Kaytee Carter goes all the way later in this issue.

ANNINA: CHARM, BODY AND A FINGER IN HER ASS, TOO!

Dear SCORE,

As a long-term reader, I think Annina (May '10) definitely has the charm, body and features to make me hard every time I see her. What a lady

Lorna Morgan

she is with her tight dress, tits and a finger in her ass!

Kaytee Carter appeared in the same issue and is Newcomer of the Year talent. Her interview and her willingness to bare all was refreshing to see.

Marilyn Sakova has sensitive nips and enjoys nipple-play of all kinds.

Annina always needs either a finger or a cock in her ass.

Is Lorna Morgan pregnant again? She is super hot with her dark areolae and extended stomach. Her breasts look huge.

Merilyn continues to get my juices working. She has not lost any beauty or charm.—Harry, Los Angeles, California

Dear Harry: Lorna isn't pregnant now, but she was pregnant when she shot her scene in the DVD *Chesty Preggos 2* (available on page nine of this issue) and the photo that appeared in the May "Scorecard." Lorna is one of those women who always looks great.

By the way, you'll be very happy to see how much Kaytee Carter bares beginning on page 24 of this issue.

SOPHIE MAE VS. MELISSA: IT'S SOPHIE MAE BY A CUP SIZE!

Dear SCORE,

Sophie Mae (May '10) has been compared to Melissa Mandlikova. Both women are sexy, but I'll give the edge to Sophie because she has F-cup tits compared to Melissa's E-cups.

Two Czech mates compare their pairs: Sophie Mae (left) and Melissa (right).

Sophie is very erotic-looking, especially with her facial expressions. I guess at her young age, she doesn't want to show cooch. Hopefully, she will in the near future. But Sophie's tits are very suckable and squeezable. She looks like another quality Czech.—S.M., via email

Dear S.M.: You'll be happy to know that Sophie returns with a brand-new pictorial beginning on page 38 of this issue. She doesn't show pussy, but her tits look big, full and suckable, as always.

THUMBS (AND COCK) UP FOR THE BREAST OF SCORELAND

Dear SCORE,

Damn, you guys have done it again! What an amazing video! I have nothing but praise for all of the beautiful girls in *The Breast of Scoreland*!

What a deal, too: two great DVDs full of women the way women should be (huge tits and stuffed with cock) for

ASHLEY SAGE HAS THE BOOBS, BUT WHY DOESN'T SHE SMILE?

Dear SCORE,

I was very disappointed in the selection for 2010 Newcomer of the Year.

I've said before what my biggest problem is with Ashley Sage Ellison: She does not know what it means to smile. In every photo shoot, whether in *SCORE*, *Voluptuous* or on the Web, she has the same blank expression. And believe me, I've searched.

I love big boobs, but they are No. 2 on my list of what makes a model or any woman desirable. No. 1 is the smile. A smile means she is comfortable with herself and enjoys what she's doing. I don't get that from Ashley.

Ashley Sage Ellison flashes the beautiful smile many of you have been waiting for.

I remember an article in *SCORE* about how the editors decide who is a potential model and who is not. Part of it was their comfort in front of the camera. From Ashley's expression, she does not feel comfortable.

Ashley, if you want to win me over, you must learn to smile.—R.C., Brooklyn, New York, via email

Yurizan is one of the most beautiful girls to ever appear in SCORE.

in the XXX features. These guys with their tanned skin, washboard stomachs, chiseled features and huge penises are not typical of your average SCORE Man. I bet some of them aren't even tit men. Let's see some change, guys. Maybe even get some of the readers involved.

I know it's old news by now, but I must have my say on K.B. of Albu-

Like many girls, Tera Cox modeled for SCORE, fucked, had some fun and moved on.

querque and his comments in the Nov. '09 "Scorecard." It doesn't surprise me that he's getting backlash from fellow SCORE Men. Is he insane? Listen, K.B. If you don't like fake tits, that's cool. Stick to V-Mag and leave SCORE to us. Not wanting to see the likes of Minka and Crystal Gunns makes me question just how serious you are about big tits.

What's happened to Yurizan? Her July '08 debut took us SCORE Men by surprise, and I remember thinking, "Wow! This girl is going to be around for some time." Since then, she's made only two appearances. Where is she and will we see her again? Tera Cox is another girl who seems to have gone A.W.O.L. Any news on her?—C.D., West Midlands, United Kingdom

Dear C.D.: Yurizan last appeared in the June '09 issue. It was her third appearance, which is actually quite a few compared to most models. But we'll definitely consider bringing her back.

As for Tera Cox, she's one of those girls who goes on a brief fling, models for fun and then moves on. We're just happy to have had her for the short time we did (and for getting to see her fuck in the DVDs Tits on Top and Pounding the Pledges).

HERE'S TO ALL THE WINNERS!

Dear SCORE,

I felt a little disappointed that Christy Marks didn't repeat as Model for the Year despite taking on Monster Cock and winning. But at the same time, Karina Hart was better and sexier than ever.

Why not have a rivalry between Christy and Karina? They are best friends but competitive models as well.

I said Ashley Sage Ellison was going

to be Newcomer of the Year, and it paid off. Hopefully, she will make a run at Model of the Year.

MORGAN LEIGH: THE SCORE STANDARD FOR COMPARISON

Dear SCORE,

As a long-term SCORE and sometimes *Voluptuous* reader, I was pleasantly surprised to see Cynthia Flowers in both magazines (March '10). I am amazed by the beautiful women you feature in both magazines. More of Cynthia, please.

Morgan Leigh is definitely one of your top models of the decade, and seeing her in fishnets and ropes was a super turn-on. Morgan has become the SCORE standard for comparison when new models are featured. She sets the bar for others. The only other model who has done this is LDM.

Ashley Sage Ellison has a beautiful face, eyes and tits, but I her body is not SCORE material.

Is there any chance Victoria Lane has appeared or will appear in SCORE? She is definitely SCORE material.—H.V., Baltimore, Maryland

Dear H.V.: No, Victoria Lane has never appeared in SCORE, although we've considered it. In all honesty, we don't see how you can say Victoria is a SCORE Girl but Ashley Sage isn't.

HE SAYS SCORE GIRLS NEED TO BECOME MORE VOLUPTUOUS

Dear SCORE,

Here are some comments about your April '10 issue.

Starting with the letters section, that photo of Annina handling a big one from the Jan. '10 issue brought back good memories. Bring us more women matched up with male porn stars.

Contessa Rose: Too "womanly" for SCORE? Normally, you guys go for the skinny ones. I'm not complaining. I'm

thanking you for this one!

Alia Janine: Skinny. Normal for SCORE.

Rachel Love XXX: That's what I'm talking about! Ball-sucking, no-holds-barred XXX featuring a woman with a nice tummy, thighs and a butt in addition to incredible breasts. Bravo!

Jayden Prescott. Okay. Fake breasts. Nice brown-eye.

Karina Hart: Fine. Might she be a bit

stand the concept of slim 'n' stacked, but come on!

You may wonder why I buy SCORE and pooh-pooh so many of the models. It's simple:

1. You occasionally push the limits of slim 'n' stacked with models like Rachel, Contessa Rose and Janet.

2. Your hardcore stuff is top notch. Even an average woman looks better if she's doing the nasty.

3. Finally, I always hope to see some of your models gain weight and wind

THE OTHER SIDE OF JENNA

JENNA'S A VALLEY GIRL (FER SURE!) BUT THE SEXY SIDE OF HER WILL TAKE YOU FOR A WILD RIDE!

We kick off our annual "All Naturals" issue with Jenna Valentine, an FF-cup beauty who's sure to be a finalist for 2010 Newcomer of the Year. Jenna showed us her California Valley Girl side when she debuted in the July issue, but now, we get to see the side she likes best: her kinky side.

Jenna looks so soft and cuddly with her pale skin and huge naturals, and while it's true she's a bit of an old-fashioned girl ("I love having sex in beds. Does that make me boring?"), she has a dark, goth side, too. Her hero is fetish star Dita Von Teese ("I'm going to be the curvier Dita!"), her favorite movies are *A Nightmare on Elm Street*, *Friday the 13th* and *The Devil's Rejects* and her dream car is a hearse! And, as she shows here, she's into fishnet bodystockings and nipple clamps. "I'm not your typical Valley Girl," Jenna said. "And believe me, guys. That's a good thing!"

While we wait for your models to mature, how about kicking up the kink a notch? More pregnant models would be nice. How about some squirting and pregnant XXX? Even some nice bare feet and toes engaging in foot sex as a lead-in to the good in-and-out would be a treat.—A.L., Los Angeles, California

WANTED: SOMEONE TO DOUSE CRYSTAL'S RACK WITH SPLOOGE

Dear *SCORE*,

You guys must offer Crystal Gunns lots of dollars to do another semi-hard-core video. *Tits & Tugs* is ace, the best DVD ever purely because of Crystal's scene. She doesn't need to do full sex, just all the teasing and tit play like she did before.

Also, the male performer with her in *Tits & Tugs* does a lame cum shot. You should hire someone else next time. He doesn't need to be some toned stallion as we don't see his face or body, anyway.—J.K., via email

BUSTY PREGGERS FUCKING IS RUN OF THE MILL? SINCE WHEN?

Dear *SCORE*,

I was disappointed in your long-awaited DVD *Chesty Peggos 2*. What should have been a film featuring beautiful women proudly showing off their gorgeous, pregnant bodies in all their glory, playing with themselves or each other, was reduced to yet another run-of-the-mill fuck film, full of man ass.

The most erotic segment was the one featuring the ever-gorgeous Lorna Morgan, who has never looked more beautiful. Even though it was the shortest segment and she wasn't cumming or rubbing her clit (as stated in the description on the back of the DVD cover), the sight of her lotioning her swollen belly and full breasts was one of the most erotic scenes I've ever seen.—J.H., Cheshire, England

pictorials of such popular natural babes as Danni Ashe, Carrie Lynn, Alexis Love, Linsey Dawn and Chloe Vevrier, as well as augmented hotties such as Traci Topps,

Nikki Knockers and Letha Weapons. An eight-page pictorial looked back at the first four Boob Cruises. Generation Nexxt touted the superstars of the future: Jessica Turner, Kerry Marie, Annette Christianson, Lorna Morgan, Chelsea Charms, Julia Miles and more. I wrote an essay in "Boob

Beat" about the impact of *SCORE* reaching 100 editions. Our "On The Road" columnist Alyssa Alps traveled to Las Vegas, Oklahoma and Florida, and she even included her own special essay about *SCORE*'s 100th anniversary issue.

"Fantastic Fantasies" looked back at Richard Java's computer-morphed photographs of the '90s. "Fantasy Flashback" re-loaded British artist Duncan Gutteridge's original "Fantasy *SCORE*" paintings. Humorist Jack Widner's October 1994 funny piece, "Incorrigible," was republished. This story rejoiced in the simple male act of loving huge tits. The big video sellers were *On Location Portugal* with Lorna and Kerry, *Ultimate Chloe* and *Busty Auditions* with Adina and Ariana. And that's the way it was 10 years ago this month. Ah, mammaries.

Pimp My Turban

A Hindu holy man and a British Airways stewardess were arrested in India during an investigation into a multimillion-dollar hooker racket.

Police said that a Hindu swami used his temple as a front for as many as 200 prostitutes, including air hostesses and college students. As a spiritual

guru, he claimed a following of over 100,000 people, including leading politicians. Undercover officers arrested him, another pimp and six alleged prostitutes, including two air hostesses. Delhi police did not detail the girls' nationalities. Some cops estimated that the swami had earned \$10-million while others put his earnings at more than 10 times that amount.

Breaking News! Men & Women Stare At Breasts!

In a recent survey, nine in 10 women admitted to looking at other women's chests with close to half admitting to breast jealousy towards friends and co-workers. Nearly half of the 1,000 men surveyed confessed that they look at a woman's breasts before they look at her face. I think some of the other half were lying. Four in 10 men admitted they look at women's breasts at least 10 times a day. Frankly, we're shocked by this loutish behavior.

SCORE Girls Sexin' In Cars: A Survey

According to a *Cosmopolitan* magazine survey, 42% of men and women like having sex inside a car. A survey of women by "FemaleFirst" in Great Britain was more detailed. Sixty percent admitted to having sex while their partner was driving; 19% said they lost their virginity in the back seat of a car; 4% said they've been caught by police having sex in a car; and 14% said the threat and fear of discovery made their orgasms a lot more intense.

My own survey question for several SCORE Girls was, "Do you ever have sex in a car?" The answers ranged from mild to wild.

Christy Marks (June '10): "Sure. I live in a rural part of Pennsylvania, and a lot of people fuck in their cars and trucks when the weather is nice."

Angel Gee (May '10): "Many times. I've done it in the back seat. I've done it in the front seat. I like it better in the car than I do in the bedroom. I just feel more free. Bedroom sex is just so plain and same-old, same-old."

April McKenzie (Sept. '07): "I guess the wildest thing I've done was have sex in the back of my car. It was really late at night at an apartment complex. My heart was pounding! I was afraid someone might walk outside and catch us, but they didn't. I think that added to the excitement."

Morgan Leigh (March '10): "A few times. It's fun but a little tricky."

Paola Rios (Holiday '09): "It all depends on the car and where we are. I don't want to get caught by the police or seen."

Annina (August '10): "It was with three guys outside in a parking lot, and there were 10 men watching us. I started by giving all three of them blow jobs while they took turns fingering my pussy, then one of them fucked my pussy on the top of the car while I blew the other two, then they took turns in my ass and my pussy, and when one of the men wasn't in my ass or pussy, I was giving him a blow job. So I had men in my mouth, ass and pussy at all times."

Christy says,
"A lot of
people fuck
in their trucks
where I live."

Our candid camera captures busty SCORE babes playing around and having fun.

The Return of Big-Boob Bloopers!

Rachel Love uses a pizza delivery box as a boob shelf to rest her natural 40-inch, 36F sucklers. What, the delivery guy couldn't bring cup holders? Last seen in the April '10 issue, Rachel could use the nourishment

after fucking two guys in the movie *Mamazon*. Meanwhile, over in Prague, Karina Hart got into a playful mood posing for her site KarinaHart.com and dumped a cup of laundry detergent over her tits!

Big Boobs = More Dudes

The Université de Bretagne-Sud in France conducted two experiments to test whether increasing a woman's breast size would increase the number of men who approach her. The researchers hypothesized it would.

They get paid for this? This experiment's a no-brainer, eh? In fact, similar social experiments have been done in the United States for hidden-camera TV shows.

In the study, a young female wore a special bra that allowed her to inflate her cup size at will. In the first experiment, the girl was instructed to sit in a nightclub for one hour, and in the second experiment, she was instructed to take a seat at a sidewalk cafe. It was found that increasing her breast size resulted in more approaches by guys. Einstein would have been proud of this.

Free British Boobs

In the UK, Peak FM's Bra Wars boob job contest asked women to send in their pictures and explain why they deserve to have new sweater puppies. The winner will be given her new tits at the Alexandra Private Hospital. Critics dumped on the radio station for the contest, calling it "an unbelievable, dangerous and highly unethical practice."

If you know who owns this nipple, your boob IQ is genius level.

Milkers In The News

A woman in Owensboro, Kentucky was accused of assault after cops say she squirted her breast milk into the face of a deputy. The 31-year-old was being processed after being arrested on a charge of public intoxication. While in a changing room, she took off her top and bra and squeezed her breasts, squirting the deputy in the face. She's now facing a third-degree assault charge on a police officer. We'd have liked it.

And in Orlando, Florida, a police officer has been charged with false imprisonment and battery after a young mother told cops he fondled her breast and squeezed milk from it outside a nightclub. The cop, working off-duty in uniform, ordered a 20-year-old girl to follow him into a parking lot and made her sit on the ground. He left with her cell phone and ID and returned with a bottle of water and a blue latex glove on his right hand, according to the police report. He squatted in front of her, reached inside her bra and squeezed her right breast until milk squirted into his glove. He also told the girl he wanted to suck on her nipples. Man, talk about a brain fart!

ONLY FOUR MONTHS AFTER MAKING HER NUDE DEBUT, KAYTEE'S GONE Hardcore!

She debuted in the May '10 issue. She returned last issue. So why is Kaytee coming back so soon? Because this surefire finalist for 2010 Newcomer of the Year is *cumming* sooner than we thought she would. Kaytee's story goes like this: Before she modeled for **SCORE**, Kaytee had never gotten naked in public anywhere. Not on the Internet. Not in strips clubs. But now, in a flash, she's gone from getting nekkid to fucking on camera!

This pictorial proves that some people get what they deserve. Kaytee originally came to *SCORE* when a friend convinced her to send us her test shots. Well, guess who's fucking her in these photos? Her friend, a *SCORE* reader just like you! Not a porn stud. An ordinary guy named Eric who got very lucky. "I decided if I did a hardcore scene, I wanted to do it with someone I was comfortable with," Kaytee said. "Besides, I wanted to thank him for introducing me to *SCORE*." So thanks, Eric! And thank you Kaytee, too!

From the country that gave us
Linsey Dawn McKenzie...

Meet G-cup
natural

*Karla
James!*

The phrase “next Linsey Dawn McKenzie” is not one we throw around lightly at SCORE. To compare a model with LDM is to compare her with the greatest naturally stacked model ever. It’s like saying a basketball player is the next Michael Jordan or a golfer is the next Tiger Woods. The comparison is often not only inaccurate; it can also be unfair to the person being compared.

But for Karla James, a 21-year-old beauty from Yorkshire, England, the comparison is apt. For one, she’s from the UK, the same

country that gave us Linsey. Second, her G-cup naturals are nearly as large (and just as full and firm) as LDM’s HH-cups. And third, if you haven’t noticed, Karla bears a striking resemblance to Linsey (in some photos, Karla also looks a little like Lorna Morgan).

We rushed to England to shoot Karla, who was so nervous about her debut photo shoot that she brought along her mother. During a break in the shooting, we got a chance to speak with Karla, whose first-time jitters hadn’t settled.

SCORE: Hi, Karla. How are you?

KARLA: I'm ultra, super nervous.

SCORE: Why? Because it's your first time posing?

KARLA: Yes. I'm camera shy! And I'm scared to death of video cameras.

SCORE: How old are you and where are you from?

KARLA: I'm 21, and I'm from the UK. I live in Yorkshire, England.

SCORE: What do you do?

KARLA: I'm a beauty therapist by trade. A beauty stylist. I make people look beautiful. We do makeup and

massages. Manicures, pedicures.

SCORE: Out of all that stuff, what do you like to do the most?

KARLA: I like all of it. Massage is hot. You have to put a lot of work into it.

SCORE: Is it tough for you to give massages because of your boobs?

KARLA: Yes, but the guys love it! I smack them on the head with my breasts! *[Laughs]*

SCORE: What are your hobbies?

KARLA: I like dancing. I've loved that ever since I was a little girl. I started out with ballet at a young age. I enjoy

drawing, designing. Just partying like young girls do! *[Laughs]* But dancing is my favorite hobby.

SCORE: When you go out dancing, what do you wear?

KARLA: I like to dress provocative and sexy. *[Laughs]* Tight skirts, tops. It's hard to get tops that fit me, so I usually have the big cleavage thing going on. It is really hard to find clothing that does not emphasize my breasts. If I wear loose clothing that does not show my figure, then I look overweight because of the size of my breasts. So mostly I wear tight clothing to show my figure.

SCORE: If we saw you out shopping, what would you be wearing?

KARLA: In the winter I wear skinny jeans and elegant tight tops with trainers or high-heeled boots. In the summer, I flaunt my breasts and figure. I wear skirts and vest tops and high heels or sandals.

SCORE: Okay, let's talk about your boobs. What size are they?

KARLA: In UK size, they're a 30 double-H. I don't know what size they are American. One of my little tricks used

to be that I'd put a bra over my head, and that's how I could tell if it would fit. [Laughs]

SCORE: You measured whether a bra is going to fit by putting it over your head? Really?

KARLA: It was a little joke. My Grandma used to say, "I can get two of my heads in one of your bras." [Laughs]

SCORE: Are there a lot of big-boobed women in your family?

KARLA: Yes. My mother was quite big as well when she was younger.

SCORE: And you're 100% natural.

KARLA: Yes. [Bounces her boobs]

NATURALS**

Sophie raises her arms to take off her blouse and her boobs squish together, forming an extraordinary mountain range of cleavage. She takes off her bra...she wears one to keep those F-cup puppies in shape and up in our faces. On the next spread, Sophie sprays her tits with water, and her breasts take on a smoother texture. Her nipples threaten to poke us in the face. Suddenly, we've forgotten that she even has a pussy. With Sophie, those tits are enough.

**TAYLOR IS MAKING
HER FANTASIES COME
TRUE. OURS, TOO!**

Just about the only person more excited than *SCORE* Men and editors about Taylor Steele being in *SCORE* is...well, Taylor herself. This playful, 22-year-old Canadian was boob-over-heels about her debut in the March '10 issue. "It's very exciting to be in a big, international magazine like *SCORE*," she said. "I loved that you put me on the cover." But there's more to it than that. "I love looking at the sexy, big-boobed girls in *SCORE*. I really get turned on, and now I'm one of them!"

We were so impressed with Taylor's pretty face and full, heavy tits (she's a cross between Brandy Talore and Annie Swanson) that we invited her to an on-location shoot in the Bahamas with Karla James, Jenna Valentine and Arianna Sinn (all candidates for Newcomer of the Year) and Natalie Fiore. How's that for a lineup! "Boobs everywhere!" Taylor said. "Everyone looked so hot. I had so much fun, I want to model for *SCORE* every single day!" She's living the dream and making dreams come true.

**From Angela to Christy,
naturals ruled the '00s!**

It was groundbreaking. It was historic. It was a labor of love, the contest of the decade, one that could only take place at Scoreland.com. And, in the end, it was controversial. For 99 days, beginning in late September 2009 and ending when the clock struck past midnight for the new decade, Scoreland members voted on the Top 100 models of 2000 to 2009. In the end, the "Best of the Decade Contest" came down to a case of natural selection: the Top 10 models picked were all naturals. Those 10 great girls are featured, counting down, in this pictorial.

SHARDAY

Hundreds of models debuted in *SCORE* and *V-Mag* from 2000 to 2009, so the editors' first task was to come up with the 100 most popular newcomers of the decade, using statistics gathered from *Scoreland*. Then we asked members to count them down, eliminating one model a day until we had our No. 1 model of the decade. But the voting was controversial from the start: The first 12 models eliminated were augmented, slim 'n' stacked *SCORE* Girls. Of the final 50 girls remaining, only one didn't fit into that category.

Were Scoreland members forgetting the impact that slim 'n' stacked superstars such as Crystal Gunns (No. 91), Morgan Leigh (No. 96), Cindy Cupps (No. 94), Julia Miles (No. 54) and many others had on the world of big boobs during the 2000s? Maybe, but they hadn't forgotten Sharday, who debuted in 2001 and several models who debuted in 2003, including Angela White, Nicole Peters and Ines Cudna. Was this a case of selective memory...or natural selection? Controversy raged.

Do you agree or disagree with how Scoreland members voted? And, since this is the "All-Naturals" issue, do you agree that the 10 girls in this pictorial were the best naturals of the past decade? Would Christy have been your choice for No. 1, or would you have chosen another girl? Remember the criteria: The model had to have debuted between 2000 and 2009. boobs started developing?

KARLA: Thirteen. My boobs grew all at once. One day I was buying my first bra and two months later I was buying a 32 DD! The teachers never seemed to notice, but the guys definitely did and the girls instantly started to hate me. Some of them stopped talking to me and were nasty towards me.

SCORE: Did you ever get in trouble for showing too much cleavage?

KARLA: No. At my high school, we had to wear ties, so the tie always covered my cleavage. But the buttons on my shirt popped open sometimes with the strain of my boobs! [Laughs]

SCORE: Buying bras must be very difficult for you.

KARLA: Very difficult and very expensive. They don't do pretty, colorful bras in my size. Only mega-expensive ones. The ones in my size that fit me are about 50 or 60 pounds just for one bra. I have to buy them from a well-known shop here in England called Bravissimo. They specialize in large support bras for big-busted women.

SCORE: How many clasps are there in the back of your bra?

KARLA: Three. I need the extra support. [Laughs] When I put on my bra, I have to jump to get them in.

SCORE: Do you always wear a bra?

KARLA: Always. My boobs ache if I don't wear one.

SCORE: How about swimsuits?

KARLA: I design my own bikinis, and I love wearing them because I can get a sexy tan. Plus, I can save my white bits for that special someone!

SCORE: Let's talk about men. What kind of guys do you like?

KARLA: I actually don't have a specific type in guys. I like the kind of guy that I can trust. I can be a fussy girl when choosing men, but I appreciate guys who are polite, truthful and honest. I don't like guys who play mind games or lie to impress me. I love a man who can dance. Dancing is so sexy!

SCORE: So if Mr. Mystery comes up to you tomorrow and takes you out on a date, what would be your dream date?

KARLA: I don't know. I don't like sitting down and having meals one-to-one with guys because then I'm too shy. Probably out clubbing, partying. Some-

NATALIE FIORE

BIGGER IS BEST

IN THE BIG-BOOB GAME OF CHANCE, NATALIE GAMBLER AND WON

You never know what's going to happen when a busty model puts on a little bit of weight. Sometimes the weight goes to her thighs. Sometimes it goes to her midsection. And sometimes, if she (and we) are very lucky, almost all of it goes to her chest. That's what happened with Natalie Fiore, who blossomed from a DDD-cup to a G-cup. The transformation was so impressive that Natalie came in No. 6 out of 100 models in the "Best of the Decade" contest at Scoreland.com. And guess what? She's still growing!

"You're not going to believe this, but my breasts have gotten even bigger!" Natalie said when she contacted us recently. After seeing the proof in her test photos, we flew her from France (where she lives) to the Bahamas for a location shoot with Karla James, Jenna Valentine, Taylor Steele and Arianna Sinn. You'll see the photos soon. But for now, enjoy these shots of Natalie and her big, full, heavy rack that dominates her chest. "When I look down, all I see is breasts," Natalie said. You can thank the boob lords for that.

TERRY'S
TIT
SHOW

THE SENSATIONAL TERRY NOVA SHOWS WHAT MADE HER A SCORE GIRL IN THE FIRST PLACE.

For many models, hardcore sex is the point of no return. Once they start fucking, that's the only way you want to see them. But then there are the select few, models like Terry Nova who can get by showing little even after we've seen it all. We've seen her fucking, we've seen her having anal sex, and yet, when she puts on a tit show like this, she still gets our attention.

These photos, taken in Eleuthera in the Bahamas, show Terry at her breast best. Born and raised in the Czech Republic, Terry speaks very little English, yet she communicates her sexuality through facial expressions and actions. When she takes out her F-cup naturals (we've always questioned that measurement; she looks much bigger) and lets them overflow her arms or pushes them together, our cocks get hard as if she were fucking. It's no wonder that when she filmed *Big-Boob Paradise* with Christy Marks, Gianna Rossi, Lorna Morgan and Angela White, all the girls were in awe of her.

On this spread and the next, Terry shows off the pussy that we've seen getting fucked in DVDs such as *The Breast of Scoreland* and *Busty Riding Academy*. But we're guessing that when you look at the photo on this page, your eyes will go right to the beautiful sloping of her breasts and how full her rack looks. On the next page, she's bending over, giving us a view of her asshole, but your eyes will be drawn to her heavy hangers. And when she spreads her legs in the missionary position, what you'll notice first are her pillowing breasts. Because, yes, Terry is a fuck star. But it's her boobs that made her a *SCORE* Girl.

thing where you can relax and have a good time.

SCORE: What kind of music do you like?

KARLA: Hip-hop and R&B. Something with a booty grind. [Laughs]

SCORE: You're one of those girls who gets close to guys on the dance floor.

KARLA: Yeah!

SCORE: Do you go up to guys at clubs or do they come up to you?

KARLA: I never go up to guys at clubs. Guys always seem to come to me. They always get their eye contact across. I give them the little cheeky wink and they know. [Laughs]

SCORE: What is the best thing a guy has ever said to you in a club?

KARLA: I don't think a guy has ever had the guts to come up to me and say something nice or be honest up-front with me. You get quite a few cheesy lines and bad ones like, "Hey, did it hurt when you fell from heaven?"

SCORE: SCORE Girls seem to get a lot of corny pickup lines. Do you consider yourself to be an exhibitionist?

KARLA: Not really. I'm a bit quiet and shy. I don't like strutting my stuff and performing in public.

SCORE: Are there any kinky things you like to do behind closed doors?

KARLA: I like role play. I like dressing up in kinky little outfits and sexy uniforms. I have an air hostess outfit and a naughty nurse one. Maybe you'll see me in them one day.

SCORE: How many dates does it take for a guy to go to bed with you?

KARLA: A lot of dates. I'm not an easy girl. I like to be treated nice. I like to be wooed and romanced. I can be a bit of a hopeless romantic.

SCORE: Five dates?

KARLA: A lot more. I met a guy once, and we went five months before we had sex. I'm not an easy catch. You have to be out to impress. Men who can dance is a real turn-on, especially the Latin dances.

SCORE: Can you Latin dance?

KARLA: No! [Laughs]

SCORE: If you were with a man in the bedroom, would you dance for him?

KARLA: Definitely! As long as it's a good booty-shaking song. But don't ask me to do it now! I might do it for you one day.

I loved the things I learned about the models that, unless you're an insider, you would never realize. In the hotel in Miami right after check-in, I shared an elevator with Summer and Skye. I told them that I was a fan, and while I expected them to be beautiful, I had never seen a picture do credit to Skye's face or green eyes. They acted like no one had every told them they were fantastic before. Later, I was walking with Summer and Skye during one of our island stops, and we were stopped by a group of people and asked if they could take the girls' picture. They explained it was one woman's 60th birthday and she wanted to tell people this was a before-and-after shot!

The shows were incredible, and seeing one after another night after night was overwhelming. It would be like being able to go to New York for a week and seeing three shows a night of the best shows ever produced. I can't think *SCORE* enough for putting on the Cruises.—D.B., Austin, Texas, via email

THE VACATION OF A LIFETIME & MEMORIES THAT LAST A LIFETIME

Dear *SCORE*,

Except for the first, I was on all the Boob Cruises. I can understand in some small way the envy of those who have never been on the Boob Cruise, regretting as I do that I missed the first. They were so much fun that the phrase "Vacation of a Lifetime" doesn't do them justice. I met so many great people on the Cruises, not just the girls but also the other passengers and the *SCORE* staff. I've lost touch with many of them, but if I run into any of them, I know we would reconnect quickly over the shared experiences we've had.

No matter your interest, there was always something to do on the Cruises and so many activities in so many different places around the ship or on a shore excursion. I'll never forget the experience of standing on the deck of the majestic Star Clipper ship for the first time, surrounded on all sides by the women of my fantasies, all eager to talk with me. I'm shy and was so overwhelmed that it was probably several hours before I got my breath back and began to get to know some of the models. I still cherish many of the memories formed then and on a daily basis on each and every one of the Cruises.

How many of those women stole my

*Glamour

SHIONE HAS THE LOOKS TO BE A FASHION MODEL. WE'RE GLAD SHE CAME OUR WAY.

Ever since Shione Cooper debuted as the cover girl of the July '10 issue, we've been wondering how those lips would look wrapped around a hard cock. We're not just talking about those blow job lips, which, as you can see, look very good when they're sucking dick. We're talking about her meaty, pliable pussy lips, too. Well, as the photo on the facing page shows, Shione's pussy lips look great when they're getting fucked. She looks too glamorous to be a fuck star, but she's exactly the kind of girl we *want* to be a fuck star.

Shione is another lovely natural from the Czech Republic, which continues to produce a parade of gorgeous babes with beautiful tits. Shione's been modeling since only the spring of 2009 and originally focused on pin-up style glamour. No open legs, no pink, no way. We were going to photograph Shione in that style because she's so seriously busty and pretty, but on two of our road trips to Prague, Shione was unavailable and we didn't connect. Then the message came in. Shione wanted to try XXX hardcore. There was no explanation for the 180-degree shift, but we were not about to question a gift from the boob gods. You can go online and see the hardcore video of this scene at Scoreland.com. Will Shione continue to fuck and become a full-blown porn star, another Czech fuck slut, or is her expedition into XXX a temporary fling? We'll be watching.

heart? I remember how enchanting I found Fantasia, how many rolls of film I shot of her and how I followed her around like a puppy dog. She's one of those models who is impossible to appreciate in her photo spreads. So tall and legs that go on forever and that cute little mouth.

Another model who cannot be fully appreciated except by those lucky enough to have gone on a Cruise is Angelique. Watching her dance to the Caribbean rhythms, you couldn't help but get drawn in by her seductive moves. It made me wish I could speak German or Portuguese because she spoke very little English.

Boob Cruise passengers got to know SaRenna Lee like never before.

As the Cruise went on, I found that SaRenna Lee was busy wrapping me around her little finger, a place I would happily find myself for several years and which would lead to many memories of our time spent together first on another Cruise and then in Jacksonville, Miami, Las Vegas, Tucson and San Antonio. Whenever SaRenna is around, something is going to happen! The secret about SaRenna Lee, though, is that she's a world-class cook, and an ideal evening with her is one in which she'll prepare you dinner.

Since I'm an open book, it was no secret to my fellow passengers on a later Cruise when Summer Cummings took my heart or on my last Cruise when Ariana did the same. The other girls would poke fun at me, too. They noticed that whenever Summer was

If you're thinking of calling a phone sex line, you're probably you're looking for arousing, hot talk and an explosive orgasm at the end. At ENCHANTRIX, we can give that to you. We invite you to call us at 800-730-3602 and find out just how mindblowing a fantasy phone session can be.

Our Enchantresses are selected for their intelligence and conversational abilities. anywhere in my viewfinder, she immediately became the focus of whatever picture I was taking.

I spent one unforgettable evening dancing with Lorna Morgan. When you were with Lorna, the rest of the world faded away. She would focused so intently on you, it was as if nobody else was around. Many of the passengers had similar experiences of Lorna's gift to make you feel as though you were the only man in the world. I've never known anyone else like that.

I treasure the time I spent on the Cruises and value the friendships I've made over the years. I'm especially grateful that the entire SCORE staff worked so hard to make these vacations such terrific experiences, but I am especially thankful to coordinators Europe DiChan and Casey James and to Su Fox, who put her heart and her love into those trips and then worked like a dog to make sure everyone had a great time. Thank you, Su, from the bottom of my heart.-D.B., San Antonio, Texas

Dear D.B.: Thanks to you and everyone else for sharing your memories of the five Boob Cruises. If there's anyone else out there who'd like to share their Cruise memories, please send them along. There will always be a place in SCORE for Boob Cruisers and Boob Cruise talk.

BRING BACK BREAST WORSHIP!

Dear SCORE,

Are you guys ever going to get back to breast worshipping? Previously, most of your hardcore pictorials would occasionally show guys worshipping a girl's breasts before they jumped into the real deal, but that seems to be a thing of the past. Cock worshipping is clearly the rule of the day.

I know softcore is a thing of the past, but this is ridiculous. What is the obsession with cocks? Aren't the women supposed to be the center of attention? Aren't you supposed to showcase their magnificent mammaries? More and more, SCORE and its various websites seem to be all about showing off guys' cocks, which is definitely not what a significant number of us come here for.

I'm guessing this obsession with hardcore is why more than a few of your models stop modeling for SCORE. They're not held up as objects of desire. They're portrayed as sluts. That can't be a positive thing for a girl's self-esteem, even during these permissive times.-D.W., via email

Arianna Sinn
SINN CITY

**ARIANNA IS IN TITTY CITY
WITH A PAIR OF NATU-
RALS THAT DESTROYS
ANYTHING SHE WEARS.**

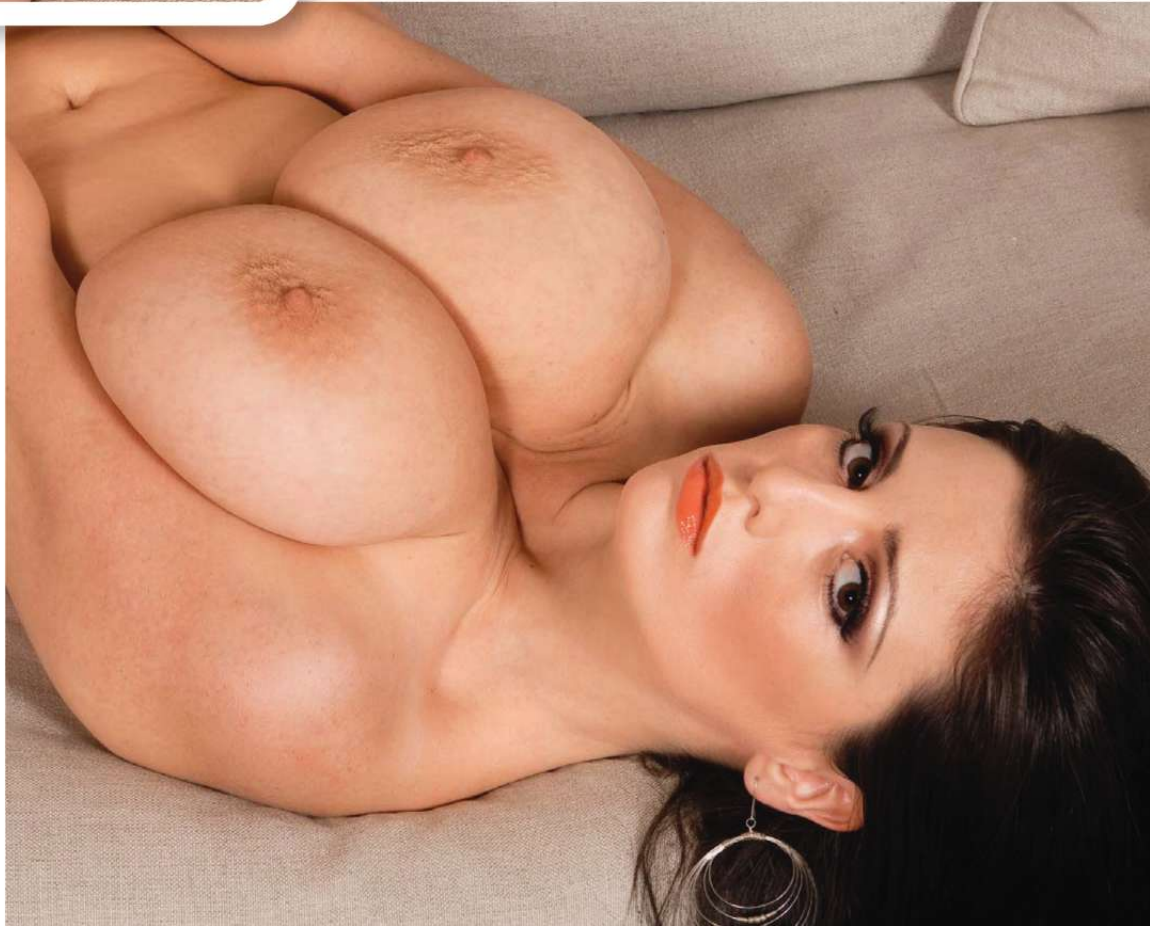

We close the curtain on our annual "All-Naturals" issue with the first naturally stacked newcomer who made a big splash in 2010. She's Arianna Sinn, our covergirl of the Feb. '10 issue, and she has something in common with two other girls in this issue, Taylor Steele and Natalie Fiore: Their tits all look amazing in tight tops. Sure, Arianna's giant G-cups look amazing when she pulls them out, too, but, like Taylor and Natalie, she's the kind of girl who has us at "Hello!"

Arianna was born in Bucharest, Romania. We flew her to Prague, Czech Republic for her debut photo and video shoot (she's one of the stars of the new DVD *All Stacked, All Natural*). Since then, we've been flying her all over the world, first to Grand Bahama, then to the Dominican Republic. Why? Because we know a great girl when we see her. And because there's a lot of new stuff to tell you about Arianna. First, she's going to have her own website, just like Christy Marks and Karina Hart have. Second ...well, let's just say it involves Arianna and a real cock and leave it at that. Because the thought of more Arianna in the year to come is a nice way to close this "All-Naturals" issue.
