## FEBRUARY WAS FABULOUS

Dear *Voluptuous*,

I subscribe to your wonderful magazine and often write to give my opinions. February 2008 was one of your better issues. The Video Pick, *Triple-X Tit Sex*, was a good start for the issue. Those six big-boobed ladies are awesome and make the DVD a must have.

Janet Jade is so spectacular that she made debut appearances in both *Voluptuous* and *SCORE* February issues. Natalie Fiore is breathtakingly beautiful and her 38DDD tits are amazing. She has a rich, ripe, full body and I only wish her pictorial had

shown more good open pussy and ass photos.

Sapphire shows how a pictorial should be. Watching her lick her nipples is a big turn-on, but to see her happily spreading and opening her pussy and asshole is sensational. It's also great knowing I have seen her sucking and fucking on DVDs.

Lorna Morgan is so sweet and sexy and even gave us a peek at her pussy and ass. She has a very innocent, wholesome appeal, yet looks like she would fuck you all night long.

The *Voluptuous Xtra* was cock-throbbing, cum-blasting awesome, as usual. It's good to have Samantha back and taking cock in her mouth and pussy. Her tits looked great covered in cum. Aspen can make me feel things that few women can. I don't know what I loved more, the photos of her tit-fucking, sucking cock or getting fucked. I own videos of Aspen having anal sex and absolutely love watching her round ass bounce and shake. What an ass! Her face is beautiful when her mouth is stuffed with cock and her tits look splendid when glazed with cum.

Crisa may have the biggest boobs in Bucharest, but her pussy and ass are

Samantha has become even more popular than ever since her return to *V-mag*.

Lorna Morgan is another *V-mag* veteran who receives a ton of mail with every layout.

surely some of the best there, too. Her poses are hot and sexy and I love how she exposes both her pussy and asshole. I also think her curly hair is perfect for her sexy body.

Mikki Laine's pictorial left me sweating with lust. Eight years are well worth

waiting for someone that gorgeous. Her tits are perfect and her full lips look very kissable. I can only dream of the joy I would get from eating her pussy while gently pulling her clit ring with my mouth. Her ass is nice, round and firm and made to fill a man's hand. I would

go to any club where she dances, no matter how far away.

Nicole Peters was made to wear black, thigh-high boots. The combination of her huge boobs and the boots was heavenly. She looks so sweet and sexy, but hot and nasty at the same time.

Finally, we have Wow Nikki. She is just my type and the definition of the total package. I like thick, meaty ladies who are in their prime. Have her back soon.—W.V., Durham, N.C.

## SHOULD WE PULL THE PLUG?

Dear *Voluptuous*,

I am one of your readers, maybe soon to be a former reader, who is getting tired of seeing your models constantly using dildos in their photos.

I have several reasons. One reason is that so often the toy actually gets in the way of what I want to see...the woman's pussy! I love the female genitalia and hate a fake rendition of the male genitalia. Is that so hard to understand?

Not only does the dildo usually block the pussy, but the girl's arm or hand is almost always in the way, too. It's only if she does some unnatural-looking

# KEEP PLUGGING AWAY!

Dear *Voluptuous*,

I don't usually write to any magazines, adult or otherwise, but I want to let you know how much I enjoy *Voluptuous* and I want to give my opinion on a topic I have seen addressed in your letters section several times.

It's about the models using dildos and vibrators. I am all for it. I realize you probably leave it up to the girls to decide what to do, but I like to see as much action as possible. I love your hardcore pictures, but some girls aren't comfortable with doing XXX, so if they're willing to fuck themselves with a toy, I say we should be grateful for all we can get.

Maybe after a few pictorials with a sex toy, a girl will decide it's only a small step up to playing with a real cock. We can only hope. So encourage your girls to masturbate as much as they feel like doing and then gently suggest how hot they would look with a guy's hard cock in their mouth and buried in their cunt.

Flattery may lead them to do what we really want to see most...them fucking their brains out in your magazines and videos.—D.P., Athens, Georgia

Dildos: Yes or no? Readers have opinions and reasons why on both sides of the issue, but all agree that Romina Lopez has a pretty pussy whether it's vacant or clutching a rubber toy.

acrobatics and reaches around under her ass and leg to put the dildo in her snatch that she doesn't completely get in the way. Given the choice between seeing a woman's arm, or her pussy, which would most of us choose?

The other thing is, it kind of ruins the fantasy of fucking these women if she has a dildo stuck eight inches deep into her. What the fuck would she need me for? I like hardcore and get turned on a lot by the XXX stuff you print, but a dildo is a different story.

Please stop using the dildos, at least every time.—V.D., Peoria, Illinois

## FANTASY OR REALITY?

Dear *Voluptuous*,

I like your magazine very much and think you do a good job of finding and photographing some of the best, big-boobed chicks around.

But, I do have a concern about something I have noticed in *Voluptuous* and all through the porn industry. Why do you hardly ever show your women

A mature, beautiful big-boobed like Wow Nikki is just what many V-men love to see.

Mikki Laine was absent for years, but came back even better than we remember.

with bare feet? A real woman takes her shoes off when she goes to bed, whether it's to fuck or sleep or whatever. I've been enjoying adult magazines and films for a long time and the women are always wearing shoes even when they are otherwise stark naked. That has bothered me for as long as I can remember.

I think the main reason is that it just looks so unrealistic. I like to imagine these models as if they were with me in my own bedroom, and if they were they would take their shoes off, I'm sure.

I don't have a foot fetish or anything weird like that, I just wish the women and the entire situation looked more realistic. What do you say to having at least some of the chicks kick off their shoes along with their bras and panties?—S.H., Grafton, West Virginia

## WELCOME BACK, MIKKI!

Dear *Voluptuous*,

It was great to see Mikki Laine in your

February '08 issue. I remember her from years ago, but time goes by so fast I did not even realize it had been so many years since she had been in *Voluptuous*. The most amazing thing is, she looks even better than before! She's a prime example of what I call "fine wine syndrome," which applies to something or someone that improves with age. Mikki certainly qualifies.

On that same subject, another favorite of mine who has only gotten prettier and sexier as she ages is Samantha, whom you had doing hard-

core in the Xtra section of that same issue. It's amazing that a woman of her size and age can be so hot, but the proof is right there on your pages.

Aspen also looked great with her lips stretched around a big cock in the Xtra section. The hardcore pages sometimes disappoint me, but I still always turn to that section first to see who you have in there. Samantha and Aspen make up for the times when you've had women who were not as good. But, to each his own. I realize not every reader is going to like every woman you have.

It's probably obvious from my previous comments that I prefer the more full-figured chicks like Samantha and Aspen. Sapphire has been one of my favorites for a long time and I was excited to see her in that February issue. But I have a question. She looked quite a lot slimmer, so has she lost weight or were those older photos of her? Her tits still looked big and wonderful, but I also like other pictures I've seen her where she has more belly, ass, legs and is just meatier all over. Please, don't tell me she has given in to society's pressure to be thin. That would be a real letdown.

Another chick I have always liked is Wow Nikki. Her pictures were as good as ever. She is another perfect example of a mature chick who still looks great and gets my cock harder than almost any younger woman could. I have always appreciated seeing her in the past, especially doing hardcore, and I hope you will have her back as often as possible.—J.B., via email

Dear J.B., Thanks for your letter. We're glad we can provide you with photos of the kind of women you love and adore. That's because we think exactly like you do! To answer your question, no need to worry about Sapphire. She's as pretty and plump as ever. See page 65 of this issue for all the proof you need.

**RAVING ABOUT REDHEADS**

Dear Voluptuous,

I want to share a few comments on your latest issue (February '08). Thank you for having Nicole Peters in Voluptuous again. I have missed her a lot. It was also great seeing Lorna Morgan and Sapphire again, too. I love redheads and those three are some of my favorites, along with Cherry Brady.

**There's nothing like a massage  
to relieve life's little stresses!**

A massage is a good start. But, a wet, nasty blow job and a good, hard pussy pounding are the best ways to finish off, especially with Aspen, Harmony Heart, Slone Ryder, Alix Lakehurst or Simone Staxxx!

# BIG TIT Rubdown

The five chesty chicks of *Big-Tit Rubdown* just love to have their jugs rubbed, squeezed and played with, but that's merely foreplay. Just ask V-mag veteran Aspen. "Sure, my tits are sensitive and I love to have them manipulated, but that's not all. It gets me horny and ready for a cock," she said. "My nipples are connected to my pussy by nerves. When my boobs and nips get attention, I can feel my pussy get wet and begin to open up in anticipation of a stiff dick plunging into me. I love to fuck!"

## VIDEO PICK OF THE MONTH

In our unending quest to bring you fresh pussy, *Big-Tit Rubdown* includes hot newcomers Harmony Heart, Alix Lakehurst and Slone Ryder, plus the return of Simone Staxxx. Slone is a dancer from Kentucky who summed up her scene in one simple word. "Scorching," she said. "I've been an adult performer for a long time, but I never did any hardcore until I got the opportunity here with V-mag. I was told it was a great experience, but that's not even close to describing how fantastic it was."

I love all shades of red hair, from dark auburn all the way to strawberry blonde and every shade in between.

It's not just their hair I like, but other traits they share in common, such as creamy, milky white skin, freckles and pink areolae. Redheads also have the most beautiful, perfect pussies.

There are three things that make a woman very attractive to me. The first is an amazing set of boobs with nice, round areolae. Another thing is a nice set of wide hips that round out into a nice, bangable ass like on Samantha or Monique L'Amour. Finally, let's not forget a beautiful pussy with distinct inner pussy lips and a prominent clitoris like those of Veronika or Samantha Kay.

I would love it if you would have Cherry Brady in another video soon. I absolutely love her. She

looks amazingly hot, but seems to have such a laid back and fun personality, which makes her even more attractive. She has it all with the perfect combination of great looks, killer personality, a great attitude and an over-active sex drive. No matter how hot a woman is, if she's a bitch you wouldn't want to be around her long enough to fuck her. I feel sure that would never be a problem with Cherry.-C.P., Greenfield, Indiana

### STOP THE INSANITY, PLEASE

Dear *Voluptuous*,

Reading the letters in your magazine, I feel like I must be in the minority here, but I don't like all the hairy pussies. This is the 21st century, people, not the 1940s!

Are you guys a bunch of crusty old farts who long for "the good old days" when a woman's pussy could not even be seen because of all the hair in the way? A modern man likes to look at a pussy that's unobstructed by a thick, nasty bush.

I swear, when I see one of those Sasquatch chicks in your magazine

I think I can almost smell her stinky pussy with all that hair catching and holding onto her piss. That's just too fucking gross!-D.H., Santa Fe, New Mexico

### THAT'S NICE, NEW NOOKIE!

Dear *Voluptuous*,

You almost always provide the best new models issue after issue, but I think you outdid yourselves in your January '08 issue.

Alix Lakehurst is a super discovery. She's not the prettiest girl you've ever had, far from it, but she's got great tits and a nice, plump body like a good V-gal should have. I'd love to see her doing hardcore.

The South American girls keep popping up and Diana Navarro ranks right up there with Romina Lopez, Paola Rios and other hot

Newcomers Diana Navarro, above, and Danesha Marquel, below, were big hits with many readers in the Jan. '08 V-mag.

South American girls you have found in the past few years. I love the exotic look of the Latinas.

Danesha Marquel was another great new girl in that issue. Black girls don't often do much for me, but Danesha had me hot to trot the moment I laid eyes on her full breasts and mouthwatering pussy. I could show her a good time.

It has to be a real challenge to come up with so many great new girls for each issue, but you manage to do just that month after month. I envy your talent scouts who find these girls and per-

# 2007: The Year of the Newcomers!

Summer Lashay  
3<sup>rd</sup> Runner-up

London Andrews  
2<sup>nd</sup> Runner-up

**E**very issue of *V-mag* has pictorials of great, new girls. Our worldwide scouts are constantly seeking out the kind of bodacious, big-boobed babes who have made us, and themselves, famous. But for 2007, those scouts deserve a huge bonus. We had so many strong new contenders from all over the globe that it was a very difficult task to narrow the field down and prepare this year's ballot. From the January 2007 issue all the way through the year, new tits ruled! Thousands of votes were cast and it was closer than ever. April McKenzie took the top prize by a nipple.

**April

**A**ll of our award categories are decided by readers' votes, but we also turned to fan input to decide who to include on the final ballot. Reader mail, back issue sales and video sales all played a role in determining who you guys liked best. As always, the voting was extremely close, but in the end April emerged as the clear winner, narrowly edging out Tera Cox, London Andrews and Summer Lashay. "Oh, my God!" April said when told of her win. "All the girls are so beautiful. I can't believe I won. I've never won anything in my entire life, so this is extremely special for me. I am so happy to be honored."

**Videos:** *Pounding the Pledges, Tits on Top* (both XXX-Rated, available in the Video Club on pages 98 and 99), *Tits & Tugs* (XXX-Rated), *Busty Big-Uns* (X-Rated) All videos available online at [eBoobStore.com](http://eBoobStore.com).

**A**pril has been a very busy girl since her July '07 debut. "I didn't want to waste any time," she said. "I returned for several photo shoots and went right into doing hardcore sessions and videos, too. I was in *Pounding the Pledges*, the best-selling video of 2007, and in *Tits on Top* doing a threesome with Tera Cox. Being Newcomer of the Year makes it all worthwhile."

It's no secret that Eastern Europe has turned out to be a hotbed of new *V-mag* discoveries. A perfect example is Anna Carlene, discovered on a recent trip our studio staff took to Romania. "I was kind of homely and chubby as a child," Anna told us through an interpreter. "I didn't think I was as pretty as the other girls and I got laughed at a lot. That hurt at the time, but I think I turned out very good! I am now a model and those girls work in dirty factories."

***"I am proof  
that dreams can

Anna said her boobs suddenly popped up out of nowhere, and her life hasn't been the same since. "I don't remember at exactly what age I was, but it was like I went to bed one night and the next day, there they were," she said. "Then I was a hit with the boys and all those mean girls envied me. I had no boyfriends at all before my boobs developed, but then I had more dates than I could keep up with. It was fun, especially when they tried to feel my boobs and I wouldn't let them. It was great to have the power. Those boys tried everything to play with me, but I kept my virtue a long time. My first sex had to be extra special."

We're lucky to have found a big, beautiful girl like Anna, and she feels the same. "I knew there were magazines like yours, but I had no clue how to get into them," she said. "Then I heard that some of your photographers were coming here and I went to the audition and felt so fortunate to be selected. There were many girls there and most were very beautiful and sexy. I'm very surprised I made it."

**"Like what  
you see?  
Me, too!"**

It's been well more than a year (Holiday '06) since we've had the chance to gaze longingly at Belle's super sucklers. She gave us all raging boners then, not only with her photos but also by confessing that she loves fucking and knows how to get all the dick it takes to keep her satisfied. "By dressing slutty," she said. "Successful fishermen know what bait to use. The best companies know how to advertise effectively. I'm the same. I show off these fine boobs and guys line up."

Belle said her previous magazine layouts have helped with her hunt for the perfect cock. "I always have gotten plenty of manly attention just with my body and dressing to show it off," she said. "But since I've been in *V-mag*, guys recognize me and come on to me even more than ever. It's funny, because some think they know me but they're not sure where from. They ask if I'm an actress or a T.V. weather girl."

## 2007: The Best of the Best

**E**very year we are amazed at the number of votes that pour in for our annual awards. All of our finalists have legions of loyal fans and the margin between them has never been closer. But there can only be one ultimate winner and for 2007 the top vote getter was Angela White. We recently had the opportunity to talk to Angela about her win, her career and her love for other big-boobed girls.

INTERVIEW BY DAVE ROSENBAUM

**V-mag:** We are here today with Angela White, our V-mag Model of the Year for 2007. Hello Angela, and a big congratulations on winning our highest honor.

**Angela:** Thank you. I'm always happy to pay you a visit, but this is so very special. When I first got the news from your editor, Gary Phillips, I was literally in shock. Since I live so far away, Gary sent me an email and I sat at my computer for about 10 minutes with tears rolling down my face, completely speechless. Tears of joy, mind you. It really is a dream come true. I admire all the other women so much that I never thought I really had an honest chance at winning it myself. I'm so grateful to all the fans who voted for me. I'm flattered.

**V-mag:** We have models from all over the world, but you come to us from even farther away than

**E**very contender in the Model of the Year contest has literally thousands of fans. "Kerry Marie is the best you've ever had, with the most perfect tits on the planet" wrote J.R. of Bonita Springs, Florida, about our 1st Runner-up, left. "There's never been anyone better than Samantha (right) and there never will be," claimed B.A. of Lewisville, Texas. "I don't have to see Sunshine's pictures to get a hard-on," wrote J.C. of Hickory Grove, South Carolina. "Just thinking about her turns me on." Angela White got the most votes, but you can't say any of these V-gals are losers.

most, don't you?

**Angela:** I suppose I do. I'm from Sydney, Australia.

**V-mag:** So, it must take you quite some time to get to us.

**Angela:** It's 15 hours from Australia to Los Angeles, then another five hours from Los Angeles to Miami.

**V-mag:** So, you literally fly halfway around the world to get naked in front of our cameras.

**Angela:** That's because I love modeling for you. It's fantastic.

**V-mag:** Angela, you are one of our favorite *V-mag* and *SCORE* models of all time, not just this year with your Model of the Year win, but every year. Do you know why?

**Angela:** No. Tell me.

**V-mag:** You're cute. You're sexy. You have very big boobs. But there are many other reasons, too.

**Angela:** Please, tell me more. [Laughs]

**V-mag:** You are so enthusiastic and have such a wonderful attitude.

**Angela:** I just love this and I guess it shows. It's so much fun and I'm a bit of an exhibitionist, so it's exciting!

**V-mag:** In what ways are you an exhibitionist?

**Angela:** I just like being naked and just being natural and having everybody

watch me. I like touching myself and other women, so doing solo and girl-girl photos and videos has been a perfectly natural thing for me.

**V-mag:** Another reason that you are so popular with our readers is that you are a lot like them. You like girls with big boobs, don't you?

**Angela:** You're right, I do love all of them. I love your magazines and your movies. I like to follow the model's careers and knowing what they've done. Lorna Morgan is one of my favorites and I got to meet her and I was so excited about it. I told her how I loved various photo shoots she's done and how I have followed her career. She's just fabulous. So, I'm not just a model, I'm also a huge fan.

**V-mag:** So, do you think you like models with big boobs because you're a big-boobed model yourself, or do you just like large-breasted girls even if they're not models?

model. Women with big boobs are beautiful. They are very natural and womanly and have fabulous, curvy bodies. Like Lorna, she is so curvy and wonderful. Or Christy Marks. Her boobs are just out of this world!

**V-mag:** You've never even seen boobs like Christy's, have you?

**Angela:** No, I haven't. I think they are the biggest I've ever seen, especially on a girl who is as slender as Christy. That makes her even more phenomenal than most others.

**V-mag:** You got to spend some time with Lorna and Christy and some other big-boobed models this past year, didn't you? Tell us about that.

**Angela:** Yes, I did, and it was fabulous. We were all invited to a special week-long trip to do photo and video shoots in Eleuthera, in the Bahamas. There was Lorna, Christy, Terry Nova, Gianna Rossi and myself. We all stayed together in this gorgeous beachfront house and I even got to share a bed with Lorna! It would have been a dream come true anyway, but that was just over the top! She's such a good snuggler! Since I am such a fan of the big-breasted girls, I was as excited as a kid at Christmas to be invited. We got a lot accomplished while there and the

**T**he June '08 issue of the world's dirtiest ass mag is on-sale now, and it's dirtier than ever. Loaded with black, Latina and white butt sluts who spread their asses so you can shoot your cream all over their pics, *BootyLicious* is the official magazine of men who'd rather fuck a chick's ass than her pussy. Of course, our girls will let you do both!

***"I haven't fucked a  
president yet, but  
I'm still young!"***

**Jacky O.**

It's great to meet a girl who has goals in life. "I want to fuck as many powerful, rich and high-ranking men as I can," she confessed. "It's like I get to take some of their power from them when I drain their nutsacs and leave them exhausted. I know some people would call me a gold digger, but I prefer to think of myself as simply ambitious. I won't expect to be paid for any of it, just treated like a lady."

Jacky said she hasn't bedded any world leaders...yet. "I have had a few very wealthy German industrialists," she said. "A few even fell in love with me and begged me to marry them, but I had to turn them down. It was very tempting. I would love to be rich, but when I do decide to marry someone I plan to be faithful. If I got married now it would ruin my plans of fucking my way to the top. It's not only about money, it's also about prestige and power. It's great to fuck a powerful man with a big cock."

**Ambition:** "To fuck my way  
to fame and glory."

Jacky feels that appearing in *V-mag* will only help her achieve her goals. "In Germany and all through Europe we tend to have a much more open attitude about sexual things," she said. "So I am not worried about being photographed naked causing a big scandal like it would in the United States. Can you imagine a candidate for president being linked to a nude model? He would have no chance."

2<sup>nd</sup> Runner-up

**W**inning any contest two or more years in a row is quite a feat, but is not surprising for the 2007 Plumper of the Year award. *V-mag* is all about big, all-natural tits and the best are simply found on the heavier girls. Gigantic jugs abound on full-figured babes such as Redd Adaire, Miranda and Deja, all of whom have thousands of fans and received the votes to prove it. But the reigning queen of the plumpers, Sapphire, can keep that crown for at least one more year, as she and her fantastic funbags crushed the competition for the second straight year.

I'm really appreciative that you guys like bigger girls and all we have to offer. results speak for themselves. There are two DVDs out now that were shot on that trip. One is called *Big Boob Paradise* and the other is a behind the scenes look at how *Big Boob Paradise* was filmed called *On Location: Big Boob Paradise*. They are sold individually or you can get a special deal if you buy them both together, which is the best way to go. Shooting anywhere is always good, but to get out to an exotic location with beautiful scenery, white sand and blue water was the best. Add to that five women with 10 big tits and it truly was a paradise.

**V-mag:** You have modeled with Cherry Brady (*Voluptuous*, April 2007). Do you think Christy Marks has even bigger boobs than Cherry?

**Angela:** Yes, I think so. Cherry is big, but Christy is even bigger. Christy and Terry Nova had the biggest boobs on the Bahamas trip, and that's saying a lot considering who else was there. Cherry was not on that trip, but I have modeled with her before and we have remained friends and stay in touch. She's so much fun and we share our love for big boobs. She reads the magazines just like I do. And she is so funny. When we did the video *B.L.O.W. (Busty Ladies of Wrestling)*, almost all of our spoken lines were ad libbed. We made it up as we went along, and Cherry was such a natural. We had to do retakes a lot because she had the rest of us cracking up when we were supposed to be acting serious and tough or mad at each other. I was the worst. I laughed at almost everything she said. She's that way naturally, too. We will get on the phone and talk and laugh together for a long time. She's a great friend. I would love to have the opportunity to do more things with her. That would be fantastic.

**V-mag:** Do you see *V-mag* and *SCORE* every month?

**Angela:** Just about every month. Since I am in Australia it takes longer for the issues to make their way all the way down there. But I get them as often as I can. And, I go to your Internet web site, [Scoreland.com](http://Scoreland.com), too. That is so good because there are thousands of photos and videos to be enjoyed, all there in one place.

**V-mag:** Okay, you claim to be a big fan. Let me ask you about some of our other models, then. You have already men-

tioned Cherry Brady and you know her personally, but what about Marilyn Sakova?

**Angela:** Marilyn has fantastic breasts and I think she is even a little bit thinner than Christy Marks. I haven't met Marilyn in person, so I don't know much about her personality. I would like to see more videos of her and hopefully meet her in person someday. She looks amazing.

**V-mag:** What about Sharday?

**Angela:** Oh, come on! Everybody loves Sharday! She has the perfect hourglass shape with a really small waist and a bigger butt and huge boobs. Her proportions are the best. I was sadder than anyone when she decided to retire. It was a sad day.

**V-mag:** I'm going to test you a little bit here. Do you know who Anna Song is?

**Angela:** Of course I do. *Cum Along With Anna Song!* [Laughs] She's another gorgeous girl. She has really lovely legs. I have heard people criticize her for being too slim, that she doesn't really belong in *V-mag* and should only be in *SCORE*, but I think her breasts are nothing short of phenomenal, and that should be the greatest criteria when it comes to being in this magazine. I really like her face, too. Very pretty. She's another one I haven't had the pleasure of meeting in person, since she's in Europe. But I would love to someday.

**V-mag:** What about Angela White?

**Angela:** Oh yeah, she's really cool. [Laughs] She's a great Aussie from Australia. Aussie from Australia? That's kind of repetitive, isn't it? [Laughs] Yeah, she's great. What can I say about her? Yeah, she's okay. Maybe she'll make it big someday if she keeps at it and works really hard. [Laughs] Maybe she can be Model of the Year!

**V-mag:** So, you weren't kidding with me. You really do know a lot about all the girls. That is so cool.

**Angela:** Like I said before, I am a big fan. I guess I just proved it to you. I look at *V-mag* all the time, not just the issues I'm in.

**V-mag:** Yes, you certainly did prove it. You know as much about these models

as we do. There's something I really want to ask you, and I don't want this to be taken the wrong way, but there's something I have been wondering about for a long time and now that I'm sitting here face-to-face with you I just have to ask it. You haven't done any hardcore, boy-girl photos or videos and I can't help but wonder why.

**Angela:** I have thought about that, quite a lot, actually, and it's not a no and it's not a yes. I have followed other girls like Brandy Talore and Gianna Rossi and they look so hot riding cock! And I have thought about how great it would be to have my pictures on all those video covers and show the guys how I like to fuck. But other times I'll look at your magazines and I think about how nice it is when the girls are on their own and looking glamorous and leaving some mystery about themselves. The other thing that has made me undecided about it is the mail I get from fans. It's an even split between those who say they want me to do hardcore and they can't wait to see me fuck, but then the other half says they don't ever want me to and it will ruin the fantasy to have some guy's cock in there. So, how am I supposed to satisfy everyone? It's that way with other things, too, like half the guys want my pussy to be shaved and the other half does not. So, I have decided the best way to handle any of these issues is, first and foremost, to be true to myself and do what I feel is right for me.

**V-mag:** Which way are you now? Shaved or hairy?

**Angela:** Right now I am shaved, but for a while I had a wet bush. But I decided to shave to please those who like me that way, to mix it up. Now, that's something I can do to please everyone, because I can shave my pussy and the hair can always grow back. But if and when I do hardcore, it will always be out there. Even if I did it only once or just a few times, those photos and videos would never go away, so that's why I have been a little reluctant to do it so far. Once you do it, it's done.

**V-mag:** Wait a second. Back up. What did you call it when your pussy has hair

on it? Wet bush? I've never heard that term before.

**Angela:** Yeah, wet bush. [Laughs] You know, you have your bush and it's getting all wet.

**V-mag:** I can understand the two sides of the boy-girl thing. On one hand, I'd love to see it, but then again, you're fine just the way you are doing solo modeling and a little bit of girl-girl here and there. I think you should do whatever you want to do.

**Angela:** You know what? I don't even know what I want to do. Sometimes I want to fuck a cock and then other times I'm perfectly content not to. So, I'm waiting until I know I want to do it without any doubts and if and when that happens, I'll do it. So, like I said, it's not a no and it's not a yes, so who knows? I'm considering it. I get plenty of sex in my life off-camera, so that's not a factor at all.

**V-mag:** It sounds like you're saying you probably will do hardcore one day.

**Angela:** That's right. Probably one day, unless I get a million fans who read this and write to me and say, "Don't you dare!" Then it would be a no. Unless, of course, I just really wanted to do it, then I would anyway.

**V-mag:** I'm really glad I asked. I was hesitant about that.

**Angela:** Maybe I'll take things kind of slow, like doing a jack-off video first giving a hand job. Then maybe a blow job or two and move up the ladder to full fucking.

**V-mag:** Here's the thing. From your very first layouts you have been hot. You look hot, you talk hot, you like sex.

**Angela:** I love sex! So, I guess it just seems like it would be a natural progression that I would do hardcore? You know what I have noticed, though? Most of the *Voluptuous* models who have won Model of the Year have not done hardcore.

**V-mag:** Let's go through a few.

**Angela:** There's Sharday and before her it was Via Paxton. Neither have done hardcore. Nicole Peters and Kelly Kay have never done hardcore. Nadine Jansen won just last year and she also

has not done hardcore. Nadine never even spreads her pussy. So when you look at that fine group of women, it might make you conclude that many of the *Voluptuous* readers aren't that crazy about hardcore. It's hard to appease every fan, but I do the best I can.

**V-mag:** And then we have the 2007 Model of the Year, who also has not done hardcore. Angela White.

**Angela:** That's right, and I'm honored to be in the same class as those we just mentioned. That makes me feel so wonderful. I think I'll go make myself a crown. [Laughs] I'll send you some pictures of me wearing it.

**V-mag:** Obviously, the *V-mag* Model of the Year has to have big boobs. What size bra do you wear?

**Angela:** 32GG, but that's the United Kingdom size. I don't know what that is in an American size. I'm not sure if American sizes are larger or smaller than in the U.K. [editor's note: U.K. sizes are slightly larger. Angela's U.K. 32GG bra would be a 32FF in the U.S.]

**V-mag:** Angela, you must be the biggest tourist attraction in Sydney, even more popular than the opera house. You're much better built.

**Angela:** Well, thank you. You're very kind to say that.

**V-mag:** So, what kind of things do you have going on down there in Australia?

**Angela:** I have a part on a mainstream Australian T.V. show called *Pizza*. It's a comedy about a pizza shop called Fat Pizza and it's about the crazy situations the delivery boys encounter when they are making their deliveries. It's very funny and a bit racy. I can't tell you very much about my character because it hasn't actually come out yet, but I am very sweet and sexy.

**V-mag:** So you're not acting?

**Angela:** Yes, I'm acting.

**V-mag:** But you said your character is sweet and sexy and that's how you are naturally.

**Angela:** Oh, I get it. Well, I was acting a bit because I wasn't playing the part of Angela White. It wasn't like a cameo appearance as myself. My name on the show is Ruby. But Ruby is very much like myself, so getting into character has not been very difficult.

**V-mag:** How did you get that job?

**Angela:** They advertised for it and held auditions. I always did drama at school and I obviously enjoy performing. So I auditioned and thought I might be

**Brandy Talore**

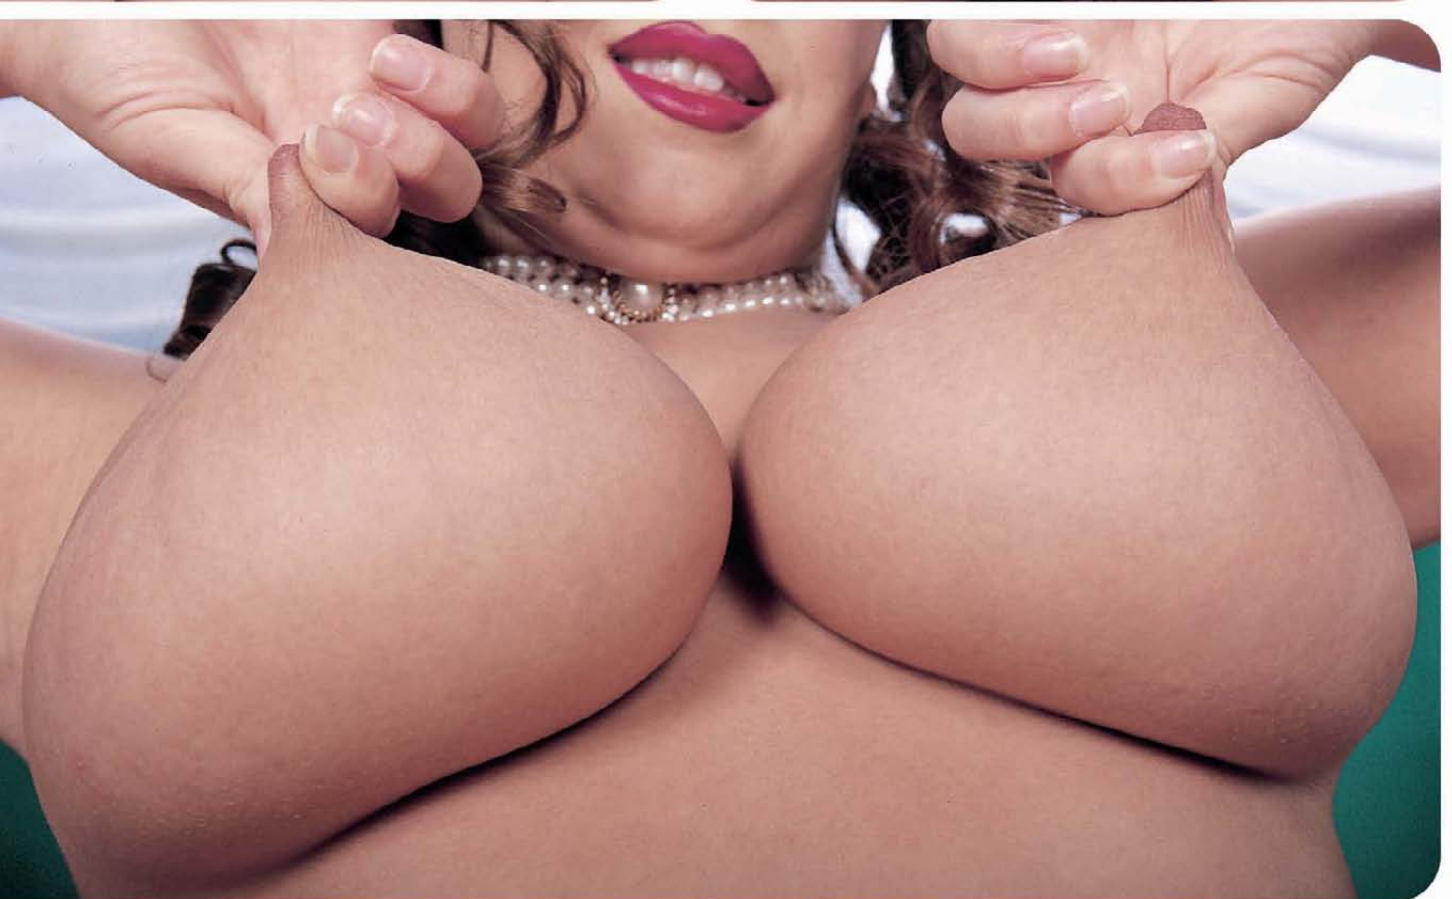

Brandy may look innocent and bridal in her all-white outfit, but we know if we were at the altar with her, we'd tell the preacher to talk faster so we could get to the fucking! We've seen her in action enough times to know it would be the wedding night of a lifetime! "I love to fuck and I always cum good and hard, but my very favorite thing to do is suck dick," she said. "I love the way a cock tastes and the way it feels in my mouth. There's nothing else that twitches around like that."

Like so many *V-mag* models of the past several years, Brandy started rather slowly and worked her way up to full-on hardcore fucking. "I did kind of test the waters at first to see how I would like modeling and to see how I would be received by your readers," she said. "But that all went so well I jumped at the chance to do boy-girl fuck scenes as soon as I could. It's kind of funny now, I remember being scared by how big my first on-screen partner's cock was. I had not been with very many guys before then, and they all had dicks that were more average in size. I thought your big guy would kill me, but it really felt very good. I orgasmed four times."

## ANGELA WHITE

Continued from page 76

lucky enough to get a small part as an extra or something, but I ended up getting a more substantial part.

**V-mag:** Is acting something you've always wanted to do?

**Angela:** Roles are limited for women with really large breasts. So I don't look at acting as a full-time job or career. That's just not going to happen.

**V-mag:** How long were you on the set, a couple of months?

**Angela:** They actually shot the series for about three months, but I wasn't needed the entire time. I'm not in every episode and in some I only make a brief appearance or two, so I didn't need to always be there.

**V-mag:** How many episodes are you in?

**Angela:** Either the very first, or maybe the second episode, is almost entirely devoted to my character. I make smaller appearances in several other episodes, as well. That's why I didn't have to be on the set the entire time. We filmed my scenes all in a relatively short time. That's good because it freed me up to do other things.

**V-mag:** That sounds great and we would love to see it, but if it's an Australian program how can we see it here in the United States or in other countries where your fans are?

**Angela:** You can most likely find it on the Internet on a site like YouTube. I'm not entirely sure about that, but do a search for Fat Pizza on the Internet and something will probably come up. I hope so, anyway. I want all my fans to see me. It's something quite different for me to be doing and it was a very good experience. I hope to do a lot more, on Pizza and on other projects, too.

**V-mag:** I hope we can find it and view it. I'm sure you're great in it and we're happy for you. That brings me to something else I wanted to ask you about. Not very long ago we started a fantastic new feature that's available only on our web site, [SCOREland.com](http://SCOREland.com). It's called *SCOREtv* and it's a talk show all about big boobs. We do interviews and profile pieces on our best models and other interesting and entertaining things, all about tits. And you've been helping us. What you've been doing for *SCOREtv*.

Australia. Thanks to modern technology I'm able to record my pieces and send them to you electronically, so they are very current and up to date with hardly any delay time at all. I hope I can come to the SCOREtv studio and be one of your guests someday, but this way I get to contribute to SCOREtv without having to travel all the way to Miami, so it's been great fun. It's a very good program, too. Not just my segments, but the entire thing. I think they could use a better host, though. [Laughs]

**V-mag:** You know, I've been thinking the exact same thing! It could be a huge hit with a better host. [Editor's note: Dave Rosenbaum, who conducted this interview, is the host of SCOREtv.]

**Angela:** Of course, I'm only joking with you. You do a marvelous job with it. Maury Povich and Montel Williams have nothing over you. It's really a marvelous concept and since it's on the Internet, the girls can show their breasts and talk openly about sex and there's no restrictions like you would have to deal with on regular television or even cable.

**V-mag:** Well, thanks, Angela. I do enjoy it and your feature reports are great and we're lucky to have you doing them for us. All of the episodes are archived, so anyone who has missed the first few can still see them. I hope everyone will check it out. Is there anything else new with you?

**Angela:** I'm going to the university in Australia, so that takes up a lot of my time. I'm majoring in gender studies and French.

**V-mag:** Gender studies? That's like male and female?

**Angela:** Yes. That's what I'm studying, and I am very proud to report that my grades have been excellent so far. I guess it would seem only natural that I should know a lot about male and female subjects, right?

**V-mag:** When will you graduate?

**Angela:** Not for a long time, I'm afraid, since I'm not going as a full-time student. My modeling and acting can't come to a halt for school, but I manage to balance everything rather well. I love college life, though, so I'm in no hurry to graduate, but I have at least two more years. I'm planning on trying to get into an exchange program, so you may see me again in America very soon. I'll let you know what university I go to and you can fly me down to Miami and photograph me all the time.

true. Do you think the professors or other students treat you any differently because of your enormous rack?

**Angela:** Well, I can honestly say I don't get any favors like better grades than I deserve or anything like that. I've earned my good grades the old-fashioned way, through paying attention in class and studying what I'm supposed to. The funny thing is with my breasts as large as they are, people have a way of judging me as being stupid before they even get to know me, like I'm a bimbo or something. I definitely am not a bimbo and people find that out rather quickly in an academic setting like at the university. So, yes, I do get treated differently sometimes, but not usually in a good way.

**V-mag:** Can you give us some examples of that kind of thing happening?

**Angela:** Once, when classes had just started and the professor didn't know me yet, he approached me after class and asked if I fully understood that day's lecture and did I know what the homework assignment was? He said it very slowly, as if he was talking to a small child. I politely, but pointedly, explained exactly what he had said in the class and described the homework assignment down to the finest detail. It was as though he couldn't believe his ears. He said, "Okay, you get it." [Laughs] I said, "Yes, I do, and please don't forget it." He was extra nice to me all through the rest of that term and I got the highest grade in the class. When it comes to doing class projects in pairs or teams, everyone wants to be my partner. With the guys I suspect it may be because of my tits and with the girls it may be because they know I'll help them get a better mark. But, it could be the other way around or maybe both men and women like my boobs. Who knows? [Laughs]

**V-mag:** Well, Angela, you obviously have been very busy in 2007 and so far in 2008. You look like a good example of what hard work can do for a person. Congratulations again on being named the 2007 V-Mag Model of the Year, and maybe you can repeat as the winner for many more years to come.

**Angela:** Thank you again, and especially thanks to all the readers who took the time to send in their votes and thought enough of me to choose me as their favorite. I'll carry the title proudly and promise not to let anyone down and will do even more to earn your love. ①

suaude them to get naked in your studio. I suppose they get their faces slapped every now and then, but they surely still love their jobs.—F.S., Lincoln, Nebraska

### DOES SIZE REALLY MATTER?

Dear Voluptuous,

I have been a big fan of your magazines and other adult material for several years now, and I am interested in entering the porn business as an "actor." The biggest problem I have is I don't know how to get that first big break.

I'm 25 years old and a decent-looking guy who works out regularly and eats healthy meals. I'm 5 ft., 8 in. tall and have a very solid, 5-inch dick that has no trouble getting and staying hard.

I can't help but notice that your actors and most others I see in videos and on the Internet have cocks that are quite a bit bigger than mine. I'm thinking that a lot of your fans would enjoy seeing a guy who is more "normal" in that regard, someone they could relate to better and give them the idea that a guy like me with a regular-sized dick can get laid and satisfy your gorgeous women just as good or better than a dude with a horse dick. That fucking John Holmes and Ron Jeremy had to come along and fuck it all up for the rest of us!

I would be willing to perform with any woman you want to hook me up with, but some of my favorites are Gianna Rossi, Sunshine, Aspen and Brandy Talore. But I would not reject any of your fine models. Getting to fuck any of them would be a wet dream come true.—J.C., Arcadia, Florida

Dear J.C., Thanks for your generous offer. The way to apply for stud status is the same as for the female models. Check out [BeAScoreModel.com](http://BeAScoreModel.com) and you'll find a video with one of your dream girls, Gianna Rossi, explaining how to send in photos for consideration. And good luck.

### THE FUCKING IS FANTASTIC!

Dear Voluptuous,

I may be considered an old timer, as I grew up in the 1960s and 1970s with adult magazine selections pretty much limited to *Playboy*, *Penthouse* and a scarce few others. Back in those days I did plenty of jacking, but the girls didn't hardly even show their pussies at all. It was a very special thing to see even a

glimpse of pussy hair. The chicks kept their legs as tight together as my girlfriends did.

Then *Hustler* came along in the middle to late 1970s and broke the pussy barrier wide open, literally, by showing women actually spreading their cunts wide like they desperately wanted to be filled with a hard dick. That was an improvement, but to me the women usually looked pretty trashy and unappealing. There were exceptions, of course, but most of them looked like you would run the risk of catching some wicked disease if you fucked them. No, thanks.

Then came *Voluptuous*, and it was like my fantasies had come true. I have always preferred big tits, and you guys were not afraid to feature models that a lot of guys would call "fat," but I call fabulous! I would still buy other men's magazines from time to time, but *Voluptuous* became my regular jack mag of choice.

But then I nearly popped a load right there in the bookstore the day I saw the most recent issue of *Voluptuous* and it contained several pages of real hardcore, with big-titted babes actually giving blow jobs and fucking and taking blasts of cum all over their tits. I could hardly believe my eyes! It contained the kind of dick-hardening material that usually was found only in magazines or books costing two or three times as much. I've been a devoted V-man ever since that day. I have even ordered a few DVDs and VHS tapes from you and have never been disappointed. They are my favorite ones.

The reason I am writing is to express my gratitude for everything in your magazine, but especially the XXX hardcore. I have read letters that criticize you for having it, but please don't pay any attention to those. *Voluptuous* is a sex magazine and no one should be surprised or offended to find pictures of sex inside.

Usually the hardcore pics are in the Xtra pullout section anyway, so anyone who doesn't like it can easily pull it out of the magazine and get rid of it so it doesn't bother them. As for me, the only thing I pull out when I see your hot chicks fucking and sucking is my hard, throbbing dick.

The only suggestion I might give to you is to expand the Xtra section and give us even more XXX. It's a jacker's paradise.—M.B., Columbus, Ohio

## V-MAG IS OUR SEXUAL AID

Dear *Voluptuous*,

I know a lot of guys have to keep their titty magazines hidden away from their wives or girlfriends out of fear that the women won't understand and will be jealous and mad. But, I have the kind of woman who is more than understanding. She likes *V-mag* just as much as I do, maybe even more.

I have a stack of back issues and buy every new copy as soon as it's available. We like to look at them in bed and read the stories out loud as a form of foreplay. It's very exciting to look at your fantastic models and read your hot stories while my girlfriend sucks my dick. She can tell she's doing me really good when I can hardly speak anymore. I can't believe I am so lucky to have a woman who will do this with me.

After we've worked each other up really good, we fuck like crazy. We don't have intimate relations, we don't make love and we don't have intercourse. We fuck! My cock gets hard and her pussy gets wet from your magazine, then my cock pounds into her. Thanks for helping to make a great sex life even better.—R.M., Aspen, Colorado

**Georgie**

Outdoors and naked? That's our kind of girl! Plus, Georgie has a great rack and an extremely cute face. She has us already thinking about the next round of the Newcomer of the Year award. "Nude modeling is something I have always been curious about," she said. "I'm basically kind of shy, so this is a bold step for me."

Georgie says her shy nature has hampered her social life, but she thinks that may be about to change. "I have always been nervous when guys tried to talk to me or flirt with me," she said. "I never knew what to say or do. But now that I'm coming out of my shell, and out of my clothes, I feel a new confidence I never had before. Knowing that thousands of guys will see me naked, that's very empowering."

"I have not had very much sexual experience so far, at least in the number of guys I have had," Georgie said. "But that's okay for now. I'm only 19. I do love sex and find it very exciting and satisfying. Even now that I'm modeling, I don't intend to go totally wild, but I think I will be expanding my sexual horizons and enjoying my body. I want to discover what a wide variety of lovers and situations can give to me."

# PRIZE-WINNING PUSSY TIMES TWO!

In this special awards issue, we have something extraordinary for the Xtra section. 2007 Newcomer of the Year April McKenzie and first runner-up Tera Cox teamed up for a three-way in the DVD, *Tits on Top*. These images are from that scene. "I like all kinds of sex and threesomes are a favorite," April said. "Being teamed up with a babe like Tera and a well-hung guy was pure heaven."

It's the top  
two newcomers  
of 2007, working  
one lucky cock!

*Tits on Top* was shot from the "point-of-view" angle, meaning the viewer has the perspective of the lucky dude getting his salami serviced by these two nymphos. "I like sex with guys or girls, or both, so whether I was being fucked or had my tits in April's mouth or was sucking the cock, it was all tremendous," Tera said. "The only thing I can think of that could have made it better is if there were even more people involved. The more the merrier!"

# "I LOVE TO FUCK AND IT SHOWS!"

It seems like every time we see Skyie Blew, she has a hard dick in one or more of her hot fuckholes. She says the reason is easy to figure out. "I love to fuck, anyplace and anytime," she said. "Not quite with just anyone, I have standards, but I'm so horny I'm willing to compromise if a guy has all the right moves." Do those moves include a big cock? "Not always. I know it sounds like a cliché, but a guy's package doesn't have to be huge to get me off. The main requirement is that he gets it hard and stays hard until I'm satisfied."

**"A finger, a  
tongue or a  
hard cock.  
It's all good."**

A woman with large breasts and a navel piercing is lying on a bed, looking at the camera. She has a tattoo on her lower abdomen. The image is a full-body shot, showing her from the waist up and down to her thighs. She is lying on her back, with her legs slightly bent. Her hands are resting on her breasts. The background is a light-colored, patterned bedsheet.

"One commonly asked question is what my favorite fuck position is," Skyie said. "That's an easy one. I love them all! Just look at my photos and you'll see. Every position has its good points. The angle and depth of the fucking is a little different, depending on how I'm lying or kneeling or whatever, so I like to move around and get cock-slammed from as many directions as possible. For a big girl I am very flexible. I have surprised a lot of guys with all the ways I can twist around for them."
