WHO ARE ALL THESE GIRLS?

When porno director **Vince Vouyer** asks the eternal question, *Who's That Girl?*, top reporter **J. Diamond Dobbs** happened to be there for the answer. What's the answer to *Who's that girl?* According to Dobbs it's "She's the girl who's sucking on my tiny dick, hoping she'll get major coverage in VELVET."

One new star who sucks dick by the yard and gulps goo by the gallon is *Slut of the Month* **Sasha Grey**, who says she loves to get banged by 15 guys, and puts her lips (all of them) where her mouth is in *Gang Bang #5*.

Speaking of girls swallowing every swollen inch of cock they can get their cheeks around, check out both *Carnal Camera* (featuring Czech star **Lilliane Tiger** sharing a big fat rod with **Lucy Love**), and *All Day Suckers* (in which **Lanny Barby** and **Jayna Oso** try to outdo each other in their all-important blowjob and ball-sac slurping games).

In *Porn News Network*, we're crazy enough to present Vivid's *Scream* with **Alektra Blue**, **Christina Brooks** and **Lexi Marie** as insanely horny chicks as nutty as the scrotums they suck on.

We also have a special report called *Marriage: Indecent Proposal* that may shock you, because it reveals the role of vibrators in the sex lives of today's American women and asks the question: Are men really necessary?

Of course we have our usual lezbos (**Jana & Sophia** in *Bedroom Blondes* and **Sandra & Ginger** in *Tub Time For Twats*), plus singletons **Ashley** (*Young & Willing*), **Carmella** (*Luscious Tits 'n Loves It All*) & **Hannah** (*Horny Hottie*), not to mention our regular columns.

You'll be asking yourself over and over again: Who are these girls?

SHE'S AN ANAL TEACHER!

Looking at me, you'd never know I love anal sex more than anything else. I'm an unmarried, 28-year-old grade-school teacher who looks more conservative than most women you know. Some people have remarked about me being "too prim and too proper." *Ha!* If only they knew.

I've had anal sex with seven men. With the first guy, it was his idea. But with the others it was mine—and they were shocked to hear that *that's* what I wanted! They didn't think a lady—a *schoolteacher*—even thought about such

things. Their first reaction was, 'You? Want it *there*?'"

I have to tell them what I want very carefully and at just the right time, or else

20225 they'll freak out. With one of my boyfriends, it took him by such surprise, his erection went soft. He just didn't think I was capable of such a thing. It took me five minutes to suck him hard again, and by that time he was convinced that I was serious.

That's why I work up to it with each new boyfriend. I don't have sex with a guy until I've been out with him a few times and we've gotten to know and like each other, but even then I have to break it to him gently. I'll let things proceed normally at first. Most men want me to begin by going down on them. What I'll do is suck his cock, then lick

"Most men want me to go down on them first. I'll suck his cock, lick his balls, and tongue his ass!"

his balls and then slip down and tongue his ass. If he really enjoys having me do that, then he'll

be ready when I ask him to fuck me in *my* ass."

If I sense he's uptight, I'll guide him into it without letting him know it's my idea. Since most guys want to fuck me doggy-style, I'll wait until we do that. Once they have me on my hands and knees, it doesn't take much to get them out of my pussy and then reinsert them in my butt. With one guy who was fucking me with the

lights off, he didn't even realize he was fucking me back there until afterward.

Even though I'm an anal

"When I pulled his cock out of his pants, he was bigger than normal. I told myself, 'No way will I allow that inside my little asshole!'"

freak, I still have to get ready for it. It's not the sort of quickie you can do in

your car. I need a comfortable place, like a bedroom. It helps if we loosen up first with a few drinks. I need to feel secure about the man I'm with—and of course I do insist that he wears a condom. I want him to lube himself up nice so that he can enter me easily.

Now I'm able to handle men with larger cocks, too. Early on, I had the hots for this one guy, what a hunk he was, but when I pulled his cock out of his pants, he was bigger than normal, and I told myself, "No way will I allow *that* inside my little asshole!" So I fucked

him normally and let it go at that. But later, when I'd had a lot more experience, I seduced him again. This time I let him know what I really wanted. After I felt that huge cock inside me, I went back for more. And more. And yes, even *more*.

I've become so hung up on anal sex that even when I have straight sex, I like to

wear a butt-plug so that I'm stimulated in two places at once. No, I haven't tried DPs yet, but maybe soon.

Despite all their big talk, most men are reluctant to try anal sex. So I guess I've got the job of converting the male world to anal sex, one man at a time.

STILL A VIRGIN, PUSSYWISE!

When I was stationed in Germany, I had this crazy girlfriend—the hottest blonde you ever saw. She wanted to please me, but for awhile there she would not let me fuck her in the regular way because she claimed she was saving herself for marriage. I've been told by other guys since then that this isn't all that rare, but at the time I was confused. The good part, though, is that by the time we finally got around to fucking, it was a truly amazing experience,

But when our relationship started, whether we

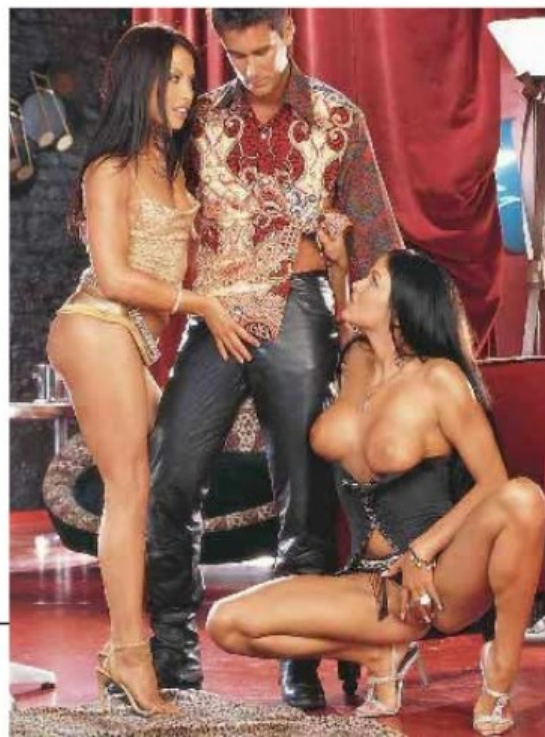

"After sucking me to full arousal she'd whisper, 'Don't you want to fuck my ass now, baby?'"

were in my car or at her place, she'd only jack me off a little, then she'd bend her head down into my lap and wrap her warm lips

around my cock and suck me till I was totally hard. Then she'd raise up and whisper in a sexy accent, "Do you want to fuck my ass now, baby?"

This was new to me. I wasn't going to argue with getting a blowjob from this Teutonic beauty, and I wasn't going to complain

Two of porno's hottest pros are here to shoot a threesome with a handsome stud. But then their competitive natures take over. Which one will get to drink his cum?

Lanny, Jayna & Steve

ALL DAY SUCKERS

Real porno stars like Jayna Oso and Lanny Barby base their entire identities on being sex goddesses, capable of controlling any man—or any situation with a man—merely with their powers of seduction. That's why it's always fun for photographers to turn them loose on a professional stud at a photo session. Each girl wants to think *she's* the only one who turns this guy on, and that *she'll* be the one who finally makes him cum, instead of that other conniving bitch *she's* working with. So each girl uses all her little tricks, hoping that when he finally comes, it'll be in *her* throat, not that other slut's mouth!

Since Lanny Barby's not expecting Steve to come inside her pussy while she's fucking him, Jayna Oso gets it into her little devious mind to try and make him squirt prematurely, knowing that it would piss off Lanny no end. After all, that's the one no-no during these shoots: You're not supposed to come inside the girl's pussy, where nobody can see it. So Jayna crouches beneath him to suck on his balls gently, lolling them around on her tongue while her lips engulf his scrotum. She knows just how hard she can suck on them. Yeah, Jayna thinks, *let's see if he can keep from coming inside her pussy!*

Despite all the charms and wanton wives of Lanny and Jayna, Steve keeps fucking their hot pussies and even hotter mouths without coming before he's ready. In fact, he wants to keep this going for as long as possible, because the minute he shoots his wad, he won't have these two girls fighting over him anymore. So he holds out for over twenty minutes as both girls furiously suck his cock and balls and fuck him—and when he finally fires off his loads, he squirts them on both girls' faces!

MARRIAGE.

N INDECENT PROPOSAL

Natalie is admiring a red vibrator that looks like a gadget in a 1960s sci-fi flick. It's an eight-inch jelly cock with four "very special" effects and three speeds, controlled by a microchip.

With A Woman's Options Today, Can "Till Death Do Us Part" Last Any Longer Than The Batteries In Her Vibrator?

"This'll do whatever I want it to do," Natalie purrs. "I can program it to speed up and slow down—and then speed

up again. I can program it to tingle or pulse. It's definitely the right tool for the job. It's my best friend. And my lover!"

Natalie is a 26-year-old cashier whose husband is away 200+ days a year as a concert lighting consultant. "He

racked up two million miles of frequent flyer miles last year, and I put 2,000 miles on my vibrator," she says.

BY DANIELLA TOMEI

ince Natalie is content at this point in her life to pleasure herself, she has begun to wonder if her marriage was a mistake. Or more to the point, does she need a husband—or a man?

Walk into a modern sex shop and you're likely to feel that the battle of the sexes has taken a big turn for the worse, as far as men are concerned. Vibrators, originally marketed as an aide for couples, are looking more like super-studs designed to render penises obsolete. They not only have lurid names like Lucid Dream, Purple Passion Pocket Pal, and Red Boy Toy (Natalie's favorite), but also the most amazing shapes and features. Some look exactly like a cock, with veins on the bottom and a choice of circumcised or uncircumcised heads. Other models can stimulate certain areas of a vagina rather than simply duplicate the experience of male penetration. Many have whirling knobby heads, multiple speeds, and super massage features that no man can match.

Which brings us to the main point of this article: Is marriage obsolete? Let's face it, slightly more than 50 per cent of all marriages end in divorce, and in some states—both blue and red, so this isn't just a "family values" rant—the divorce rate is much higher.

It was time for me to get to the very bottom of this question, so I asked a few young, attractive vibrator owners if their toys have changed their lives and their mating habits.

SAMANTHA

Samantha is an attractive 23-year-old assistant pit boss at a well-known Las Vegas casino who says she lives in Vegas because of vibrators. "I was in Los Angeles last year, engaged to a guy in the film industry," she says. "My girlfriends decided to give me a bachelorette party here in Vegas, so we came here together for the entire weekend. Well, it turned out to be a three-day party, and one thing led to another, and next thing you know we have these wild-looking vibrators and my two girlfriends and me end up in a threesome—well, it was maybe a fivesome if you count our toys. It was the greatest sex I ever had. I thought, how can Ted ever live up to what I'm

getting here? So I just went back to L.A., packed up my stuff, and came back here to live. We'd already made all the plans for the wedding, sent out

"Here I am, four husbands and four divorces later, but my vibrator is still going strong!"

invitations and everything. Basically I just left the poor guy at the altar. He still doesn't know what happened. To spare his ego I told him I didn't need men anymore, so I guess he thinks I'm a lesbian. I didn't have the heart to tell him that he really lost me to a fabulous vibrator."

ALLISON

Allison, a trim, professional woman in her early thirties, is hardly a poster child *against* marriage. She proudly announces that she's been married a total of four times. "I tried to make my marriages work, lord I tried," she tells me at her expensive Encino home, a result of her final marriage, to a chief financial officer at an insurance company. "I was responsible for the first one breaking up, but the others, well, I'm not so sure. Everything might've gone okay if I'd never even seen a vibrator—you know, if I'd never had

the experience of total fulfillment. But my first husband made the mistake—a *big* mistake—of bringing a vibrator into our marriage as a way of spicing things up. Oh, it spiced things up all right. When he started spending too many evenings away from home, that vibrator became my lover. And when my husband wanted sex, I would give it to him as a wife's duty, but I could not have an orgasm or even feel anything special. He started getting sex someplace else, and that brought our marriage to an end."

But Allison, despite four divorces, is not bitter about life or men. "Here I am, four husbands and ten years later—four good men who came and went—but you know what? I still have that original vibrator, my beloved little silver Pocket Rocket. It's still going strong, and all I ever had to do was put in a new battery every so often. I have a couple of newer vibrators, too, but even though they're a lot fancier and have wonderful little options that are pretty amazing, I will never leave my first vibrator. It will always be very special, because it gave me my first true over-the-top orgasm."

PAMELA

Some ladies, despite all the things that come their way, are romantically inclined. They're in love with love and enchanted by the idea of courtship and marriage. It begins when we're little girls and our daddies come into our bedrooms at night and read fairy tales to us about a sleeping princess rescued by a handsome prince. The damage those fairy tales have done to modern women is incalculable. We spend the rest of our lives paying for our innocence, trying over and over again to recapture all those romantic notions we had as children, convincing ourselves well into adulthood that the frogs we meet are really princes.

Pamela is a perfect example. Now in her late 20s, the tall blonde yoga instructor still has the radiant look of an ex-cheerleader who knows that she can still turn heads her way. She is the type of lady who's never without a man, because as soon as she drops one there's always another to take his place. And yet, despite being engaged a total of ten times, by her

and he's here to do a major story on my movie, and he's looking to do a big spread on the next big star—and maybe you're it." Naturally her green eyes light up. Suddenly this big, fortyish dork (me) standing there is transformed, by magic, into a dashing Hollywood stud who's capable of giving her valuable publicity for one of her first movies. Hey, who said the Hollywood dream was dead? Who said a porn slut can't get discovered the first time out? So this girl and I slip into an upstairs room for an interview, she tells me proudly that she

was the best cocksucker in her hometown back in Ohio, I tell her that I hear *that* shit from every new girl I talk to, and she says, "No, wait, I can prove it!"—and here we are. I'm in a chair with my trousers down around my ankles and she's on the floor slurping on my cock. And I can't even remember the girl's name.

Ashley something. It's all coming back to me now. But wait a second, something else is starting to come, too, and it wipes my mind clean. In fact, as I close my eyes and feel my cum squirting into her

WHO'S THAT GIRL?

Who's that girl sucking hard on my cock? That's a question I'm often asking myself whenever I'm doing on-location articles and suddenly find myself alone with a porno neophyte desperate to get interviewed in VELVET and ready to do anything in her power to impress me. Sometimes these things happen so fast that I barely get to know them, or even say more than a few words to them. All I know is that right now I'm looking down at the bouncing blonde hair of this green-eyed 19-year-old angel as she pumps her lips up and down on my cock.

Oh yeah, I'm thinking, *her name is....oops, it's on the tip of my tongue*. After all, director Vince Voyer introduced her to me only ten minutes ago. He told me, "Dobbs, this is so-and-so. So-and-so, this is Jay Dobbs from VELVET magazine

What was her first name again? Angel? Angela? Allison? Altoona? I can't remember now.

down. She sucks me dry and doesn't come up for air until I've gone soft in her mouth. Her green eyes are glistening up at me, dreamy with hope that I'll make her an instant star.

Who's that girl, indeed!

I can actually claim that I was there when Vince Vouyer came up with the bright idea for *Who's That Girl*? I happened to be in his office on another

assignment when the conversation turned to just how difficult it is for a porno producer to come up with a catchy title that instantly tells the viewer what the movie's about and sets it apart from the hundreds of other titles that crowd the adult market. Vouyer's pal, Kyle Stone, the

shaggy-eyebrowed guy who pops up in many of his videos, was also there, tossing in comments when he wasn't yapping on his

cell phone. As Vouyer was explaining something to me, Kyle was absently brushing his fingers over several Polaroids of new girls laying on the desk. He picked one up, impressed with what he saw, then turned it toward Vouyer, and asked, "Who's this girl?"

Vouyer bolted forward in mid-sentence. "Hey, great title! Who's this girl? No, wait, I got a better one. Who's *that* girl?"

As a title for a fuck flick it didn't impress me. But I'm not a child of the 1980s like Vince Vouyer is, so it didn't resonate with me. "Who's That Girl" was originally a Eurythmics song from 1983 (before any of the girls in Vouyer's current movie were even born). Four years later came Madonna's film *Who's That Girl* that spawned her number-one single of the same name (though a different song than the Eurythmics'), along with her *Who's That Girl* tour that featured the Material

Girl wearing her iconic black and gold bustier.

But my idea of a porn title is *Wow! My Ass Is Getting Stuffed Like a Thanksgiving Turkey*, not *Who's That Girl*? Also, wasn't there a television series back in the late 1960s called *That Girl*, starring Marlo Thomas?

"So what's the theme, Vince?" I asked him.

He and Kyle Stone looked searchingly at each other for a moment. Then Vouyer said,

"New girls in the business. We get the newest girls straight off the bus and break them in."

"You mean like *Breakin' 'Em In*, Red Light District's title?"

Vince gave me a sour look. "Yeah, you asshole, except we say, 'Who's that girl?'"

"Who says that? You?"

"Well, it would sound kind of stupid if I asked it," he said.

"The guys would," Stone interjected happily, no doubt already seeing himself in the

video. "The girl's there already, she's maybe doing herself with her

So anyway, maybe three or four months later Vince calls me to apologize for forgetting to invite me to his shoots for the first two installments of *Who's That Girl*. "Everything

"Yeah, right."

"No, I'm serious," he says. "I've got this girl named Ashley Jensen—no, she's not the girl on HBO—this one is new to the business, just in from Ohio,

and I'm doing a few things with her over the next couple of weeks because she's hot as hell and she's ready to do anything. She was sitting right across the desk from me two days ago, she sees my copy of VELVET on the desk, picks it up, starts flipping through it, and she tells me, 'I want to be in this magazine and I'll do anything it takes.' And I tell her, 'I can make it happen. As long as my buddy Jay Dobbs likes you, you're in. He'll blow

you up like the next Jenna Jameson.' And do you know what she told me, Dobbs? She said, 'I want to meet him. Can I meet him? I know he'll really like me.' And I told her I'd make sure that you gave her your complete attention. So what do you say, Dobbs? Do you want to meet Ashley?"

"When will you be shooting her?" I ask.

"Tomorrow morning. I'm shooting this other girl from Ohio first. Her name's Presley

Then we both walk downstairs, where Presley Maddox is getting ready to take on several guys, including Kyle Stone. Ashley thanks me again and heads off to the makeup area. I stay for a few minutes, but I'm not interested in watching some girl getting fucked by several guys. You know how it is when your balls are already drained and empty. When I tell

Vince I've got an appointment in Hollywood, he says, "Come back tomorrow morning. I got this new chick, name's Brooke, and when I told her VELVET magazine might be covering her scene, she flipped out.

When I get to the upstairs bedroom where Vince is shooting, I can't help but mutter, "Boy, is this tacky, or what?" C.J. Wright. The girl's name, I soon discover, is Brooke Scott, a 21-year-old stripper from Oregon.

She's not the prettiest girl in the movie, but she's probably the most enthusiastic. Brooke seems to enjoy getting her mouth and pussy fucked hard. Her screams sound genuine. Her natural boobs, which are large and pendulous, hop and swing around with each thrust.

"Brooke enjoys getting her mouth and pussy fucked. Her big boobs swing with each hard thrust!"

She needs a little time in the gym on the treadmill, and her tummy is definitely in need of a regimen of sit-ups, but as I watch this neophyte handling the two professional studs, I find myself more and more attracted to her. There's just something sensuous about Brooke Scott. And when it's time for the cumshots, she leans her head back with her

mouth wide open, happily ready to receive the gooey gunking they've got planned for her. As each cock spurts straight into

bullpen, stroking their cocks, and as soon as Kyle and C.J. have finished their job and stepped out of the way, these

about fucking her in the ass if that's what she wanted. But after a few times I wanted to fuck her the regular way. But when I told her this, just as she was taking my cock out of her mouth, she said, "Nein, no, just my ass, please!"

I said, "No, I want to fuck your pussy tonight."

She shook her head no. "I can't. I'm a virgin, I'm saving myself."

"I was too hot to argue about anal sex, so I just pushed her head back into my lap and let her suck me off!"

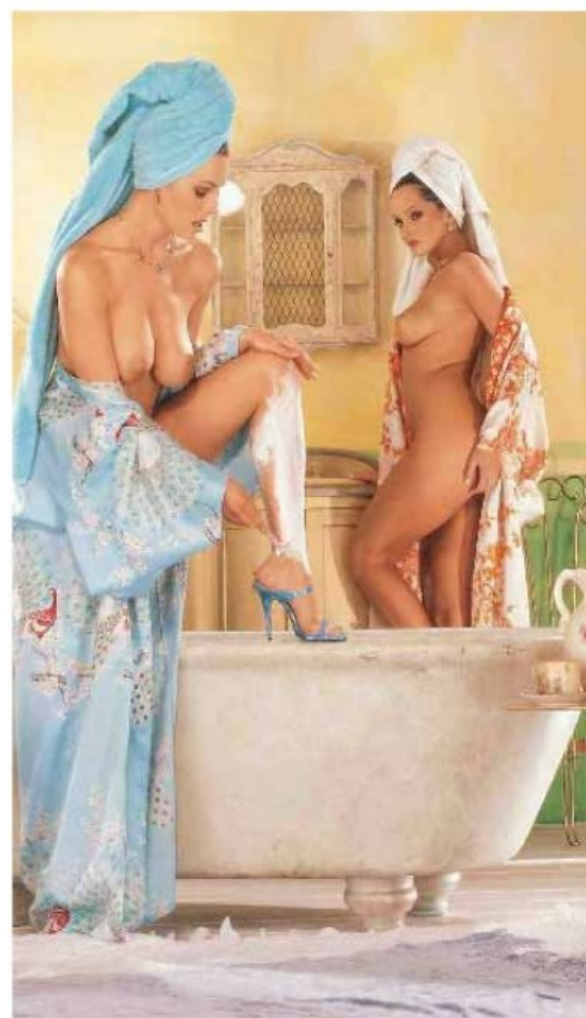

I'd heard that many American girls didn't think of blowjobs as real sex, but I didn't know that German girls felt that way too. But I was horny, so I just pushed her head back down into

my lap. I wasn't in the mood to fuck her in the ass, so I just came in her mouth.

I thought maybe she was afraid of getting pregnant, or losing her all-important intact hymen, which for many folks is the keeper of purity.

The problem with thinking like that, though, is that they will eventually end up with the kind of guy who puts a big premium on virginal "purity." If she starts with a lie, where does she hope to go from there? But worst of all, if that guy is really marrying her for her virginity, he's probably insecure and controlling. And he'll find out sooner or later, anyway, when she suddenly

count, Pamela has never made that final big step into marriage.

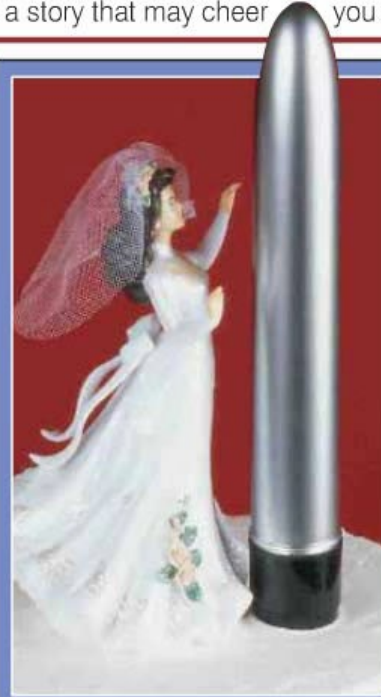

"A lot of guys have proposed to me over the years, but I've only accepted ten of them," she says. "And none of them got too far, even though I was in love with some of them. I'd love to find that special guy who could make every day a paradise, but more and more I'm convinced it's never going to happen. And I think the reason is that not one guy I've had sex with can do as well in bed as my vibrators."

Pamela admits she goes through vibrators like other girls go through blouses. "Every time I think I'm in love with a new man, I start feeling guilty and throw out my vibrators. But then after a month or two, I'll start getting horny again because my boyfriend isn't giving me the thrills I used to get with my toys. Mostly I'll think it won't hurt to buy a new vibrator, because I'll just use it part of the time, you know, as a way of adding to the good sex I'm already having. But just as soon as I buy that new vibrator and try it out, I suddenly remember everything I've been missing. I'm sorry, but with all the features these things have, no man can keep up with them. Sure, a vibrator can't give you an emotional type of connection, but it sure gives you the greatest orgasms you'll ever have. And when that happens, I have to admit to myself: *I can't marry this guy. If I have to choose between him and my new vibrator, he's gone!*"

"But then a few weeks later I'll find some new guy and it'll start all over again. I'll think I'm in love and throw out my vibrator. Later on I'll regret it and buy a new one. Just last month I saw a letter in the paper from some other girl with the same problem as me, and Dear Amy or whoever it was told the writer that she was repeating this over and over again because she wanted to recreate the love she lost as a little girl when her father left her mother. I don't think that fits me very much, but it's obvious that I can't get beyond this ideal of perfect love. No matter how hard I want to have the perfect marriage, every new vibrator I get wrecks my romance."

LESLIE

If the future of marriage is starting to look bleak to you at this point, here is a story that may cheer you up.

"I can't marry this guy. If I have to choose between him and my new vibrator, he's gone!"

Just because a woman finds her ultimate satisfaction with her trustiest vibrator doesn't mean she can't also maintain a healthy marriage with a less-than-perfect man.

Leslie works at an airline counter at LAX in Los Angeles. The 31-year-old brunette spent a few years working as a flight attendant before she took her present job in order to spend time with her new husband, a retired pilot who's now in his 50s. He was a very virile man when he met her ten years ago, and she says he's still able to give her a good workout even today. "But it's never really enough for me," Leslie admits. "I don't think there's a thing called *enough* for me, because I've been fucked by vigorous young men and, even though they fucked

me good and gave me some great orgasms, they could never finish the job, if you know what I mean. I'm just one of those ladies who needs four or five orgasms before I'm satisfied, and nobody I've met can do that. For me, fucking's just the warm-up for the big event. It's foreplay."

Early in her marriage, she kept her vibrators a secret from her husband, both out of shame and out of Leslie's concern that he would feel insulted or inadequate if he knew about them. "I would have sex with him at night, and like always it was pretty good sex, and we'd cuddle until he fell off to sleep afterwards. Then I'd sneak into another part of the house where my vibrator or my moans wouldn't wake him up. It went on like that for about six months or so."

Eventually he discovered Leslie's toy collection, but to her surprise he wasn't dismayed about them at all. "It turned out that he had a pretty open mind about it," she says. "He'd been with other women who used vibrators and he'd even used them on women himself. So at that point he decided to join the fun. At his age he's happy to be able to give me an orgasm on his own, without any help, but then, if he doesn't fall asleep first, he'll help me through a few more orgasms. He seems to have a lot of fun doing it, and that's great for me because the one thing that's always bothered me about masturbating with my vibrators is that I miss the personal connection of having a man there with me."

Their sex life really took off when he began asking her to return the favor to him. "My husband likes these new vibrators as much as I do," she says. "He had never experienced anal sex before, but he was willing to try it, and wow—that changed everything. Now we play together with vibrators all the time and we're terribly happy."

So there you have it. Old-fashioned marriage is under assault, but if a guy is open-minded, he may find a new role, and new pleasures, for himself. One thing is certain: Once a woman goes electric, she won't go back to the old ways of love and marriage.

"I saw most of it, and she was great," I assure him. And assure her—because Brooke, still on her knees, is looking at

this business."

Well, that obviously pleases her, because as I soon find out, Brooke Scott has come to Los Angeles to make a name for herself, so that when she goes back home she can earn more money stripping in clubs.

"Brooke, still on her knees, is looking at me with what looks like interest in her eyes, as if the four guys who squirted their loads into her mouth have only warmed her up for the main event. And the main event is me!"

"Thanks," Brooke says, rising to her feet. She barely takes her eyes off me. "I'll be right back, okay?"

After she's gone, Vince tells me,

I'm sitting on the ugly couch. She's wearing only a cut-off T-shirt and blue short-shorts.

"Do you want to talk here?" she asks breathlessly.

"She was afraid you weren't coming, Dobbs. She's been talking about you all morning. I'll even bet that she was thinking about you while she was fucking those other guys."

"All right, Vince, you can knock off all the shit, I'm sold."

"Did I tell you she also said you were the greatest writer she'd ever read—and the sexiest, too?"

Five minutes later, after Vince and his crew have moved into another part of the house, Brooke comes bounding back into the room where

"Brooke Street and I find a more secluded spot, a tiny guest bedroom, and sit on the edge of the one small bed. Before I can even turn on my tape recorder, Brooke says, 'Oh, did I tell you that my all-time favorite thing to do is suck cocks?'"

"I'm sick of all this brown," I say. "Let's go somewhere else."

"I agree," Brooke says. "Way too much brown, right?"

SLUT OF THE MONTH: SASHA GREY

Out Of The Mouths Of Babes!

Sasha Grey is a slim (five-six, 105 pounds, 32B-26-31) brunette from Sacramento who made a bee-line south to Los Angeles's Porn Valley as soon as she turned 18. Sasha was still 18, going on 19 (she was born in March 1988), when Beth Sims talked to her earlier this year in the courtyard of the Cat & Fiddle Pub in Hollywood. Sasha was still giddy from being freshly gang-fucked by 15 studs in Red Light District's Gang Bang #5. Among Sasha's other movies are Cum Fart Cocktails #5 (Red Light District), Suck It Dry #3 (Evil Angel), Tight Teen Twats #2 and Smokin' Hot (both from Platinum-X).

Sasha may be one of today's top cover girls, but she's still just a nasty slut, as she amply proves in Red Light District's new Gang Bang #5.

Sasha's motto is "He who hesitates is last" in Red Light District's Gang Bang #5 (all photos).

star real bad. I'm real methodical, so I approached the business by doing research online, you know, reading interviews and stuff like that. And I watched all the movies—lots of them. I saw every movie I could get my hands on.

That must have been real grueling, since most porno is designed for men only.

Some of it was pretty tough going. I guess you have to watch a lot of it, too, right?

Oh shit, yes. But it gives me an insight into how the male mind works. After all, to do my job I have to know what is going on in the mind of the consumer.

People told me, "You don't want to do porn, it's cheap and sleazy." And I went, "What's so cheap and sleazy about Paris Hilton and Pam Anderson. If they can suck cocks in a video, why can't I?"

Yeah, I can see that. I think that's why I have a pretty good understanding of the business compared to most other girls I work with. They usually talk about how they hate looking at the stuff, except for maybe their own scenes. But I want to know exactly what guys out there

I'm intrigued that you hurried down here to Los Angeles to get into porno as soon as you graduated from high school. What made you want to be an adult star so badly?

Well, first of all, I graduated from high school [in 2005] right after I turned seventeen because I was home-schooled well enough that I was able to skip a grade. So actually I had to wait a while before I could come down here. But you're right, I wanted to be a porn

want, because my job is to give it to them. If they get off whenever a girl swallows cum, then I'll swallow cum. Lucky for me, I happen to like the taste of cum and the feel of it when a guy is shooting it into my mouth.

Who were your favorite performers at that time?

Well, Belladonna. That's how I discovered her. She was so kinky and beautiful, so fucking intense, especially in her girl-girl scenes, and she seemed to be in charge of her own career. She was producing her own movies instead of just being somebody else's employee, and I admire that. I was also intrigued by those Paris Hilton and Pam Anderson movies where they had sex. I realized that porn was more mainstream than most people wanted to admit. People were telling me, "You don't want to do

I want to know exactly what guys out there want, because my job is to give it to them. If they get off whenever a girl swallows cum, I'll swallow cum. Besides, I like the taste!

that, it's cheap and sleazy." And I went, "What's so cheap and sleazy about Paris Hilton?" I mean, there she is on the TV, sucking cocks and getting fucked and enjoying it, without any apologies later on. If that's cheap and sleazy, then let me at it. But mainly my inspiration was Belladonna, because she accepted exactly who she is. I really really appreciate that.

I guess you were also into sex by that time.

Oh, was I? I was never taught that sex was really bad, and by the time I tried it out I discovered that sex is really great. I was ready for anything, and lucky for

me I was dating the hottest guys who knew exactly where I wanted to go. I will do almost anything. I love to surrender to sex in its most extreme ways.

That must be why you got involved with Rocco Siffredi, who's known for extreme movies.

Definitely. I really wanted the best. But what really got me into my movie with Rocco [*The Fashionistas 2* from *Evil Empire*] was Belladonna.

SLUT OF THE MONTH: **SASHA GREY**

So when I had the chance to work with her [in *Belladonna: Fetish Fanatic #4* from Belladonna Entertainment/Evil Angel and *Awakening Sasha Grey* from Evil Empire], it was like a dream come true. It was just one of those coincidences that seems driven by fate. The first thing I did was get an agent, and he took me right over to see the people at Evil Angel, and Belladonna happened to be there getting her costume fitted for *The Fashionistas* [2]. It was so surreal. We became instant pals. I basically got to start at the top, in a major movie with a major director [John Stagliano] and major stars. But the best part was working with Belladonna. She let me explore all of my deepest, kinkiest lesbian desires, and all of my power-playing fantasies. She taught me how to switch roles, and how to take sexual roles to their extreme so that you can totally find your inner

I love to suck cocks and deepthroat them. One of my boyfriends taught me how to relax so that I could get past my gag reflex. I love to feel a really big cock all the way down my throat—especially when it's coming!

being and explore it, whether you're working with men or women.

In other words, you want to break sexual taboos.

Well, I don't really consider anything taboo, except for a few things that are just wrong, you know, illegal. Unlike most American women I'm not afraid of my sexuality, I'm not afraid to explore all of my fantasies and my sexual needs, because it's healthy to experience them.

Wasn't your very first scene

an orgy with several guys?

Yeah. I didn't realize it at the time, but I was having sex with the cream of the crop: Jean Val Jean was there, Rocco of course, Mark Davis, Erik Everhard, a couple of others. And we hadn't gotten to the orgy yet. Everything just happened, and I was hooked from the start because I hadn't felt such intensity before then—or had that much fun. You go into an alpha state, your mind is everywhere, but you're still in total control.

Is that why you

Sasha can't get enough hard dick in her mouth, pussy, and asshole in Red Light District's sweaty, jizzy *Gang Bang #5*.

starred as the center of a fifteen-man gangbang [Red Light District's *Gang Bang #5*]?

Yeah, Beth, that was awesome. You know, people must think I'm the worst slut in the world, ready to gangbang anybody on the street, but you have to understand that that's not how it is. I do these things in movies because I'm in a safe situation. I'm with my friends and I know that nobody will hurt me. So it's controlled as far as that goes. But once you know you have that situation set up for you, then you can just let yourself go and get fucked by as many guys as they've got for you. And suck lots of cock. And let them all shoot their cum in my mouth and all over my body. I love hot cum. My mind is just bouncing off the ceiling, I'm having a great time. And lots of orgasms, too.

You're also famous for being able to deepthroat huge cocks.

Yeah, I love to suck cocks. One of my boyfriends taught me how to relax so that I can get past my gag reflex. I really love to feel a really big cock all the way down inside my throat—especially when [the guy] starts to come. You can't believe how great it feels. Unfortunately, if I'm doing it in a movie I can't let him come in my throat. The director wants the cumshot outside.

I just saw you on *The Tyra Banks Show* [February 2007]. You were also in *Los Angeles* magazine last year [November issue]. Are you going mainstream?

I don't think so. You know, *Los Angeles*

Porn can either destroy or empower a woman, but it depends on the way she handles it. Women have a lot more power than they realize, but the men don't want you to know that. But without us, you only have guys fucking each other!

called me "the next Jenna Jameson." I said, "Wow." Her shoes are more than big enough for me. I want to be a star right here and make my own movies and be in total control of my own little world. That'll suit me fine. **Conservatives say that porno destroys women, but you've said that's not true. It empowers women. How?**

GANGBANG GOURMAND **SASHA GREY**

Well, actually, it can *either* destroy or it can empower a woman, but it depends on how she wants to handle it. Women have a lot more power in the business than they realize, but the men don't want you to ever know that. But hey, let's face it, without us girls there's no porn industry. All you have is guys fucking each other and shooting their cum at each other. The important thing to know is that we're a sexual commodity, but that's really a good thing. It means you have something to sell, and it's *you*. And if anyone is going to exploit you, it might as well be you. Otherwise, some assholes are going to make all the money and leave you with nothing.

That's mostly what happens, isn't it? It's a pimp culture. The girls get used up and tossed away like Kleenex.

Absolutely. I was really shocked at first when I found out how little the girls get paid for doing a porn movie. A few

Too many porn stars are making next to nothing. If you're doing all the work and some producer is making all the money, then you're not doing much better than a crack whore!

hundred bucks—that's nothing! But the people who own the movie are making tens of thousands of dollars. It's really obscene. If you're doing all the work and someone else is making all the money, you're not doing much better than a crack whore. That's why I admire Belladonna and Jenna Jameson. They own their own companies, control their own images. They own their own websites and everything. They're making tons and tons of money.

So basically it all comes down to money and control.

Of course. People say that we're being exploited, but who's really being exploited? A girl who works at Wal-Mart or Burger King for six or seven dollars an hour, or a woman pulling down two- or three-hundred thousand dollars a year doing porn movies? Plus, I'm living out my sexual fantasies with the most beautiful people in the world.

Have you had the chance to have sex with any celebrities yet?

Just last week I gave [an actor] a blowjob in the back of a limo. I'm not interested in *fucking* celebrities, I just want to suck their cocks. It's like a trophy. I've sucked off maybe a dozen famous men. And licked one famous pussy. It's like one of the perks of my business. Celebrities know who I am. I guess that makes me a celebrity too, right?

WHAT WILL PRO+PLUS PILLS DO FOR ME?

► A longer, thicker penis enlargement up to 5 inches or more!

► A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.

► You will have bigger, harder erections. Because of increased blood flow, your erections grow harder.

► Erections when you want them. Rock-hard erections every time.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Because you are larger you penetrate more sensitive areas of the woman. It is possible for you to reach the most sensitive area of all, a woman's G-Spot. These sensations will produce for a woman the ultimate multiple orgasms. Knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

turns into this little blowjob queen. She'll be acting all innocent and shit, but once she gets going she'll forget herself and turn into the little whore that she really is, and then he'll want to know how she learned to do *that*, and he's going to be really outraged that she fooled him.

So one night, after I had already started fucking my hot little blonde

"As I fucked her in the ass, I said, 'You know, you really are a fucking bitch!'"

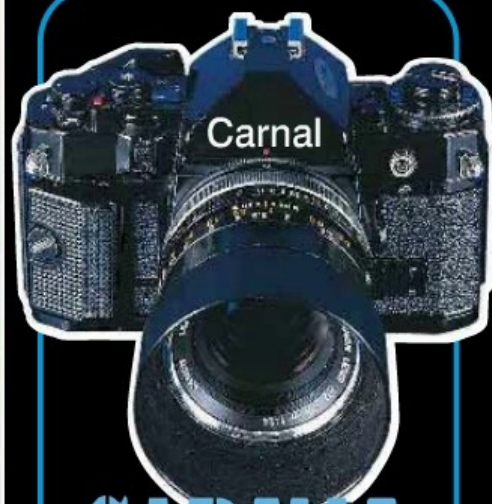

in the ass, I told her, "You know, you really *are* a fucking little bitch. You're living a fucking lie with this virginity crap, and if the guy you eventually marries finds out about you, he's going to hate you. And if he's the kind of boob that expects you to be a virgin when he marries you, you're going to hate *him*."

Yeah, sure, you're saying, "What kind of thing is that to say while you have your cock up some poor girl's ass?" But I figure it was the one time when it might make sense to her. Besides, I was banging her so hard that she was ready to have a huge orgasm. So I stopped, pulled out, and pushed my cock into her juicy pussy. She didn't mind it a bit. Or maybe she didn't notice at first, and by the time she did, it was too late and she was loving it.

That was the last time she laid that virgin crap on me. From then on we fucked all the time!

—Mike M., Marietta, OH

CARNAL CAMERA

You, our readers, were so impressed by Czech porno queen Lilliane Tiger's recent private photo session with our roving photographer that we called her up during her

latest sojourn in Los Angeles and asked if she'd be up for a sequel. Well, Lilliane was overjoyed. "Not only do I want to do it," she said, "but my host, James, and his girlfriend would like to join in and make it a three-some!" Well,

we couldn't turn *that* down!

When our guy arrived at James' estate high up in the Hollywood Hills, Lilliane met him at the door. "Don't tell them you'll pay them. This is my treat," she said.

Lilliane wants to introduce her well-hung friend James and his beautiful girlfriend Lucy Love to the illicit thrills of fucking for the public camera!

Lilliane loves having sex several times a day, and wants to keep her own archives of her sexual exploits. (She is the one who paid for these photos for a one-time spread in VELVET.) She claims that she's a Romantic—willing to fly to distant continents simply to have sex with a favorite man...or woman. Or, in this case, both, because James' regular girl, Lucy Love, wants to join the fun.

Lilliane came back to America just to suck on James' long, fat cock—but she's happy to share it with one of James' other girlfriends, lovely Lucy Love!

Lucy and Lilliane seem to have hit it off from the start. Neither one is the jealous type. In fact, they both enjoy the warmth of a threesome, with bodies touching bodies, and they're quite willing to share James' cock with each other. Naturally Lucy lets Lilliane suck on the blood-gorged rod a little more than usual, because the Czech star doesn't get to put it in her mouth all that often. And Lucy knows that when Lilliane gets on a plane and flies back to Europe, she'll have James all to herself again. So she's happy to just suck on James' nut sac while Lilliane fills her mouth with his large, overheated cock. She'll even let Lilliane drink every drop of his jism when the time comes for him to explode. The real miracle here, though, is how James is able to hold off for so long despite these girls' efforts. Do you think that you could keep from coming too soon if pretty Lucy Love was bathing your balls in her hot mouth while Lilliane Tiger was deepthroating your cock?

Later, after Lilliane swallowed all of James' squirts, she told Lucy, "If you're thirsty for cum, why not crawl over and pay the photographer for his time?"

FILTHY FIRST TASTE #2

Girls, welcome to the land of porno. That's what the roving directors & actors are doing here, trawling for trim and cruising

for cooze. The premise is that these are all brand new girls doing it for the first time, and a couple of them are pretty darn persuasive, especially the fourth girl: Jennifer Arcadia, a beautiful Italian-American they pick up at

22851

the beach. The guys must have had a hard time getting any action out of her, because she's clearly not excited about making her debut appearance.

There's no blowjob at all, so they cut straight to her getting fucked. She doesn't even emote when she gets a faceload of cum. But she sure is cute.

But never mind, the first girl, Ellie Idol, makes up for Jennifer's flat per-

formance. If you love TV and film star Courteney Cox, you'll love Ellie Idol. The cameraman has wisely shot her blowjob mostly POV—that gets our legs wide open right there—and at the end of the scene Ellie takes a thwacking of a facial blast.

Poor Kinzy Jo is a spacey-looking bleach-blonde who contends with a huge cock that's clearly too big for her, but she gamely tries. Leah is a Mexican hottie who likewise gives it her all, and Haylo, the fifth, and last, girl, is, well, obviously new to the biz.

Filthy First Taste #2 is hit and miss, but if you're using brand new girls, that's part of the fun. And Ellie Idol makes it all worthwhile. **V**

FOOTWORK

Somebody should tell David Stanley that if you're going to make a movie with five vignettes about foot worship and give it a title

like *Footwork*, you should aim directly for the foot fetish crowd. The worst thing you can do in porno is straddle the fence and make a movie that's not quite fish and not quite fowl. But that's exactly what he's done here.

It's not that *Footwork's* a bad flick. Slinky DVD covergirl Briana, who's in three vignettes (as a hooker, a lesbian Goth and a janitor-enticing executive), is always fun to watch, and the rest of the women—all wearing stockings, by the way—do acquit themselves nicely. There are twosomes, threesomes and

moresomes doing all the usual stuff—fucking and sucking—but the kinkiest footwork on display is when Nicole Sheridan uses her tootsies to milk Voodoo's cock. Mostly, the only nod

22849

to any lower extremities here is when a couple of the guys squirt on a leg or a foot. In other words, there's nothing here for foot-worshipping aficionados, which shortchanges the performers—who otherwise do a fine job—and the buyers who might be intrigued by the slightly kinky-sounding title. **V**

PERVERSIONS UNLEASHED

All you romantic fellows out there who love to give a woman a long-stemmed rose, a candlelit dinner, and a carriage ride through the

park can stop reading this review right now, because this fuck movie is not for you. *Perversions Unleashed* is unabashedly raw, nasty, and rough 'n' tumble, and anything that even remotely suggests romance is purely coincidental. The girls are furiously face-fucked till they quack like ducks,

their gaping assholes are explored by huge appliances and long dicks, and they drink cum like it's fine wine (uh-oh, there's a weird reference to a romantic candlelit dinner).

Blondes Aaliyah Jolie and Angel Long start it off by sliding thick dildos up their asses, then replacing those prongs with pricks from Sascha and John Strong. Cocks are popped from cheeks, plunged into asses, and then plopped back into hot mouths again. Both girls get DP'd.

Pretty Spanish covergirl Rebecca Linares similarly gets ravished by two big dicks (Strong and Jean-Claude Batiste), but she also adds the element of a string of four plastic ben-wa balls that spend much time being shoved in or pulled from her ass (and at one point plunked into her mouth).

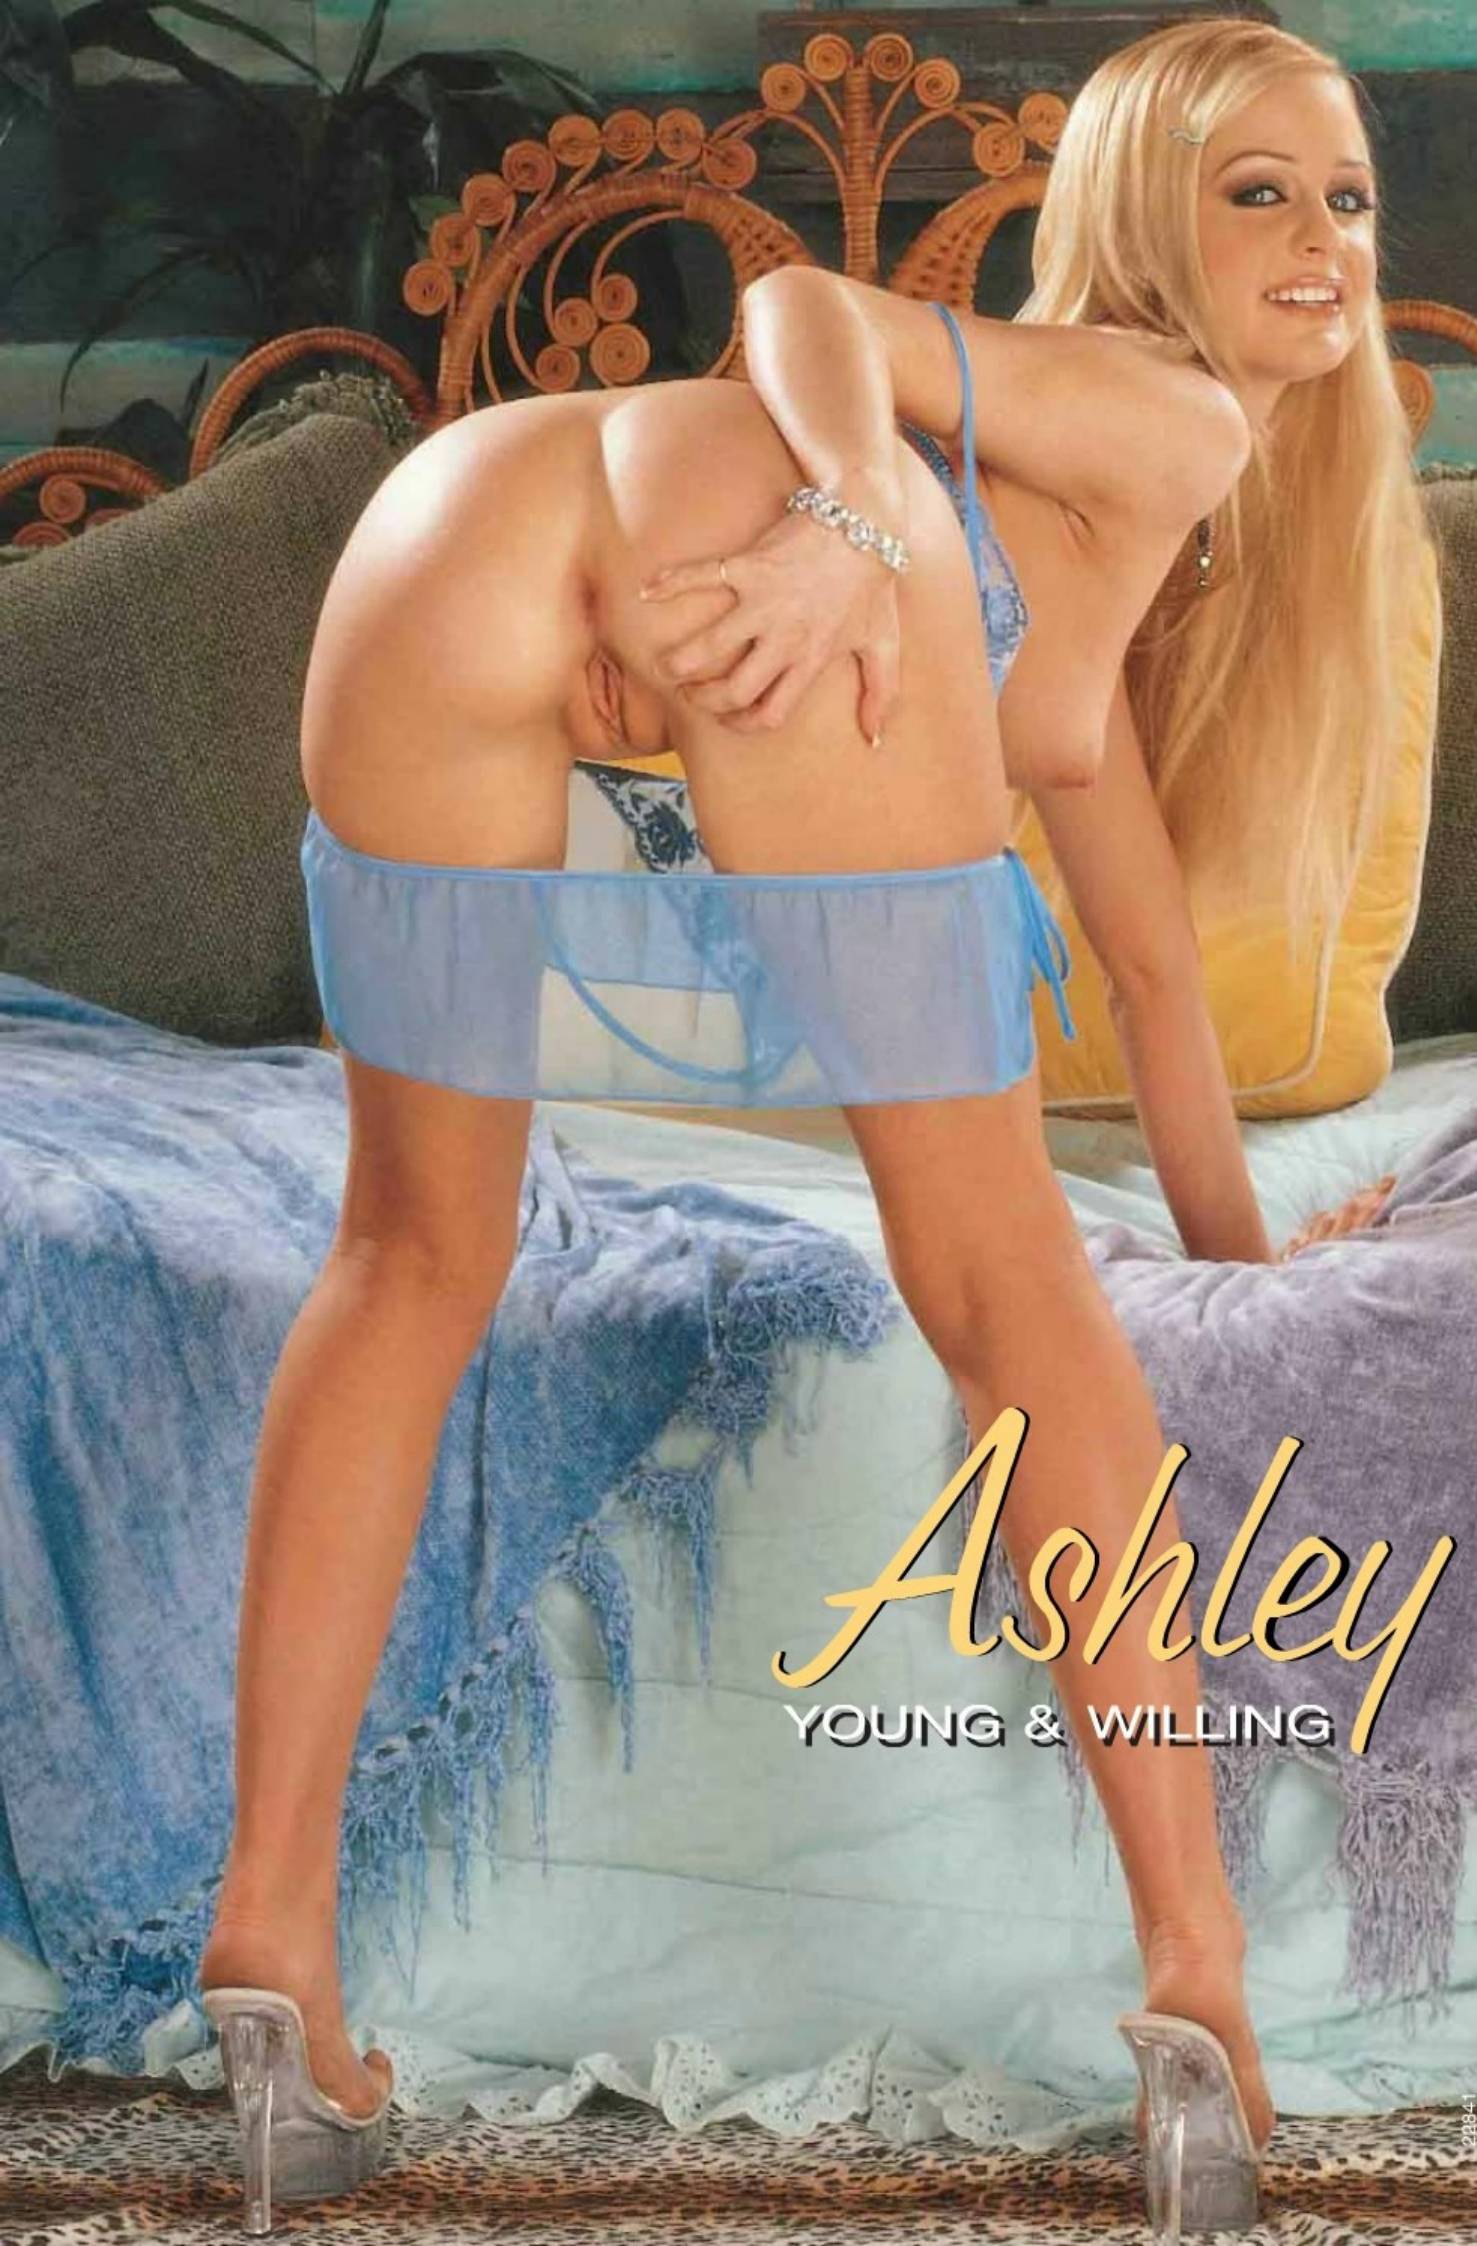

After a couple of nondescript boy-girl, non-anal romps—starring Lystra and Melissa Martin—that look as if they were dropped into *Perversions Unleashed* simply because there was

no other fucking place to put them, Alicia Angel and Isabella Ice finish off the movie by taking turns swallowing John Strong's cock as he pulls out of the other one's bung-hole.

How can you criticize a raunchy,

misogynist, body-fluid-spraying flick like *Perversions Unleashed* that goes for the bottom of the degenerate barrel. You either like it or you don't, and you sick fucks who want this kind of smut know who you are. **V**
