JONESIN' FOR JAYDEN

Dear PURELY 18,

You guys mix it up all right, but I say you can never have enough dark meat in your **P18** sandwich. I have been chewing on that Jayden for about a week now and while I gotta be careful with that pussy piercing so I don't go busting a tooth, she is downright delicious. She puts a lot of them white girls to shame, not that I don't like stepping into the light when I get a chance, too.

Whatever the color, this girl's body—especially that rack—transcends all and takes us straight to Hornyville. I've looked elsewhere for more on Jayden and it appears you guys got an exclusive, which means you're obligated to trot her sweet ass out again and let us get another look. She's too hot for a one-night stand.

**Marcus
Columbia, SC**

Dear Marcus,

We are working diligently to fulfill our obligation to bring you more photos of Jayden, and maybe, just maybe, next time you'll see the girl getting her mound lapped by another girl or perhaps we'll get to see how this girl handles a cock. There are so many things we can do with this girl. Yes, sooooo many!

DREAMS OF KIRA NIGHTLY

Dear PURELY 18,

Summer came early this year thanks to Kira. After looking at her dirty pictures in your magazine and popping my Kira cherry, I got in the pool for the first time since last summer and found myself still so horny from looking at her photos that I jerked off again in the pool. You ever watch your cream drifting away from your cock in the swimming pool? It's actually pretty cool.

Every rose has its thorn, even Kira. The pool wasn't the end of it, not by a long shot. I actually jerked off to her photos several times that first day and didn't slow down for several more. Eventually my cock was so raw that I felt I might have contracted some type of disease (how or from whom I had no idea, since I haven't put my ding-dong in a dame's bell in longer than I'm going to tell you) so I went down to the public health clinic. They gave me a blood test and stuck one of those little things in the tip of my dick (surprisingly and pleasantly painless!) and then the doc took a good look at my prick.

"We're going to have to wait for the tests to come back to be sure," she said, "but in my professional opinion this is a case of you jerking off too much. If you don't want to cause yourself serious problems in the future, you're going to have to cut back. You might want to pick up some lotion on your way home, too."

Things have generally healed since then, though I had to throw your magazine in the

Dear Derek,

You know you're hot on a chick when you practically wear your dick down to a nub jerking off to photos of her! Just imagine what you'd do with her in person. Oh, wait, it seems you've done too much imagining of that already.

VIBRATING MONIKA

Dear PURELY 18,

My wife has always thought the idea of getting a dildo was weird or gross, depending on when I asked her, and I've asked her a lot over the years. Then she walked in on me recently, I was in the bathroom and had forgotten to lock the door (isn't a shut bathroom door enough to signal that you shouldn't enter?!) and she walked in to find me with my pants around my knees about to blow my load into the sink with your magazine open to Teen Dream Monika on the counter. I was

so close to cumming that my sick mind wouldn't allow me to stop, and my wife stood there in the doorway watching as I grunted out a load into the sink, blown away by the images of this cute young girl with the crazy long hair dildoeing herself

with that pink machine.

Before I could clean up, my wife walked over and picked up the magazine. "So this is what you've been wanting all this time?" she asked, laughing at me. "You want to see me shoving a vibrator into my pussy? I suppose you want me to shave my pussy bald, turn 18, and grow my hair down to my ass, too?" I told her, as I've told her many times, that yes, I want to see her dildo herself. And I wouldn't mind her shaving her snatch, too. The growing of the hair doesn't seem particularly necessary, pretty as it is on Monika. And, duh, of course I'd like her to be 18!

My wife has since gone out and bought a dildo and now she's more into it than me. She's been taking a lot of sick days from work and, I swear, she's just home diddling herself. I know when I get home she sure is wet and ready to go. Thanks to you guys . . . and Monika!

GREATNESS OF SASHA GREY

Dear PURELY 18,

Thank you for revisiting the most beautiful girl I've ever seen, Sasha Grey. If there's ever been a more perfect girl who handed herself over to us via the adult industry, I haven't seen her. Greatest. Girl. Ever.

**Jarrold

Dear Jarrold,

What can be said about Sasha that hasn't already been said? She's a once-in-a-lifetime performer and we are all better off having been blessed by her presence.

There's something scrumptious about a fresh young ass in a tight bikini. **Michelle** looks great in her skimpy swimwear--and lucky for us, she doesn't keep it on very long! Before you know it, this leggy little lust-pot is strippin' in the sand skinny-dipping in the sea. Her sand-covered ass looks like a powdered donut, good enough to eat! And speaking of delicious, take a look at that fresh, untapped pussy...

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Vanessa**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!**

Dear Diary,

No one can judge a beautiful girl better than another beautiful girl, and I know a beautiful girl when I see one. I know guys, too, and my boyfriend is a super-hot guy who could—and has—banged pretty much any girl in school he wanted, as well as every other school in the county. We were going out about six months and I'm pretty sure I was the only girl he was fucking because we fucked in every moment of free time we could find—between classes, in the middle of the night in the park or the hood of a car or in a neighbor's backyard at sunrise—you wouldn't believe how much we were fucking!

Since his cock was spending so much time in my pussy, it wasn't uncommon that I'd go to suck his dick and it would have the sweet smell and taste of pussy juice. I keep my pussy clean and drink a ton of juices, so my deliciousness is unquestionable. One day we decided not to go back to school after a lunch of gobbling on each other's privates and fucking like hell. We showered

up before either of his parents got home and then hooked up again that evening, not long after it got dark, screwing in the treehouse that some kids our age had outgrown years ago.

He was hard when I pulled his cock out, rock-hard, and his cock was even moist, like my pussy. The spring evenings weren't that warm yet, but I didn't think much of it. He held my head as I swallowed his cock in my ongoing effort to get the whole thing into my throat. I could taste my pussy on his cock, and I tasted damn good. I pulled his cock out of my mouth and said so. He just smiled and I put his tool back in my mouth and was bobbing up and down on it, staring at his man-stuff when I realized it was wet and sticky. It gets that way all the time from our sessions, but we had showered together after we fucked earlier, so this didn't make sense. He was fucking somebody else! And it was still wet!

I didn't say anything, and I can't say I was even all that surprised. It made me feel...competitive. If he was fucking someone else, there was no way in hell she was going to be better than me. In order to make sure it didn't happen again, I decided I was going to give him the fuck of his life.

My resolve was greater than ever and I vacuumed his cock with my mouth and almost like I'd done it a thousand times before, it made the turn and was in my throat and somehow I managed to suck from deeper than I had ever dreamed possible and soon his foreskin felt like it was ruffling up around his head due to the force of my inhalation, and on the other end his balls were on my tongue, which I slid out of my mouth, and tapped his asshole. Suddenly, as a reaction to the intensity he was feeling, immediately he blew his wad, which seemed to unload directly into my stomach.

"Whoa!" he said when he could get his breath again.

"What the *fuck* was that?!"

"That was me sucking your cock, fucker," I told him.

"Want me to do it again?"

"I-I-I don't think I can...I think I'm out of jam. I've never cum like that. I've never felt anything like that. I..."

I put my fingers to his lips to shut him up. We kissed—again I could taste this other girl's pussy, but I was sure after this performance he wouldn't be seeking sex elsewhere again anytime soon.

I was wrong.

A couple nights later we both snuck out and met in a park in between both of our houses. We'd fucked in nearly every corner of the park before, sometimes to strangers watching quietly in the darkness and once even to small applause from a group of guys drinking nearby. He was sitting on a picnic table when I approached and I grabbed him by the collar and pulled him close for a kiss. I could taste the other girl again. Mmm, she tasted good. I was crazy with jealousy, I wanted to know who she was and what she was doing to keep him going back after I had just put on the performance of a lifetime.

We put on an amazing show that night. At one point he was leaning me over the picnic table and we were banging so hard that I thought it might split. I grabbed on to the branch of a tree above and rode his cock for what seemed like hours. I lost all track of time after I came about seven times and both he and the table were drenched with my pussy juices by the time I let him get on top of me and slam me until he blew his load on my face, both of us panting, moaning and groaning with unbelievable pleasure.

The next morning I woke up almost in a terror, I must have been having a nightmare that that other slut was

sucking my boyfriend's cock. I called him and he didn't answer. I'm sure he'd later say he was sleeping or in the shower, but I just knew he was fucking around. I got dressed and headed over to his house. His car was in front, so he was lucky there. I went around the side and peeked in his room and he wasn't there. Maybe he really was in the shower.

I slipped in through a window that we'd set up months earlier so I could enter and exit easily. I went into his room and his backpack was there. The house was quiet, everyone was either gone or sleeping. The bathroom door down the hall was shut and I could hear the shower going. Lucky bastard. I always wake up horny and I could go for a quickie in the bathroom. I opened the door and the steam poured out. I shut it quickly and quietly, undressed, and stuck my hand around the curtain and got lucky and had his cock straight away. His hand was already there, too, and his cock was hard. God, like what a sex addict! He was fucking me and another chick and still jerking off in the morning?!

He let my hand take over and I got in behind him and licked his asshole as I jerked him off. I switched hands and it was awkward, but I heard guys like that sometimes, so I went with it and continued to tongue his backdoor. I slid a finger in and he let it go in and turned around so I could suck his cock. I looked up, but it was too foggy to see anything, so I just did my job, thinking if I shoved my finger far enough up his ass it would push his jizz into my mouth and I don't know if that's how it worked, but he sure did cum—it was massive, like he'd been holding it back for weeks, months even. He was a sex machine. As I swallowed his cum, all I could think to say was, "Let's hurry back to your room and fuck before school."

"I don't have school and I'm not sure Trevor would approve. But if you really want—"

"Oh my gawd!" I said, or at least I think I said it. Sound may or may not have come out of my mouth. I thought I was sucking my boyfriend off in the shower and it turned out to be his dad! Holy shit! What now! What do I—

Suddenly the fog was almost gone and there I was face to face with Mr. R. He looked at me with a crazed, satisfied smile. "My room is the last one on the left," he said with a wink. "I think you know which one is Trevor's. It's your choice entirely. Just know I won't say a word either way."

I got dressed and went to Trevor's room. He wondered why my hair was wet, shouldn't I be ready for school? I said I was too horny, I had to come over and fuck him right away. He kissed me, deeply, and later I wondered if maybe he had tasted another man when he put his mouth on mine, because he plowed me extra hard that morning. There's no question Mr. R. heard everything, or at least a lot of it, but that didn't seem so important anymore.

I still taste that other girl on his lips more often than I would like to. I still want to try to figure out who it is, but I think my search has already got me in enough trouble. Besides, he's not the only one cheating anymore.

BEHIND THE SCENES OF OLD ENOUGH FOR ANAL

Starring: Lisa, Anastasia Brill, Debbie White, Netu, Kitty, Oliver Strelly, Frank M., James Brossman, Kid Jamaica.

Eighteen isn't just the legal age to vote--it's also the legal age for a hot teen to get butt-fucked! And though it's a green light to wreck your favorite cutie's rectum, not every young girl is game--it takes a special, deviant, open-minded debutante to spread her ass cheeks apart and take a big cock in her can. Call it curiosity. Call it moral-less debauchery. Call it what you will, but New Sensations calls it *Old Enough For Anal*, and this latest, labia-less lucidity will have you calling for another box of Kleenex! We went Behind the Scenes of this behind-busting blockbuster to see what all the hub-bub was about...

for more information on this and other great adult DVD titles, visit NewSensations.com

LISA DEEP BANANA BLACKOUT

Eighteen-year-old **Lisa** goes to the movie theatre to meet her friends. They don't show up, but some black guy with a huge dick does, so she figures she'll make the best of the situation and meat him instead! Before the previews even start playing, this guy is playing with Lisa's puckered button, giving a new meaning to the term "box-office thriller"! When all is said and done, Lisa can't even tell you what the movie was about, but she could tell you everything you ever wanted to know about how it feels to have her eighteen-year-old asshole violated!

KITTY SHE'S NO *PUSSY* CAT

Kitty's pretty. She's a natural brunette with tiny titties, a bald beaver, and a tight asshole that's just cravin' a cock! Lucky for us she's lean, eighteen, and ready to be reamed! After her boyfriend gently inserts his flesh-pole into her ass, he picks up the pace and starts humping and hammering her hiney-hole 'til Kitty's keister is crammed with cock—talk about *cumming* of age!

DEBBIE WHITE

DEBBIE DOES HER DONUT-HOLE!

When **Debbie** steps into the restroom to freshen up her make-up, she doesn't know she'll also be losing her anal virginity--but hey, life's just full of surprises! This sexy young girl has a great tan rack and a perfect pierced pussy, but it's her butt that makes her a perfect young slut! After a stranger propositions her posterior with his pecker, Debbie decides to open up her back door for business, and the rest is ass-shaking, butt-quaking history!

ANASTASIA BRILL CUM-DRENCHED THRILL

This raven-haired rump-rider is one sexy young lady! She might be just of age to engage, but **Anastasia's** ass seems to be custom-made for man-meat! She fits a whole cock and her asshole without batting a fake eyelash. From doggie-style to cowgirl to reverse-cowgirl, Miss Brill grinds her behind with a furious fervor, 'til she takes a load in her ass--if you're gonna do it, might as well do it right!

NETU NET LOSS...OF MORALITY

This wide-eyed, freaky, little carrot-top kook looks just screwy enough to take a cock up her ass. She has a '70s-style overgrown bush, and her man throws it in her can instead--and **Netu** loves every minute of the anal annihilation she receives, smiling with a sly grin as her anus gapes and squeaks with pecker-stuffed pleasure. Only in Europe could you find a behind so kind--and a bitch so damn crazy!

LUCY

Wrong Side of the Tracks

Lucy was always told not to go on the train tracks. She was also told not to take a cock up her ass, but you can see how well Lucy listened to that advice! It's not that loose Lucy has a hearing problem, she's just a stubborn, rebellious young girl who always has to learn things the *hard* way. And boy, did she learn a lesson today when Steve ran his freight train full-steam ahead in her hiney-hole! After stopping off in her flatulation station, it was off to Lucy's dirty, cum-starved mouth where Steve delivered his pay-load!

NIKITA

Nookie In Nature

Nikita enjoys the great outdoors. There's something about the fresh breeze blowing through her white cotton panties that gets this sassy young slut all excited. Her perky, tender tits start to heave and sweat, so Nikita tries to cool off in the shower--but it only makes her hotter and hornier! So she rubs her tender nub and fucks her aching pussy with her fingers and her fuck-stick—aah, that's so much better, Nikita!

ASHLYNN BROOKE

IVANA SUGAR

JESSIKA LUX

KISSY KAPRI

MICAH MOORE

31163

STARRING: Ashlynn Brooke, Ivana Sugar, Jessika Lux, Kissy Kapri and Micah Moore with Tommy Gunn, Alex Gonz, David Perry, James Brossman, Frank Gun, Bruno SX, John Strong and Mike Adriano **STUDIO:** New Sensations

Recent surveys have revealed that the top fantasies of today's young girls is getting tag-teamed by a pair of dudes, followed closely by licking snatch and getting their asses reamed. Here at **PURELY 18** we encourage all these activities, but we also have patience for girls and want them to have experiences in their own good time, within reason.

Doubled Up is a collection of girls hopping on the two-cock bandwagon, and you'll see some of them went ahead and let the guys

shove their cocks up the hershey highway, too. One never knows what might happen in the heat of the moment. Keeping us warm on this DVD are Ashlynn Brooke, Ivana Sugar, Jessika Lux, Kissy Kapri, and Micah Moore.

The two Euro beauties take it up the ying-yang, as does one of our homegrown lovelies. We'll let you flip a couple pages to find out which one that might be. Be sure to keep one hand dry for page-flipping, because it might be hard to pick out which girl you like best.

ASHLYNN BROOKE **DICKS: TOMMY GUNN, ALEX GONZ**

Ashlynn has long been an advocate of cock fun, but taking two was a special experience she saved. "From the time I had one, I knew I wanted to try two," she once said, "but I didn't want to jump into it until I was sure it was something I could really do well."

A look at her riding Alex's cock while slobbering on Tommy's prick show that this girl is certainly ready for the prime-time double-time! They squeeze into her in every position, including a whopper of a standing doggie that every thrust into her pussy jams the dick further into her mouth and her enhanced funbags do the wave in the middle of it. The moment that seems to show off her young limberness and training for the sexual Olympics is when she is balanced on one knee, opening up the view by shooting one leg into the air and balancing on an elbow while jerking a cock into her mouth with that same arm. Like the little gymnast she is!

She sure has learned well how to accept cock into her shaved hole, how to please a man with her mouth, and in this installment she takes the double-blast, getting globs of jizz on her face and tits, just the guys' way of telling her she did a good job.

IVANA SUGAR

DICKS: DAVID PERRY, JAMES BROSSMAN

Greedy American girls aren't the only ones who like to double the fun and go for a couple feet of cock at the same time. A trip to Europe discovered this lovely girl, just as sweet as can be but so horny, you'd be lucky to walk out of the room with any gas in your balls. Here she takes on a couple thick shafts attached to men named David and James and gives them her accented suck-and-fuck before bringing them closer for a little something neither expected: Double penetration.

It's the European way of always one-upping us Americans and so long as we get to watch, they can keep on keeping on. Ivana has a beautiful, slender body and her shaved pussy has lips that slop tightly around a huge cock then squeeze and pull it in. The girl can probably shoot ping pong balls out of her gash, but we prefer when she uses the power to take things in, and she surely takes them in.

First she gives up the ass, an act she finds so enjoyable that she purrs with her Eastern European accent about both of them filling her up. Next thing you know, her body is folded into a V as her back rests on the chest of one, his cock crammed inside her ass, while the other comes along and tucks his shaft into her snazzola. Sure beats a bread line and she howls like she's never had two cocks making magic with her puss'n booty. There's a first time for everything and they leave her holes leaking with white stuff for her to remember the experience by.

JESSIKA LUX

FRANK GUN, BRUNO SX

Shaving your pubic hair into a racing stripe is no guarantee that a girl is going to be fast, but in this case it proves true. While we couldn't find proof that Jessica is somehow related to the Andrettis, this girl is quick around the course, putting a cock into her mouth, easing it into her vag, and then hiding it in her ass, then switching guys and going around the track again.

Take off the makeup and you would never suspect this girl of being a super-slut anxious to get her ass plundered. A newly formed woman, she could easily pass for a coed studying some benign college subject, but the pencils she's using are to paint her face into a dick-obsessed freak who's ready to lift the flap on her little back door and let the boys give it a try. But first they'll have to please her pussy, and she's eager to give them incentive by sucking them off.

They give her a licking, too, but formalities aside, she's looking to get off with some vag sex so they can get on to the butt-cracking, bumper-smacking fun. Each guy, eager to get going on the backend, plows through the sweet girl's muffin, trying every trick they know to get her off and it works. She gives them the smile of a girl who's only been able to share it for a few months and bends over. As she rides reverse-cowgirl with a dick in her ass, her pussy continues to drip her horniness and as they take turns balling her backside, she cums like a lady until they finally give her the double squirt on her pretty face. Time to clean up and go to class.

KISSY KAPRI

DICKS: JOHN STRONG, MIKE ADRIANO

We come back to the states for Kissy, the San Diego beach bunny who would rather lube a cock than wax a surfboard. On her way home from school this day, she meets a couple of swell fellas, John and Mike, who are more than happy to distract her from the studies she should have been working on.

She becomes the main subject and they study her closely, the blonde's big boobs, the flappy little snatch with no sign of hair anywhere. Turning the page, they give her opposite side a close examination, each taking turns probing her with his stiff medicine stick. "This isn't anything like what they're teaching me in school," she says with a moan. "Stupid school—no wonder I don't learn anything!"

The guys contemplate giving her some homework, but instead decide to pack the whole lesson into the day's session. At her pleading, they cram her asshole until they jam, leaving the bubbly babe more than a little lightheaded. "I know I learned something today, but I'm not sure what it was," she says, swallowing the last bit of cum that had lingered on her lips.

MICAH MOORE

DICKS: MIKE ADRIANO, JOHN STRONG

It's hard to match up with this quintessential girl-next-door's great attitude and natural beauty. She's always gone into sex with an open attitude, kind of like a '60s hippy mentality, only with regular showers.

Micah often fantasized about getting banged by two guys and surely had every opportunity to do so, but she held out until she found two guys she could be confident could really pound the hell out of her. After all, if you're going into a session with two guys, you might as well do it right. Just look at that smile she manages while she gets both cocks in her big mouth, those luscious lips kissing them until they are stiff and ready.

Her furry little snatch welcomes their entrance and she rides, smiles, sucks, and moans as they switch off in a contest to see who can get her off the most times. Even little Micah loses count as they ram and ride, her body in a state of quiver for minutes at a time. When finally it's time for the guys to pop their magic, she welcomes them back to her mouth and it's a milky mess as she bathes in their sweet, creamy release.

EDEN PETTY

GARDEN OF SIN

Eden was raised prim and proper. She was taught right from wrong, moral from immoral, and what a good girl was supposed to act like. Keep your clothes on. Don't act like a tease. Don't get the boys too excited. Keep your dirty thoughts to yourself. Blah-blah-fucking-blah! Tired of all the hypocritical moral judgment, Eden decided to follow her own moral compass. "I respect my body, but I'm not gonna act ashamed of it. I think my naked body is beautiful—it's natural, it's real, and it's not like I'm sucking ten dicks in a row!" Well, there's always next issue, Eden!

Sandy & Jana

Camp Cooze

When **Sandy Summers** and **Jana Jordan** signed up for a college camping weekend, they were expecting a large student turnout. The two blonde cuties were pleasantly surprised when they showed up to find that they were the only two who had signed up for the "extracurricular activity." So the girls decided to make the most of their wilderness privacy by really getting to know each other *inside and out*—starting with a delicious pussy exploration! Good thing Sandy remembered to pack her plastic pecker—it turned out to be the perfect wilderness survival tool to fuck her friend with!

Heather

Party of One

Heather's been known to act a little desperate at times. She just moved away to college and decided to throw a party in her dorm-room. But since none of the people in her hall knew her yet, they didn't show up—and Heather was all alone at her own party. But that didn't deter our quirky, cum-starved co-ed from partying the night away with her trusty dildo, ramming the toy in her tight pussy, moaning and groaning and tearing the roof off the joint!
