Carla Gugino

We can only say that the continually carnal Carla Gugino gets behind everything she does! For proof, witness her fanny-friendly appearances in such movies as *Jaded* (top right), *Sin City* (right), *Watchmen* and, most recently, the clever 2010 L.A. rom-com *Every Day* (bottom), featuring a notable appearance by Carla's curvy can

The World's No. 1 Legendary Legal Pimp TELLS ALL!

By Jeff F. Fodem/Adult Press Service

Bunny Ranch Brothel Baron Dennis Hof's New Book **THE ART OF THE PIMP** Reveals Sex Secrets, Hooker Shockers, And XXX Tales Of The Bitch And Famous!!!

The world's most famous legal pimp Dennis Hof, owner of the Moonlite Bunny Ranch (www.BunnyRanch.com), is finally telling all about his life and X-rated times as hardcore history's most high-profile brothel owner. Upstart book publisher Regan Arts (www.ReganArts.com) has announced the acquisition of **THE ART OF THE PIMP** by Hof, proprietor of the Bunny Ranch that is now celebrating its 60th anniversary, and star of HBO's *CatHouse* series—the longest running, most popular reality-TV show in HBO history. The book was released in March 2015 and is available from such book retailers as Amazon, Barnes & Noble, and BAM!

Hof currently owns a total of seven licensed brothels throughout the state of Nevada including the Love Ranch (www.LoveRanch.net), the Sagebrush Ranch (www.SagebrushRanch.com), and the Alien Cathouse (www.AlienCathouse.com), as well as a strip club—Madam Suzette's Red Light Cabaret (www.RedLightDancers.com), a cigar-bar restaurant and nightclub, and numerous other adult-themed properties. Nicknamed "The P.T. Barnum of Booty," Hof has skillfully worked his way around Nevada's ban on advertising for prostitution, to become one of the most controversial and subversive marketers in the country—not to mention the planet's most outrageous pimp. Now, with **THE ART OF THE PIMP**, Hof is offering up his unique brand of advice and insight, and a behind-the-scenes look at his chaotic life as the king of America's sex industry.

Over the years Hof has appeared on thou-

sands of media

outlets from one end of the globe to the other. He has been repeatedly featured on every prime time TV program in existence ranging from the Today show, Nightline and Oprah, to Bill O'Reilly, Dateline NBC and 20/20. Hof has also lectured at Oxford in London, the Sorbonne in Paris and Trinity in Dublin, as well as hundreds of other major universities, colleges and public events around the world. Revealing shocking secrets—ranging from what's been behind his outrageous marketing stunts (such as the now infamous "Get My Grandpa Laid" contest on the Howard Stern Show), to how he teaches his "girls" how to negotiate the highest prices for sex parties, to naming names of some of the Bunny Ranch's most well-known and well-heeled \$\$\$ clients. Hof teaches the secrets of the business of love and sex and the tricks of turning tricks—all while sharing the scandalous details of his friendships with porn stars, prostitutes, politicians and celebrities. Hof says, "I think people will be surprised at

how much of my story they can identify with. While the legal prostitution trade may be a world away from their daily lives, my personal struggles with love and challenges in business will ring all too familiar with anyone who has loved and lost, and come out on top on the other side of it. My successes and my setbacks will prove to be equally inspiring for both men and women, young and old alike" Adding, "And for those who think that they already know me, there are many things revealed about me in this book for the very first time. Some of those things I didn't even know about myself!"

With appearances by a famous cast of characters who have entered the Bunny Ranch's orbit (including Andy Kaufman, Ron Jeremy, Tony Clifton, and Ron Paul) and featuring a comic strip created by celebrated cartoonist Robert Grossman, **THE ART OF THE PIMP** will take readers on what can only be described as a wild ride through Hof's countless sexual con-

quests, romantic failures, and business successes. Indeed while Hof's rise to international fame and fornicative fortune may be the envy of many, he

started out as very much a typical blue-collar lower-middleclass kid with loads of problems, who took lemons, and made lemonade. Recounting his own thousands of sexual conquests, he takes even more pleasure in being able to take responsibility for arranging for millions of XXX trysts for his legions of loyal brothel customers.

In landing Regan Arts as his publisher, Hof has found a kindred spirit in media and promotion innovation. Regan Arts is a creator and producer of content across all media platforms. A veteran publisher, talk show host, and television producer.

EROTIQUE TV MORNING SEX SPECIAL

DIRECTOR ERIC JOHN SLUT N PUPPET BRANDY ANISTON, ERIC JOHN
EROTIQUE ENTERTAINMENT EROTIQUETVSEXDAILY.CAMMODELS.COM

Brandy Aniston meats Eric John. Worlds explode. Porn legends run wild! Eric John and his 9-inch cock (these two entities are now one, it's not just a marketing ploy anymore, they're rarely referred to separately) have not yet arrived because he is off somewhere else droppin' loads in, on, or around some other woman or group of harlots brought together by porno on another porn day under the shining L.A. porn sun. It's just me and Brandy for now and I'm very excited to find out that she does all of the voicing for the AVN Porn Awards show in Las Vegas.

"Nominees for most outrageous sex scene in a feature!" she carols in pristine voice. Wow, it really is her! Holy shit!

"I never enjoyed my voice before but now it's funny to be making money off of it. I make the most money off of my least popular holes. You know what? Now it's become my most popular. I still believe that my other holes are very loved, but my mouth wasn't my moneymaker before and now it is!"

All of a sudden Eric John and his 9-inch cock make their entrance. His gal Raven Dawn is here also and a conversation erupts regarding Eric and his 9-inch cock's sexual frequency.

"This man gets more vagina than anybody I know," says Brandy. "If this was an Olympic sport, Eric would definitely have a gold medal."

"I'm a little disturbed," EJ answers, his cock silent. "It's been a little off lately. The numbers have been too low due to travel."

"It really has," confirms Raven. "Eric's only had three vaginas today and it's already three o'clock!"

I would like you to notice, dear reader, the glory of the porno girlfriend who is here to support her man in his quest for more vaginal penetrational footage. This is Porno World, as opposed to

BRANDY ANISTON: I was born in Huntington Beach in Riverside County, and grew up in a little town called Menifee, CA. Actually, there's a lot of us in the porn industry that grew up there. Me, Nicole Aniston, Brad Benson, Tanya James, Scarlett Fay, we all went to high school together! I've been in porn now since 2008. Originally I wanted to be a mainstream performer. I'm a professionally trained actress, model, dancer and singer. I was a stripper for a long time before I started doing porn, but I just didn't want to do the late nights anymore, and got tired of the whole mind games thing talking with men wanting lap dances and the rest of it. Porn was easy, I already knew people in the industry and so I jumped in. I should correct myself—porn seemed like it would be easy. I started out with a different name, Tatum Pierce, and early on, I just dabbled in it. I didn't find anything that I really liked doing, and didn't find an audience that I thought could grasp my look, so I guess I just didn't give porn a chance at the time. So a couple of years went by, and then when I got back in again, I came back as Brandy Aniston and the rest is history. I found a whole new love for performing again. Anyone who knows me in porn knows that I am very focused on my acting performances. I've had a long career so far, but it was very slow moving at first. I've worked really hard at it, and now I not only feel like I'm right where I should be, I'm really excited about the next few years.

Shithole World, where GFs and wives confine you to their shopworn, bored, going-through-the-motions vagina. You're a vaginal prisoner, as opposed to a man like Eric John, who is encouraged by his SO to explore new vaginal worlds, to find new vaginal civilizations, to vaginally go where no man has gone before!

Brandy leaves black stockings and spiked high heels on throughout, flawlessly nailing each position and opening to the cameras while enjoying the bang out. In response to her saying she doesn't own an Hitachi Wand vibrator, Eric John goes into hyper vibration mode while inserted into Brandy's hot pocket.

Brandy Aniston is a very experienced porn performer and has made sex with Eric John on many occasions. The blowjob is unselfconsciously relaxed, administered by one who is intimate with the niceties of oral pleasure technology, as well as the intuitively realized code of familiarity that separates a homespun, attentive sport fuck from a coldly administered hooker experience.

"Just like the naked cowboy," she remarks. "The vibrating porn star!"

After open-to-the-camera cowgirl, she takes the load on her rack, being careful to porn glorify this delivery of jizzical currency.

Later, Eric John sits at the computer and says, "It's only my fourth on-camera cum shot of the day for those of you keeping track."

Then it's sign-off time.

BRANDY: I have never been a slut, but at the same time, I've never been at all uptight about sex at all. So performing sex on camera was empowering for me, and I am weirdly fixated on the fact that people like watching me, and people have fantasies about me. On the flip side, I am very sexual at home and have very solid, monogamous sexual relationships in my personal life. Or so they thought! I was not the greatest girlfriend, I snuck around and did things. But once I started doing porn, all of that behavior went away. I got to work out all my sexual issues on camera. I definitely feel like there's a switch that gets flipped in me when that camera turns on, it's a very real sexual obsession. When I'm on camera I get really turned on by rough stuff. I'm really picky, but if it's the right performer, the right set-up, the right space, I love drool, spit, slapping, choking, hair pulling, if it's the right guy. But at home, because porn has jaded me, I have a fixation on really young girls. It's so bad! I like young girls, and young girls getting taken on by four guys. I also love DPs, and lately I've developed this weird thing for big butts and Asian girls! I'm Thai and Armenian, so I guess it's the little Asian girl in me coming out. In fact, I think I am the only Thai-Armenian performing in the porn business, and I like that! There's a huge difference between sex at work and sex at home for me. What I perform and what I watch are totally different things!

BRANDY: I started growing my bush because I wasn't doing a lot of shooting for a while, and so it just sounded fun. I also realized that when I watch porn at home, I go for girls with bush. I love Dani Daniels, I think she's so sexy and her bush is incredible! When I was little I would sneak into my parents' bedroom and steal their porn. And every girl had bush, so that's what I thought was normal! I so wish that I had been alive in the Seventies! When I was in school, my first boyfriend stuck his hand down my pants and felt some hair down there. And then he told the whole school that I didn't shave, and made so much fun of me because I didn't. And I got really depressed about that. So from then on I shaved for years and years and years. But now that I'm grown up, and I'm a woman in porn, I think, fuck that! Fuck that boy! I've known that I was really into girls since high school, because I started watching porn movies with only girls in them. One of the first times I ever experimented with party favors was when I was with my best friend, it happened to be Tanya James, and I confessed to her that I was having these secret fantasies about girls, and she said that she was having the same ones! So we'd touch each other and do other things, but I finally totally went for it for the first time immediately right after high school with another girl. Then I started stripping and it was all over, I was hooking up with girls more than guys. I went through a really weird bisexual phase. I had a boyfriend, but I would go and fuck girls all the time behind his back. After a while I started bringing them home, but wouldn't let him fuck them, I was really mean. Then I started doing porn, and realized that I could have girls any time I wanted. So now I'm more back into boys again, it's really weird, I go back and forth.

"All over," Brandy says into the cameras. "Thanks for raining on me! See you later!"

Being an aural, as well as an oral (of course) performance aficionado, I've been lulled into a state of submission and heroine worship by being sonically bathed with the bel canto clear

tones of Brandy Aniston's OH FUCK! OH SHIT! RIGHT THERE! vocalizations while being reamed, which have filled this high ceilinged music hall of a porno studio for the last hour or so. Brandy Aniston shows up. It's fucking time.
