SCORE CARD

A PUBLIC FORUM FOR READERS' LETTERS, COMMENTS AND SUGGESTIONS.

We proclaimed Marilyn "Discovery of the Decade" in the Sept. '05 issue, and many readers agreed.

ONE SCORE READER SAYS, "HEY, READERS! STOP COMPLAINING!"

Dear SCORE,

I just finished reading the September '05 issue, and I must say that when you guys proclaimed Marilyn as the discovery of the decade, you may not be far off. She is definitely in the same category as Sharday, Nicole Peters and my favorite, Linsey Dawn McKenzie.

I have been a reader for about 10

years, and your magazine has never failed to amaze me. But one thing that amazes me is how people complain about the most minute, idiotic things. For instance:

1. The ongoing interracial sex issue. You are not a race traitor because you get it on with someone of a different ethnic group. Please, people. This is the year 2005, for god's sake.

2. The exaggeration of the models'

weights. Anyone with at least half a brain would realize that if you were to take two different pics of two different girls and modified them to fit the page, they would look slightly similar in weight and appearance.

3. The hardcore issue. Any man who is going to gripe about girls taking cock is insecure. No offense, but if guys are going to put all their focus into pictures of dick, they should buy gay mags, not SCORE.-J.M., Tucson, Arizona

IS ALEXIS LOVE FOR REAL?

Dear SCORE,

Here's my list of the new Top 20 Naturals: 1. Linsey Dawn McKenzie; 2. Nicole Peters; 3. Chloe; 4. Bea Flora; 5. Kelly Kay; 6. Inesse; 7. Lisa Phillips; 8. Diane Poppo; 9. Nadine Jansen; 10. Ines Cudna; 11. Lorna Morgan; 12. Marilyn Sakova; 13. Diane; 14. Nilli Willis; 15. Danni Ashe; 16. Jeannine Oldfield; 17. Autumn Jade; 18. Rhonda Baxter; 19. Devon Daniels; 20. CJ.

Alexis Love's breasts are surgically enhanced.-Allen, via email

Dear Allen: Thanks for your list. As for Alexis, she insists her breasts are real and the result of an hormonal spurt. She once proved it by sending us a copy of her mammogram. We believe her. Alexis wouldn't lie.

Is Alexis Love too good to be true? One reader thinks so.

More than three years after she won 2001
Newcomer of the Year, Sharda remains
one of the all-time favorite naturals ever.

THE NEW TOP 20 NATURALS: SHARDA, CHLOE, LINSEY, ETC.

Dear SCORE,

I wait every year for the September Naturals issue, and once again, you did not disappoint. The only issues better were the first two editions of *Mamazon*. When will you be issuing the next issue of *Mamazon*?

At the end of the "Original Naturals" section in the September '05 issue, you requested our new Top 20. Here is mine, in order: 1. Sharda; 2. Chloe Vevrier; 3. Linsey Dawn; 4. Nicole Peters; 5. Danni Ashe; 6. Amanda White; 7. Ines Cudna; 8. CJ; 9. Lorna Morgan; 10. Bea Flora; 11. Sammie; 12. Devon Daniels; 13. Autumn-Jade; 14. Marilyn Sakova; 15. Kerry Marie; 16. Via Paxton; 17. Nadine Jansen; 18. Kelly Kay; 19. Inesse; 20. Brandy Talore.

It would have been much easier doing a Top 50. You have certainly featured enough quality women over the years. You may have noticed that I included nine originals, 10 new naturals and Amanda White, who I like to refer to as the "Ebony Linsey Dawn McKenzie." She has not received the attention you should be giving her.-J.G.P., Maple, Ontario, Canada

Dear J.G.P.: The next issue of *Mamazon* (SCORE Special #125) goes on sale December 20, 2005. Look for it at news-stands or buy it online at eBoobStore.com.

OFFICIAL SEX TOY OF SCORE MAGAZINE!

MERILYN SAKOVA: GOD'S NATURAL GIFT TO SCORE-KIND

Dear SCORE,

Just wanted to congratulate you for doing a fantastic job with the September issue. Personally, I think you could have done away with Inesse, Luma, Carmen and Brandy Talore and replaced them with Michelle Bond, Kerry Marie, Chloe Vevrier, Marketa and Autumn-Jade, all of whom are much better looking.

As for Marilyn, how in God's name did you guys ever manage to find such a lovely beauty? A 20-year-old with such awesome titties and a luscious, pink muffin anxious to be eaten and fucked hard. If every teenager had a body like Marilyn's and Bea Flora's, it would be nature's way of making every boob lover's dreams cum true. I would give anything just to wake up next to these two beauties every day, knowing I'm fucking their brains out every night.

Can't wait for the day when Bea finally shows her wet, juicy clams, like Kelly Kay and Nicole Peters did. As for Bea, I'm glad that you guys really do listen to your readers' opinions. A few months back, I was the one who suggested that you guys put Bea into your magazine. Go out and find other European and ex-Communist bodacious babes who enjoy showing off their assets.

As great as SCORE is, I still feel that you can do much better. Keep only the truly gorgeous babes, not the plump/chunky/fat models who appear all the time.—D.N. New York, New York

Dear D.N.: Regarding your opinion that we should have omitted Inesse, Luma, Car-

men and Brandy Talore from the "New Naturals" issue and replaced them with Michelle Bond, Kerry Marie, Chloe, Marketa and Autumn-Jade: The idea of the issue was to feature the new naturals who came onto the big-tit scene after the September '01 "20 Greatest Naturals" issue. Kerry Marie, Chloe and Autumn-Jade were in that issue, making them ineligible for the "New Naturals" designation.

BRANDY TALORE & LUMA GET THE RESPECT THEY DESERVE

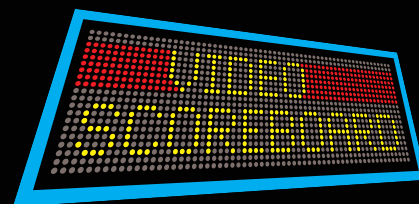

Dear SCORE,

Wow! What an issue the September '05 New Naturals was. I would say maybe the best issue ever, if not one of the best. The cover was hot, and Marilyn was, indeed, a good way to close out an awesome issue. What can I say about Marilyn except thank you for bringing her to us. Marilyn has all the goods from the top of her head all the way down to the tip of her toes. More of her, please!

I was glad to see Brandy Talore finally get some hype. She looked as hot as ever. How about a website devoted to her like you have done with many other models? I know I would join the site. A doggie-style pose showing a close up of her ass would be great, too.

Luma finally got some hype, too, and I was glad to see that. If I was the editor of SCORE, Luma would have received the hype that Kelly Kay got in the October '04 issue. Kelly is great, but Luma is much sexier.

Any time I see Sharday, I become a very happy man. Although she hardly

GOT TITS?

Or know someone who does?

**MODELS
WANTED**

We're looking for attractive, slim 'n' stacked (DD-cup or bigger) women to photograph at the **SCORE** studio in Miami, Florida. Models get to appear in the pages of **SCORE** and will receive generous compensation. Big-tit finders will get a generous finder's fee, and every **SCORE** reader will look upon you as their hero!

HERE'S HOW

STANDARD MAIL: Send a minimum of four photographs—fully nude head-to-toe front, side profile and back, and one nude from the waist up—along with the model's name, age, address and contact information to: **Director of Photography, The SCORE Group, 1629 NW 84th Ave., Miami, FL 33126**

EMAIL SUBMISSIONS: Four JPEG photos, shot in the same way as above, along with the model's contact information can be emailed directly to: **model@scoregroup.com**. Photos are for evaluation purposes only. No photos will be published without a valid model release and model's consent.

poses anymore, I will take her anytime I can get a look at her amazing body.

Ines Cudna: Wow! I love her blue eyes. She is one of hottest models to ever grace the pages of **SCORE**.

My dream issue of **SCORE** would have the following models: Linsey Dawn, Brandy Talore, Sharday, Ines Cudna, Luma, Via Paxton, Carrie Lynn, Kerry Marie, Nadine Jansen, Autumn-Jade and Marilyn, with Annie Swanson and Alexis May in the Xtra section. You guys came very close in the September issue—C.B., Kansas, via email

MERILYN: SIMPLY BREATHTAKING

Dear **SCORE**,

I just picked up the September issue of **SCORE**. Damn! What a great issue. But the girl who took my breath away was Marilyn. She has it all: beautiful face, great ass and legs, tiny waist and those huge, all-natural breasts. She is the pure definition of a **SCORE** girl: slim 'n' stacked.

Will we be seeing more of Marilyn in the future? How about a Marilyn DVD? *Young and Stacked Marilyn*, perhaps? Maybe a little girl-girl action with Ines Cudna, the two hottest young ladies to grace the pages of **SCORE**? I'm keeping my fingers crossed.—K.P., via email

Dear K.P.: We're keeping our fingers crossed, too. Certainly, we're going to do our damndest to get Marilyn naked as many times as possible, and that means in **SCORE** (she returned in the November '05 issue, available on page 11), *Voluptuous* (she debuted in the November '05 issue, available online at eBoobStore.com) and on video. For now, though, you can show your support for Marilyn by voting for her in the 2005 Newcomer of the Year Contest. The action begins on page 12 of this issue.

THE NEW SCORE: THUMBS UP!

Dear **SCORE**,

I certainly approve of the revised format of **SCORE** with the shorter Xtra section and more pages in the main magazine. Especially if the Xtra section goes away again, as it did for some months, we'd still get more magazine.

I always wondered why some of the Xtra section was used for text and ads that could easily be in the regular magazine's pages. Now the entire section is devoted to the XXX material it is intended to display.—W.M., St. Louis, Missouri

Dear W.M.: Paid phone-sex ads used to be placed in the 32-page Xtra section because those ads were of no use to our UK

readers (readers can't dial U.S. phone sex numbers from the UK). Since UK readers weren't getting the Xtra section, we chose to spare them the meaningless ads. But when we reduced the Xtra section to 16 pages (in order to extend the main mag to 116 pages), we chose not to further reduce the Xtra section by adding pages of ads. Regardless, we continue to abide by our long-time promise that SCORE's advertising load will never exceed 20% of the total pages. By the way, we'd like to hear from other readers about the new 116-page main mag/16-page Xtra format of SCORE.

WHERE IS DAKOTA KELLY NOW?

Dear SCORE,

One of my huge-breasted favorites of the '90s was Dakota Kelly. I thought she had an exotic face and a great body, highlighted by those massive tits. I'm always surprised that she did not become a regular SCORE Girl. Any chance there may be some lost photo sets in the SCORE vaults? And does anyone know what became of her?

-Thomas, via email

Dear Thomas: Sorry, but there's nothing unpublished of Dakota in the Archive. Dakota retired from modeling to become a writer.

[Click here to continue](#)

Dakota Kelly was featured in the Sept. '98 issue of SCORE, which is now a collectors item.

JULY 2005

"This is the greatest freshman class ever," wrote Sturg from Detroit, Michigan in this issue's "Scorecard," and as you view the 10 models on these six pages, you'll probably agree with him. The Newcomer of the Year Award is *SCORE*'s oldest (it dates back to 1996, when Rocki Roads upset Linsey Dawn McKenzie), and this bevy of busty debutantes is highly worthy of commemorating the 10th annual edition of the contest.

Are you concerned with the true definition of a *SCORE* Girl: slim 'n' stacked? Does it matter to you if a girl showed and spread her pussy or, in the case of Claudia Kealoha and Alexis May, went all the way in boy-girl hardcore? Is it all about the tits? BOOB BEAT

BIG BOOBS IN THE NEWS

A COLUMN BY ELLIOT JAMES

CYNTHIA BUSTS OUT

"THEY HAVEN'T STOPPED GROWING!"

Cynthia Romero got some posing ideas and inspiration from looking at pictorials in *SCORE* and *Voluptuous* magazines.

Sometimes, a model can be our bust supporter. November '05 cover-girl Cynthia Romero was spotted by a *Voluptuous* model named Romina Lopez. Romina thought Cynthia would be great for *SCORE*, so she introduced Cynthia to the photographer who shot Romina for V-Mag. Cynthia agreed to pose, and the results appeared in November's issue. (You can see Cynthia on video at Scoreland.com.) We start the last Boob Beat of 2005 with this tit-chat.

SCORE: When did your breasts begin to develop?

Cynthia: I don't remember, but I must have been 12 or 13.

SCORE: How old were you when they reached their current size?

Cynthia: I don't really remember that either, but they've been this big for a while. I think they haven't stopped growing yet.

SCORE: Did your classmates treat you any differently because of your breast size?

Cynthia: No, because I would have hit them with something hard and heavy! And they knew there was no messing around with me!

SCORE: When you were in school, did you ever get in trouble for showing too much cleavage?

Cynthia: No, I never dressed sexy at school. I wasn't allowed.

SCORE: Did you play sports?

Cynthia: No, I didn't like sports at all.

SCORE: Did your male teachers treat you any differently than other girls?

Cynthia: I didn't have male teachers, only women.

SCORE: Do you know how much your boobs weigh?

Cynthia: No idea. I've never even thought about weighing them.

SCORE: Do you like having big breasts?

Cynthia: Sometimes yes, sometimes no. I like them because I get a lot of attention, and people usually notice me. I don't like when my breasts are the only thing a guy is interested in.

I expect a man to like my breasts, but he has to realize there's more to me than them.

SCORE: What do you do for fun?

Cynthia: I love my computer, the Internet and talking to my friends.

SCORE: Do you treat your breasts in any special way, like massaging or rubbing cream on them?

Cynthia: Not only my breasts, my whole body. I love to rub cream all over my body. It keeps my skin soft. And I really love when a man gives me a full-body massage.

SCORE: What's the most sensitive part of your breasts?

Cynthia: My nipples.

SCORE: Do men ask you questions about your breasts?

Cynthia: Of course they ask, and usually they want to know whether my breasts are natural. Sometimes they don't believe it when I tell them they are. Then they ask me to show my breasts to them. I never do that.

SCORE: What do you like to do most on a free night?

Cynthia: Go dancing.

SCORE: Are there any models in SCORE who you have seen that you admire?

Cynthia: I like Linsey's posing. I looked at a lot of her photos before starting to pose myself.

SCORE: Do you like modeling for the camera?

Cynthia: I didn't at first, because I'm very shy. I need a drink to relax for the camera. But after a while, it got more interesting, and I was trying to invent new poses.

SCORE: Cynthia, thank you for spending some time with us.

Cynthia: Thank you! Posing makes me feel pretty and sexy.

DOWN MAMMARY LANE WITH STACEY OWEN

As the editor-in-chief of *Gent* magazine in the 1980s, John Fox, now *SCORE*'s president, made Stacey Owen a cover girl. John recalled how Stacey became a top big-boobed model.

"Stacey Owen and Shona McTavish were girlfriends from a small town outside Edinburgh, Scotland," John recalls. "One night in the summer of 1987, they decided to have a night on the town in London, so they got dressed up and went to Stringfellows. At the time, Stringfellows was the place to be seen for would-be models around London. Stacey and Shona agreed that they would tell anyone who asked that they were models, although it was hardly the truth.

"The line seemed to work great all night long, and the two-some were enjoying the attention they were receiving from all the blokes until Stacey was dancing with a guy who asked her what she did for a living. 'I'm a model,' Stacey said.

"The guy turned out to be Peter Kay, one of Britain's best

Shona and Stacey (R) in a set published in August 2000 *Voluptuous*.

Stacey's tits splay beautifully during a shoot in Spain in 1987.

glamour photographers, and he asked Stacey who she had posed for. It was time to fess up, but everything worked out fine because a week later, Stacey posed for her first nude photos.

"Word spread quickly, and soon Stacey was shooting for all of Britain's best photographers. John Graham signed Stacey to a one-year exclusive beginning in the fall of 1987. She would continue to pose until 1991, when she retired from modeling."

Stacey has kept a low profile over the past 15 years, but in recent months, someone claiming to be Stacey Owen began posting comments on the message board of the British Girls Adult Film Database website (BGAFFD.co.uk).

Several BGAFFD regulars verified that, indeed, the person posting was Stacey, who recalled, "The trouble was, if I kept my weight down, the photographers would say, 'Oh, your tits aren't as big. Put it [the weight] on again.' Then I'd put it back on, and they'd say, 'Oh, you're a bit chunky.'"

BOOBONIC BREAKTHROUGHS

Large breasts don't necessarily make for better breastfeeding. That's the surprising conclusion of a new major study of lactating women's breasts.

The last time the structure of a lactating human breast was completely examined was way back in 1840. The fresh research changes what has been believed over the past 150 years.

The study by the University of Western Australia, published in the *Journal of Anatomy*, shows that the lactating breast has fewer milk ducts than once thought. The ducts carry milk to the nipples.

Sonographer Donna Ramsay, a co-author of the study, conducted ultrasound scans on 21 lactating women, measuring the number of milk ducts and analyzing the proportion of fatty tissue and milk-producing tissue. It was determined that these factors didn't affect milk production.

"What we found is that the duct structure is different to what has been assumed," human lactation expert Peter Hartmann said. "There are fewer ducts leading to the nipple than assumed."

It was previously thought that the breast contained 15 to 20 milk ducts. Now it has been proven that there are an average of nine milk ducts.

This raises concerns about breast reduction surgery in which there is a chance of accidental damage to the ducts that will harm the women's ability to breastfeed.

"Surgeons say it doesn't matter if we cut a few ducts," Hartmann said. "It's no hassle because there are 15 or 20 ducts, anyway. But if you're thinking about breast surgery, and if you want to breastfeed and you have only four ducts, you're in trouble."

Hartmann said the new study means plastic surgeons need to revise their current approach to breast reduction surgery, a topic that gives us anxiety attacks.

BAG IT, DON'T SAG IT

Here comes another guy with depressing news: A German surgeon says that women should not play beach volleyball unless they want to be left with sagging breasts.

Dr. George Khoury of Hamburg says volleyball has created a growing number

of female clients who come to him complaining about sagging breasts. He warns that while the physical activity might be healthy, all the jumping and diving puts a strain on breasts.

"Vigorous movements and vibrations stretch the tissue around the breasts, which can lead to permanent sagging," he said. "The female breasts, even small ones, were not made for swinging up and

down 300 times within a short period of time, as happens in beach volleyball."

Dr. Khoury said if women can't give up playing, they should wear a sports bra and play less. He also has a warning for male players.

"A similar thing can happen to male genitalia," he said. "Men should also wear tight trunks to stop their testicles from sagging too far."

BRA BANK

A woman who allegedly stuffed \$46,950 in her bra before trying to board a plane to Texas has sued for the return of her money.

The money was seized from the 26-year-old woman after a security check at Logan Airport in Boston, Massachusetts. She told authorities that she was heading to Texas for plastic surgery on her buttocks and breasts.

"I don't know why she was carrying it in her bra," said her lawyer, who filed the suit in U.S. District Court in Boston.

The woman said a male Drug Enforcement Administration agent told her she had a nice body and didn't need surgery, then seized the cash, claiming it was drug money. The woman told reporters she has no criminal record and earned the money by selling her business and two parcels of property.

A DEA spokesman in Boston said he could not comment on the lawsuit but said federal asset forfeiture laws allow agents to seize suspected drug profits.

SELLING THROUGH SMELLING

Males are more likely to buy magazines sprayed with human pheromones, according to a study of 120 students by Dr. Michael Kirk-Smith from the University of Ulster and Dr. Claus Ebster from the University of Vienna.

"Previous studies have shown that women exposed to pictures of men found them more attractive when sprayed with androstenol, but this is the first time evidence has shown that consumer behavior can be influenced with pheromones," Dr. Kirk-Smith said. "The androstenol only influenced male consumer behavior. It had no effect on females."

The pheromone is similar to that found in products designed to make the wearer more attractive to the opposite sex. The effect was most pronounced when men evaluated mags made for guys (like SCORE).

Cindy From The Block

CINDY JUST WANTS TO BE THE NEIGHBORHOOD GIRL NEXT DOOR. WE SAY, "IMPOSSIBLE."

"From elementary school on, the boys always chased me home," said Cindy Cupps, who has since graduated to *SCORE* Girl and is still being chased. "The weather's always hot in Florida where I live, so I can't wear a lot of clothes when I go shopping. Shorts and T-shirts, but then, of course, my body is very obvious. I have guys following me in the mall all the time, but they don't chase me home."

"I don't have a weird side. I don't even have a wild side," Cindy said when we interviewed her in the April '04 issue. "I don't listen to music. I'm a homebody. And I'm not impressed by talk. If you want to impress me, just come up to me and speak to me like I'm a normal human being, which I am...with very large breasts!"

Cindy doesn't have to be outlandish. She doesn't need to speak loudly and let everyone in the room know she's there. Her beauty and body speak for her. This year, once again, Cindy is a finalist for *SCORE* Model of the Year. She's a perennial favorite among *SCORE* Men, but she has no desire to be a superstar. She just wants to be Cindy. "My life isn't like a lot of other models'," she said. "What you see is what you get." And what we see is always spectacular.

ALEXIS MAY

**She's sweet.
She's shy.
She fucks.
She plays Penis
10 Questions.**

**INTERVIEW BY
DAVE ROSENBAUM**

If you saw Alexis May walking down the street, you wouldn't think, "Porn star." After all, where's the big hair? The flashy looks? The big tits bulging out all over the place, the stripper heels and the macro mini-skirt? Where's the attitude?

Because Alexis May doesn't look like your average porn star. This 22-year-old freckle-faced beauty from a small town near Glasgow, Scotland looks like the girl next door with her brown hair, sweet smile and shy demeanor.

But something happens when Alexis takes her clothes off. Need proof? Just watch her eating pussy and fucking cock in Ultimate Alexis May, or see her dressed up like a streetwalker and giving a paying customer a blow job in his car in Busty Hookers (both videos available on pages 114-115 of this issue). That's when a different side of Alexis emerges. That's when the shy girl next door turns into an out-of-control, big-titted sex goddess.

Both sides of Alexis were on display when she sat down for this exclusive interview. When she was discussing her personal life—the things that had nothing to do with sex—Alexis was reserved, as if she didn't think she was so important. But when the topic turned to sex, Alexis opened up.

Of course, if you've already seen her in action, you won't be surprised.

SCORE: Hi, Alexis, and welcome back to *SCORE*. And congratulations on being one of the 10 finalists for *SCORE* Newcomer of the Year.

Alexis: Thank you! I'm very excited to be in the contest. There have been a lot of beautiful women in *SCORE*, and I'm glad to be considered one of them.

SCORE: Well, you definitely are, and I'm sure that a lot of the guys who have seen you in *Busty Hookers* and *Ultimate Alexis May* are going to give you their vote. One of my favorite scenes ever is in *Busty Hookers* when you're giving a guy a blow job in a car.

Alexis: That was fun, although it was broad daylight, and I was scared out of my mind that we were going to get caught. Fortunately, we didn't. I might have had to try to convince the police officer that I really wasn't a hooker.

SCORE: Well, you're dressed pretty sexily in that scene, and you're dressed pretty sexily right now. So let's say you're walking down the street in Scotland. Glasgow, is it?

Alexis: Yes, Glasgow.

SCORE: And you're wearing the skirt you're wearing right now, which is very short and very tight, and you're wearing a low-cut top like you're wearing now. What would the reaction be?

Alexis: [Laughs] Jaws would start dropping. Comments would be made, like, "My God." People would be straining their necks to get a better look, and I'm sure a lot of the women would be making uncomplimentary comments.

SCORE: Would you wear that skirt walking down the street in Glasgow?

Alexis: No way! Not in a million years. I never dress like this in public.

SCORE: Is there any place, other than our studio, where you might wear that skirt and that top?

Alexis: In America.

SCORE: In America? Why?

Alexis: Because Americans are unshockable. From what I've seen so far in Miami, women here wear just about anything. I can't believe some of the things I've seen.

SCORE: Well, the weather's kind of hot down here, although I'm not so sure how unshockable we Americans are. We're shocked by Jessica Simpson dancing in a bikini. Now, I was looking at your model sheet, which we have all the models fill out, and it says that one of your fantasies is to visit a foreign

country. Well, if you're in Scotland, America is foreign country, right?

Alexis: Yes. And I'd like to live in a foreign country. I'd love to live here. It's better here than in Scotland. You have better shops, better food, better weather. Everything's better.

SCORE: Glasgow is the major city in Scotland, right?

Alexis: Yes. Edinburgh is the capital.

SCORE: Are there a lot of busty women in Scotland?

Alexis: Yes. We're known for having huge tits, although not as big as mine. Still, I don't get the looks I might otherwise get because there are so many big-busted Scottish women.

SCORE: Who has bigger tits, the English women, the Scottish women or the Irish women?

Alexis: Oh, definitely the Scottish! I mean, I know Linsey Dawn McKenzie is English, and there are a lot of very big-chested English women, but most Scottish women have big breasts, like a C-cup or larger.

SCORE: Do you come from a large family or a small family?

Alexis: Small family. I have one brother. No sisters. Then my mother and father.

**"I was a D-cup
when I was 14.
I had the biggest
breasts in my
school."**

SCORE: Does your mother have big boobs, too?

Alexis: Yes, very big! Big boobs run in my family.

SCORE: How big are your breasts?

Alexis: Thirty double-F, UK size.

SCORE: What's the difference between UK size and U.S. size?

Alexis: I think they're a 32 triple-D in the U.S. I don't know how the measurements are figured out. I just know they're different.

SCORE: Where do you buy your bras?

Alexis: I usually buy them from catalogs because I can't get my size in the shops.

SCORE: That's funny to hear, because the UK is the land of women with big breasts, and you still have a hard time finding bras that fit?

Alexis: Yes, a very hard time.

SCORE: Do you normally wear a bra?

Alexis: Always. It's so uncomfortable walking around without one, and I need the support. The only time I go braless is at the beach.

SCORE: You sunbathe topless?

Alexis: Yes. Most of the beaches in Europe are topless. I usually go to Spain on vacation.

SCORE: That must be quite a sight, you sunbathing topless on the beach. I know Kerry Marie and several other big-tit models go to Spain on vacation, too, so that must be the hot spot. When did your boobs start developing?

Alexis: When I was about nine. [Laughs] I was about four-foot-nine, and I already had big boobs.

SCORE: Wow, so you haven't grown much since you were very young.

Alexis: No. I stopped growing when I was 13. I was a D-cup when I was 14. I had the biggest breasts in my school, and I wasn't even the biggest girl. Far from it, in fact.

SCORE: It had to be tough being a nine-year-old with boobs.

Alexis: Yeah, because hardly anybody else had them at that age. I was like a B-cup at age nine.

SCORE: And very popular in school I'd guess, right?

Alexis: No, I wasn't popular at all. I was very quiet. But they always say the quiet ones are the worst. [Laughs]

SCORE: What do you mean by that?

Alexis: I'm a bad girl. [Laughs]

SCORE: What made you a bad girl?

Alexis: I was always getting into trouble with the teachers and my parents, mostly having to do with sex.

A full-page photograph of a blonde woman, Anita Agni, lying on her back on a light-colored, textured surface. She is wearing a black and red plaid skirt. Her hands are placed on her large, prominent breasts. She is looking directly at the camera with a slight smile. The text "TITS FOR FUN!" is overlaid in a stylized, pink, 3D font across the middle of the image.

TITS FOR FUN!

**ANITA IS ENJOYING THIS
EVEN MORE THAN YOU ARE.**

In the June '03 issue of *SCORE*, Polish beauty Anita Agni bared her DD-cup jugs and stuffed her pussy for all the world to see. In the September '03 issue, Anita hopped on top of a cock and got her ass into the mix, too. Fame and fortune were on the horizon. She was bound for glory.

Anita made her *SCORE* debut in the same issue as her friend Ines Cudna made her second appearance. But while Ines went on to big-tit superstardom, Anita dropped out of the spotlight. "I had fun posing, and I never wanted it to become a job," she explained. "I already have a job. Posing nude and having sex with handsome, hung men on camera should be fun, and I never wanted to reach the point where I was going through the motions. But a few months ago, I was looking at my pictures in *SCORE*, and I said to myself, *I wonder if they'd be interested in seeing me again?*" Anita rang up our office in London, England, sent along some pictures to prove she looked better than ever, and the following week, was getting naked in front of the camera once again. "And I loved it," she said. "It was still so fun."

"I love showing my pictures to people," said Anita, who says she still isn't planning to become a full-time model. "I have always been proud of them. I even show my hardcore photos to the men I date. Some of the men are shocked when they see a guy's cock in my ass, but I say, 'Don't worry. Soon you will be the lucky guy, too.'" We can only imagine. But for now, we're lucky just to have Anita again.

Simply Sexy

THERE'S JUST NO OTHER WAY TO DESCRIBE CLAUDIA.

"I think people who are themselves without trying to pretend are sexy," said Claudia Kealoha, who debuted in the August '05 issue and doesn't have to pretend to be sexy. She definitely isn't pretending in the videos *Big-Tit P.O.V.* and *SCORE Xtra #12*. Those videos are among the reasons she's a finalist for Newcomer of the Year.

"Intelligence is sexy. A sense of humor is sexy. And last but not least, a big dick is sexy," said Claudia, who proves her prowess with the love stick in *Big-Tit P.O.V.* Claudia plays a teacher (that's pretending; she's really a dancer) who's horny (that's not pretending) and wants to punish her bad-boy student in the worst way. That would be the best way. The scene is filmed from the you-da-man angle, so you can imagine it's *your* cock Claudia is sucking and *your* cock that's fucking her big tits and tight snatch and cumming on her chest.

A few photos from *Big-Tit P.O.V.* appeared in the December '05 issue. Buy the DVD and get behind-the-scenes footage of Claudia with Summer Sinn. Look for Claudia fucking and sucking in an upcoming *SCORE Xtra*. And vote for her for Newcomer of the Year. "If you do," she said, "my next video will be even better." Is that a challenge?

SCORE: Sex? I'm sure that you were at least 16 years old, which is the age of consent in the UK, when you had sex for the first time, right?

Alexis: [Laughs] Sure!

SCORE: What was your first time like?

Alexis: I don't remember much about it. All I remember is that he was fumbling with my boobs a lot. The boys always wanted to touch my boobs, although they didn't know what to do with them. Fortunately, they've learned.

SCORE: Are you a kinky girl?

Alexis: A wee bit. I've done a few spanking videos.

SCORE: What are they like?

Alexis: Basically, we'll be in the studio, and I'll probably be dressed up in a maid's uniform or a schoolgirl's uniform, and I'll go over his lap, and he'll spank me.

SCORE: Hard? Soft?

Alexis: Usually he'll start off spanking me softly and lead up until he leaves red marks.

SCORE: Does that get you off?

Alexis: Yeah, it's fun!

SCORE: Do you like to get spanked when you're having sex?

Alexis: Yes, but not too hard. I like a guy to spank my butt lightly while he's fucking me from behind.

SCORE: Now, let's say a guy is lucky enough to be invited to your bedroom. Do most guys go right for your boobs?

Alexis: Yes.

SCORE: Is that rude or is it okay?

Alexis: It's okay. I don't mind. I mean, I kind of expect it. Most of the time when I'm on a date, I dress to show off my breasts, so I kind of expect that when a guy goes to bed with me, he's going to want to see my breasts.

SCORE: What's a good date for you?

Alexis: A good date is probably going out for a nice dinner and then to a club afterwards. I like rock and rap, and I usually drink Jack Daniels and Coke.

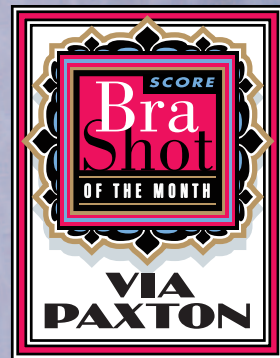

SCORE: What are you wearing?

Alexis: Usually a short skirt and a low-cut top. I don't dress conservatively when I'm on a date, especially if I think I like the guy.

SCORE: Well, let's say we're sitting there having dinner, and I'm staring at your chest the whole time. Is that bad?

That some guys notice Jasmine's bubble-butt but don't notice her big tits can be explained by the fact that she doesn't dress to show off her tits. "I have a really small waist, so I can hide myself in big shirts," she said. "But there's no hiding my ass." We don't think Jasmine should hide an inch of herself. "Thanks," she said, blushing. "I used to be ashamed of my breasts. I thought they weren't firm enough. But men tell me my boobs are heavy and they love the way they hang. They're different. And I guess there's really nothing wrong with being different."

Over the past three years, we've asked you to help us fill what had been an empty Hall (the Big-Boob Hall of Fame was introduced in the Holiday '02 issue) by voting for three nominees each year. This year, as the Hall begins to fill, getting in will be much harder for the big-bust superstars of the past. We're asking you to vote for only one of these girls, using the ballot on page 102. In the June '06 issue, we'll induct the top vote-getter. Then, in the following issues, we'll induct any model who receives at least 30% of the vote. So, this year, only one model might get in.

The nominees for the Big-Boob Hall of Fame were selected by our elite board of electors, comprised of *SCORE* chief John Fox, UK photographic legend John Graham, editor Dave Rosenbaum and columnist Elliot James. look occasionally. [Laughs] You can at least pretend that you're paying attention to me!

SCORE: Okay, so you're wearing a low-cut top, and then we go back to your place. What do most guys do?

Alexis: [Laughs] They're right on my breasts with their hands! They go right for them. Sometimes a little kissing for a minute, then they go right for them.

SCORE: They can't wait, can they?

Alexis: [Laughs] No.

SCORE: What do you wish they would do? Let's say you're calling the shots and he has to do whatever you want.

Alexis: That's a tough question. Some kissing first would be nice for at least 10 or 15 minutes, just to get me really worked up. Touch me all over while you're kissing me, but don't just touch my breasts. Touch my hair, my neck, my waist, my bum. Then, when I'm worked up and ready, you can reach for my breasts. Play with them a little bit, but don't take them out of my bra just yet. Tease me a little.

SCORE: Do you like having your breasts played with?

Alexis: Yes, for sure. I like when a guy gets rough with them. You know, pulls on my breasts and my nipples. Really handles them a lot. Sucks on them hard. It's okay to do that. I mean, they're not going to fall off.

SCORE: What do most guys do next?

Alexis: Take off all my clothes. They get me naked as fast as they can, and all they want to do is shag.

SCORE: How about oral sex?

Alexis: It's good, although I don't like giving blow jobs for too long. It gets boring. I've heard that some girls get a feeling of power when they're giving a blow job, but not me. I mean, I don't mind doing it, and I've been told I'm good at it, but that's only because I like to make men happy. I know most guys aren't happy with girls who don't give blow jobs.

SCORE: But you love having your pussy eaten, don't you?

Alexis: Oh, yeah! What girl doesn't? As long as the guy is doing it right.

SCORE: Let's say a guy is going down on you. Is "going down" a term you use in Scotland?

Alexis: Sure. Going down. Pussy licking. Muff diving.

SCORE: What are boobs in Scotland?

Alexis: Tits.

SCORE: What's the polite term?

Alexis: Breasts.

SCORE: Not bristols?

Alexis: Nope. Boobs. Tits. Breasts.

SCORE: Okay, so a guy is going down on you, and he has to, doesn't he?

Alexis: Yes.

SCORE: How should he eat you out?

Alexis: By not sticking to one place all the time. Moving around. Up and down my lips, then on my clitoris, then around, even away from my pussy. And he should stick a finger or two in my pussy, preferably two, and work it in and out while he's eating my pussy.

SCORE: Should he tease you?

Alexis: Yes, and he shouldn't get too rough. Soft licks are best. I like it rough on my tits and soft on my clit.

SCORE: How about fucking? What's your favorite position?

Alexis: Doggie. It makes his cock feel bigger, and it's a better angle. He can hit the front wall of my pussy, and that's always good. I love when the head of a guy's cock hits against the wall of my pussy and drives against it.

SCORE: Okay, so you like doggie-style. You're on your hands and knees. Your boobs are hanging down. Is the guy playing with them?

Alexis: Yes, if he wants to, but he doesn't have to. If he isn't, then I'll play with them myself sometimes.

SCORE: Can you cum through fucking?

Alexis: Sometimes. Usually the best thing for me is to have sex doggie-style while I'm playing with my clitoris or he's playing with my clitoris. Somebody has to be playing with my clitoris while we're fucking.

SCORE: Okay, so now that we know how you like to have sex, let's find out a little bit about you personally. Did you ever go to college?

Alexis: Yes, but I left college last year. I was taking a two-year course in the basics of law. I could've gone to university to become a lawyer, but I became a legal secretary instead. I did that for nine months and gave it up to become a porn star.

SCORE: So you were some guy's secretary? Really?

Alexis: Yes.

SCORE: How old was he?

Alexis: He was 48, married and he had four children.

SCORE: Was he horny for you?

Alexis: Yeah, I think he was. I used to

catch him looking at me all the time, mostly at my tits.

SCORE: But no matter what you were wearing, you really couldn't hide your boobs, could you?

Alexis: No. I was wearing trousers and turtlenecks all the time. I suppose they were tight, but I think I was pretty covered up.

SCORE: Well, guys who love big tits can spot big tits anywhere. It doesn't matter if you're strapping them down, we have a detection system, and we'll know you're strapping them down. It's like a sixth sense.

Alexis: [Laughs] Well, he must've been a guy who loved big tits, because he was always checking me out. And I never showed my cleavage at work.

SCORE: Did your boss ever make a move on you?

Alexis: No, but I was only there for four hours a day, anyway, so he didn't have much of a chance. And the office was busy, so it might've looked funny. Besides, I wouldn't have done anything if he tried. I don't date married men.

SCORE: You're a smart girl, aren't you?

Alexis: Maybe a little. I mean, I don't think I'm stupid. I read a lot, but I'm not what you'd call a genius.

SCORE: Do you plan on becoming a lawyer one day?

Alexis: No. My grades in school weren't good enough.

SCORE: So you were a legal secretary, and then you decided to get into porn.

Alexis: Well, I was kind of doing it when I was working as a legal secretary. I was doing it part-time. I was doing videos on weekends and going to work on Monday.

SCORE: How do you know your boss didn't see you in one of these videos?

Alexis: I don't know. Maybe that's why he was looking at me all the time.

SCORE: Does Scotland have a lot of pornography?

Alexis: No, not at all. I traveled to England a lot to do porn. I never did it at all in Scotland.

SCORE: How did you get into porn?

Alexis: I had a website made up with some pictures and I got some work from that, and there are modeling forums in the UK, and I put some pictures up and got some calls. And they flew me down to England, and I started doing boy-girl videos.

SCORE: For how long have you been doing the videos?

ALEXIS MAY INTERVIEW

Continued from page 76

Alexis: Just since last year.

SCORE: I'm sure there are people in your life who don't know you do porn. Would they be surprised?

Alexis: Probably. I'm a very quiet person. I'm not very brash. People think I'm a sweet, innocent, quiet girl.

SCORE: Are there two sides to you?

Alexis: Yes. [Laughs] I used to lead a double life before my parents found out what I was doing. They thought I was still a legal secretary and living with my boyfriend, and in fact I was doing porn and living with my boyfriend.

SCORE: How'd they find out?

Alexis: Well, me and my boyfriend had a huge fight, and he basically told my mom and dad to come pick me up from the flat we were living in, and then he told them.

SCORE: He told them? What a jerk! Did you kill him?

Alexis: Nearly! And when I started living at home again, my parents obviously knew I wasn't a legal secretary anymore, and that was kind of strange.

SCORE: Would you describe yourself as very sexually active?

Alexis: I'd say I'm normally sexually active. I've obviously become a bit more active because of what I do, but I think I'm pretty normal. I mean, outside of porn, I have the normal boyfriends and a normal amount of sex. I guess you could say that these days, I have most of my sex on camera.

SCORE: Do you think about sex a lot?

Alexis: I like to think about sex, but I don't think about it all the time. I think about it a lot, probably more than most girls do, but it's not like I'm obsessed with it. Of course, now and again, I get horny, and I have to have some.

SCORE: Well, Alexis, at some point, some older guy like me is going to say to you, "What do you want to do with your life?" So what do you want to do with your life?

Alexis: I don't know, as long as I can become rich and not have to work.

SCORE: Do you live in Glasgow?

Alexis: I live in the suburbs. It's a really nice place. Small. A few thousand people. I'm kind of a small-town girl.

SCORE: With big tits. Have you always liked having big tits?

Alexis: No. I used to hate them when I was younger, but then as I got older, I

realized they could be used to my advantage. Guys will do more things for you if you have big tits.

SCORE: Like what?

Alexis: Well, guys have probably bought me more drinks, took me out more, bought me things because I have big tits. My chest makes guys instantly attracted to me over a lot of other girls, so I get their attention easily while other girls have a hard time getting attention. I mean, all I have to do is stick out my chest and I get attention.

SCORE: Has a guy ever bought you a vibrator?

Alexis: Yes, but we'd been going out for a while. I don't think a guy would bring me a vibrator on a first date. This guy knew I wanted one.

SCORE: How big was it?

Alexis: About eight inches. It had a good shape. At the end it was slightly pointy, and it fit nicely in my pussy. I used it a lot, especially when we were having sex. That's one time I really liked sucking cock, because while I was sucking his cock, he'd be using the vibrator on my pussy.

Busty Island Girl

LISA, ONE OF 2004'S TOP NEW-COMERS, IS BACK FOR MORE.

It's a fact that Brazil, Argentina and Colombia turn out some of the sexiest babes in the world. The Dominican Republic? That's the land of baseball players. But when one of our talent scouts located five busty beauties in the D.R., we packed up our studio equipment and headed on down to the islands. The result: the video *Busty Island Girls*, starring five sets of fresh, new, natural Latina tits. One of those sets belongs to Lisa, a casino showgirl who doesn't speak English but communicated through the language of tits.

In *Busty Island Girls*, Lisa takes her time getting out of a white bra that barely contains her DD-cups. She massages and kneads her naturals for a good long time and tugs on her sensitive nipples. Those brown bombers of hers are really pliable! The camera zooms in. More breast meat. Her panties come off, and we're looking up at Lisa's rack as she fingers her pussy. Her tits look bigger than ever. She pulls out a giant dildo and fucks her jugs for a while before penetrating her pussy. In and out. in and out. Lisa's jammin'.

SCORE: And how big are these big balls you crave?

Alexis: Biiiiig!

SCORE: Oh, my! Really hard cock? Semi-hard?

Alexis: Very hard! [Laughs] As hard as it can get. Rock-hard. After all, what girl doesn't like a rock-hard cock. Hard cock feels better in my pussy.

SCORE: Color?

Alexis: I like tan cock. [Laughs]

SCORE: Shaved balls? Unshaved?

Alexis: Shaved balls so I can suck his balls and not get any hair in my mouth. And he should shave all the way. Everything, all the way up his cock. Some guys have hair on their cocks, you know.

SCORE: Circumcised? Uncircumcised?

Alexis: It doesn't really matter.

SCORE: Right. You're not picky.

Alexis: [Laughs]

SCORE: Have you ever stopped seeing a guy because his cock was too small?

Alexis: Yes. [Laughs]

SCORE: How small was he?

Alexis: [Laughs] About two or three inches. Hard. [Laughs]

SCORE: Did you laugh at him when you saw his cock the first time?

Alexis: No. [Laughs] I tried not to.

SCORE: And you had no idea that he was that small until you saw it?

Alexis: No. What happened was, I went to a party at a nightclub, and I met this guy. [Laughs] And we went back to his bedroom, and I took his jeans down. Took his cock out. And he was such a little bugger. I thought he'd be at least average. Six inches at least. I thought I was good at judging a guy's cock size by looking at his crotch, but then I realized I wasn't.

SCORE: Were you disappointed?

Alexis: Yes, very.

SCORE: What happened next?

Alexis: I let him fuck me, and then I went home.

SCORE: You didn't say "Is it in yet?" did you?

Alexis: [Laughs] No. I just made some noises like I was enjoying it.

SCORE: Did he try to call you again?

Alexis: Yes, but I just blew him off.

SCORE: Poor guy. When you're having sex with a guy, do you like long, deep thrusts or short thrusts?

Alexis: I like both. There's supposed to

be a variation. Maybe short at the beginning, then longer and harder.

SCORE: What's the biggest cock you've ever had?

Alexis: Probably the porn star I fucked in my video *Ultimate Alexis May*. He was about nine-and-a-half inches.

SCORE: Did you like it?

Alexis: Yeah? We didn't stop fucking, even when the camera was off. We were fucking in the shower, in the studio. When the photographer stopped taking pictures, we were still fucking, and then later on, we went back to the hotel and fucked again. I would've liked to have brought him back home.

SCORE: Well, here at *SCORE*, only the best for our models. Only the big cocks. Now, every guy can describe what a tight pussy feels like. Can you describe what it feels like to have a big cock inside of you?

Alexis: Good. Satisfying. It feels different from a small cock. Full. I like the way a big cock spreads my pussy and make it feel so full, but a guy with a smaller cock, like average-size, can make me feel good, too, if he knows what he's doing.

SCORE: Do most guys know what they're doing?

Alexis: I think some guys know what they're doing, some guys don't know what they're doing and are willing to learn, and some guys think they know what they're doing but don't. They're the worst. I mean, I don't know everything about how to please a man, and I'm still learning. Guys sometimes get intimidated by me when they find out I'm a porn star, but just because I'm a porn star doesn't mean I know everything there is to know about sex.

SCORE: You're young.

Alexis: I'm very young, and guys sometimes forget that because I have big boobs and I do porn.

SCORE: And you're a great cock-sucker on video, even though you say you don't like sucking cock.

Alexis: [Laugh] I try.

SCORE: Well, Alexis, I'm going to say goodbye right now. I hope that over the next several years, you run into many guys with big, thick, shaved, big-balled, tanned cocks to make you happy, because you deserve to be happy. And good luck in the *SCORE* Newcomer of the Year Contest.

Alexis: Thank you for having me, and I hope all the guys out there vote for me. I really want to win!

**20 FABULOUSLY
STACKED BABES
VIE FOR
BOOBDOM'S
ULTIMATE PRIZE**

This is the World Series. The World Cup. The Super Bowl of Big Tits. **SCORE** Newcomer of the Year is big-titdom's oldest prize, but Model of the Year is the one every girl wants to win. It's the award that says, "This girl is the greatest big-tit model in the world." It's also the most difficult award to win. Sure, Linsey Dawn McKenzie overcame tough titty competition to win her first Model of the Year crown in 2004, and after fucking so superbly in *Linsey Maximum Insertion*, she's the favorite to win again. But consider this: the field has been improved considerably by the additions of 2004 newcomers Denise Derringer, Keisha Evans and reigning Newcomer of the Year Kelly Kay, all of whom weren't eligible for the award last year.

**Denise
Derringer**

Carmen

Maxi

Keisha Evans

Harmony Sweet

Just consider what some of these ladies did in 2005 to earn your vote for Model of the Year. Denise Derringer took a cock in her ass in the video *My Boob Heaven*. Brandy Talore, Carmen Hayes and Kelly Madison dressed and acted like street whores in *Busty Hookers*. Minka, who's probably overdue to win this award, had one of her kinkiest and sexiest solo pictorials yet in the December '05 issue and fucked again in *SCORE Xtra #12*. Crystal Gunns took her first outdoor bikini pics. Kelly Kay did girl-girl in her first video, *Bosom Buddies #6*. But only one of the 20 finalists can get your vote.

Ines Cudna

Sara Jay

Has Ines Cudna's time finally come? Her popularity has increased exponentially since she finished a distant second to Nicole Peters for 2003 New-comer of the Year, and her pictorial in the September '05 issue, in which she donned a red wig and blue fishnet stockings and smoked a cigarette, were her nastiest solo pics yet. Then, of course, there's perennial *SCORE* favorite Cindy Cupps, whose amazing areolae are award-winners all by themselves.

Cindy Cupps

Brandy Talore

When Linsey Dawn McKenzie won Model of the Year in 2004, she narrowly defeated Nicole Peters, who was 2003's New-comer of the Year. Judging by the sales of *Linsey Maximum Insertion*, in which she does a three-way with Veronika and a guy, LDM is going to be tough to heat again. But Nicole continues to be the embodiment of the girl next door, and she never looked better or bustier than she did in her pictorial in the Sept. '05 "New Naturals" issue. Nicole vs. Linsey (by the way, they happen to be very good friends) continues to be one of the hottest debates among **SCORE** Men, and this year's contest figures to only fuel the debate. Of course, busty babes such as Christine Allure and Kelly Madison continue to have their fair share of supporters, simply because they are such enthusiastic and sexy hardcore performers. But does it matter to you if a girl went the extra mile and did XXX? Hey, that's for you to decide. It's your vote!

Julia Miles

Harmony Bliss

Julia Miles won 2003 Model of the Year. Sharday ran away with the grand prize in 2002 (the award's first year). They, along with LDM, will try to become the first repeat winners of Model of the Year, but as Julia's surprise victory in 2003 proved, anything is possible when tens of thousand of horny, tit-clouded men are asked to pick a winner from among 20 beautiful, busty women. So take a long look at the photos on these 10 pages, review your back issues and videos, turn the page, and make your selection. Sorry, but you can pick only one (yeah, we know, it ain't easy). Vote by snail mail or email. The winner will be named in the July '06 issue of *SCORE*, on-sale April 25, 2006.

GREATEST BRAZILIAN: IS IT LUMA, ANGELIQUE OR SYLVIA?

Dear SCORE,

I have been a loyal customer and subscriber of the greatest magazine ever for years. Rarely have I disagreed with your outlooks or opinions on any subject until I got the September '05 issue. In your write-up of Luma, you asked whether she or Sylvia Panda was the greatest specimen to hail from Brazil.

I'm here to tell you that neither one can hold that title. That crown clearly belongs to the luscious, bountiful, magical woman who is Angelique, a vet of the adult world and a goddess among humans. The other two are amazing but pale in comparison to the wonderful Angelique.—T.S., via email

Dear T.S.: Guess we should've asked, "Who's the greatest natural from Brazil, Sylvia Panda or Luma?" Reader, what's your opinion on that. As for Angelique, she is truly one of the all-time greats...but is she great enough for the SCORE Big-Boob Hall of Fame? Angelique is one of 10 nominees for induction into the Hall in 2006. Find out the names of the other nine candidates, beginning on page 66.

As Angelique sprays herself, we wonder if she's the greatest Brazilian ever, or if it's Luma (below left) or Sylvia Panda.

HUGE PHOTO SETS UPDATED WEEKLY

2005: THE GREATEST YEAR EVER FOR NATURAL NEWCOMERS

Dear SCORE,

I was reading the October '05 issue and thought to myself that Joana was hands down Newcomer of the Year. Then I thought about Bea Flora, Anastasia, Summer Sinn, Patra, Diane, Ashley Juggs, Marilyn, Michelle Marsh and Anna Jota. By the time I had reviewed my past issues looking for the Newcomer of the Year, I was quite happily spent and still unsure.

This is the greatest freshmen class ever, and, I'm happy to note, it's dominated by naturals. This has been the greatest SCORE year ever.

I have one new category that should be added, and that is Goddess of the Decade. By my count, the finalists are Linsey and Michelle Bond. I am a nationalist all the way, but for the first time, England has outdone my beloved U.S.A.—Sturg, Detroit, Michigan

Dear Sturg: Can we at least wait until the decade is over before we have a Goddess of the Decade contest? As for the Newcomer of the Year Contest, the voting kicks off this issue as we reveal the 10 finalists on pages 12-17. By the way, Anastasia was a newcomer in 2004, so she's not eligible this year.

HE WANTS ELECTRONIC SUBS

Dear SCORE,

Has SCORE ever thought about offering subscriptions electronically? I know you now offer PDFs of the monthly magazine at Virtual-Newsstand.com, but I was surprised to see the price. I would think it would be the less expensive alternative since there is no paper or printing or all the work involved with inventory and shipping. No logistics whatsoever. You have available the electronic format at your site and the reader supplies the printing and paper, if desired.

Have you ever thought of offering subscriptions to the PDF version just as you do for the print version? I don't know why not. Upon subscribing, you get a user name and password. When you subscribe, you could choose which format works best for you.

This has become a consideration for me because of the occasional envelope issue and the fact that I am running out of room since I keep my old issues. To me, the electronic version should be cheaper for both you and the subscriber than the print version. I think this would be a better alternative for me,

Dear B.: The Virtual-Newsstand concept of a downloadable electronic version of the actual newsstand magazine is still ahead of its time. The idea of a yearly subscription has been discussed but there are some big technical hurdles involving password usage and the way the internal files are structured. However, Virtual-Newsstand.com has some "buy two issues, get one issue free" specials monthly. You can enter your email address on the Virtual-Newsstand home page to get on the mailing list.

HOW BEA FLORA CAN BECOME THE NEXT NICOLE PETERS

Dear SCORE,

Bea Flora could be the next Nicole Peters if she grows a bush, spreads her pussy and inserts something in there. However, I'm afraid she'll be another CJ and remain tame or retire too early.

Could you try to hide tattoos with makeup? I hate them. And please make the models take out their piercings. You wouldn't mess with the Holy Grail or the Mona Lisa, would you?

And how about more models with nipples like Jade Feng's? I don't know a man alive who doesn't love to see (and play with) big, thick, extended nipples that beg to be sucked on. If I was the President and C.E.O. of SCORE, I'd make it mandatory that every model's nipples be hard, whether it's from pure excitement or an ice cube. Get 'em hard!

And let's see some passion in your models. Lately I've noticed the models look like they're going through the motions. Have them frig with their eyes closed, mouths wide open, bodies contorted, etc., so that it looks like they're actually enjoying themselves. I don't know about you guys, but I've yet to see a woman have an orgasm wearing a wide grin.—F.M., via email

Dear F.M.: Covering tattoos with makeup won't work. The skin area will look green. Plus, many readers like tattoos and piercings. And we're not messing with the Mona Lisa. We're keeping these girls as they are. Many readers get angry when they think we're changing the models. 📌

"I WANT TO BE A PORN STAR!"

PETRA MAREK HAS THE GOODS. DOES SHE HAVE THE GUTS?

Petra is beautiful. "All guys tell me that," said this busty Czech with the sexiest, smokiest voice you've ever heard. "You're going to have to try harder." Petra has a big rack. "Tell me something I don't know," she said, puffing up her E-cups and proudly sticking out her chest. Petra looks too sweet to be a porn star. "Don't tell me that!" she said. "Two of my girlfriends are doing porn, and they are trying to talk me into doing it, too. I want to do it, but I am not sure if I can have sex with a man while people watch."

These days, it seems every pretty, young Czech girl is doing porn, and it's obvious that if Petra decided to fuck and suck for a living, she'd do great. "But I don't want to be a whore," she said. "I just want to try it once. But I'm afraid that if I try it once, I'll become addicted, and then I'll never stop."

A few weeks before she posed for these photos, Petra was invited onto the set to watch one of her friends do a hardcore boy-girl flick. "I got so horny just watching her," she said. "It was so dirty but sexy at the same time, and the man had a big cock, and it was so hard, and I wanted to jump in and join them. And then when the camera stopped, my friend looked at me and said, 'Petra, do you want some?' and I've never wanted sex more in my life. But I didn't do it." Why? "Because that shouldn't be a spur-of-the-moment decision," she said. "And because I think my parents would be very upset if they found out. But you know that day in the studio when I was watching my friend have sex? I did get off, you know." How? When? Where? "I can't tell you," Petra said, smiling. "After all, I'm sweet, right?"

LISA LIPPS HOSTESS WITH THE MOSTEST

IN THE NEW VIDEO BIG-TIT P.O.V., LISA BACKS UP HER WORDS WITH PLENTY OF ACTION!

You're the man in the new video *Big-Tit P.O.V.*, and *SCORE* superstar Lisa Lipps is the woman. "I loved making this film," Lisa said after wiping the last drop of cum from her face. "Hosting a video was a blast because I got to watch all the girls fucking, then I got to fuck, and I got to talk dirty to the viewers. I took it as a challenge. I wanted them to get off on me!"

"In this video," Lisa says at the beginning of *Big-Tit P.O.V.*, "you get to fuck me and three of my closest friends." The three friends are Claudia Kealoha (page 50 of this issue) in her hardcore debut, Summer Sinn, and gutter-mouthed Sara Jay, who nearly matches Lisa in the dirty talk. Lisa introduces each scene, and it's clear she's getting hornier by the minute because halfway into the video, Lisa starts stuffing her pussy with a giant dildo. Finally, Lisa gets to do what she does best—fuck!—and she turns in one of her hottest performances yet. "That's because I wasn't performing," she said. "I was horny, and the guy was hot, and he had a big cock, and I wanted to fuck it, and I imagined all the viewers watching me, imagining they were fucking me. This is the real thing."

KITTY & CHARLEE

IN THE NEW DVD MY BOOB HEAVEN, ONE LUCKY GUY GETS

What's Boob Heaven? Boob heaven is when you have a busty wife named Charlee Chase who's not only horny all the time, she's also generous. So when your wife's best friend, Kitty Lynxxx, calls her up and pouts that she doesn't have anyone to fuck on her birthday, your wife offers your services. That's what happens in the new XXX-rated feature film *My Boob Heaven*.

Charlee (the blonde) loves to share, so she lets Kitty lick her hubby's balls while she sucks his cock, and she lets Kitty's pussy enjoy a hard pounding from hubby's cock. As for the cum blast...well, we're in boob heaven. And in boob heaven, there's plenty of cum for everyone.
