Sealing a Deal

Greetings cooter chasers, it's Charlie O'Neal, your standard bearer for ordinary horndogs. Yep, you've seen Kali before. She was the main covergirl on the June issue. Sweet Kali, 21, is from Henderson, Nevada. She was staying in LA pursuing a career opportunity, and it was something that the NN editor knew I could help her with, which is why he gave her my cell phone number. Kali and I talked on the phone a few times before we met to go power walking. Naturally, I had my camera with me.

Kali, 21, a hotel clerk, is a very direct girl. (She told us in NN that she likes to go out and hook up with guys when she's feeling horny and wants to get laid. Ed.) So while Kali and I were walking, she brought up the subject of what I do for NN and intimated that she would be interested in becoming another one of my pick-up girls. I purposely didn't take her up on it right away because of the other business "connection" we were working on. But Kali persisted and, big-hearted guy that I am—and realizing that you horny bastards would like to see her again after slobbering over her solo layout—I finally agreed. I am nothing if not accommodating: I mean, if you guys really wanted it, I would do my best to pick up Paris Hilton or Amy Winehouse. That's either end of the babe scale, isn't it?

Before we started, Kali told me that she hadn't had sex in over six weeks, which is way too long by her standards. I guess that's why she had her first orgasm while I was just fingering her tight-n-wet pussy. After that, frankly, I gave up trying to count how many orgasms the gal had as I was too concerned with keeping my "cool" while we went at it, because Kali is a sexual wild woman!

Kali also has very strong pussy muscles! This 5'5" dynamo sat on me with my dick buried in her hot heaven and milked me without even having to move up and down. The only way I could avoid losing it was by trying to figure out my expense report for the month. But then, doing her doggie-style—at her request—and getting her off yet again was too much for my system to withstand. I'm delighted to say that Kali and I have become friends...with benefits.

What are you waiting for?

Nicole

Leyton, United Kingdom

GRAPHIC DESIGNER

DOB: April 11, 1981

Ht: 5'5" **Bra Size:** 34A

Wt: 135 lbs. Committed

"For my bloke and I, it's either a feast or a famine when it comes to bonking," Nicole said. "He goes away on business three or four nights every other week, so we shag every opportunity we get and we're experts at having quickies whenever we can. I use my toy a lot when he's away because I'm constantly randy: He never complains about that. We took the photos for him to wank over when he's away and for you randy sods all over the world to enjoy. And I'm hotter and wilder in the sac than you could ever imagine!"

Nicole's toy

"I love feeling it deep in my twat. I use it angled so it gets my clit and I rub that with my fingers, too. I go slow to tease myself—perhaps 10 minutes—then go like hell to cum. When I've recovered, I start in again."

MASTURBATION MACHINES THAT DO ALL THE WORK

A Japanese company has developed what might be described as the ultimate masturbation machines. Called SOMCON, the devices require neither physical exertion nor imagination on the part of the practitioner, as both are provided. The male system consists of a motorized driving device with a rubber cylinder that grips the shaft of the man's penis and makes vertical pumping motions simulating a fist. By connecting the unit to a personal computer, the user can watch the close-up image of a AV actress

whose movements are synchronized to the speed of the hand pump.

There is also a female version of the machine.

THE SOMCON devices are currently sold only from a Web site—somjapan.com. The male unit is \$280, the female is \$460 and the interface package is \$200.

This is fucking bizarre!

German anatomist Gunther von Hagens, who has made his name through the Body Worlds displays of corpses, has a new exhibit—a couple having sex. Von Hagens invented a technique—which he calls “plastination”—for preserving human bodies with their muscles, veins and bones on display while working at the University of Heidelberg in the 1970s.

“Sex is the most human of all human acts, both primal and fundamental, and the reason we are all here on this spinning blue globe. To censor the anatomy of sex so as not to offend would be compromised science and a contrived mischief,” Von Hagens, said.

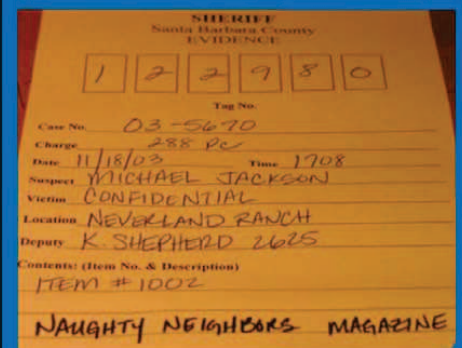

Emotionally intelligent women cum more

According to a recent study published in *The Journal of Sexual Medicine*, women who are more emotionally intelligent get greater pleasure from sex. They are better able to monitor their own and other's feelings and emotions, and there is a significant association between emotional intelligence and the frequency of orgasm during masturbation and intercourse, said the researchers from Kings College London. They studied 2,035 female twins who gave detailed information on their sexual behavior and performance, and took a test to establish their emotional intelligence.

ONLY THE BEST FOR MICHAEL JACKSON

Say what you want about the King of Pop, but the guy had style. He wanted only the best things in life, and that included his porn reading. We wonder if he wore a white glove when he was checking out his latest *NN*.

Deep throat this, baby!

Burger King in Singapore must know what this ad suggests in their new marketing campaign for the BK Super Seven Incher. Apart from the obvious BJ connotations, the small print reads, "Fill your desire for something, long, juicy and flame-grilled with the new BK Super Seven Incher. Yearn for more after you taste the mind-blowing burger that comes with a single beef patty, topped with American cheese, crispy onions and the A1 Thick & Hearty Steak sauce."

Can't you imagine watching some pretty young thing in a BK deep-throating one of these at lunch time?

A sex contest on a warship

A number of male sailors on the Australian warship HMAS Success engaged in a sex-for-money competition to see who could sleep with the most female crew members.

Detailed records were kept and cash points were allotted. Dollar values were placed on each woman's head, and more money could be made if a sailor screwed a female officer or a lesbian.

The sex could take place anywhere on the ship when it was underway, but doing it in a public place like the top of a pool table earned the guy more "points."

The contest was discovered when the ship was in port in Singapore and an "equity and diversity health check" was being conducted on the crew. It was then that a number of concerns were raised by female crew members. The male sailors supposedly involved in the contest were immediately sent back to Australia.

CHE GUEVARA'S GRANDDAUGHTER IS WORKING WITH PETA

The granddaughter of the Latin American revolutionary leader Ernesto "Che" Guevara is at the forefront of another revolution.

Lydia Guevara is posing for a PETA (People for the Ethical Treatment of Animals) campaign that tells people to "join the vegetarian revolution".

The print campaign was expected to debut in October in magazines and posters, first in Argentina, where Che Guevara was born, and then internationally. PETA approached the 24-year-old after finding out she is a vegetarian.

"PETA's fight for animals was one of the reasons why I went vegetarian," Lydia told the Spanish news agency Efe. "Moreover, this lifestyle has become a true revolution that is attracting more people, and it is an alternative that is healthier for the planet and for all humankind."

In the ad, Lydia Guevara wears camouflage pants, a red beret, and bandoliers of baby carrots while standing with one fist on her hip and the other outstretched.

"It very much evokes the tag line of the ad, which is 'Join the vegetarian revolution,'" said a PETA spokesman. "It's an homage of sorts to Lydia's late grandfather. We say the best way to save animals is not to eat them."

Che Guevara was a Marxist revolutionary who played a major role in Fidel Castro's takeover of power in Cuba. He was executed (supposedly by CIA operatives) in Bolivia in 1967.

We say that Lydia is nowhere near as sexy as previous PETA models who have included Charlotte Ross (above right) and Jenna Jameson (right).

Stressed guys skipping sex due to "headaches"

A new study of bedroom habits has revealed that many men are now so terrified by their partner's intimate knowledge of what she needs to turn her on that they no longer know if they're coming or going.

Sexual science therapist Professor Zbigniew Izdebski claims that one in three men is too frightened to have sex. He blames women's magazines and websites for turning women on to what really satisfies them.

"Men feel they are judged by their women, who now know exactly how long foreplay should last, when to check the moistness of their vagina, the hardness of their nipples and body color," he said. "The whole methodology of the women's climax is seen by men as something similar to a difficult intelligence test."

"Instead of enjoying intercourse, men instead are trying to remember the 'right' routine to turn their woman on and make her climax. Consequently, we see more and more men claiming 'headaches' to avoid sex altogether."

Nothing to hide downunder

Air New Zealand has chosen a novel way to make sure even the most jaded flyers keep their eyes glued on its flight safety briefing. A new safety video for domestic Boeing 737 flights features pilot and cabin crew dressed only in body paint. But the safety message is kept decent with skilful camera angles.

This video follows the same tactic as the airline's marketing campaign for its low-priced fares, which featured staff, including the chief executive, adorned in only body paint. The struggling Kiwi airliner is trying to emphasize that, unlike its competitors, it has absolutely nothing to hide.

Raw dog can be okay

Coitus interruptus, withdrawal, pulling out, raw dog or "Pull and Pray," as in, pull out and pray she doesn't get pregnant. As birth control, the method is largely regarded as ill-thought out—the last resort of horny teenagers. In short, it doesn't work. Except that it probably does.

A recent study conducted by Rachel Jones, senior research associate at the Guttmacher Institute, Washington, asserts that research shows the withdrawal method is almost as effective as condoms when used correctly. When used correctly 100 percent of the time, condoms have a two percent failure rate. When used correctly, withdrawal has only a four percent failure rate.

HOW WOMEN PISS GUYS OFF ON DATES

According to a new survey, here's a top 10 list of what guys hate when they're on a date with a girl. If she's guilty of too many of them, she won't get another date...unless she puts out! Beware: This will probably get you angry.

10. Automatically expecting you to pay for everything.
9. Taking a haughty or rude attitude to wait staff.
8. Doing nothing but check for voice mail or texts on her phone.
7. Acting unhappy just because a restaurant or club is crowded.
6. Wanting to go somewhere else right after arriving at a place.
5. Looking around at other guys.
4. Complaining endlessly about being tired, having sore feet or some minor shit that's going on in her life.
3. Making a racket with ringtones on her stupid handheld gizmo.
2. Taking the attitude that being treated is her right.
1. Making no effort to carry on a conversation with you, but chatting to friends on her cell phone as if you're not even there.

What price a BJ?

In Oklahoma City, Oklahoma, a 36-year-old woman was fined \$1,142 on a prostitution charge. The "john"—a Frito-Lay employee—did not have any money, but the ho agreed to give him a blow job after he gave her a case of chips that he valued at \$30. Then the ho gave him what he was after.

But the pair was being watched and were arrested soon after.

VIBES ARE BIG IN BEDROOMS

Indiana University researchers studied responses from 2,056 women and 1,047 men, ages 18-60, and found that vibrator use during sex is common.

More than half of the women (52.5 percent) had used a vibrator. Use was positively related to desire, arousal, lubrication, orgasm and overall sexual function. Meanwhile, 44.8 percent of the men had used vibrators.

Racoon vs. dick

In Moscow, a drunk 44-year-old guy, out with his buddies, caught a racoon and decided to fuck it. The racoon fought back, bit off most of his dick and ran away with it.

Surgeons had little left to work with as they repaired his dick, so his screwing life is over.

BOWLING FOR BOOBS IN JAPAN

Leave it to those kooky Japanese TV game shows to come up with way-out ideas. On a new show, the objective is to propel yourself towards a girl's chest while laying face-down on a wheeled mini-trolley. The goal is for the trolley to come to a stop as close to her boobs as possible without your head touching them. If your head winds up between her cleavage, you lose and get the electric shock that Japanese game shows are so fond of giving.

Just fucking nasty!

An Indonesian maid, 26, appeared in a Hong Kong courtroom charged with "administering poison, destructive or noxious substances with intent to injure." She mixed her menstrual blood into a pot of vegetables as a panacea (she thought) for improving relations between herself and her employer.

She was caught when her employer's wife saw her acting strangely in the kitchen and throwing something into the trash. It was a used sanitary napkin. When the wife checked the pot of vegetables, she noticed something "suspicious" floating around.

Something different for your bar or man cave

Every horny male in the Naughty Nation should have heard of—if not jacked to—the classic porno movie *Deep Throat* starring Linda Lovelace. Now you can remember it with a new energy drink. Deep Throat promises to give you "XXX-Treme Energy" so you can "Keep It UP All Night."

A six-pack of cans is \$14.99 and a 24-pack is just \$39.99 from xxxdeepthroat.com. They even have several models of Deep Throat barrel refrigerators for between \$450 and \$500 if you really want to impress your buddies.

Meet The Sex Counter

Fitted onto your dick, the device features a motion sensor and digital readout. Functioning like a pedometer, the LCD display advances by one digit with each thrust of a guy's hips. Users may find that the device, by gripping the penis tightly, also helps to retard ejaculation, thereby serving to prolong sex. It can be worn over a condom. It is available online from lovehoney.co.uk for about \$11.00. Their website describes it as follows...

"Ergonomically designed, this cock ring has been created so that the counter and soft rubber covering actually hits your partner's sweet spots with each thrust! The stretchy cock ring will comfortably sit at the base of the penis and help to give you a firmer, bigger, longer-lasting erection."

"The Penisometer will count each of your thrusts and give you a read out at the end so you can see how long your sessions last! Make a note of your BPM (bonks per minute) and see if you can up your effort next time: perfect for fitness gurus and competitive couples. Stretches from 1.2 inches up to 3 inches in internal diameter."

The ultimate affair killer?

In Singapore, a 30 year old secretary, having an affair with her boss, bit off most of her lover's dick. They were parked in his car in a local park and she was giving him a BJ. All was going well until a van backed up and struck the vehicle. The impact caused the woman to involuntarily bite down, severing her boss's penis.

If that wasn't bad enough, her husband, who had suspected her of cheating, had hired a private investigator to follow her around. The P.I. was there when the incident took place. He called for an ambulance on his cell phone after hearing the woman's cries of horror.

The secretary went to the hospital with her boss. We don't know if her husband met her there or not.

An innocent's mistake

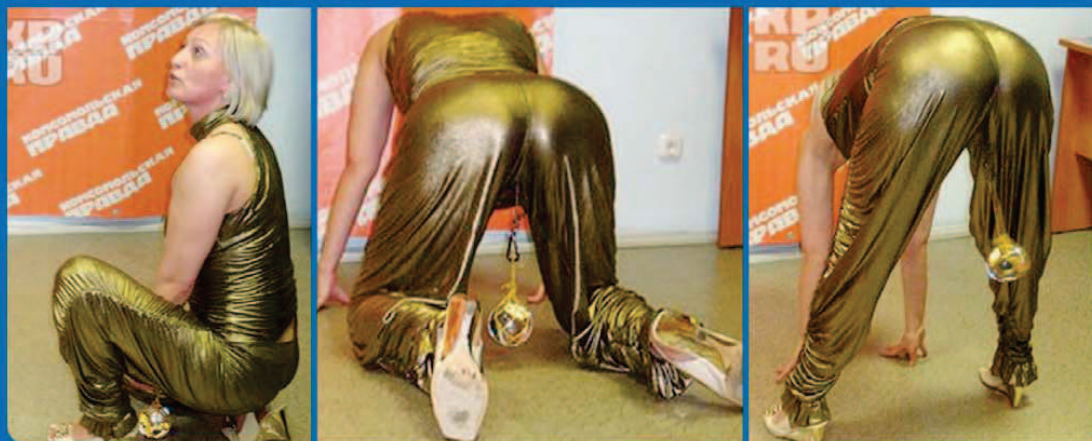

In Torrington, Connecticut, a 16-year-old girl overheard her mother's screams during sex and thought that she was being assaulted, so she called up two 16-year-old boys and a 19-year-old to come to the rescue to attack the man and save her mother.

The four teens rushed into the mother's bedroom and beat the naked 25-year-old man with a baseball bat and punched him as the shocked mother looked on. The guy was treated at a hospital for minor injuries and released that night. The teens were charged with assault and conspiracy.

IT'S OFFICIAL! SHE HAS THE WORLD'S STRONGEST VAGINA

The Guinness Book of World Records has recognized Tatiata Kozhevnikova, 42, of Novosibirsk, Russia, as having the world's strongest vagina after she lifted a 33 pound glass ball, using only her vagina muscles. She has been working on strengthening her pussy and exercising it for the past 15 years.

"After I had my last child, my intimate muscles got unbelievably weak. I read books on Dao and learned that ancient women used to deal with this problem by using wooden balls," Tatiana said. "I looked around, saw a Murano glass ball and inserted it in my vagina. It took me ages to get it out! It's enough to exercise your vagina five minutes a day, ladies, and in just one week you'll be able to give yourself and your man unforgettable pleasure in bed. The process itself of keeping weight is very simple. A woman inserts a wooden egg in which a string is put through in her vagina. This weight is fixed on this string. The weight is kept by pelvis ligaments, buttocks and partly by vagina. But I don't advise you to repeat my result. It took many years to train. And in general it is enough to keep the muscles in tone for your health and sexual life. Then you will always be sexy!"

COUGAR

Country

JOSETTE
MIRAMAR, FLORIDA • AGE: 54

Cougars are always on the lookout for younger guys who can give them sexual satisfaction. Josette, 5'5", 134 pounds, 34D bras, is a divorced realtor who has never shaved her pussy and doesn't plan to. "I've never been with a guy who didn't appreciate my bush," Josette said. "Guys get instantly hard when they see it overflowing my panties. The young guys who I prefer to bed these days like it, even if it is the first hairy pussy many of them have ever come across. They all part the hair and eat me out without any problems."

"Cocks slide into a hairy pussy as easily as they slide into a shaved pussy...as long as the woman is turned on and wet," said Josette. "Believe me, I have no problems at all about my puss being wet when I'm hunkered down with a 20something stud who is hell-bent on fucking my brains out after I've sucked him almost to the point of no return. That's when I promise him my asshole if he gets me off first. I can cum a couple of times during a fuck session, then again during butt sex."

"My boyfriend says I have an in-ya-face personality because I'm real confident, assertive and kinda demanding," said Lexi. "I love being the center of attention and being outrageous so our friends talk about me. That's why, when he showed me a NN he got from work, it took me to about page 25 to declare that I wanted to be a NN girl, too. The thought of having guys all around the world jacking over me is totally awesome!"

Lexi's favorite sex

"I love to be on my back with my legs up on the guy's shoulders. That's good for a major orgasm. I also love doggie-style when he goes from my pussy to my butt hole just after I've cum because I soon cum again."

ass or Class?

SOME GUYS PREFER SLEAZY STRIP CLUBS. OTHERS WANT CLASSY ESTABLISHMENTS THAT WILL FUEL THEIR FANTASIES. YOUR PREFERENCE MIGHT SAY A LOT ABOUT YOU.

POINT: Sleazy strip clubs are what men really want.

By Dan Ross

I'll never forget the first time I walked into a sleazy strip club. It was the day I realized that so-called upscale strip clubs are bullshit and that a man looking for what he really wants should always go for sleaze.

The club was the old Harmony Burlesque, just off Times Square in New York. There was almost nothing to the place; just a long, narrow stage surrounded by three rows of theatre-style seats that had seen their best 20 years ago. The stage was brightly lit, but the rest of the place was in shadows. Few of the patrons were watching the stripper on stage. Just about every guy had a girl on his lap.

I sat down. Within minutes, a pleasant-looking brunette with firm, natural C-cups and a G-string that just about covered her bush walked up to me.

"Would you like some company, honey?" she asked.

I looked her over. She was sexy in the way so many strippers are, and even though I was a first-timer, I knew exactly what "some company" meant.

"Sure," I said, at which point she plopped down in my lap and straddled me so that her covered pussy was snug against my hard-on. Fifteen minutes and \$15 later I had blown my first lapdance load. I left the club with a damp crotch, a big smile on my face and the smell of pussy on my fingers. I was damned happy!

The Harmony was no palace. Hell, it wasn't even a burlesque. But it offered what every guy wants when he walks into a strip club: intimate contact with women who work damned hard to make you cum.

The Harmony is closed now,

but, for me, it will always represent the turning point in my strip-club going life. No more Solid Golds, Pure Paltinums or Spearmint Rhinos. I don't need to sit in a club for an hour watching stuck-up strippers wearing overdone costumes, putting on a show and making believe they are in some Las Vegas review. I don't need to shell out \$20 a pop for semi-friction lapdances from babes who know that all they have to do is look good to suck all the cash out of every horny joe's pocket.

And I don't need the ready-made, built-in, upscale strip club excuse of, "It's okay for me to be here because it's a *classy* strip club." I don't need to alleviate my guilt.

And you don't, either. If you're man enough to admit it.

Key question: Why do upscale strip clubs attract guys out for a good time with their friends while sleazy strip clubs attract men who are alone?

Because a solo guy can act on his

Dan: "In a sleazy club it's understood that you're paying so you can cum."

Chris: "Where's the fantasy value in a business deal like that?"

Richmond, Virginia

COLLEGE STUDENT

DOB: May 9, 1990

Ht: 5'8" Bra Size: 34A

Wt: 133 lbs. Casual dating

"I go to school in Gainesville, Florida," said May. "I'm sharing a house with three of my friends from Richmond, and I volunteered to be the lawn mower. The guy I was dating at the time wanted photos of me in action, but I decided to give him a whole lot more. The shots were on my camera for a couple of months till one of the other girls said I should send them to NN 'cause I'd be paid if they're used. Awesome! Now at least I won't starve!"

May's favorite sex

"I like starting off on top of a guy's cock, then getting it from behind while I'm on my side and then my hands and knees. Then I like good old missionary style for hard pounding when I feel I'm gonna cum."

"I dumped the guy who took the photos because he was a typical jock who didn't give a shit about what I wanted from sex," said May. "And he wanted the whole dating thing from me, like, we wouldn't 'date' other people. Stuff like that. Screw that for now! I'm into getting my degree and I'm just

dating when I want some fun and a good fuck session. I'd love to find a friend with benefits because we'd both get a lot out of that. In the meantime, I'll just hook up with guys when I get so damned horny that my fingers or toy don't satisfy me. Sometimes it's frustrating being a horny girl."

Skyla

Washington, North Carolina

WAITRESS

DOB: November 11, 1989

Ht: 5'10" Bra Size: 36A

Wt: 138 lbs. Dating

My boyfriend and I live at home, but luckily we're both only children and our folks work," said Skyla. "That means we can be alone in either house during the day, and don't have to screw in the back of his car—although we sometimes do, anyway. I get incredibly wet when I cum—as you can see in the photos—so we have to be careful about where we screw and put something under my ass so we don't leave a mess. It takes a bit of planning, but it's worth it!"

Screwing Skyla

"I like missionary style best for cumming, but before that I like to experiment. Doggie-style always feels awesome, especially when my guy fucks my butt hole with a wet finger. But I'm not ready to try real butt sex yet."

Giselle

Davie, Florida

TRAINEE HAIR STYLIST

DOB: July 30, 1989

Ht: 5'3" Bra Size: 32B

Wt: 118 lbs. Dating

"I'd never stripped naked outdoors before, but when I decided to pose for NN, I picked my boyfriend's backyard to do it in because a Florida girl has to pose in the sunshine," said Giselle. "My guy Marc loved the idea, but he's not good with a camera, so my girlfriend, Tricia, took the photos. We've been lezzie together a few times, so I didn't care about her seeing my pussy and stuff. Afterwards, Marc got to do me and Tricia; we planned that as a big surprise for him."

Screwing Giselle

"I like riding on top of a cock so I can set the pace and decide when I'm gonna speed up and cum. After that, my guy can do me any way he wants and I might cum again especially if he's giving it to me doggie."

Katarina

Woodland Hills, California

COMMUNITY COLLEGE STUDENT

DOB: August 25, 1989

Ht: 5'2" Bra Size: 34A

Wt: 118 lbs. Dating

"I've been friends with Kyle, like, forever, and we're in some classes together this year," said Katarina. "When I decided to pose for NN, based on looking through some issues that my roommate's boyfriend left lying around, I decided to ask Kyle to take the photos because he takes incredible shots of drift cars—his passion. He agreed right away. I figured we might have sex afterwards. We did. It was awesome and now we're dating."

Sex with Katarina

"I like to start out missionary and take it from there. I cum best when I'm riding on a guy's dick, but I love getting it doggie-style because it feels so dirty. I can only cum once—loud, sweaty, jerky and really wet."

April

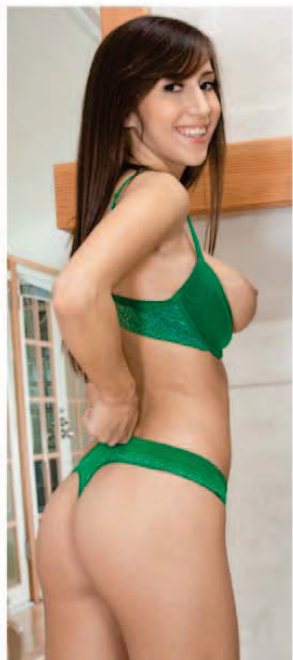

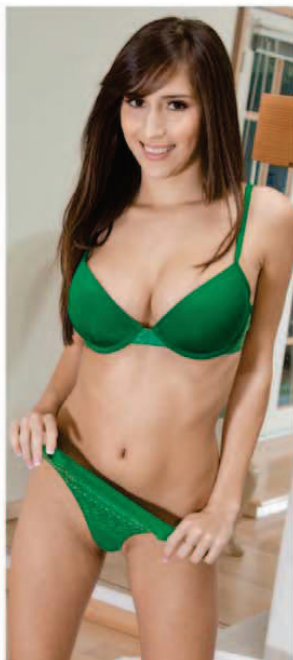

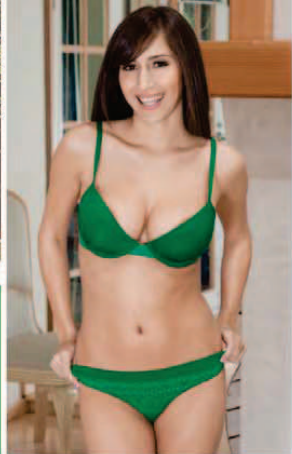

Bellflower, California

TECHNICAL INSTITUTE STUDENT

DOB: April 6, 1987

Ht: 5'1" Bra Size: 32D

Wt: 109 lbs. Dating

"From the very first time my boyfriend got to see my boobs he's been, like, obsessed with them," said April. "He loves to fondle them and lick them and suck on my nipples. He does so much of it that sometimes I have to remind him that I have a pussy that needs attention as well. At least he doesn't want to have sex with them; he says that the only place his cock wants to go is in my pussy. Well, it wants to go in my ass, too, but I'm not ready for that yet."

Cumming during sex

"I don't make noises other than a few squeaks because I'm too embarrassed. I kinda shiver a lot and I get real sweaty. And my pussy clamps my guy's dick so hard that he can't pull out to cum, even if he wants to."

MAN JOKES

HOLIDAY 2009

His wife and his best friend

A guy walked into a bar and ordered a triple scotch. The barman poured it for him and the guy knocked it back.

"Wow!" said the barman. "What the hell happened to you?"

"Well," said the guy. "I got home early from work, went up to our bedroom and found my best friend fucking my wife."

The bartender poured the guy another triple shot. "This one's on the house."

The guy gulped it down.

"So, what did you say to your wife?" the barman asked.

"I told her, 'We're through. Pack your bags and get out!'" said the guy.

"And what about your best friend?" asked the barman. "What the fuck did you say to him?"

"I looked him straight in the eye and yelled, 'Bad dog!'"

Viagra

An old man walked into a drugstore to buy some Viagra.

"Can I have six tablets, cut in quarters, please?" he asked.

"I can cut them for you," said the pharmacist, "but a quarter tablet won't give you a full erection."

"Sonny, I'm 86," said the old man. "I don't want an erection. I just want my dick to stick out far enough that I don't keep pissing on my feet."

My wife, the sun

My wife and I were lying in bed last night, when she asked me, "If you could compare me to one thing in the universe, what would it be?"

"The sun," I told her.

"Aww," she said. "Is that because I'm bright and beautiful and you couldn't live without me?"

"No," I said. "It's because nobody can stand looking at you for very long!"

Wasukima!

On his first business trip to Japan, a guy decided to visit a local whorehouse. He was assigned a sexy girl with a great body. In her room, he stripped her naked and went to town on her. Right from the start, between moans and grunts, she was

screaming, "Wasukima! Wasukima!"

He was sure that she was praising him for his efforts, so, quite delighted, he kept on enthusiastically fucking her.

The next day, he went golfing with his boss and their Japanese clients. The guy decided to impress them with his new knowledge of their language. When one of them got a hole in one, he raised his arms and shouted "Wasukima!"

Everyone looked at him quizzically, till one of the Japanese asked him, "Why did you shout out 'wrong hole?'"

Pet names

My wife used to embarrass me in social situations by always calling me names like Snugglybear, Lovebunny and Honeywunny. She soon stopped when I began doing the same thing to her.

Anyway, got to go, guys; Bucketcunt's just put our dinner on the table.

First thoughts

On our 20th wedding anniversary, my wife said to me. "When you saw me for the first time in that club all those years ago, what did you think?"

"Shit, I'm drunk. But fatty over there looks like an easy lay," I told her.

The question

Nine-year-old Barry was up in his bedroom watching TV. Later, he came downstairs and found his dad in the den.

"Dad, what's love juice?" he asked.

His father was shocked, but he decided to tell Barry the truth as he always did. So he told him all about sex and why a woman's vagina gets wet.

Barry just sat there in amazement with his mouth open.

"So," said dad when he'd finished.

"What program were you watching?"

"Guys playing tennis."

My new online friend

I went to the local mall yesterday to meet my new Internet friend for the first time. We were both really disappointed to discover that we're both middle-aged guys and not hot 20 somethings.

"I cum every time I have sex. Usually more than once, too," said Nina. "For a skinny girl I have a decent ass. It's nice to slap when I'm in the doggie-style position. I'll let a guy lick my butthole and even finger it if I'm feeling kinky. But I've never done anal. I'd like to try it, but for now I'm having tons of fun with regular sex!"

TATIANA

Tatiana, also a student, lives in Norfolk, Virginia. The 18-year-old is 5'1", weighs 105 pounds and wears 34B bras. This little toughie likes a bit of pain with her sex. "I like having my pigtails tugged on during sex," she said. "Hair pulling is so hot. If you bite my neck and smack my ass till it's red while

you're doin' me doggie-style, I'll moan and purr and my pussy will drip like a leaky water faucet. I can't help it, that's just how I am. But cumming first from oral is like a warmup for my pussy. I'll be more sensitive and cum more easily when you slide your dick in me and do me good and hard."

NIKITA
18Eighteen 10-09

Our third student, Nikita, 18, lives in San Jose, California. She is 5'4", weighs 112 pounds and wears 34B bras. She likes threeways. "In the last semester of high school this year I was in the shower after gym class and the sight of all the wet pussies got me hot," she said. "I wanted to have sex

with other girls, but I wanted my boyfriend there, too. So far we've had five threesomes with two different girls. They were all incredible. We girls sucked and fingered each other to orgasm, then my guy took turns doing us while we kept sucking and touching. I came again and again. It's awesome sex!"

"On the Saturday afternoon that my boyfriend decided to ambush me in my bathroom to take the dirty photos for NN, we were supposed to be going to meet friends by the beach," Jessika said. "I didn't want to put him off, like I'd done a few times before, but I wasn't going to get wet in the bath or shower, other than to show him—and all you guys—my most favorite way of getting myself off. The warm water hitting my clit works every time."

Sex is new for Jessica

"It's less than three months since I first had full sex, so I'm still learning what to do. I like giving BJs but I can't swallow, and I cum from clit licking but not always during sex. I love doing it in all sorts of positions."

"I've taken over the roof to our house so I can soak up the sun during the day when I don't have a class," said Carolina. "My folks both work, so I don't have to worry about anybody disturbing me if I get naked. I really want to have sex up

there, but my boyfriend won't go for it during the day. But when my folks go on vacation, we'll have lots of sex up there at night when it's cooler. It will be neat doing it under the stars, too. It was an ideal place for me to pose for NN."

A woman with dark hair and bangs is lying on her back, topless. She is looking towards the camera with a slight smile. Her hands are placed on her thighs, framing her pubic area. She is wearing a thin necklace with a small pendant. In the top left corner, there is a handwritten note on a piece of paper. The background is a plain, light-colored surface. The overall tone is intimate and personal.

Sex with Carolina

"I only cum during sex if my guy goes slowly, and he can't always manage to do that. But he always gets me off first with his tongue, so I do get an orgasm. I like missionary best, but doggie-style is good, too."

desire for contact with a dancer without worrying about peer pressure. He's in the club to cum, not to watch a show.

Any guy would rather get a full-friction, tits-in-his-face, balls-exploding lap dance from a girl who's a "6" than an air dance from a girl who's an "8" but thinks she's a fuckin' "10."

Plus, most fancy clubs have no-hands

Chris: "You mean they try hard to dance! Most of them suck at dancing."

policies, which means you can't lick or touch. When the "fun" ends, you're left with a maxed-out credit card or empty wallet...and blue balls.

But the sleazy strip joint? There, Miss Not-Quite-Beautiful will make sure you cum. She'll make you the center of her universe for a few minutes. She'll stuff her tits in your mouth and make you lick and suck them. She'll move your hands to her nipples and then to her pussy. She'll let you slip your fingers into her pussy to get them wet and smelly. When you tell her you're running out of money, she'll make sure you cum, because she knows a satisfied customer is a good tipping, repeat customer.

Meanwhile, the guys at the upscale club are nursing their \$10 beers, making believe they're enjoying the stage show and sneaking peaks at the game on ESPN. They are wishing they are you: Man enough to know that sleazy strip clubs are where it's at.

Dan: "In a sleazy club, it's all about hands on contact with the dancers."
Chris: "Yeah, your hands and every other guys' filthy hands as well."

COUNTERPOINT: Classy strip clubs fuel male fantasies.

By Chris James

I'll never forget the first time I walked into a sleazy strip club, either. It was the night I realized that I valued my life. It was the night I confirmed that I wasn't so desperate for female company that I'd shell out good money for a few moments with a skanky babe who I could easily pick up at any single bar in town—and end up fucking—for just the price of a couple of drinks.

The place was on Market Street in San Francisco. Not the famous Mitchell Brothers, but a bargain dump down the street a bit.

Well, just 15 minutes later, I walked out of the club \$50 poorer and no longer nursing a hard-on. That's because my cock immediately headed south when I saw the selection of girls.

What's worse, I couldn't even go back to my room and fantasize about the girls I had just been with because none of them were worth fantasizing about, no less paying for.

Of course, guys like Dan can get off on just about anything. Just stick some pussy in their laps for a few minutes and they'll be shooting geysers. But I think most guys are like me, which is why classy clubs are jam-packed most nights.

And, by the way, Dan, I've seen plenty of solo guys in the upscale clubs, too. I've often been one of them.

Dominique

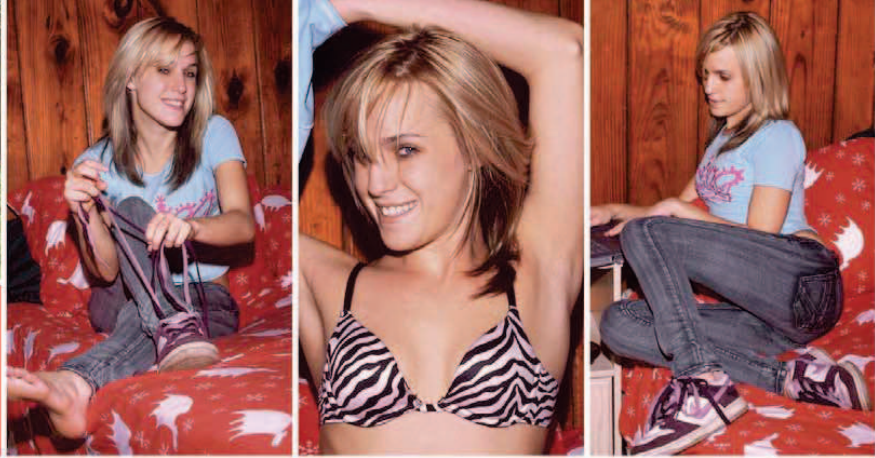

Smithtown, New York

REALTOR'S RECEPTIONIST

DOB: October 23, 1989

Ht: 5'3" Bra Size: 34A

Wt: 99 lbs. Dating

"My job's kinda boring, but the money's okay and at least I've got a job," said Dominique. "I was helping one of the realtors clean out a foreclosed house that she was prepping to put on the market, and I found a bunch of porno mags left

behind with a lot of other stuff. I managed to get them out to my car without the realtor seeing them. My guy and I had so much fun checking them out together, and that decided me to pose for NN—for the thrill of it and for the cash."

Doing Dominique

"First, I need lots of foreplay and having my clit licked till I cum. Then I like slow, gentle sex—any way—till I'm about to cum again. Then go fast! This second orgasm is usually hard, loud, kinda jerky and real wet."

Ass or Class?

continued from page 70

What Dan doesn't understand is that not all guys go to strip clubs for immediate sexual gratification. We go to fuel our fantasies and to get away from the real outside world, where all women aren't drop-dead gorgeous.

In an upscale club, the lookers come up to me. Sure, they only want my money, but I'm able to suspend reality for a while and enjoy my fantasy. In an upscale strip club, the gorgeous women dance just for me. And, if I want, they'll take me back to the VIP room, where they'll get a little more intimate. No, they won't offer me a hand job or a blow job or any other kind of sexual release, and the bump-and-grind is more bump than grind. And, sure, a night at an upscale club might cost a small fortune. But when I leave, I own a fantasy that will stay with me for days, weeks, months. And I don't have to wonder whether I've contracted an STD.

There's an old saying, "You get what you pay for," and it's especially true of strip clubs. Walk into a sleazy club and the place smells of beer and cigarettes. The floor looks like it hasn't been cleaned in years. The bathroom is a hell-hole. The patrons look like they just got out of jail. And you are constantly fending off the advances of women you wouldn't fuck for free.

Walking into an upscale club is like

Dan: "In a sleazy club, he gets to squeeze her tits and take a lick."
Chris: "Right, and lick what the dirt-bag sitting next to him just licked."

Dan: "In a sleazy club, he gets some pussy juice on his fingers as a souvenir and he could even get laid once a girl's finished her shift."
Chris: "It would be a real expensive, emotionless fuck and he just might get an STD as a souvenir, too."

walking into a fantasy land. The aroma is of perfume. The mirrors are spotless. The doormen are dressed in tuxedos. The surroundings are stylish. Even the barmaids are hot. You can take your pick of shows on two or three stages, and there's sure to be at least one girl who gets your dick stirring. She's dressed elegantly. Just for you. She dances seductively. Just for you. She knows what she's doing. She's turning you on. Exactly what you want.

Maybe it's not what Dan wants, but so be it. I don't like leaving a club with a load dripping down my leg. I can control myself until I get home.

An upscale strip club is sexy and sultry without being at all sleazy. The man who visits an upscale strip club is capable of appreciating the eroticism of a beautiful woman without getting gynecological views of her body parts. He knows her beauty is in how she presents herself. It's in her look, her movements, her eroticism. It's not in the way she grabs your crotch and stuffs her sweaty tits into your mouth.

And remember, Dan: The sweaty strippers' breasts that you just licked? Before you they were licked by the scumbag sitting at the next table. The same guy who had just scratched his balls—inside his pants.

I'll take class over ass, thanks.

Well, the main covergirl from our September issue took the title; It's been a while since that happened. Fiona, the 20-year-old student from Coral Springs, Florida, walked away with the voting over her nearest competitors, Juliet, 26, and young Kaylee, 19. Fiona posed because her favorite psychology professor told her class on the last day of semester that they should all try to do something completely out of character—wild but not illegal—during the vacation to push their personal limits. Fiona chose to pose, and we're damned glad that she did! Which babe deserves the title from this issue? Email us right now at: letters@naughtymag.com

CONFESSIONS

BEING A CHAUFFEUR HAS IT'S PERKS...IF YOU'RE LUCKY.

I'm a chauffeur for a rich couple in Beverly Hills: A 60something guy and a 30ish wife—just a few years older than me. It didn't take her long to come on to me once I started driving the stretch Lincoln for them; well, mostly for her. I'd heard stories from other drivers about the women they worked for but had always thought they were shitting me.

I'm a bit naive sometimes, so when she first flashed her panties at me I looked away. Soon she was making it hard for me to pretend I hadn't seen anything. If it wasn't her panties it was her tits. She'd make sure she was bending forward whenever she got the chance to ask me something, and when I opened the door for her, she'd open her legs nice and wide; except when her husband was there of course.

After a couple of months of this she challenged me. One morning, she had me drive her to McArthur Park.

"Marcus," she said, "Are you gay?"

I almost choked. "No Mam."

"Then how come you've never hit on me?"

"You're my boss's wife."

"So?"

"I respect marriage," I said.

"Oh, shit! Pull over and come in the back with me," she demanded.

I did and I was as nervous as hell. I sat opposite her, unsure of what she wanted. She parted her legs slowly. Her skirt was tight, so it was like a picture frame funneling up to her pussy: She wasn't wearing panties.

I gulped and tried to look away, but my eyes kept going back to her pussy.

She was smiling at me.

"Like what you see?" she asked.

"Yes, Mam," I whispered.

"Stop calling me Mam and get over here," she laughed.

I knelt between her open thighs. She leaned back, shifting so her hips were half off the seat and her pussy was only an inch or so from me.

"Well? You just going to look at it?" she asked.

"No," I gulped.

"Then eat me!"

I didn't need telling twice. My cock was almost bursting from my pants. I leaned forward, lifting her skirt. Her sex scent tantalized my nostrils. I nuzzled in, parting her flaps, her hairless pussy opening up for me.

"Oh God, yes," she moaned.

Her clit was hardening under my tongue. I inched a finger into her wet cunt, sliding it in and out.

"Oh, that's fantastic," she gasped. "Get your gear off."

I managed to strip off while she wiggled out of her skirt. My cock jutted before me dripping with precum.

"Very nice," she purred, opening up her blouse to flash her tits.

I stared at her while she peeled off

her shirt and bra. Then naked, she lay back on the seat, lifting one leg.

"Lick me some more," she demanded, while fingering herself.

Fuck, I'd never met anyone like her. She was totally at ease with herself,

completely oblivious of people walking past the limo. She made no effort to lower her voice.

"You're good at this," she chuckled, "but I want to see how good your cock feels in my pussy, so fuck me."

I'm quite tall, so it was hard for me to get into the right position.

"The floor," she demanded.

I lay back and in a flash she was on me, her pussy grinding against my cock as she knelt over me. Then, in one fluid motion, she impaled herself on me. Her cunt was tight, wet and hot as hell.

She rode me like a madwoman. It took all my willpower not to cum. I grabbed her tits, pulling at the nipples as she slammed up and down on me.

"Your cock feels awesome," she gasped. "Incredible! Incredible!"

I grabbed her hips, pinching her flesh, which only made her hotter. A slap on her ass and she was bending forward and whimpering, letting me know she wanted more. The more I spanked her, the more she came. She was dripping sweat all over me and her pussy juice was running down my shaft, over my balls onto the carpet.

She jumped off me, turned on all fours and begged me to fuck her doggie-style, my favorite position. With her ass wiggling back at me covered in red welts, I slammed my cock into her, and

It seems this babe can't get enough sex!

grabbed her tits. She pushed back, screaming for me to fuck her harder.

I noticed people looking at the car, the tinted windows hiding us from their prying eyes.

"Look at them, the poor cunts," she gasped. "Bet they wish they were me."

I was close to cumming, finding it hard to hold back any longer and she realized it. She pushed me away and lay back on the floor with her legs splayed open, fingering herself while she caught her breath.

"Masturbate, but don't you dare cum," she panted.

Watching her, her cunt dripping, her fingers slipping in and out, made it harder to control myself. I tried to think of other things as I stroked.

"Pump it harder," she demanded, licking her lips.

I knew I wouldn't be able to hold out much longer. Sweat was dripping into my eyes. My balls felt like melons; they needed release.

"You like watching me?" she gasped, her fingers working her cunt.

I nodded.

"Open the window," she said.

"What?"

"Open the window. Let's see if anyone out there wants to watch us."

I hesitated. I'm not an exhibitionist.

"Come on," she coaxed.

I pressed the button so the window came down maybe a third of the way.

"All the way down," she laughed.

I did what she said.

"Keep stroking!" she demanded.

I didn't know whether to watch her or to keep an eye out the window. I was terrified of getting caught, but not her. She climaxed again almost immediately, rubbing her clit and finger-fucking herself. Her body spasmed and shook as she cried out in pleasure.

I lost it and started cumming.

"On my tits," she demanded wildly.

I did, shooting all over her tits and stomach. She scooped my jizz up with her fingers and sucked them while I collapsed between her legs. When I had calmed down, I peered out the window. She laughed.

"Not bad for your first time."

"What?"

"Now that I know how good you are, we can have lots of fun together."

"But your husband..."

"Oh, don't worry, I won't ask him to join us," she chuckled. "Shit, he'll be happy that I'm not bugging him."

I raised the window and we dressed in silence. Back behind the wheel, I asked her where she wanted to go.

"This stays with us," she said.

"You have my word, Mam."

"Good. Take me home so I can shower and change. Then, I think a drive up the coast for lunch and a fuck by the sea would be lovely."

"Whatever you say, Mam."

I've been having a ball since then. She has an insatiable appetite, and I'm happy to satisfy her in the back of the limo. I feel pangs of jealousy when I see her with her husband, but that's the price you pay when you're the hired help.—Marcus, Los Angeles

Brooke

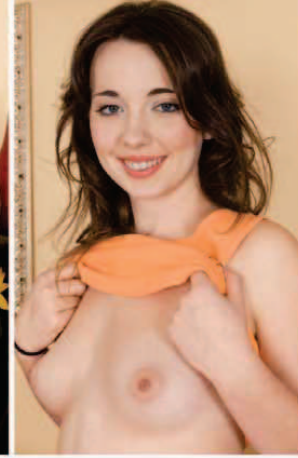

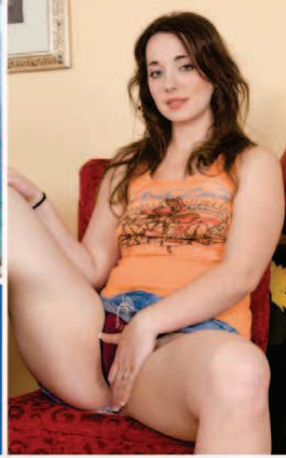

Cocoa, Florida

STORE CLERK

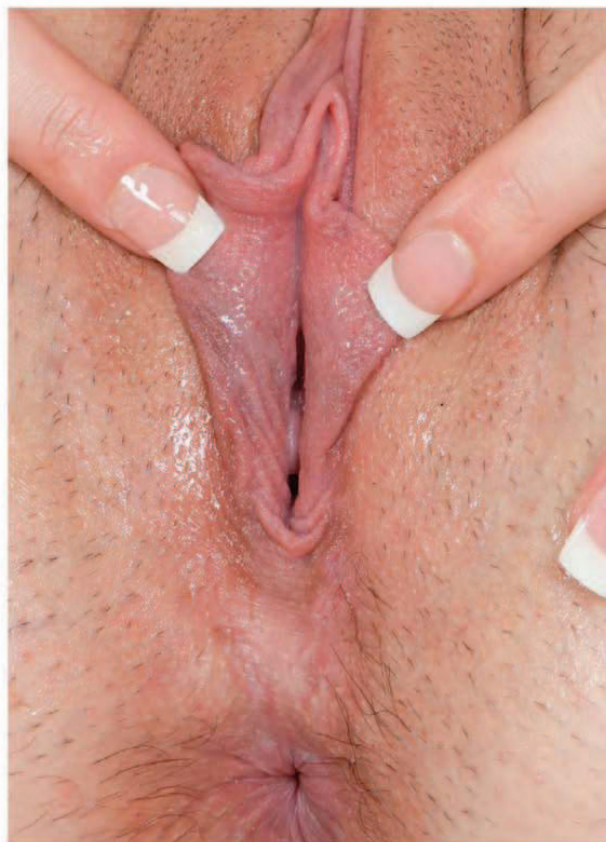

DOB: September 5, 1989

Ht: 5'6" Bra Size: 34A

Wt: 139 lbs. Dating

"Some people would say I'm going to hell because I'm screwing a married guy, so I can't make it worse by posing for him and sending the photos to NN," said Brooke. "We met in the food court at the mall where I work and it was, like, three weeks of lunches together before we first had sex in my apartment. It was the best sex I'd ever had, and I wanted as much of it as I could get. So I became his mistress. I like that word, it suits me."

"We don't really go out on dates," said Brooke. "We order in and stay at my place and fuck. Of course, I don't get to see him half as often as I'd like to, but that's just from the point of wanting more sex with him. I mean, I think he'd get on my nerves if we spent too much time together, and he doesn't even like the type of music I listen to or the TV shows that I watch. And he hates going to the movies! Can you believe that? But he's got a big, fat cock and he knows things to do to me that make me have orgasms that leave me totally exhausted. So I'm a happy girl!"

Brooke and butt sex

"I've just gotten into it and I love it! We only do it after I've cum from regular sex. He's slow and gentle till he starts pounding into me and then it's all on. I love how it feels, and I get soo close to cumming."

Getting It On!

Ever crashed a teen girls' sleepover? Our still cameras were there when these NN babes filmed the *Naughty Hottie Slumber Party* video, and we think you'll enjoy seeing what went on. At most sleepovers, the girls don't get past giving pedicures, reading mags and playing with each other's hair. But our girls would much rather play with each other's pussies— diddling their playmates' clits and diving head-first into their fuck-holes. How could they possibly resist a taste of sweet and tangy teen nectar?

The lezzie lovefest is just a warmup for what's ahead. Instead of satisfying them, the lezzie action has just gotten them hotter. Once their pussies are wet and lubed up and their clits are throbbing, they look for more than fingers and plastic to fill their holes. They want cock! So they sneak in some guys and an orgy breaks out with cock sucking, pussy licking and plenty of hard fucking. The girls share cocks in their mouths and their cunts as they trade off partners and get slammed hard.

There's a surprise ending to this movie that isn't shown here, but the scenes involve one of the girls, a MILF and an older guy in threeway action with anal banging. Let's face it Naughty Nation, 99.999 percent of us have no fucking hope of ever getting personally involved in something as awesome as a teen slumber party of any kind, so we can only experience something as jack-worthy as this in a movie...and let our imaginations run free. If you want to check out *Naughty Hottie Slumber Party*, you can watch it right now at scoreondemand.com or order your own copy on page B7.
