Sealed With A Nasty Kiss!

Mary, Mary you're so fine—we want to bang you, every time! Heehee! That's just a little cheer I made up myself—like it? I hope so, because I sure like you! In fact, I love you! Yes, I do! And I sure want you all to love me back. Do you? I think so, since I've got zillions of letters day-in and day-out—and you say the sweetest things! You do! So, keep them coming and coming! Please! So, why play around any further, let's just have some fun and go through Mary's Mailbox right now!

Porn Is Dead? Nah!

Mary! Everyone I talk to is saying, "Porn is dead," and that pretty soon, no one will be making XXX flicks anymore. Can this be possible? And if not, why are they talking shit about the sex biz? **Franklin D., Fort Wayne, Indiana**

MARY: Pom? Dead? What, are you nuts, Franklin? But, all busting chops aside, I know where this bit of "info" is coming from—so let me use this as an opportunity to enlighten everyone reading this! The porn industry used to rule the X-rated roost—with their movies, then VHS tapes, and now DVDs being the main mediums for hardcore horndogs like yourself—to get their daily dose of sex stuff. Then, along came the Internet, and over the years, the porners—mostly based in Los Angeles—have had to share the sexual spotlight with online cum-petitors. So, the porn community is making a few less billion bucks than they are used to. Some people are panicking, but it's not such a big deal. The porn shops are still loaded with porno DVDs and the porn outfits are still churning out smut daily—and XXX life is good!

How Many Loads Does A Man Have To Give?! Load! Load! Load!

What's up, babe? Hey Mary! I know you are a porno chick through-and-through, so what's the deal with dropping man-loads? How many gooey creamers is a guy supposed to lard on his bitch? I mean, like, I wish I could drop one in her mouth, one in her cunt and one in her ass, all within an hour. But, I can't manage more than one—or two at the most. Hopefully I am not a homo. What you think, girl? **Chauncy O.Kent, Connecticut**

Is there
There are web-
such a
sites that offer a
thing as a
chance to take
fuck-a-
part in gangbangs.
thon?

MARY: No, Chauncy, I don't think you're a "homo," not that there's anything wrong with it! Heehee! Okay then, let's address your load issues. The amount of semen that a man jerks out of his cock can vary widely depending on dozens of different factors. Ranging a man's genetics, to what he eats, to how sexually excited he is—so on and so forth. I would say most healthy males can generally slam one to two slugs of hot cum out during each fuck session. Beyond that, really, it's not particularly "normal." Many porn studs have literally "trained" their testicles to carry more cum than usual, so they can splat a porno babe in scene after scene. One of the most famous of them all was T.T. Boy, who could drop massive loads repeatedly in the course of a day to keep XXX producers and director as happy as pigs in shit! He is retired now, but man, could that guy drop a load! But, never fear Chauncy, just let your cock do what it feels like and shoot whatever sperm it wants to, and don't fret about numbers.

What To Do With An Ass!

I love ass! All girls' asses! I love looking at them and jerking off to pictures of asses! Beating my meat while thinking of butts! Butts! Butts! Butts! However, I am at a loss as to what to really do a woman's butt if she gives it up to me for whatever I want to do. So Mary, what should I do with an ass with an open-invitation attached to it? **Barry A., Charleston, Western Virginia**

MARY: Ah, the female posterior. The buttocks. The anal. Whatever you want to call it, every man wants it! But, your question is a good one, Barry—what to do with an ass once you have a hold of it. Want some suggestions? Start by licking the butt! Then feel it, hold it, and rub it. Then, get into the anal itself. First, lick it with your tongue! Next, stick your nose up there, and of course—fingering—anal fingering! Lots of anal fingering! Personally, I would say that sticking your fingers up a chick's asshole—one finger, two—whatever—is a very hot sex act, and one that is very overlooked both in X-movies and in private bedrooms. And for those that are a little freaked out by the idea of sticking a cock up there—from the guy perspective because of the hygiene issue, and the girl's due to fear of too massive an object entering her—the finger is a great compromise. So, just go for it Barry, with your tongue, mouth, fingers and of course, if you can, jam your dick up there! That's that way I like it off camera, so should other gals then as well!

Midget Sex

I have never trusted midgets very much—all small and shit. I always figure they are up to no good, know what I mean? Have you ever fucked a midget, Mary? I sure hope not. Fuckin' midgets. **Thomas E., London, England**

MARY: Sorry, Thomas, I can't share your strange feelings of hostility toward little people. So, I won't even address such feelings of bigotry toward the wee folks. It makes me just a little bit angry. Get it? "Little bit." heehee!

The Porn Magazines—Real Deal—or Real Bullshit?

Good day, Mary. I am very happy to be writing you today and I hope you can help settle an argument I am having with my fraternity brothers. We read a lot of adult magazine, every month, month after month. **SWANK** for sure, and then all

Everyone I

the others they sell at the local newsstand. Some of us think that all the stuff in the mags is bullshit—just all made up to entertain us. Others, on the other hand, swear it must all be true. I am sort of in the middle, I don't know what to think—I just like them. So, anyway, what can you share with us—are you guys on the level, or what? **Sam P., Tyler, Texas**

MARY: First, Sam, let me thank you and your buds for reading **SWANK**—you are all the best! Secondly, let me scold you for wasting your time on the inferior competition—what were you thinking? My goodness! I forgive you, though! What's in the magazines? How true is it? Well, **SWANK** is of course true-blue. Everything we convey to you on these pages every month is too legit to quit! Get it? As for the other guys...well Sam, I can't really say, but I have heard the same things some of your frat bro's have, and I wouldn't trust anyone by **SWANK** any further than I can throw them! Stick with the real McCoy, Sam—**SWANK** and only **SWANK**! This way you'll never have to be disappointed!

Fuck-A-Thon Request!

Whew! Mary! Is there such a thing as a fuck-a-thon, where everyone gets it one in like one big pile and everyone fucks and sucks until they die? Please let me know where I can sign up. My life kind of stinks right now, so I wouldn't mind ending it that way. **Phil M., Oklahoma City, Oklahoma**

MARY: I wish there was a fuck-a-thon Phil, it sounds like fun, but maybe not so much to die for, now what I mean? There are websites and organizations that promote and offer opportunities to take part in group sex, gangbangs, and multi-cluster fucks, but a fuck-a-thon to the death? I Haven't heard of such a thing, but will keep my ears—and pussy, open Phil!

RON & MARY'S X-RATED

PORN THEATER

After starring in well over 1200 movies between them, who better than Ron and Mary to review the latest and hottest porn flicks to come down the pike? The answer is simple: No one! So, take it from these two sexperts on what's hot and what's not when it comes to newest XXX vids!

BAD GIRLS 3

DIRECTED BY:

AVAILABLE FROM:

RUNNING TIME:

95 Minutes

Digital Playground's number one "bad girl," Jesse Jane shows up at a club looking for work. The owner and his girlfriend (Madison Scott) hire her on the spot and her orientation includes sucking the boss' dick, lapping Madison's pussy and offering her cunt to both of her new "colleagues."

Jenna Haze arrives at the bar later and seeks love advice from the bartender, who thinks the best way to cure her broken heart is to fill her throat with his standing flesh dowl. Jenna's frown disappears as the cock is pumped deep into her pussy before returning to her mouth for a blistering cum shot.

Jenaveve Jolie's bedroom bang takes off from the first frame as she and her man slobber on one another's hot spots in the sixteen-nine pose. Jenaveve wants all her man can offer, and he fucks her hard in the scissor position, then she braces herself against the headboard while getting a twat-full doggie style.

Jenaveve Jolie & Ben English

Evan Stone gets the second shot at Jesse, and this one-on-one hump between two legends offers each performer at their best.

For my money the most underrated slut in the game is Riley Steele. Still somewhat in the shadow of the more recognized names in the DP stable, Riley continues to travel the road towards super stardom with killer fuck sessions like the one that closes this disc with Danny Mountain.—Mos Donny

Rebecca Blue

DIRECTED BY:

Barrett Blade

AVAILABLE FROM:

Wicked Pictures

RUNNING TIME:

90 Minutes

HEAT INDEXXX:

SSSS

Wicked takes adult movies into the uncharted waters of chick flick porn with this story of Alektra Blue's search for love—and a good, hard dick to bounce on.

Capri is all hot and horny by the pool, and her man offers her a moose wang to help her beat the summertime blues. The foray ends with Capri licking the cum from her tits.

Nick Manning and Rebecca Blue hide out in a nightclub stock room, providing Manning ample access to the holes of his trashy, blonde sport fucker. Rebecca keeps a hand busy in her crevice through the better part of the scene, and her fingers are still going strong on her clit as the cum is being slopped on her face.

While sharing a bath with Kirsten, Alektra talks about her love woes. Kirsten offers a short-term solution to her friend's problem that involves sucking at her hardened nipples and putting her face between Alektra's legs. The two-girl love-in is well underway when Alektra introduces her BFF's beaver to the thick end of a fuck toy, and once Kirsten's pussy drenches the toy with cream, the cock replica

changes hands so Alektra's pussy can share in the love.

At the risk of unleashing a spoiler, Alektra Blue eventually gets the man she has been pining for. The happy ending might have viewers mistaking the flick for a Lifetime Network movie, except for the part where the leading lady gets her tits and face fucked—then eats the cum.—*Rollie Fingerfuck*

POUND THE ROUND 4

STARRING:

Alanah Rae, Mackenzie Pierce, Bailey Lane, Angelica Saige Charlotte Vale

DIRECTED BY:

Mike Adriano

AVAILABLE FROM:

Digital Sin

RUNNING TIME:

200 Minutes

HEAT INDEXXX:

SSSS

Gifted with immense physical endowments in the front and rear, this team of whores grab their men by the sword and pound them to orgasm with their dangerous assets.

The manner in which the T&A is presented adds a unique spin to smut

Angelica Saige & Mike Adriano

proceedings. Every frame of this movie is shot in super close-up and from first-person POV.

Mackenzie sets the mood by sucking a dick that eventually gets shoved in her twat. The next position on the menu is ass sex, and when her partner

Bailey Lane & Mike Adriano

tries unsuccessfully to get the cherry tip in her butt, Mackenzie takes the cock into her own hand and makes the connection happen.

The camera gets up in Mackenzie's face, then the focus returns to the pipe

being pressed into her gaping balloon-knot, where the ass pump ends with the wad being washed over Mackenzie's freshly-fucked ass crack.

Teen queen, Bailey looks like she came to this scene straight from the

Mackenzie Pierce & Mike Adriano

Alanah Rae & Mike Adriano

prom. She drops her panties and lets her man work a wet finger into her butt. Bailey stretches her ass out even more with the help of a dildo that she was sucking on. Bailey plays the part of the docile teen, submissively holding her ass open so we can get an eyeful of the tool being pushed and pulled through her anal passage. Bailey graduates to getting a real, live dick in her ass, then is asked to suck the cock that had made a home for itself in her rear end.

The disc hold five scenes in total, with each being nearly identical in content, but, when the formula works as well as this, even too much is not enough.— Manuel Givens

SWANKtoons

From the horny bastards at www.Shh3D.com

On the way walking home a farmer stopped at the hardware store and bought a bucket and a gallon of paint. He then stopped by the feed store and picked up a couple of chickens and a goose. However, struggling outside the store he now had a problem - how to carry his entire purchases home.

While he was scratching his head he was approached by a little old lady who told him she was lost. She asked, "Can you tell me how to get to 1603 Mockingbird Lane?" The farmer said, "Well, as a matter of fact, my farm is very close to that house. I would walk you there but I can't carry this lot."

The old lady suggested, "Why don't you put the can of paint in the bucket. Carry the bucket in one hand; put a chicken under each arm and carry the goose in your other hand?"

"Why thank you very much," he said and proceeded to walk the old girl home. On the way he says, "Let's take my short cut and go down this alley. We'll be there in no time."

The little old lady looked him over cautiously then said, "I am a lonely widow without a husband to defend me. How do I know that when we get in the alley you won't hold me up against the wall, pull up my skirt, and have your way with me?"

The farmer said, "Holy smokes lady! I'm carrying a bucket, a gallon of paint, two chickens, and a goose. How in the world could I possibly hold you up against the wall and do that?"

The old lady replied, "Set the goose down, cover him with the bucket, put the paint on top of the bucket, and I'll hold the chickens."

"Who said alien abductions always end with *anal* probes?"

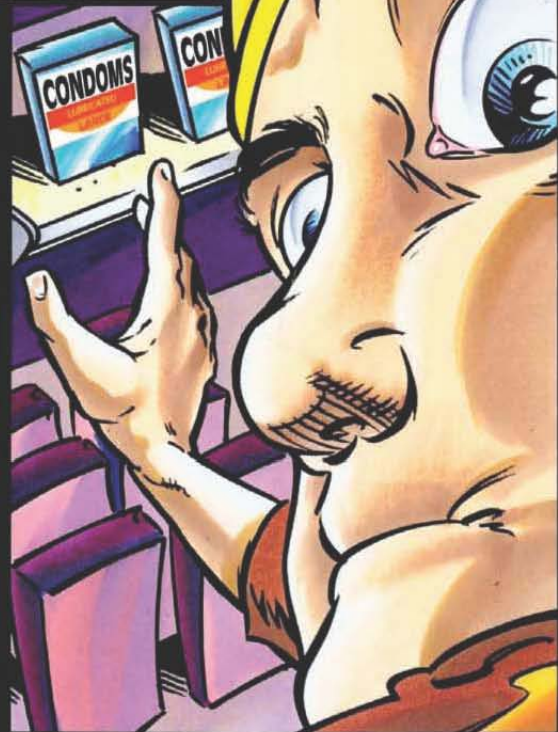

"HAVE EITHER OF YOU GENTLEMEN SEEN A PAIR OF GLASSES LYING AROUND?"

I Get Offers To Have Free Sex Every Day...And Sometimes I XXX-Cept!!!!

Howdy, dudes! What's good word out there this month in SWANK-world? Is everybody healthy, happy and hunky fuckin' dory? I Sure hope so, because here at SWANK headquarters, we are buzzing like busy-bees! Working sometimes around-the-clock, shooting the layouts, writing the articles, setting up special X-events. It never ends, I tell you! It never ends! And we never want it to! Then again, everyone needs a break now and then—even yours truly! Just a few days ago, I took a little "break" and it was a blast, so I thought I would tell you about it in words and pictures right here and now!

"Scarlett Fay Makes My Day!!!"

Text By Ron Jeremy

Photos By Marc Medoff/Adult Press Service

I get offers to have free sex every day. No shit—every day! Of course, it wasn't always like this. In fact, it used to be the complete opposite! I never could get laid back in the day before I got into porn! But, after all these years as a porn star, and then so many years now as a porn and mainstream celeb—girls stop me all the time wherever I am, and want to "sample the goods." In stores, on the street, waiting in line at the DMV, by email, phone, fax, even when I am stopped in my car at a red light in Hollywood near my house! Girls come up to the window! I'm not bragging mind you, this is just the way it is. When this started getting like this some years back, at first I was on it like white on rice! How could I say "no" to some hot girl wanting to have sex? But, after a while, it became impractical. I couldn't go anywhere, get anywhere on time, or accomplish anything during the day—I was always having sex! I didn't even have time to eat—food that is! And you all know how important that is to me! So, after a while I had to back off, to the point where I turn down like 99 percent of the fucks, blowjobs and handjobs offered to me. Who has the time? But still to this day, on occasion, if the timing and mood is right, I go for it. And that's what happened last week when I was in a photocopy store in Los Angeles with SWANK ace photographer, Marc Medoff—making some copies, and a chick walks up to me. "Hi, you're Ron Jeremy, aren't you?" And before I could even answer, the youngish-looking red headed hottie had slipped her hand over the outside crotch of my pants and gave me a squeeze. "Can we go fuck, please?" It just so happened that I had a couple of hours free, and this babe was cute, so what the hell? "Okay," I replied, "But where?" "Oh, my friend's apartment is walking distance from here, I have the key, I'm sure he won't mind us using his couch!" She chirped, to which Marc quickly asked if he

could take picture of us doing it. She said, "Of course!" And with that, we took off—walking down Ventura Boulevard hand-in-hand with Marc in tow. As we walked and chatted, it turns out this girl—in her early 20's—had just started making porn movies under the name Scarlett Fay and had been watching me in movies for years. She had already starred in various XXX'ers such as: *House of Ass 10*, *Suck It Dry 6*, *Fresh Teens 4*, *Down Your Throat 6*, and *Monster Cock Junkies 3*, and—as a native of central California—was planning to make a carnal career of it. "I've always dreamed of fucking you, so I hope you don't mind!" Scarlett giggled, as she opened the front door. Ahhh, out of the mouths of babes!

Once inside, there was no warming up in the bullpen or nothing! Scarlett tore her clothing off—then she ripped mine off and pulled me to the couch! "My specialty in my X-rated scenes are blowjobs where I let the guy shoot

their loads all over my face, and before that, I dig it doggie style. Is that okay with you? She asked, as she dropped to her knees in front of me. "Uh, let me think about that—okay!" I had to laugh. And with that, it was on! And I've got to tell you something! Scarlett may have been a relatively new porn actress—I think she's made only a couple of dozen hardcore scenes by now—but this babe knew what she was doing!

She was on my cock like a starving wildcat! She licked and sucked my balls! Then my cock! Then my balls again! Scarlett wasn't just sucking my dick—she was loving it! And man was I loving it as well! I could hardly hold back, and was about to blow when I caught myself at the last second! "Quick, let's fuck!" I yelped! "But, I want your cum in my mouth!" Scarlett whined! "No problem! No problem! You can have all my cum, I promise, but let's screw first!" I begged her. Thusly assured she would get her well-deserved load of sperm, Scarlett hap-

pily turned tail, stuck her butt up in the air and I dived in! And I fucked her with as much energy as she sucked me! Remember, I turn down almost all such X-offers, so when I do partake, I have a lot of pent-up sexual energy for such a scenario. So, I was on it, dudes!

I have to be honest; she had made me so hot that I didn't last long! But, I made the most of it! I fucked her long and deep in all different positions—and of course her fave—doggie! Yet, after about fifteen minutes, I was going to pop. Marc was blazing away from the very start, so I knew we had gotten some great pics out of it, and now it was time for the orgasm. Since Scarlett was a porno newbie, I treated her to one of my famous "carnal countdowns"—starting at ten and going slowly to one, then shooting my splooge right on time! "Yeah! I've seen you do that in your movies! Do it to me! Do it to me!" Scarlett squealed. So, who was I to argue? Ten seconds later, calling out the numbers so Marc could focus right on her pret-

ty yap taking the goop—bam! She got it pow!—and licked and slurped it all up like a good girl!

Scarlett and I hung out for a little while and took showers, and then after a hug, kiss and exchange of phone numbers, we parted ways. I went back to the copy shop with Marc to continue our workday, and I think Scarlett was heading over to the mall to buy some shoes. I have to say, we got a cool photo shoot out of it. So, all and all, it was not a bad way to spend 90 minutes, don't you think? Scarlett was a great little fuck and a really sweet person. And guess what? If you like these pics and my story, and are thinking about how you would like to try her out as well? I heard from her a couple of days later via text message and Scarlett is now planning to head up to the world famous Moonlite BunnyRanch legal brothel (owned by my good pal Dennis Hof) in Carson City, Nevada (www.BunnyRanch.com) so she can fuck all her fans! So, how's that for a chance encounter in a stationary store turning into a win-win-win-win (give or take a win or two!) for everyone involved—including you, SWANKoids, reading this if you take a trip out to the BunnyRanch and bang Scarlett as well! And if you do, let me know how it went for you!

Okay, that's enough salacious story telling for this month. I just love sharing my personal peccadillos with you dudes, especially when they are so much fun, and make for such hot pictures! See you next month guys, and a personal shout-out to Scarlett—you're the best, honey! Thanks for a great afternoon delight!

Jada

Miami, FL

HT: 5'5" WT: 126 lbs.,
32A-22-34

Jada was born in a small village near the rain forests of South America, but she's all-American when it comes to sex! "I happen to be very flexible and enjoy spending my free time learning various methods of working poles," this exotic and erotic beauty told us. "I have a 26-year-old twin that loves to sunbathe naked just as I do." We also know that this girl has brains to go with the beauty. "I am quite simply a spoiled little rich girl and was compelled to shoot for fun. Currently, I am attending an Ivy League school and major in neurosurgery...no, really. If you end up being one of my patients some day, keep an open mind babe!"

Photos by her friend Jim.

Natalia

Tampa, FL

HT: 5'3" WT: 114 lbs.,
34D-23-35

Natalia is a passionate girl who loves intelligent men and hot sex on the beaches of Florida. But this affinity for passion doesn't mean that this girl doesn't like to get down and dirty, too! This is a girl who loves it in her butt and feels especially naughty when she's on top and in control during sex. When we asked her what she's waiting to try out, she simply said, "Whatever cums my way! I never do anything though unless I am willing, that way I have no regrets about anything sexual I have ever done."

Photos by her friend Alfonso.

Sascha

Kansas City, MO

HT: 5'6" WT: 132 lbs.,

38C-24-34

"I love to live life," Sascha confessed. "I am always having fun in whatever I do, especially in my sex life. I am a very open sexual person. I think sex is a very natural part of life and should never be hidden." We also asked Sascha to tell us a little more about herself, and here's what she said.

"I love being naked and showing off my body. My nipples are always sensitive and I masturbate almost every day. I like anal sex depending on my mood, will have sex in public under the right circumstances, and a guy with a toned chest and arms is a total turn-on for me."

Photos by her friend Sean.

Paige

New Orleans, LA
HT: 5'6" WT: 132 lbs.,
34C-24-34

Paige is one of those all-natural cuties who looks all sweet and innocent on the outside, but has a very bad (albeit sexy) streak on the inside. We're talking about a girl who has sex in public places, likes the kinkier side of things, really gets off on girl-girl porn and strip clubs, and Paige even takes it in the butt once in a while. But this hair metal fan's biggest fantasy is to have former Skid Row singer Sebastian Bach please her in every way possible on stage while he sings. Now if that ain't Red Hot Amateurs material, then what is?

Photos by her friend Mike.

Bridgette

Cincinnati, OH

HT: 5'8" WT: 130 lbs.,

34C-28-36

Thirty-year-old Bridgette is kept extra busy by her frequenting of popular local nightclubs. "I love music. More importantly, I love musicians. My nights provide me with plenty of opportunities for hooking up." Does she usually fall for the frontman? "I like drummers best. I go crazy for muscular arms and shoulders. My favorite position is standing up, me pinned up against a wall and my partner banging the crap out of me with my legs wrapped tightly around his waist. A guy's gotta have strong arms and a strong back to pull that off." Are drummers better lovers than regular people? "I sort of think so. It's easier to find a rhythm with them...once I cum once I can usually cum two or three more times. But only if the guy keeps the beat!"

Photos by her friend John

Sienna

Casper, WY
HT: 5'7" WT: 124 lbs.,
34A-24-34

A college freshman, 19-year-old Sienna likes a little hair down there. "I keep my bush trimmed, of course, but I refuse to shave it off entirely. I think pubes are sexy! It means I'm a woman. This bald pussy trend needs to stop." So does this mean she likes hairy balls? "Weeeeell, actually I prefer it when boys shave their balls. See, I like to lick balls during a BJ and I can't stand to have gobs of fuzz in my mouth while doing it." Um... "I know what you're going to say! But it's totally different. I keep my pussy hair very well maintained, and anyone going down on me will not be getting a mouthful of pubes. They should be focused on my clit and getting me to cum, anyways."

Photos by her friend Louis.

Karin

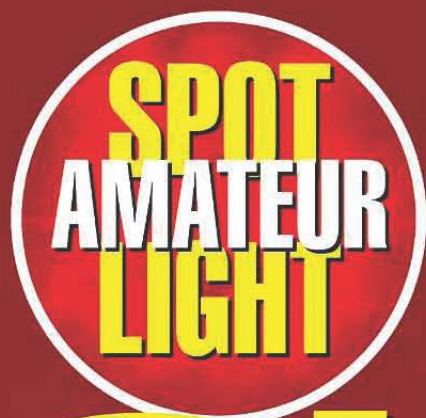

Toronto, Canada
HT: 5'5" WT: 124 lbs.,
34A-25-35

Twenty-nine-year-old Karin is a self-described "entertainer" and she keeps very busy. "Well I have a kid, so when I'm not working I'm taking care of my son. He's 3 and is the love of my life. There isn't much time for me to date right now but I find a way to get laid very now and again." What turns her on? "I like big, manly men. He's got to have a little hair on his chest. But NOT on his back! I like big hands, a big smile and a great big cock. I also like dark eyes, don't ask my why." Any turn offs? "Yes, I hate arrogance. I just don't have time for it. A little humility is incredibly sexy. Don't tell me how fabulous you are, show me. Preferably in the sack."

Photos by her friend Phillip.

Sienna

This month's Amateur Spotlight was a no-brainer! A 19-year-old college student who's bucking the trend of bald pussies?? That's a perfect babe if ever there was one! By the way, that unshaved slice of hers looks like a true trim buffet just waiting to be slurped on for hours and hours! It's truer than the ever: the classics—especially when it comes to pussy—never go out of style!

RED HOT AMATEURS!

ISSUE #166 • OCTOBER 2010

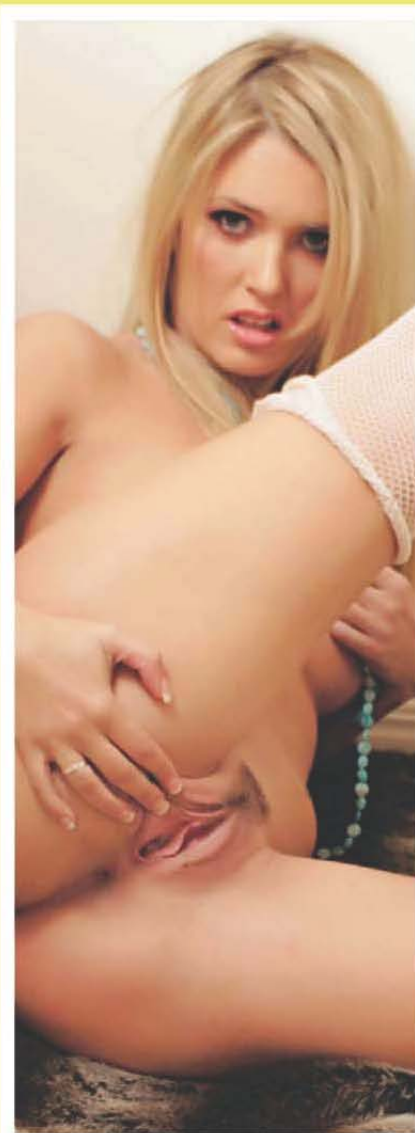

Cassidey

Tulsa, OK

**HT: 5'7" WT: 126 lbs.,
34B-26-36**

Twenty-eight-year-old Cassidey is a jewelry designer. "I make pieces and sell them in my friend's boutique. It's a great way to make a living. I get to be creative, set my own hours and it leaves me plenty of time to date. I went through a divorce not too long ago so I'm in full-blown party mode. I want to experience as many men as possible and make up for lost time. I married my high school sweetheart so I didn't date a lot when I was younger. I'm loving life right now. Sometimes I fuck two or three different men a day. I meet hot men everywhere—the bank, the grocery store, bars—it's incredible how many of them are willing to come home with me for a hot hour of no-strings sex. 'Fuck me now with no commitment' is my new motto. And it's definitely working for me."

Photos by her friend Jim

Martina

Plymouth, MN

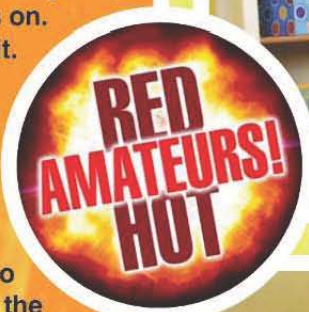

HT: 5'5" WT: 118 lbs.,

34B-26-34

"I am a pleaser, I like to make people happy," claims 24-year-old Martina who declined to reveal her profession. "Pleasing others is what pleases me. That is why I'm never without a man. Single, they say. I'm never single. I always have a man in my life to focus my attentions on.

That's the way I like it. When I give myself I give everything. I love anal sex, which is something a bit unusual for most women. I just love how it makes me feel so full, so possessed by the man inside me and that overrides any feelings of discomfort. Men love anal sex. They cannot get enough of it. I pride myself on being ready for it at any time, whenever my man demands it. I love the feeling of having a man cum inside of my ass. There's nothing else like it in the world."

Jordan is a sexy 30-year-old cashier at her neighborhood dollar store. "Yeah, well, it's not my dream job but times are tough. It's bearable and my manager is pretty cute, actually. He used to be some big shot Wall Street guy in New York but got fired and had to move back here where he grew up and try to pull his life together. I'm trying to help him out of his depression by having quickies with him in the break room. Let me tell you this guy eats pussy like a champ! It's gotten so I always bring along a few pairs of fresh panties in my purse 'cause if I think about him for too long I soak myself. I wouldn't call it a serious relationship or anything. But it's nice for right now. We enjoy each other, let's put it that way."

"Right now I'm just a mom and a homemaker and I have to say that it's the most difficult job I've ever had! But I love being the hottest mom at PTA meetings. Other women's husbands check me out all the time," confesses 32-year-old Sara. "My husband and I go to swingers parties as often as possible. Pretty much whenever we can secure a babysitter.

He loves watching me suck off other men in front of him. It makes him so hard! Then he teases me by fucking several other women while I beg for it to be my turn. When he finally lets me take him in my mouth I can taste all the pussy juice on his cock. Then he fucks me till I cum multiple times. It sounds a little twisted but it really works for us. Keeps things spicy."

"I decided not to go to college right away," says the lovely 20-year-old Erica. "After I graduated high school I was sort of sick of the whole school thing. For now

I just work at the mall and hang out with my boyfriend. He's the first

guy I've ever, you know, slept with, so I'm learning a lot from him about sex.

He's older than I am and knows exactly what he wants in bed.

He's taught me well—I can make him cum in like 30 seconds when I use my mouth! Lately he's been pressuring me to have sex with him and one of his buddies at the same time but I don't know. The idea of two guys at once excites me a little but I'm also sort of nervous. And what if I end up liking sex with his buddy better?"

Pornoworld has become a circus of desperation. Where have all the good times gone? This anxious environment has spawned, among other debilitating conditions, a race between companies to make the next inane porn parody based on a movie or TV show. So keep that remote handy. There is going to be plenty of sexual down-time between fuck scenes that you will need to speed through. Oh, did I forget to tell you that the ACTING IS FANTASTIC?!

Today Sid Knox is "directing" Atlanta girl Briana Blair and Mark Wood in a straightforward boy/girl bangout. The pornographic narrative is devoid of anything other than a short tease and fucking.

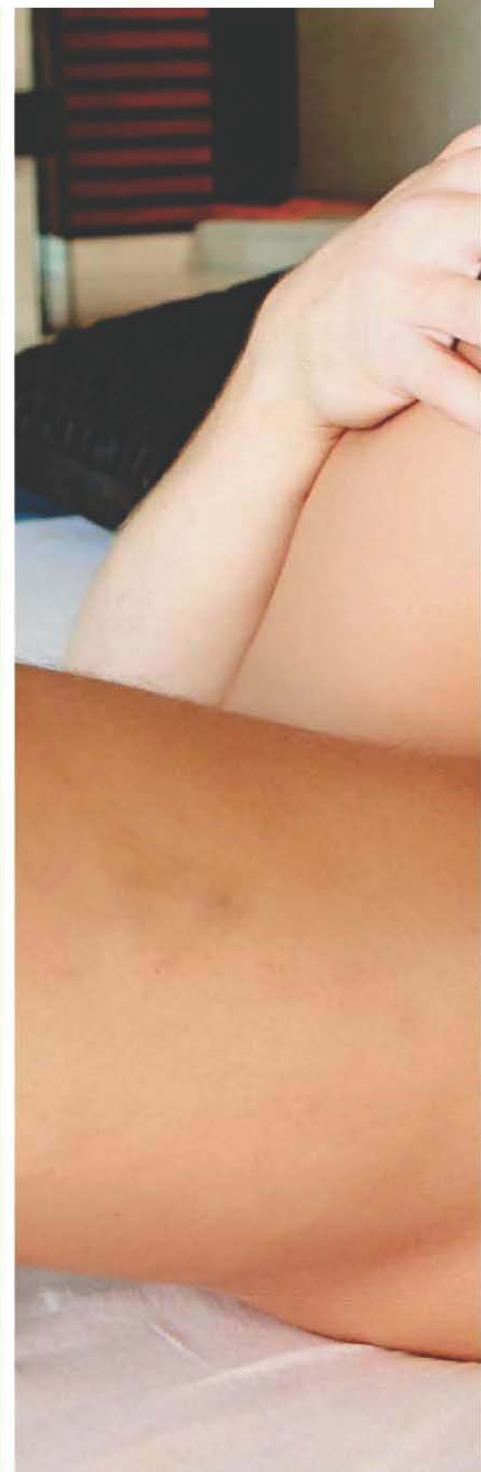

"There's no setup whatsoever, it's just straight gonzo," Knox says to Briana. "Lick it. Stick it. Throw your shoes on. I'm going to get a bunch of pretty-girl shit that we can cut together for the opening then we'll go to softcore. Definitely no set-up."

Knox chooses to dispense with the "set-up," which purportedly provides a scrawny, obligatory context for the requisite fuck session. The elimination of valuable video time wasted on superfluous, situational erotic motivation is fine by us. Skipping foreplay has never been a problem. This is PORN, assholes.

The New To The Game series is, predictably, dedicated to girls who have just started in the biz. "She's 'one test new,'" says Knox, referring to the requirement for the "performers" to show up to their shoot with a current and official disease free report. "She's only had one test so far. That's new. Those are always good ones. I love them."

However, shooting girls who have just recently started fucking for the camera can be a sketchy mission. But even directors who have seen it all recognize the value of a porn trainee.

"Sometimes they're not the greatest scenes with the energy and stuff because they're so new,"

Knox continues. "But it's always great to look at the new girls either way. When they're five or sixth months in, at that point they've already done like forty or so scenes. Forget about the girls who have been around for six years."

Gee, it's already fucking time. The bummer is that Knox has to shoot an entire softcore scene that Diabolic can sell to hotel chains across the world, before getting to the real stuff. This is clean porn with non-penetrational production value.

"Just sit on the edge right here," Knox says to Briana. "Tease the camera and then get your titties out, show 'em and do a little masturbation thing and then Mark will come in."

Apparently, it's already a beautiful thing because Wood and Blair have become fuck pals within the last twenty-four hours. "I worked with Mark yesterday too," Briana says. "It makes it easier because you know what kind of style you're dealing with. You know each other's body."

They grind through the softcore on a bed next to an indoor swimming pool situated directly off the dining room. I've decided that at least one of my next several multi-million dollar real estate purchases will include a house with a huge pool just steps away from the kitchen.

"If you can't get laid in this house and you're single," remarks Wood. "You can't get laid."

Knox shoots a BJ and lets them course through the standard sexual choreography with little delay in between positions. When he gets enough fuck coverage it's time for Wood to drop a load, somewhere.

"Try to hit a lot of her boobs when you're popping," Knox says.

They finish up in "open to the camera" missionary and after just a few minutes Wood pulls out and delivers a payload on Briana's globes. This scene is so over. It's been an easy scene. Nothing more. It's porn. 

Summer

Yorba Linda, CA
HT: 5'2" WT: 97 lbs.,
34B-29-31

This tighter-than-tight 19-year-old slit may prove to be the horniest babe we've had in a long time. What's hotter than a redhead who loves to stuff her cunt with her fingers? Nothing! What hotter than a teenaged cock junkie who really does love the taste of cum? Nothing! And, what's better than her telling us that she's willing to take a load in any hole at any time of day? You guessed it; nothing at all! See, the difference between Summer and all those other hot teens you may see throughout the day is that given the chance, Summer will suck your cock, swallow your load, and/or let you drain your nuts inside her pussyhole. Nice.

Kara

Los Angeles, CA
HT: 5'4" WT: 101 lbs.,

This month's representative from the hipster cum-munity says that she likes to push the boundaries of her body. Piercings, tattoos, and lots of cock goes onto and into this little 18-year-old. In fact, the craziest thing she's done (as of late) is get fucked in the pussy by her boyfriend while she stuffed a vampire doll up her asshole. She claims it was very "Goth". We had no idea what she was talking about. Hey, the way we figure it, sticking anything into Kara's delightful holes would never be a nightmare!

Ashley

HT: 5'4" WT: 121 lbs.,

Sweet-faced Ashley, 20, chose work over college. "Right now I'm working as a barista at a coffee shop and I like it a lot. I've been working at the same place for three years now, I started back when I was in high school. Don't tell anyone, but I'm totally fucking my manager. He's married but his wife is a total bitch." Wow, she sure doesn't seem like your typical home-wrecker. "I know, right? Well it just sort of happened, we were always closing together and one thing led to another. I think I'm in love with him—the sex is so awesome! He's older and he really knows what he's doing and he has a great cock. One thing that I love is he makes sure I have an orgasm every single time we do it, even when it's just a quickie in the break room."

Heather

St. Louis, MO
HT: 5'3" WT: 113 lbs.,
34B-26-34

Employed by a local tour company, 23-year-old Heather loves what she does. "I get to meet people from all over the country and sometimes from other countries. Sometimes I get asked if I offer private guided tours, and I always laugh and say no. Almost always. I have, once or twice, taken an especially cute male visitor for a one-on-one tour of my apartment." Really? "Really. The sex is so much hotter when you know there's no strings attached. They last guy I fucked was from Texas and we email each other all the time. He may come back here on business soon. I hope so. He was a pretty good lay." So no boyfriend? "Not right now. I don't want to settle down yet. I had a serious boyfriend all through college and now I'm ready for some fun experiences. I want to fuck somebody from Alaska!"

Christie

Atlanta, GA
HT: 5'3" WT: 114 lbs.,
32D-26-34

Christie is someone who doesn't seem like the type to do this sort of thing. Her job is as normal as they come, and she looks nice and innocent enough, but when you delve deep down, she is a naughty girl. "The thought of all the guys masturbating thinking of me is one of the main reasons why I sent my pictures in," Christie readily admits. "I love having sex in public, and this is about as public as it gets!" Christie also loves anal sex, diddling her pussy while others watch, and her ultimate fantasy is to have sex while rock climbing, but she hasn't figured that one out yet.

Alyssa

Dover, DE
HT: 5'1" WT: 102 lbs.,
32A-23-32

Nineteen-year-old cutie pie Alyssa is a student at the University of Delaware. "Yeah, I haven't picked a major yet. Is sexual acrobatics a major? It should be. I am super bendy—always have been—and I totally get off on blowing people's minds in bed with my flexibility. I can get fucked in any position imaginable, and in a lot of other positions no one has ever thought of yet. One of my favorites is I guess they call it piledriver? Where I'm flipped totally upside down and the guy is standing above me and like thrusting his cock straight down into me? Oh my god, it's just so intense. I cum so hard in that position that I get dizzy. I actually fainted once! I was out for a few minutes and when I came to I swear I was still cumming."
