SHE LOVES THE COCK!

I spent last Saturday night barbecuing with a few friends and discussing the politics of likes and dislikes in the bedroom. I had an extremely hard time relating to one of my girlfriends and her views on sex. She has always been like a mother figure to us all, although she was in her early 30's just like us. She had strong religious beliefs, which made me surprised that she even participated in our forum.

After a few hours, I became very free in my speaking and sexual convictions. Susan was very shocked at my candor and couldn't believe how freely I openly devoured the thought of sucking cock. She was a little taken back as I stated this in the presence of her husband, who I might add, perked up at the thought. Hell, he even offered to help me bring all

the food inside and clean up, but that's a whole other story in itself.

Expressing my thoughts to my six mixed gender friends was quite arousing to me. I quickly played with the idea of flirting and letting the guys know what they were missing. My husband, who quite frankly never knows what I might say, just sat back and enjoyed the playful way I went about explaining my desires. They go something like this:

To me, giving a guy a blowjob is the ultimate in sexual gratification. Not only is it sexually and sensually fulfilling to him, but a major, dripping wet pussy experience for me. I think I like the idea of being in control of a situation and having my guy at my mercy, so to speak. I find nothing better than being with a guy who perhaps may think he is pretentious

and full of himself, grabbing hold of his swollen cock, playfully stroking it until a small bead of liquid escapes, wetting my finger with it, massaging his juices back into the head of his cock, soon ending up with my mouth surrounding his rock hard mass, finally listening to his low moans of pleasure that escape him. I love watching his facial expressions as I lick his cock slowly and slide my tongue around the head of his shaft. As I slowly run my tongue up and down his length, I like to lick circles around the underside of his muscle. As he begins to quiver with delight, I continue tantalizing his manhood with just the tip of my tongue dart-

of my rhythm and saliva moving around his flesh, and watching his face—eyes closed, sweat forming on his brow. All that makes my soft, aching cunt drip. The tastes of his saltiness as his muscles begin to tense can easily bring me to a turbulent orgasm and that is without even laying a finger on myself. Just thinking about it now has my aching, hungry pussy twitch with excitement.

Now, I'm not saying that I don't enjoy a good fuck or having my guy sucking, fingering, and ravenously licking my sweet slit. All of these are extremely stimulating as well, but the fact remains that I am a cocksucker, and a quite good one at that.

ing on and off of his rod. I lower my mouth over his cock and gently suck at first, then rhythmically increase the pressure and friction until his cock begins to twitch. I get crazy listening to the noises

What can I say other than I love cock?!

**Michelle

What can we say other than we love girls who love the cock?!

IF YOU SEE KAY

I've been dating this girl, Kay. She's fantastic! She loves to suck and fuck. With a body like hers, it would be shame not to. Although we like to get together often to satisfy our sexual urges, sometimes it can be a pain in the ass. I work irregular hours. She can't always come over to my place. And, I can't always go over to her place because her roommate, Stacy, can be a real bitch.

Kay would leave her apartment door open for me at night, so that I could sneak in to see her. Usually, it was late at night and she would be sleeping. I would strip naked and climb into bed with her, and we would fuck for a few hours, and I would go home.

Well, one day I went over to their place. Kay wasn't home, and Stacy met me at the door. I plopped down on the couch to wait for Kay. Stacy sat down across from me and said, "You know, I don't really appreciate waking up in the middle of the night and watching you and Kay fucking! You should be a little bit more considerate of others. After all, I am her roommate."

I was flabbergasted. I had no idea that she had ever watched us. I really thought she was unaware of us. "Uh... I'm sorry," I said. "I didn't know it disturbed you."

"Well, it does," she replied. "If you two want to screw all night, you could at least go to your place. I haven't said anything

to Kate. She would be embarrassed."

"That's very big of you," I said.

Later, I thought about what Stacy had said. The funny thing was, I didn't care. Stacy was a bit of a bitch. She was really cute, and had a great body, but she was also kind of stuck up.

Two days later, as I was driving home from work—it must have been three in the morning—I said to hell with Stacy. Arriving at their apartment, I entered and discarded my clothes. As I tiptoed into their room in the dark, a brilliant idea struck me. I listened. Kate was breathing softly, and was soundly asleep. She was a heavy sleeper, I knew, and it often took a lot to wake her.

I was a little nervous, but I did it. I crawled into Stacy's bed! She was wearing a tee shirt and panties, and only stirred a little as I pulled back her comforter. I lay next to her, kissing her softly, and touching her thighs. She purred like a kitten, still asleep.

As I touched her thighs, she spread her legs a little bit, and I gently touched her pussy. She murmured. I lifted her shirt—she has great tits—and sucked her nipples. I dug my hand between her legs and fingered her pussy. She moaned softly, so I covered her lips with my own, sticking my tongue down her throat, stifling the sounds emanating from within while grinding my finger inside of her. She

What is more lustable than a dirty girl from America's heartland? Iowa native nymphette Carli Banks has pretty much stuck to all-girl XXX thus far in her carnal career, but we're holding out hope that some dick is in her immediate future. Nevertheless, her turns in movies licking pussy is still enough to get us off time and time again, so we'll take what we can get in the interim.

This month's Teravision has my sites set on what has America tuned in and turned on. Sex and celebrities are the two topics that no one can seem to get enough of. Did you know that about 90 percent of all traffic on the Internet is porn related? This is a bona

fide fact that shows what people are interested in. A large proportion of Internet traffic is also for people hunting celebs.

Nothing is a greater testament to the power of sex and celebrities as they revitalize and invigorate their careers. Take one of the biggest adult movies in history, the Tommy Lee and Pam Anderson sex tape. After the release of their sex tape, both became more popular than ever. Paris Hilton, a socialite sideline, became the world’s biggest sex star overnight with her celebrity sex scandal video. There are others who have made the headlines and set the adult charts ablaze with their romps that have been released—Kim Kardashian and Ray J., Joanie “Chyna” Laurer and Sean “X-Pac” Waltman, Vince Neil and Janine, Dustin “Screech” Diamond, Tom Sizemore, Bret Michaels and more. Since then it’s become apparent in the adult business that it’s good business

to show people what they’re not suppose to show. Imagine how the world would tune in and pay any price to see anyone famous in a less than compromising position. Who do you think would be next? Brad Pitt and Angelina Jolie? Beyonce? How about them together? I’d pay to see that!

Just this year, we’ve had sex tapes from Tom Sizemore (a great name for a porn star). Toofi from “Flavor of Love,” Screech from “Saved By the Bell.” What’s next? Danny Bonaduce and three midget transies? Funny is, that would sell.

Sex is so mainstream that people just can’t seem to get enough. With recent television shows like Showtime’s “Family Business,” HBO’s “Cathouse,” and Showtime’s “Debbie Does Dallas Again” about Vivid’s remake receiving top ratings, it doesn’t seem that with all of our governments proposed oppression of sex in the media, that it’s going to slow down anytime soon.

We seem to live in a schizophrenic society where violence is okay, but sex is dirty. Let's air the blood and guts, but heaven forbid we see a nipple accidentally during a halftime show. We are all going to straight to hell. There's a strange coincidence that pornography and consensual sex doesn't hurt anybody and it also provides a huge outlet and release in our highly stressed, fast paced society. Yet violence is socially accepted in everything from video games, cartoons, television's airwaves and even war.

What a crazy world where movies like *9 1/2 Weeks*, *Basic Instinct* and *Brown*

Hardcore XXX “Learning” In The “Chick” Republic!

Text and photos by Marc Medoff/Adult Press Service

Over the past decade there have been any number of attempts to open the normally carnally-cloistered world of international porn production to serious X-fans wanting to at least get to watch an adult movie being made, and at most get to jump into the XXX action themselves. From one-shot publicity-geared “contests” organized by Los Angeles-based porn production houses or magazines letting one lucky winner get to spend a day as a gawker on a set, to several profit-motivated adult industry “vacations,” “special weekends” and “hardcore holidays” that actually do invite audience “hands-on participation,” such sex biz ventures have tended to cum, and go, with varying degrees of success. But now thanks to an innovative XXX program, the concept has been taken to a whole new level with www.pornweek.com—the ultimate opportunity for porn aficionados to get to watch, hang with, party, and sometimes even fuck their most beloved starlets.

The combined X-rated brainchild of award-winning Scottish porn feature pusher Gazzman and Dave West, www.pornweek.com got its start quietly a couple of years back when Gazzman, auteur of such mega X-hardcore hits as *The Scottish Loveknot* and dozens of other titles and now exclusively with Harmony Films, got together with West to begin offering trips for porn fans to watch their X-productions in various parts of the world. From the jungles of the Dominican Republic and the mountains of Spain, to the back alleys of Los Angeles and most remote regions of Eastern Europe, wherever Dave and Gazzman went to shoot a porn flick for one of their carnal clients, a small number of adult vid fans were also allowed to pay for a trip to go along with the cast and crew. Thus, www.pornweek.com was born, and now on a regular basis it gives sex biz followers the chance to be part of a porno production starring the most famous American and European X-gals around.

“It’s a very straight-forward deal, we offer an all-inclusive vacation that provides a front row seat to some of the top

porn productions in the world, as well as some of the most exotic destinations on the planet," says Gazzman. "Partying with the stars, photographing them, filming them—it's all good."

For fans want to do more than "just" watch, depending on the particular shoot and circumstances, participants can test their XXX talents at special casting calls, directing sex scenes, and even going all out in front of the carnal cameras. "Porn week is the ultimate fantasy vacation with famous porn stars. Our guests get front row seats on the set and they get to see all of the hot action as world famous porn stars do what they do best!" he adds.

Over the past two years as Dave and Gazzman's production crews have traveled all over the world producing a litany of gonzo and feature hits for commercial release, a growing group of porn

fans have signed on to be taken along to partake of the www.pornweek.com action, at exotic resorts, luxury villas, and idyllic island paradises. And their latest trip to Prague in the Czech Republic (typical of their usually five-day, all-access VIP pass packages, all-inclusive except for airfare going for \$2,650 for singles and \$3,650 for couples), set up with a "Porn Academy: Learn From The Pros!" theme. It was their most impressive voyage yet, attracting a sold-out "audience," and setting the stage for even bigger X-adventures to Berlin, Germany, Las Vegas, London, and elsewhere throughout 2006 and into next year.

Set up in a "porn-teaching" type of environment, www.pornweek.com brought in more than two-dozen porn stars to give sex lessons, porn scene demonstrations, and party with their fans, as

and the pleasure of a dozen shocked and awed attendees. The long weekend "affair" was the usual www.pornweek.com frolic, with hardcore sex scenes being shot left and right from morning until night, special photo sessions for fans to shoot and interview the stars, semi-nude cocktail hours, X-rated barbeques, sexy buffet meals, and an all-girl orgy and party to top it all off.

"It was porn week at it's best, the fans don't have to worry about anything. The hotel, meals, drinks, and local transportation—we take care of it all. And most importantly, we had the most gorgeous porn stars anywhere," says Gazzman. "All the fans have to do is have fun, and this was as sexy a trip as we have had yet."

Meanwhile as the success of www.pornweek.com is spreading quickly via the rave reviews of its growing list of satisfied customers ("word of mouth" is virtually all the publicity they have done so far), the company is moving quickly to expand its schedule of future shoots, and the number of attendees that they can take along.

"We absolutely don't want to have to turn any customers away, so it's just a matter of coordinating our production schedules with the various destinations, and increasing our capacity," says Gazzman, suggesting future trips to places like Brazil, Iceland, and Hong Kong are also on the drawing board. For now though, the future Porn Academies are being slated for later this and subsequent years, and the future stock of www.pornweek.com appears to be soaring with memberships to their site. Inquiries are pouring in, and all members are automatically entered into a contest for a free porn week trip.

"Porn week is the ultimate fantasy vacation with famous porn stars. Our guests get front row seats on the set and they get to see all of the hot action as world famous porn stars do what they do best!"

Silvia Saint, Melissa Black, Simone Shine, Diana Gold, Suzannah, Barbara Summers, Poppy Morgan, Luisia DeMarco, Marcy, Jane Darling, Angel Dark, Dora Venter, Cory Evans, Gabriela, Aneta, Sandy Cage, Darina and others went sex nuts with each other, as well as getting rammed by studs such as Ben Kelly, Zoltan, George Uhl, and Neeo. It was all for the recording of Gazzman's cameras,

"The bottom line is that real fans of adult stars want to have a chance to get as close to them as possible to see what they do all day, and interact with them—personally and intimately," Gazzman concludes. "We offer that in a safe, secure, legal and professional atmosphere. So really, what's not to love about porn week?!"

If you're looking for satisfaction guaranteed, look no further than this sexpot. She loves giving blowjobs and feeling the cum roll down her throat, and having her pussy eaten, but what she really likes is... Better yet, we'll let her tell you. "I love fucking slow and easy, but making it a little harder and rougher at the right moment, if you know what I mean. Like a couple of times, I have had two men fucking me at once, and I

also had an orgy with four women. That was really wild! I never had so much cunt at one time in my life!"

5'8", 32B-23-32
Tempe, Arizona

It's all work during the day for Denise, but once the night rolls around, it's time to party for this little nymph! There's rarely a night Denise goes home alone. If she's attracted to a guy or gal, nothing will stop her from getting what she wants after "last call." One night, she was turned on by this couple at a bar she was at, so rather than choose, she simply went up to both of them, and the rest is history. It turns out, that was the first time Denise ever had a threesome and it not only fulfilled her immediate needs, but a fantasy as well!

NATALEIGH

19, Student
5'5", 40D-26-36
Gulfport, Mississippi
Photographed by her friend, Cynthia.

Nataleigh is your typical all-American girl. She likes going to school, hitting the clubs at night, and loves good, hard, deep, dirty sex! Her fantasy is to do it Alanis-style and have sex in a crowded movie theater. "It would be a thrill to be watched," she said. "I also totally get off on the nastiest and hardest sex imaginable. Anything like that makes me cum in record time. If I told you about some of the things I've done already, you would blush!"

Natasha wanted us to tell you that she can make herself cum 10 times in a row from playing with herself. So if that gives you any hints about the sexual charge of this naughty nymph, you're in for the

ride of your life. Natasha loves to get fucked, play tongue the pussy with other girls, and suck lots of cock. Someday, Natasha hopes to get gangbanged by at least four lucky lads and maybe make her mark in the porn world. "If posing for these pics was any indication of what fucking on film would be like, I can't wait to try it!"

HELENA

32, Manager

5'4", 34B-24-35

Great Neck, New York

Photographed by her friend, Saul.

Brunette beauty Helena enjoys going to the movies, clubs and orgies. Yes, this girl believes that variety is the spice of life and she's one spicy slut with all the variety she has in her lust life. Group sex and multiple partners in one night are her favorites, but so are gangbangs. She once serviced five guys at a party. There wasn't a minute that one of her holes weren't filled, and every inch of her body was covered with man-goo at the end. And did she have

any regrets about that? "Just one," she said. "That my tongue wasn't long enough to lap all that sweet cum up!"

JAIMIE

27, Waitress

5'6", 34B-26-36

Chicago, Illinois

Photographed by her friend, Mick.

When Jaimie serves a dish, she serves it hot and spicy! This naughty nympho always has a main course of nasty sex on her menu, with lots of orgasms for dessert! So what is she waiting to do in her sex life that has (so far) been as wicked as they come? Jaimie's favorite fantasy is get wet and wild on the beaches of Mexico with two hot studs and maybe another horny gal. So she wanted us to tell you that if there's anyone who wants to head south of the border with her, be sure to let us know!

herStory Jesse Jane

They everyone! I'm Jesse Jane and this is my story, which **GENESIS** jokingly refers to as "herSTORY." I entered the adult industry four and a half years ago. I met the owner of Digital Playground in Hawaii where he was shooting girls for a Hawaiian Tropic

pageant. When I found out about his "other" business, I made my approach and let him know I was definitely interested. Within a month Digital Playground flew me out to L.A., and offered me an exclusive contract. When I signed, the company was gearing up for the AVN show in Las Vegas, and it was going to be my debut appearance as DP's freshest face. I was booked to sign autographs side-by-side with the beautiful Devon, and I was really excited, but I didn't think anyone would want my autograph because I hadn't done anything. I hadn't shot a scene or done a photo shoot. I'd never even been completely naked in front of a camera.

My first day on the show floor was crazy because I had no idea what to expect and there were strange people everywhere with crazy fetishes. I am from the Midwest and people aren't quite as liberal. I now realize that there really are a lot of freaks from everywhere, but most of them tone it down at home. Turn these same folks loose in Las Vegas at a porn convention and my goodness, the freaks do come out! The energy was intense and I was so busy I didn't even realize I signed for eight hours in a row. Not only did a few people want my autograph, but everyone did! And these total strangers heard my story and wished me luck and told me they couldn't wait to see my first movie and they would dream about me until it came out. Looking back, the entire experience was completely surreal.

On my first day, Seymore Butts saw me and decided I was going to be his object of affection. He was cute and so nice and he had a film crew from Showtime following him, capturing everything for his reality show, "Family Business." The producers really liked that I was brand new and they followed me all over the convention and to my first AVN awards show. I guess I passed their camera test, because back in LA a week later, "Family Business" decided they wanted to cover my first 'on-set' experience. Wow. Okay. Crazy! I guess if I'm going to do it, I may as well do it BIG, right? Yep! All us Texans know bigger is better!

My first scene was in *No Limits*. I was cast to play a minor role, with no dialogue, so it was super easy. I did a girl/girl with Jessica Drake, who is beautiful and also from Texas. I was so excited because there were

two camera crews covering me. Everyone kept prepping me and giving me advice and asking me if I was nervous. I wasn't at all. I just wanted to get it on. And then, her beautiful body was in front of me and I forgot anyone else was in the room. She was amazing. We were really soft and gentle with each other and it was a fantastic scene. I knew at that moment that I was going to be a porn star. I loved everything about it—being naked, cumming, having a beautiful girl handed to me, fucking her with my tongue, my fingers and these glass dildos, knowing I could make her cum, exploiting my sexuality, the cameras. It was such a natural high! Thank you Jessica, you beautiful sexy babe, for making my first experience perfect!

Before I knew it, it was time to shoot *Beat the Devil*. It was written for me and it was my first lead role. I had a ton of dialogue and my first and second boy/girl scenes! The director, Robby D., showed me a bunch of pictures of male talent and I requested Julian. He was super hot and had a monster dick. Once I got to the set, I found out he had gotten sick and canceled. I was already booked to shoot with Evan Stone the following day and I didn't know anyone else. The panic started to set in. Robby started calling talent left and right. He finally found Mark Davis. I had no idea what

he looked like, or if I would even be attracted to him or vice-versa. Then he showed up. These gorgeous blue eyes, tall, shaved head and I was giggling like a silly schoolgirl. It was on!

The scene was fucking great. He put me in the standing splits and fucked the stuffin' out of me. I came all over and it was totally unexpected. Joane and Robby D. were standing around with their mouths open. No one had any idea that I was so sexual and so ready for a good fuck. From the look on their faces, I knew I had impressed them.

The first year I was crazy busy. I had to build my name. I did tons of photo shoots, interviews, movies and I had a few magazine features, covers and even radio spots. In my second year, magazine covers hit the newsstands almost every week. I started touring and doing a lot more appearances. At AVN, I had my own fan line and it stretched all the way around our booth, plus we launched my website, www.JesseJane.com. In my third year, I appeared in an episode of HBO's hit series "Entourage." Then, Playboy TV named me host of two shows, "Naughty Amateur Home Videos" and "Nightcalls," and Cal Exotics enlisted me to do my own toy line. I designed my own dildos. They had graffiti printed on them of phrases I use, like "Fuck Me!"

Last year I was in a little movie called *Pirates*, which changed my life and the face of adult entertainment. It is the most ambitious adult movie ever made and the first movie to truly cross over with an R rating from the MPAA and major mainstream distribution. I was even chosen for the most prestigious role in the industry, host of the AVN Awards. Constant media exposure continues to expand my visibility, and my fan base keeps growing. I'm currently in my fourth year and this is the best decision I have ever made. I enjoy every single minute and I love my job.

In the next five years I expect to keep performing in groundbreaking movies, begin directing a few projects under Digital Playground's helm, and collect mad stories to add to my on-going autobiography. I also plan to be on the cover of your favorite magazine, **GENESIS** many more times to cum!

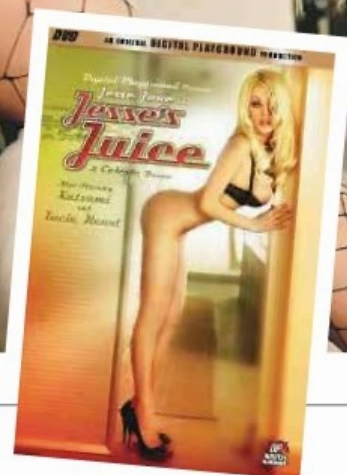

To hold you over between issues, you can interact with me on my website, www.JesseJane.com. I update my diary with photos and videos every single day. Send me a note. I love you. And I would love to feel your big cock up inside me, hitting my walls. You're making my pussy wet just thinking about it! 🍆

Carmen Luvana's CARNAL

ADVICE

I think you are one of the hottest women in porn right now! I have seen all your movies and think you are incredible. I know some adult stars sell their used underwear on their sites, but I haven't been able to find yours anywhere. Could I buy some from you through here? I would just love to be able to sniff your dirty panties while I jerk off to your movies... or wrap some sexy piece of satin around my hard cock and imagine you on the other side of them. Tell me what I have to do to make this happen?

Panty Raider

Guthrie, OK

You are scaring me just a little bit, panty man! While I appreciate the fact that I turn you on, I don't usually wear panties to begin with, so that makes it especially hard to just give away one of the few pairs that I own! Occasionally I will auction off some of my wardrobe or movie costumes—usually to a charitable cause within the adult industry. So keep your

eyes open for that. And, you know, if you ever want to send me some panties, I'm a size hree and I like silk!

My girlfriend wants to be a porn star. We have an open relationship—well, open as far as bringing other girls into our bedroom! One thing I'm not sure about is letting random guys bone her. She's got a killer body and has talked to a couple of adult studios about working with them. She's even done a few layouts for magazines (all solo, of course!). So how can I convince her to do girl/girl only? Is there a market for that? I'm just not sure about this whole thing.

Carnally Confused

Aspen, CO

I can count on one hand the number of successful adult actresses who only do girls, and even those superstars eventually take the meat! Unless your girlfriend is off-the-charts hot, and she's prepared to have limited roles and get a lot of heat from fans, studios and directors, she'd be better off sticking with modeling. It's one thing to make the girl/girl thing part of a long-term business plan (first I'll only do girls, then guys, then anal, then DP), but her offers are going to be very limited if this is where you draw the line. Good luck!

I'm a very sexy Latino man who has no trouble getting women. My friends all compare me to Antonio Banderas and encourage me to tell them my secrets for getting so much pussy. My question is while I have no trouble getting the pussy, I can't seem to keep it! The señoritas I want to keep seeing usually dump me after a few dates. And the ones I want to get rid of tend to stick around way too long. What gives? Am I addicted to the challenge? Is it my fiery Latin blood? The sex is always amazing, by the way!

Que Pasa?

Dallas, TX

Get over yourself! You sound very arrogant, which is an immediate turn-off to any woman with any brains! While confidence is great, you seem very boastful and egotistical. Only women with control issues would want to stick around. My advice: focus on improving your communication skills and dating habits. The rest should improve when that does.

My girlfriends and I were wondering about the risk of STDs in your business. With the odds of herpes, HPV and everything else being so high in real life, how do you avoid it? Why do

some performers insist on using condoms? Is it for pregnancy or diseases?

Curious in Cali

Martell, CA

First off, I'm glad you are aware of all the diseases out there. That said, this industry is probably safer than your local dating scene, college campus, etc. Every performer is tested at least every 28 days for a variety of STDs, and we are required to have our current papers for inspection at every shoot. The actual pool of performers we work with is quite small, and while there is an occasional outbreak of something, it is usually caught and treated quickly. Some performers choose to go condom-only for personal reasons. I feel we're in the business of fantasy, though, and condoms interfere with that from the viewers' perspective. Stay Safe!

Do you ever do private movies for your fans? I've heard of porn stars who will make special DVDs just for their fans, talking directly to them or reading the fans' letters before performing the "acts" the fans have requested. Would you be interested in doing that for me? I've got some great ideas for you!

Private Viewer

Ft. Lauderdale, FL

That's very sweet. I occasionally perform specific (and very personal!) acts for my fans on my website, clubcarmen.com. But because my schedule is so hectic and I travel so much, I can't do personalized clips for my fans on DVD to send them. If you'd like to email me your requests, you can do that. I will try to work in as many of your ideas as I can into my movies. Within reason, of course!

I've heard stories of women who can cum from nipple stimulation alone. Do you or do you know anyone that does? I think that is the coolest!

Nipple Know-How

Kokomo, IN

My breasts and nipples are very sensitive, and they are a great place to start getting me in the mood for a full throttle throw-down! But I can't cum from tit-teasing alone. I wish I could. I'd stay home and pinch my pretty titties all day long! I have met a few gals who swore they could climax from stimulation above the waist alone, but I have my doubts. They were usually the ones who loved taking cock the most! 🍆

Celestia & Jenner

In a field dominated by the latest off-the-bus slut, it's refreshing to see real women with real miles on their bodies getting plowed like the younger set. Six full scenes of beautiful MILFs who love getting fucked are waiting just for you.

Home alone housewife Daryl seduces the lone college student who's come to her door to sell papers. The entire scene feels like porn should feel. No punches are pulled and everything is left out for the porn fan to enjoy. Daryl moans like a good whore and moves flawlessly through multiple position changes that never felt awkward or contrived. Great scene to open with and it really sets the tone for the rest of the movie.

Lisa Ann is getting a visit from her physical trainer and things get physical very quick. Lisa has a great body and knows how to use her hips to fuck the life out of her trainer. Quasarman does a particularly good job with this scene as no shot is wasted and every second feels right.

The final scene with busty blonde Vicky Vette is a fucking barnburner. It's a delightful combination of dirty, devious and awesome all rolled into one perfect scene. Vicky attacks the cock like a cannibal and never relents until she is blasted with hot sticky cum.

Pat comes in after the lassies have fucked each other silly with big dildos and alternates fucking their asses. Excellent work by all three stars as the carousel of screwing keeps on bumping and grinding. To cap the action, the tarts share Pat's cum load with a series of deep French kisses. Hooray!

Michelle Maylene & Pat Myne

When the cast was listed on screen I knew I was in for a pornographic treat. Normally if a movie has Penny Flame, Michelle Maylene, Alektra Blue and/or Melissa Lauren in the cast, the movie is going to be a barnburner. Alektra and Melissa in their own lesbian scene? Have mercy. All four fuck stars in the same

Miss Penny Flame is a thoroughbred all-natural sex star. Penny rubs her pussy as Pat sticks his cock in her mouth. Moaning and slobbering Penny takes all of his meat past her full lips. Penny's asshole is licked out and Pat also sucks on her soft tits before fucking her from behind. Penny radiates sexual heat and she burns hotter as Pat twists turns and contorts Penny to fit his sexual desires. Pat gets physical with Penny before blowing his load into her face.

Tory cleans off both cocks with an ass-to-mouth blowjob. Both guys stroke off directly in to her open mouth.

The final scene has Samantha on the business end of two fat cocks. Before the guys can fuck her she is on the copier as

she Xerox's her snatch. She fingerbangs herself as she blows both guys. After some brief screwing the guys go right to her asshole. Samantha has an ass and mouth full of dick until the guys decide to DP her. Samantha cums and both guys unload in her face.

Directed by Khan Tusion. (Pariah Pictures)

Each and every girl loves having her asshole eaten out. Not only that, they loves eating ass as well. To make this already unbelievable scenario even better no asshole goes unfucked!

Highlights include Amber making a meal out of Romain's ass in a tasty rim-

Angela Stone & Haley

ming sequence. Sandra rubs her butthole all over Amber's outstretched tongue. It's fucking hot! After a lengthy anal session for both whores, it's time for the money shot. Wide anal gape for Amber as

Monica Sweetheart & Chloe

Tobi Pacific & Missy Monroe

Sandra spreads the blonde's anus open to be filled with cum. Once the pink reservoir is filled, Sandra squishes it out and licks Amber's ass clean.

Missy and Tobi make a memorable scene together. Neither one lets the other outshine here so we get an incredible scene. Khan doesn't shut up, but that's what we've come to expect from the man. Missy squats and fires the thick cum into Tobi's pretty face. These whores lick it all off each other's faces.

The finale opens with Khan chatting with Angela. Haley begins eating out the guy's asshole while delivering a great pile-driver

blowjob. Angela takes over the ass eating duties, as Haley gets throat-fucked. Angela and Haley in a 69 with Haley's tongue darting in and out of Angela's bottom. Both girls get ass blasted with plenty of ATM to go around. Angela squirts all over Haley's face while fucked in a reverse cowgirl. A fresh batch of cum is swapped between the girls and we're out!

Crissy Cums, Harmony Rose & Lee Stone

Crissy Cums, Harmony Rose & Lee Stone

This spoof of the reality show hits all the right notes. The similarly named Tyra Banxxx is the star—half the size of the original and ten times as filthy. Tyra leads the ladies through competitions to decide if they have the chops to win.

Felix attempts to curry favor with Tyra by getting lezzie. It doesn't work for Felix but it does for the viewer. Tyra eliminates Felix after getting she gets off. In the pole-dancing segment Arianna, Naomi and Crissy all shine. The judges move on to the next contest, the Sex Scene.

Dressed in a nurse's outfit, Adriana suck and fucks both Steven French and Alec Knight. They start with some great oral and move ultimately to a wicked double penetration. Steve and Alec dump

their cum at opposite ends of her body.

Big ass beauty Naomi shakes her gorgeous butt for judge Jerry. She is great to watch as she moves her body like a graceful sexy dancer. Jerry can't keep his hands off of her and dives in for a tasty pussy treat. Naomi's bubble butt is speared by Jerry in a few positions before he spurts cum in her face and tits.

Tyra crowns the winner; and is so horny she fucks Billy Glide. Nice fuck scene as Tyra is deep dicked by him and gets shot in the mouth for her trouble.

This was a fun spoof and a must see for any fan of the crazy reality show.

FUCK FLICK OF THE MONTH

O: THE POWER OF SUBMISSION

Starring: Carmen Luvana, Kylie Ireland, Shayla LaVeaux, Justine Joli, Monica Sweetheart, Adrianna Nicole, Dragon Lilly, Angelene Black and Claire Adams.

Directed by Ernest Greene.
(Adam & Eve Pictures)

Carmen Luvana & Justine Joli

This film, directed by veteran director Ernest Greene, is homage to the once-banned 1950's book, *The Story of O*. But this time around, this remake is on the dirtier side, in XXX Adam & Eve fashion. This two-disc set filled with leather and latex ladies includes a number of hot scenes, including DP's, with porn veteran, Kylie Ireland, and a sexy boy/girl scene with the still beautiful, Shalya LaVeaux.

One of my favorite scenes includes a diddy with Kylie and Adrianna. Before we know it, the babes are both performing a double headrock on two studs, before they mount them in a hot reverse cowgirl, when one could further investigate Ireland's pierced clit. Soon after, the one stud removes his member and places it in Ireland's back door, while she continues to ride her other male co-star. After furiously pumping away, they both blast off in their partner's faces.

There are a number of scorching scenes with Carmen Luvana, but my favorite is

Monica Sweetheart & Tommy Gunn

Shayla LaVeaux & Johnny Castle

Carmen Luvana, Dragon Lilly, Nina Hartley, Johnny Castle & Tommy Gunn

the pairing with Evan Stone. To get Stone in the mood, Carmen uses a vibrator on herself before she sucks him. She rides him in the missionary and doggy before he inserts his love muscle in her rear entry. To add to the stimulation, she rubs a small egg-shaped vibrator on her clit, until he blasts off in her mouth. Making sure she swallows every drop, she sucks down the excess man slime.

Hats off to Greene for adapting this book into a smut piece. It's a solid effort and a breath of fresh air, indeed.

EXTREME ASSHOLE MAKEOVER

Million Dollar Anal Star Hillary Scott Directs Her First Asstastic Film for SexZ Pictures

Article by Hillary Scott. Pictures courtesy of SexZ Pictures.

As an award-winning analyst, I knew I wanted my directing efforts for my contract company SexZ Pictures to focus primarily on anal romance. With that being said, I bring you my directorial debut, *Extreme Asshole Makeover*. In this smut extravaganza, I explore the sexual nature and puckering butt-holes of Marie Luv, Aarlyn Barra, Sierra Sinn, Sammie Rhodes, Sandra Romaine, Nadia Styles, and myself.

Marie Luv was my first victim, uh, anal starlet to receive an asshole makeover.

Ms. Luv is a hot ebony bundle of sodomy joy. She is 5'8" with a fashion model's body—very slim, yet with a juicy bubble butt waiting for penetration. Marie is no stranger to anal sex, so not to disappoint her, I offered her the DP stylings of Mr. Pete and Alec Knight. As expected, she engulfed both cocks with ease. She sucked and fucked both

cocks one by one, and then simultaneously. With one in her puss and one in the bum, she yells things like, "pound my holes like the whore I am," and "make me cum all over your fuck sticks!" Cum, she did. Following her assgasm, came the mangasms all over her pretty little face. My movie was off to an excellent start...

Not many porn stars have the appetite for black cock that Aarlyn Barra has. She eats more chocolate long johns than a cop eats doughnuts. Aarlyn is blonde babe with big juicy lips that look so good wrapped around a big piece of dark meat. In her sex scene, I supply her with three black cocks belonging to Nathan Threat, Ace and Dick James. After a brief vaginal plowing, they gave her a rectal reaming she will never forget including an "air tight" DP (double penetration while sucking dick). The gapes of glory came while she was upside down in a pile driver position. Some say you can see the soul through one's eyes. For the sake of my personal entertainment, I'm going to say it's visible in a gaping asshole. This incredible scene ends with all three guys expelling their man spunk onto a plate of chocolate syrup in which Ms.

Barra dips strawberries, then eats. Yummy!

Hey, lesbians like butt sex too! And dudes like to watch lesbians having butt sex, right? In my next scene I pair the erotically explosive Sandra Romaine and the strict sexual vegetarian Sammie Rhodes. Sandra is a hardcore Euro babe and Sammie is a naturally busty, blonde bombshell. Together they will make sweet anal love using fingers, feet and strap-ons. These girls needed little direction from me. They tested each other's limits as well as making damn sure they both got off, over and over again. It was Sandra who proved dominant as she convinced Sammie to taste her own ass off Sandra's strap on dick. Sammie, being the generous ass whore she is, reciprocated the favor and gave Sandra multiple assgasm with various fuck toys. So romantic!

Of course I had to have my best friend Sierra Sinn in my first movie. Not just because I love her, but also because she is a sexual ninja. In her interview that will open the scene, she proclaims she will anally karate chop her sex partners. She did not lie. The Sinnstar took on Sasha and Marcos Banderas in a wild anal marathon

with a DP finale. Oh boy, she's a gaper! I was amazed at how much cock she can take considering her petite frame. This sinful redhead is only five feet tall and 92 pounds! Thank goodness for the elasticity of her fuck holes! I was afraid she would break in half! My fears were put to rest as she enthusiastically took both dicks in every hole, swallowed their loads and begged for more. I love you, Sierra!

Nadia Styles is a newbie when it comes to butt loving. She's been around for a while, but hasn't been an ass whore until recently. What better practice than my extreme asshole makeover?! Sporting a newly purchased rack, the curvy brunette teased my camera with a mouth (and cunt) watering striptease that ended with fingers in her ass. Mark Wood enters with an erect penis, obviously seduced by her taunting. He bent her over the pool table and couldn't resist tasting her tight (almost) virgin ass. Mmmm, ass juices. Not to neglect the puss, he penetrates there first. After his dick was drenched in pussy cum, she hopped off and licked it clean. "Please fuck my ass now," she begged him. Not needing much coercing, he slipped his prick in her tight sphincter, slowly to open it up for the pounding to come. Position after position, she had several assgams and didn't hesitate to taste the ass cum on Mark's cock. Man, those tits looked good bouncing while riding his dick. The scene ended with a pop shot to her cute little face. She's a professional ass whore in the making for sure!

For the grand finale, I thought I would treat myself to a little Sledgehammer. Actually, a big Sledgehammer! Sledge has one of the biggest black cocks in the business and what better way to end my movie than with his monster dick in my little stinkstar? My asshole must be considered to be the Eight Wonder of the World. I have no idea how I take as much dick as I do. I approach the beast with my tiny hands and barely getting more than the tip in my mouth. However, my asshole makes up for the depth my mouth lacks. I take him balls deep, in both fuck holes. He shows no mercy. Assgasm ensue. I swallow his load, and I have a great ending to my filthy fucking movie.

Obviously, I'm thoroughly satisfied with the outcome of my movie, and I hope you are, too! Next, I will direct an anal cream pie movie entitled, *Creamy Stinkstars*. Yay!

SHAY JORDAN

We first met the gorgeous Digital Playground contract star when she had her public coming out party (so to speak) at this year's adult convention in Las Vegas. It was lust at first sight! This exotic and erotic newbie is one of those rare starlets who gets your rod hard just thinking about her. All natural with a 34C-24-34 body, tall (5'7") with legs stretching all the way to heaven, this young Asian and German hybrid of sexuality is both world and pragmatic, far exceeding her 21 years on this earth. We caught up with the stunning brunette and found out beauty isn't only skin deep with this future superstar!

Interview by A. Stronghold

GENESIS: Please, introduce your gorgeous self and tell your fans a little about you.

Shay Jordan: Hello, my name is Shay Jordan, but I like to go by 'Shay J.' I'm 21 and a half, and under contract to the best production studio ever, Digital Playground. I'm also a Scorpio and I love sex. Duh! I measure 34-26-30 and I have an all-natural C cup.

Before we really get started, let me know what turns you off so I don't blow this interview.

I find stupidity annoying, but cigarettes and bad hygiene are the only things that really turn me off.

Well, if I act stupid, it's only because you're gorgeous and want to eat you. What do you do to keep that super hot little porn star body?

I try to eat right and work out as much as I can, but it's hard because I'm naturally lazy.

I think your regimen is working for me. What turns you on Shay?

I love to laugh, so really good humor, a fun and silly personality, cute smile and good hygiene. If you have all of that going for you, it's on!

If you've ever read our magazine, you'll notice that there are advertisements everywhere for penis growing pills and pumps. What do you think about this? Does size matter?

Well, I am bi-sexual so size definitely doesn't matter. My girlfriend doesn't even have a penis and she's amazing. If I could design my own though, I would want one that is eight inches hard and not very thick — more like an aspirin bottle than a beer can. Oh, and circumcised please. I'm not sure what to do with extra skin.

Okay, job interview time. Where do you see yourself five years from now?

Further along in my career. I'd like to be more well-known by fans—very successful, a true superstar.

So just about every girl in porn wants to be contract girl. How did you land yours with Digital Playground?

I gave [director] Robby D. a blowjob and let him tag team me with his woman. (Laughs) Just kidding. Seriously, I was doing girl/girl only for a talent agent and right when I decided I would do boy/girl, Digital Playground snagged me and cast me in a movie with five scenes. I guess they liked what they saw, because they offered me a contract right away. I was totally shocked. I still am! Most girls have to go through so much crap before they find their place in this industry. Signing with them is the best thing I've ever done—not just in this career, but in my life.

What is your favorite movie you've starred in so far?

Shay: *All-American Girl*, because it was all about me! I was in five scenes, and did b/g, g/g and solo. Everything was unique and different and it was completely horny.

With Scott Nails in Deeper 4

Who is your favorite guy to work with so far?

I love working with Scott Nails. We have great chemistry with each other and with the camera, so our scenes look amazing. He's the first guy I ever worked with and he made me cum. It just works.

Who is your favorite girl to work with?

Honestly, Jesse Jane. She is wild and crazy just like me. She's fun and she doesn't hold back. She's really bisexual and it's obvious. It never feels like we are working. They keep casting us in scenes together because we just vibe with one another.

Is there something besides your crazy sex drive that led you into the adult industry?

I love being in front of the camera and I love being naked. I'm comfortable with my body and I love to use my sex in fun, playful ways.

Did you enjoy porn before you started doing movies yourself and do you watch your scenes now?

I have always loved porn. I have never watched an entire scene, but I will watch

With Karlie Montana in Shay: All-American Girl

bits and pieces. It usually ends up turning me on. I like it.

Is there anyone you want to work with that you haven't been cast with yet?

Yeah! I am dying to work with Sophia, Teagan and Jana—all my fellow contract girls. They are only the hottest girls out there. I've been begging. You know when it finally happens it's going to be crazy because the build up alone is intense.

Do you do anything to prepare before a scene?

No. I'm usually excited. I get juiced up and super psyched.

Lube or no lube?

I like really slippery lube, but it has to be water based.

Do you masturbate?

Um, duh! All day. (Laughs) I like vibrators because they get me off really fast.

Shay Jordan in Jack's POV 6

Then I have time to do it again. (Laughs)

Do you date porn guys, celebrities, fans or just regular civilian types?

I never really thought about it. I would go out with anyone who interested me. I'm not particular about silly stuff.

And what would a guy have to do to land a date with the Shay Jordan?

Be really funny, silly, dorky, off-the-wall, and different. If you make me laugh, I'll want to hang out with you. I love surprises.

If someone took the time to plan out an entire night of surprises for me, that would be awesome. It could be simple like a picnic or crazy like a helicopter ride. The whole concept of planning something is great.

How do you spend your free time when you aren't busy working?

With Jesse Jane & Ben English in Jesse Jane in Pink

I love to cook. I have a degree from San Diego Culinary Institute. I love to watch movies and chill out. I love my dog.

Does your family or old friends know what you do and what was their reaction?

They are finding out and mostly okay with it. It's my life and I don't bring it home.

What is the most memorable, hottest sex you have ever had in your life?

It was my first lesbian experience. I was at my friend's house. They were having a party and we went upstairs into an empty bedroom while the party was going on. I'd never been with a girl before so it felt a little bit taboo. It was hot and wild and I will never forget it as long as I live.

We know they're making a Pirates II. Are you in it? What is your role and when is it releasing?

Of course I'm in it, but I can't really tell you more than that right now. It's going to be amazing, so be patient! 🍀

‘Pulling away, I lay on top of her, pushed her legs back until they were touching her ears & drove into her, pumping hard.’

seemed to be in a trance. We kissed erotically, and I sucked on her neck and tits, and fingered her cunt, and still, it was as if she wasn't aware of what was going on, except for the soft moans she made.

My cock was as stiff as a pipe, so I moved upward, and stuck it in her face, guiding it into her mouth. She stuck out her tongue and licked me before taking me into her mouth. I squeezed her tits roughly and pinched her nipples hard. Still, quietly she sucked.

Twisting around, with my dick hanging in her mouth, I pushed the comforter off of us and removed her panties. I went down on her, licking and sucking her wet pussy. She bent her legs at the knees, and I grabbed onto her ankles, pulling them back, and stuck my tongue deep into her crack.

Pulling away, I lay on top of her, pushed her legs back until they were nearly touching her ears and drove into her, pumping hard. Stacy started groaning, and I put my mouth over hers. She

had one tight pussy! I fucked her hard!

When I came, I exploded into her, and she moaned loudly.

Kate never did wake up. At least, not that I was aware of for weeks. Every night, I would come in, fuck one of them, and then the other.

The other night, when I came in, I found the two of them asleep in the same bed. But, that's something else.

A POLITICIAN WHO REALLY SUCKS!

Politicians are always the brunt of jokes, but for one European senatorial candidate, she's giving extra ammunition to would-be comedians. Tania Derveaux is the leading NEE party senate candidate in Belgium, and is promising 40,000 supporters a real suck job.

According to her website (www.nee-antwerpen.be/index-eng.htm), Tania says that the gag began as a response to incredible claims that were made by other parties in Belgium such as promising new job opportunities in ridiculous amounts. So what did she do? Tania responded with a parody campaign for

which she posed naked for ads and billboards and promised her voters 40,000 new jobs also...blowjobs! Her national campaign has resulted in international media attention and she says she has received hundreds of e-mails asking her to make her promises cum true.

"If this would get us even more media attention, I'm willing to give 40,000 blowjobs to make the statement," Tania says. "According to my planning this would take me 500 days to tour around the world, visiting all the ones who signed up for a blowjob on this page, giving 80 blowjobs per day. So the offer is limited,

I will give you 40,000 blowjobs

Belgian senate candidate Tania Derveaux

sign up while you still can. Click the button [on my page] if you would like me to give you a blowjob." The offer is only open to those who are unmarried, though.

NEE is an impartial protest movement, which ran for senate in the Belgian elections in June. NEE works around political awareness and offers voters in Belgium the option to vote 'NEE' if they find that

none of the parties deserve their vote, much like Montgomery Brewster's fictional campaign of "None of the Above" in the 1985 comedy Brewster's Millions. NEE votes would simply go to empty seats in parliament, resulting in a loss of income and power among the other parties and giving the voters the power to sanction politicians if needed.

KENDRA JADE'S SUPERNOVA

Former porn sensation Kendra Jade has tied the knot with Lukas Rossi, lead singer

Kendra Jade

of Supernova. The 30-year-old married Jade, also 30, in Las Vegas this summer in a small ceremony.

Rossi is best known for winning the CBS reality show "Rock Star: Supernova" for which he won the spot as lead singer of Tommy Lee, Jason Newsted and Gilby Clarke's supergroup. Jade is best known for her fiery sex scenes on film after she rose to fame

after a much-publicized tryst with talk show shocker Jerry Springer.

"It's the best feeling I have ever known to love and be loved so completely," Kendra said about her marriage on adult gossip site lukeford.com. "I feel like I'm living a dream every day of my life when I wake up and see the man of my dreams by my side. We have certainly had our trials and tribulations, but at the end of the day, I know we are truly blessed to have found each other."

KATEE HOLMES TO BE DEFLOWERED

By now everyone has heard countless stories of how young women enter the adult entertainment world. Small town girl heads to the big city for fame and fortune. Hot girl starts stripping and attracts the attention of an agent. Adventurous girl takes the plunge with her boyfriend. We know these stories like the backs of our hands and it isn't very often that we see much variation. That is what makes Shy Love's brand new find such an interesting and intriguing new entrant into the world of adult movies.

The newest addition to Shy Love's Adult Talent Manager's agency is young Miss Katee Holmes. She is hardly your average porn girl and her story is about as unique as anything in recent memory. Born and raised in a small Illinois town, the 18-year-old future star is quite the natural beauty, and though her looks and winning personality will take her far in the adult world, it is Katee's story that is turning heads. In addition to her headline-making *nomme de porn*, Miss Holmes is a virgin. Not just a porn virgin, but an actual never-been-kissed virgin.

This Fashion Institute student from the Midwest has signed to deflower herself in a movie for Shane's World in a documentary-style video entitled *True Diary: I'm A Virgin*. The movie follows Holmes' entry into the porn business, from her first girl/girl scenes to choosing the right male partner for her boy/girl debut. A website for the production is online at virgintape.com.
