it gets worse when I'm cumming."

"By the time he'd taken a few photos, my boyfriend had his jeans unzipped and his willy out and he was stroking it. Seeing that got me really excited and wet. I tried to take care of him by sucking him a bit, but he pushed me away because he wanted more than that. He was absolutely begging to shag me and, as

I'm sure he knew, I just couldn't resist him. I laid back and he jumped on me and into me in one shot. He kissed me the whole time to keep me quiet and it worked. It was a quick shag but we came at the same time which was a first for us and it was him who made noises, not me. It was the best sex we've had."

### Brooke's favorite fuck

"I can only cum when my man's on top of me, but I like sitting on his willy and I really enjoy doggie style when he's fingering my bum hole. I'm getting ready to try anal and I plan to let him shag my virgin bum hole on his 21st birthday."

"Even after the bloke I'm dating now showed me some *NN*, I didn't expect my photos to be accepted because I don't have tits and I've got pubes," said Dianne. "I'm kind of shy and I don't think I'm pretty or have much of a body. So being accepted for

the mag has given me a big boost of self-confidence and I'm sure I'll get more when I see my layout. It didn't help me that the last guy I dated left me for a girl who was shaved, and the one before that dumped me for a girl with super-big tits."

"Strangely, the only place that I have much self-confidence is in the bedroom," said Dianne. "I've bonked enough men to know what I like and don't like, and what to do and how to do it to give pleasure to a guy. I'm always ready to try a new position if

a guy suggests it: I like experimenting. When I'm exceptionally randy, I often find myself taking charge in bed which surprises the hell out of the man considering how I usually behave. But the guys always say it makes the bonking extra exciting."

### Dianne's wildest shag

"It was when my man jumped me and bonked me on the rug once we'd decided we had enough pics. It was my first shag any place other than a bed. He was slamming me like a crazy man...and I loved it! I soon had a huge orgasm."

### Sex with Julie

"This was the first time I'd screwed any place other than a bed. I like slow sex, especially being on top of my guy so he can play with my nipples. That's how I cum. I like any way from the back, too, as his cock seems to go deeper in me."

"I was very naive when I got married at 18," said Jayd. "Sex with my husband was okay but never great, and we drifted apart and got divorced two years ago. Since then, my whole world has changed! I got my tattoo and got my twat pierced and I've had a helluva sex life that I'd only fantasized about. I'm not steady-dating; I'm having too much fun playing the field and learning new tricks, sex positions and things from the men I shag. I've gone from an occasional orgasm during sex when I was married to multiple cums most times I shag now. And I love getting fucked in my bum. It's fabulous!"

### Jayd's Fuckit List

"I want to go to bed with a couple so I can lick twat for the first time and have a woman lick me. Then comes a session with two men so they can shag me at the same time. Girls in NN say it's the ultimate. I want to experience it."

## Confusion

I went into a drug store late last night wearing a ski mask over my face.

"Please don't hurt me! Just take the money," the clerk cried.

"It's okay," I said. "I'm not gonna rob you. My wife sent me out to get tampons."

## Missing

I was at a bar last night when a big girl came over and started to flirt with me.

After a while, she whispered to me, "Wanna know what I've been missing?"

Apparently "Exercise" was not what she was going to say.

## Never before

I got lucky last night and took a girl back to my place. After a bout of furious sex, I asked, "How was it for you?"

"I've never been fucked like that before," she replied.

"Really?"

"Really! All the others lasted way more than 20 seconds!"

## Consideration

I was looking out my office window and laughing at a woman trying to parallel park her car when I suddenly realized how thoughtless I was being.

So I called the other guys in the office to come watch and have a laugh, too.

## A match

I joined a dating agency a few months ago. Despite me contacting them every day, they couldn't match me with a girl. Then someone from the agency called me yesterday. "We've got a match for you," she said.

"We suggest you use it to set your house on fire, with you inside it!"

## Deaf

"A guy from one of our other branches went deaf at a Justin Bieber concert that he took his daughter to," I told my wife.

"Was he standing too close to the

stage?" she asked.

"No. He shoved his car key through his ear drums."

## Coming home

"You always come home from work in a bad mood," bitched my wife. "I can't remember the last time you walked through that door with a smile on your face."

"Of course you can't," I replied. "You weren't fuckin' living here yet."

## Stress relief

"Why the hell do you jack off so often?" asked my wife.

"It's a proven form of stress relief," I replied.

"From what?"

"Having to think about fucking you instead."

## Quickies

- I'm not looking forward to my job interview tomorrow. I'm not qualified, and I never know what to say.

But the candidate will probably be nervous, too.

- I heard the funniest thing today while at couples' therapy...

"So, how many times a week are you two having sex?"

- Don't you find it odd that Thelma and Louise spend an entire movie challenging sexist stereotypes, only to die at the end because of their terrible driving?

- A good thing about being portly and bald is that you never have to worry that a female is just using you for sex.

- I drink to forget...

but I can't remember what.

- How the fuck am I supposed to adopt healthy eating habits when the lettuce always falls out of my Big Mac?

- I can always tell if a hooker has class by how she holds her pinky while she's sucking my cock.

- I'm quite successful at making relationships work.

I've made a lot of women go back to their ex-boyfriends.

- My wife finally agreed to us having a threesome with her twin sister.

The night arrived...and they both had headaches!

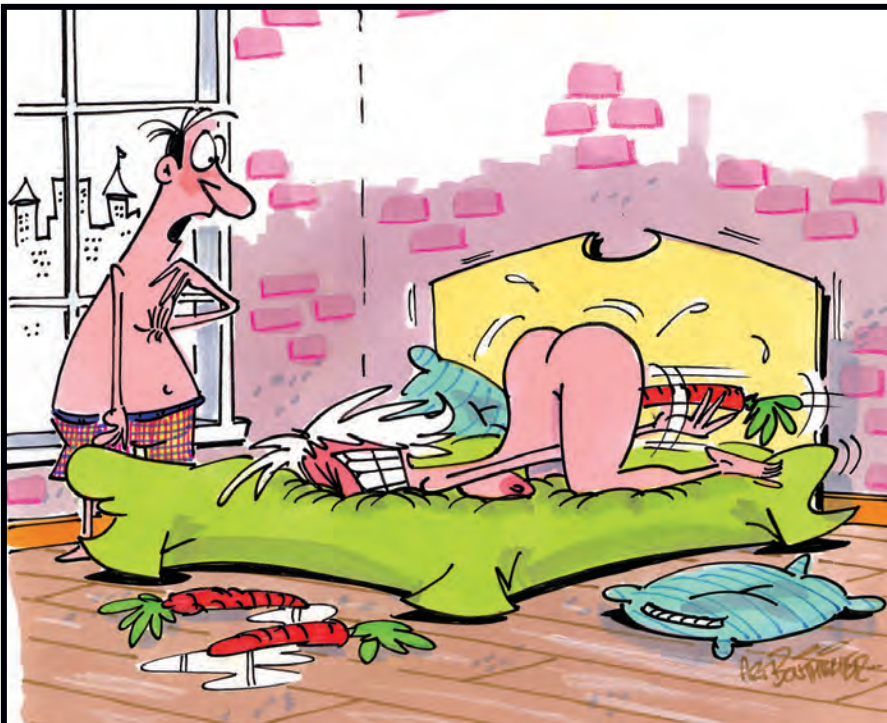

- Red Bull may give you wings, but whiskey gives you balls.

- I've just paid for my wife and her mother to go to Paris for two weeks.

That's how much I hate the French!

- My wife got pissed because I was reading a filthy sex book in bed.

Apparently, it's wrong to read your daughter's diary.

"When you said you're 'into' carrots, Charlene, I thought that meant you're a vegetarian."

Maria, a bar manager, is 5'6" and weighs 123 pounds. She wears 34C bras and prefers matching bra and panties sets. She gets into anal occasionally, always swallows when giving a blow job and rarely pleases herself. Her birthday is February 9. "My boyfriend works on a dairy farm just outside of town," said Maria. "I visited him one day when the owner and his family were away. He asked if he could take naughty photos of me in the barn. That really surprised me, but I agreed. It was exciting seeing him licking his lips and rubbing his willy through his jeans while I was stripping and spreading."

A woman with short brown hair and a pink cowboy boot is lying on a bed of straw. She is looking at the camera with a smile. Her right leg is bent and her hand is resting on her thigh. In the foreground, the hairy legs and groin of a man are visible, partially buried in the straw. The background consists of a wooden wall and more straw.

"My boyfriend wanted to wrap things up by having a quickie on the hay bales, but my bum was already red and itchy from the hay and I wanted a shower," Maria said. "So we went into his caravan (travel trailer) next to the barn and he squeezed into the wee shower with me and we shagged under the hot water. That was a first for me, too. I've never felt as sexy as I did that day. Perhaps seeing my photos in the mag will make me feel that way again."

"My guy goes to college in Georgia and when he was home for Christmas he asked me for some nudie photos that he could jack off to when we're having phone sex," said Anita. "I said I'd send him some selfies, but he pulled out his fancy-ass digital camera and said he wanted proper shots. So we planned things and I gave him this strip-and-spread show. I made him take something off every time I did, so he ended up naked, too. Of course we managed a quickie afterwards. Boy, did we both cum quickly!"

"My guy takes sports photos for the college newspaper, so he knows how to get great shots," said Anita. "I don't think I've ever felt as sexy as I did when he was showing me the shots he took of me. Why am I sharing them with the world? For the check. My mom's divorced. She gives me every cent she can afford but it's never enough for me to buy clothes and stuff. I'm not going to buy any.

The last thing I need is something else that will make me cum quicker.

- They say, "If you ask a hundred women to sleep with you, at least one will say yes."

It also gets you thrown out of speed dating.

- I stopped making love to my wife on the day we got married.

I often fuck her, though.

## Refraining

My wife said that to improve our sex life and make it more passionate, we should try and refrain from having sex for as long as possible.

It worked a treat.

It's two years and counting.

## Intentions

Last night, I sat my girlfriend down on my sofa and said, "There's something I need to do."

"What is it?" she asked. "You're scaring me."

"I don't want to be your boyfriend anymore," I said.

Right away she jumped up, punched me in the nose and ran out of my apartment screaming, "Never talk to me again you bastard!"

Fucking great!

\$1,500 this engagement ring cost me!

## Working for it...

My sister-in-law stopped by last night in her new Corvette.

Astonished, my wife asked her, "How could you afford this, Sue?"

"Well, a blow job every so often makes my Steve very generous," she replied.

Surprised, my wife turned to me and winked. "I think I'll start doing that."

"Me too!" I said. "What's Steve's cell phone number, Sue?"

## I'm not saying...

I'm not saying that we should kill all the stupid people in the world, but I am suggesting that we should remove the warning labels from everything and let the problem take care of itself.

# Amanda

Lake Charles, Louisiana

Casino worker

**Age:** 22

**Born:** August 27

**Ht:** 5'6"

**Wt:** 118 lbs.

**Bras:** 34B

**Panties:** Usually cute cotton

**Anal:** Don't care for it

**BJs:** Always swallow

**Diddle:** Regularly

"I'm not shy when I'm working, but I'm quite shy when I'm around guys socially, so I'm often thought of as a snobbish bitch," Amanda said. "Sometimes I get so friggin' horny that getting myself off isn't near enough to satisfy me, but even then I'd never consider going out to hook up with a guy. I like to get to know a guy over two or three dates at least before I'll even think about spreading my legs for him. I knew about *NW* because a former boyfriend sent in photos of me a while back (May 2010) and the thought of getting it on with a big-dicked stud grew on me till I had to make it happen. I wanted it so badly that I wasn't a bit shy about doing it."

"Sex with John was nothing like I usually want," Amanda said. "But because it was so different for me and John was so in charge and his dick felt so damned good in me, it made everything so much better than I'd fantasized it might be when I was

getting myself off in the weeks before our session. I had the most tremendous orgasm ever, and if we'd kept going I think I would have cum again. But John said my pussy was so tight that he couldn't hold off any longer. That made me feel really good."

### Sex with Amanda

"I like to have my clit licked till I cum before sex. Then I like to take it slowly and not change positions too often. I love being on top and the missionary way, but if I climax before the guy does, he can finish off any way that he wants."
