## A STAR IS BORN

Dear *Voluptuous*,

My favorite model in the March '06 *Voluptuous* is Desirae Monet because of her big nips and the fat bulge by her right armpit.

My favorite picture is the one of Sapphire lying on her back and holding her boobs together for a guy to tit-fuck her. Not because I like to see tit fucking, but because her tits look absolutely humongous. Please feature her in another pictorial as soon as you can.—“Alex,” Florida

## OUT OF THIS WORLD

Dear *Voluptuous*,

I just had to write to thank you for the March '06 *Voluptuous*, which is one of the best you've ever delivered. There were some splendid photos. As a lover of “hairy” women, I particularly appreciated Katherine James. She was awesome.

I must say I've noticed a trend of which, as a 60 year old, I fully approve of featuring more mature models in recent issues of *Voluptuous*. I particularly enjoyed seeing Eva in the Oct. '05 issue and to see her in the March '06 *Voluptuous Xtra* was wonderful. Lucky, old Marino, to be able to give her a seeing-to.

However, the ultimate feature was Zuzanna. Her hardcore pictorial in *Voluptuous Xtra*, like the entire issue, was out of this world.—A.G., England

## WE JACK, THEY JILL

Dear *Voluptuous*,

As a worshipper of un-cut cocks, I have to say that Sapphire's March '06 hardcore pictorial was beyond superb. Her dreamy-eyed capture of the uncircumcised member between her chest pillows was the perfect opening photo. Of course, the spectacular cum shot was the perfect finale.

I jill-off just thinking of that nut juice spilling over her chin and onto her massive mams. However, the photo that keeps my panties perpetually wet is Sapphire's centerfold. Viewing the foreskin peeking out just as the penis slides into her silky slit is complete carnal heaven for me.

I also enjoyed your “Foxes” fiction. After popping out a second brat for my WASP husband at the age of 20, I said to hell with that and joined the fuck force—oops, the work force—and never looked back. It's been 37 years of fun and fortune. Thank goodness for horny

**In this generation of “landing strips,” we don't get hairy pussies as often as we would like. However, when we do find a hot, hirsute honey like March '06's Katherine James, trust us, readers aren't only guys beating their meat!**

rich men. Although I'm still going strong, I may retire and have to rely on *Voluptuous* alone for my thrills. More pictorials now and then of older women like Roxie cheating on their husbands (keep those wedding rings on, ladies) would be really appreciated.—“Erika,” Arizona

## THE “HOWARD”?

Dear *Voluptuous*,

I always enjoy jacking off to your sexy, horny magazine. Each month, *Voluptuous* just gets better and better. How do you guys manage to do out-do yourselves each month?

Anyway, there are two very hot women that show up in your horny ass magazine that really get me off.

First is plump cutie Devyn Devine. She looked so fucking hot in her Feb. '06 *Voluptuous* pictures with that tight-ass red-pink body hugging outfit and those come-fuck-me pumps. I would indeed jack off for Devyn's pleasure if she would let me sniff and lick her stinky asshole and that hot pussy of hers. Also, her red lips might look good around my stiff member.

Next up is Kat James (March '06) with her hirsute self. I love women with hairy armpits and pussies. I'd love to sniff those pungent odors and aromas between her legs. And, yes, those

**How hot is Sapphire?**  
**We received letters from both male and female readers jacking and jilling to her March '06 *Voluptuous Xtra* fuck- and suck-fest.**

intoxicating odors would make my six inches nice and stiff.

You guys rule. *Voluptuous* is the Howard Stern of all porn magazines.—W.B., North Carolina

## TUNNEL-VISION

Dear *Voluptuous*,

I've been reading *Voluptuous* since it was a Winter, Spring, Summer, Fall type of thing—1994. There have been lots of boobs to get off over for 11, going on 12 years now. I am a recent subscriber because I got tired of having to get back issues whenever I missed one.

With my credentials established, I wanted to write to give you my opinion. All in all, you do a great job. Myself, I could do without the hardcore, but I know some guys like it, so okay. I'll deal with it. Myself, if I want hardcore, I'll get one of your DVDs.

I'm going to hit a few points randomly, so please bear with me. I don't like women with hairy arm pits or legs. And to those men who like seeing women in clothes, I'm sorry, I just can't get in line with that. If I wanted women dressed, I would get a Sears catalog.

I don't need any more articles than the V-Mail. I always read that to see what everyone else is thinking, and, as I mentioned, I'm a long-time reader so I'm bound to have at least one complaint. Mine is that I think you guys have a dildo fetish. I don't. I want to see the pussy from different views, but it does not have to be constantly plugged with something. At times it gets so bad in *Voluptuous*, I think I am reading a dildo catalogue. You used to show tunnel shots frequently, and I would like you to consider a return to that policy.

That's enough bitching. Overall, I think you do a great job and have the most beautiful women in the world. Thanks for the many years of enjoyment.—M.J., Kansas

*Dear M.J.: Thank you for your letter. Good point. No, we don't have a dildo fetish, but we have also noticed the lack of tunnel shots and have talked to our photographers, many of whom (as you noted) seem to have a fixation with the dildo, and asked them for more tunnel shots.*

## THE BEST ISSUE EVER?

Dear *Voluptuous*,

I know I'm a bit tardy in writing, but I'd like to compliment you on the best issue of *Voluptuous* you have ever published—Feb. '06.

As you can guess, I was shooting cum within minutes of seeing all of the fantastic models in the issue.

I love to see pregnant women, and Logan Moss was a real treat. Just knowing she's pregnant in the pictures is a total turn-on for me, even though she didn't have a very well-developed baby bump.

Veronika has a great figure. I especially enjoyed her standing poses in her thong panties and high heels.

My favorite model is Cassandra. Her standing poses really show off

her perfect, low-hanging tits, which are incredible, especially for a slim 26 year old. I love the way she holds her

butt open, as if to say, "pick a hole." Best of all are the poses with sex toys. I think any model who doesn't object to using sex toys on camera should finish her photo-set with shots like these.—M.A., England

Every time Ivy poses, we get letters raving about her hot body, as if we didn't know that. Guys, we're with you. We'd drink her bath water.

### YOU'RE NOT ALONE

Dear *Voluptuous*,

Is it just me or does Ivy not have one of the best *Voluptuous* bodies in the world? And she's really pretty, too. Every time I see her, I can't help but wonder why I never see her in a Model of the Year contest or written about by my fellow readers.

I can't be the only one who thinks this.—D.J., California

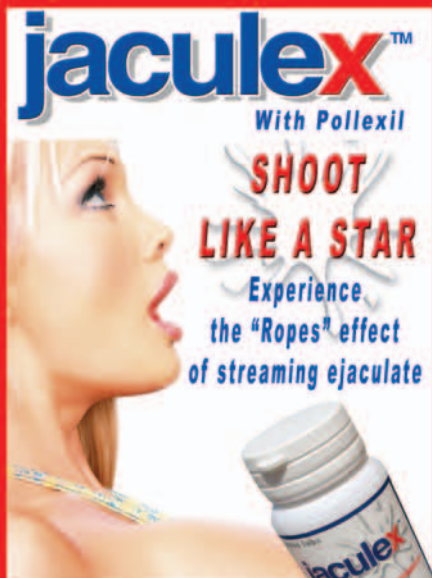

Dear D.J.: No, you're not alone. Ivy has thousands of fans and is regularly mentioned by readers as a potential Finalist for the Model of the Year. Unfortunately, she has yet to make the cut, though that is less a reflection of Ivy and more an indication of how strong the competition is.

### TITS, TITS AND BIGGER TITS

Dear *Voluptuous*,

I really like your magazine, and I look forward to it every month. I like to read the V-Mail letters, and I've noticed that you seem pretty responsive to your readers' requests. Therefore, I would like to say a few things.

I'm not complaining. I just want to express some of my own.

My main interest in buying your magazine is to see huge, all-natural tits. That's it. Given your past (and current) success and the fact that *Voluptuous* has consistently delivered the same level of excellence and quality (and model) since 1994, I have to believe I am your typical, core reader. Besides that, I like women who are natural all over. In particular, I like to see body hair like under-arm stubble and bush over-growth, and even a little extra body fat. I like to see natural skin blemishes, as well, especially on tit flesh, like stretch marks, veins and moles. Really big tits have all of those, and I think it is a real turn-on.

My main interest in big, natural tits is to see huge areolae and big nipples. I think the areolae and nipple area is the sexiest part of a woman's body. Germany's Christiane is my favorite model. Not because she's a "babe," though she is very pretty, but because of her huge areolae (and the big mole on her tit). I love the pictures where she's pulling the skin back on one tit so the areolae is fully stretched out.

I like to see lactating women because they have sensitive areolae and big nipples. Readers who don't like to see "preggos" seem turned off by the fact that they're pregnant. Maybe if they're just lactating (i.e. new mothers), those readers wouldn't mind so much. In any case, I trust that when another "good"—i.e., a big-titted and big-nippled-preggo comes along, she'll be featured in *Voluptuous*.

Last, but not least, I would much rather see average-looking girls with watermelon-size tits than "pretty" girls like Bea/Ines/Merilyn/Kelly in your magazines. In my opinion, they seem more suited for *SCORE*.

*Voluptuous* should be for down-home girls with huge, all-natural tits.—Name and address withheld

Video Review By **CURLY REDWOOD**

As far as titles go, they don't get much better or straightforward than this one. *Busty Cock Worshipers* tells you everything you need to know about this fuck-flick. What else does a man need if he's got a big-titted woman who craves cock?

There are four such women here for your viewing pleasure. So have a seat, get comfortable and grab the beverage of your choice. Soon enough you'll be grabbing your joint and jacking to these busty babes.

### **DEVYN DEVINE**

Just the sight of Devyn crawling on her hands and knees to the end of the bed is enough to get a bulge going in your pants. But when she slowly unzips the sweatshirt she's wearing and allows her enormous boobs to spill out, it's all over. You'll be as hard as a lead pipe.

After giving her man the Hoover treatment, Devyn slides the bra back down over her titties, which are now wrapped around a big cock. She pushes them together, wrapping them around his fuck stick and pumping them hard. She tells him to fuck her tits, but she's the one doing all the work, bouncing up and down with her fleshy pillows, never releasing his pole, and sucking on the head. Our man just lays back and enjoys some divine treatment from Devyn.

Our man doesn't even move when Devyn turns around. Instead, he works it like a pro, just working the head on her pussy lips as she moans with pleasure. Finally, he works a little inside of her before she finally raises up a little so she can slide his entire length into her hungry fuck-hole.

Devyn takes the lead for a while, pushing her meaty ass back into his groin. But the scene really gets intense when Devyn gets on all fours, and her man starts slam-fucking her bald beaver. There are a couple of times where his big cock seems to be a bit

more than she can handle, but soon enough Devyn is begging for him to fuck her harder and make her big boobs shake with pleasure.

Her partner obliges her request, even holding her nipples up to her mouth so Devyn can give them each a lick. Missionary position seems to work better for Devyn, who seems to enjoy her man's deep thrusting more while laying on her back and playing with her boobs.

But she's also quite adept at riding and does so with plenty of enthusiasm. Devyn climbs on for a reverse cowgirl ride that will stiffen your bone and should make you reach for your junk. She bounces her full figure up and down on his man meat over and over, moaning the entire time from the cock filling her sex.

After a wild ride that Mr. Toad would envy, we see Devyn on all fours and her man jacking until he sprays a thick load all over her enormous rack. Devyn coos as she rubs it into her braless cans.

### **SABRYNA STONE**

Sabryna is what all women should be. The scene opens with Sabryna on her hands and knees, looking into the camera. The first words out of her mouth are, "I'm here to fulfill your every fantasy." Nothing more needs to be said.

Sabryna quickly does as she's told and sheds her dress to show off her bountiful cleavage spilling out of a pink bra. She kneels down in front of her man and starts jacking his cock before her melons come out of the bra and form a love cocoon for his turgid tool. Sabryna pumps her boobs up and down on his rod pausing only to lick and suck her own nipples.

She takes care of everything while her man just leans back in his chair and watches the action. Sabryna does a nice job of tending to her man's oral needs, sucking and jacking his cock to full arousal.

Next, she spins around and shows us her meaty ass, rubbing it along the shaft of her man's cock. He takes the opportunity to play with her spankable ass, eventually paddling her with both hands and turning her cheeks a bright shade of red.

Finally, she gets tired of rubbing up against him and slides his cock into her waiting pussy. Her man grabs her ass with both hands and hangs on for dear life as she gives him a good hard ride. He gives her a few more spanks

and it's easy to tell Sabryna has gone to heaven as her up-and-down thrusts are now going from tip to base on this lucky guy's fuck stick.

Sabryna lifts herself off his package and goes to the bed and right into a doggie style position. Our man climbs up behind and slides his length all the way in with one thrust before pounding that pussy hard. All Sabryna can do is grab the bedspread and hang on, screaming the whole time about how much she wants him to fuck her.

Sabryna is a howler. Almost from the minute her man slides his meat into her waiting pussy, she is moaning loudly and screaming "Ohhhh, fuck me." When her man grabs on to the back of the pink lace-up corset she's still wearing and starts banging her hard and deep, Sabryna sounds like she's in heaven. The only people who would complain are the neighbors, though I seriously doubt it. Chances are they'll be getting off right along with you and Sabryna.

Our man takes his cock out of her sex and flips her over onto her back before yanking her over to the edge of the bed. Sabryna spreads her legs wide for him, and he again goes in balls-deep before filling her hot cunt. Sabryna's bald beaver is opened as wide as it can go as she spreads her legs and roars her approval.

Sabryna then wants to get on top,

but as soon as she mounts him in a reverse cowgirl position, our man starts slamming into her from the bottom. This lady is so hot, who can blame him? We wouldn't just lay there, either. Soon enough, Sabryna regains a little control and gives him a more proper ride, her hangers flopping around as she slams her pussy

down on his raging member.

As she bounces up and down on his shaft, Sabryna's playing with her clit for some extra stimulation. Sabryna then turns around and rides him in the more traditional style, burying his face with her massive mammaries. We wind up getting a close-up ass shot as

# Wedding Belles

**TALK ABOUT A  
TARGET-RICH  
ENVIRONMENT.  
NOTHING BEATS  
A WEDDING!**

Erotic Fiction By ED LERNER Illustration By OTIS SWEAT

It was one of those black and white weddings that are so popular these days, with the bride and groom wearing white and their attendants in black. This was more than a fashion statement, however, because the groom himself was Caucasian while his bride was African-American. The maid of honor was her sister, Cocoa, and she had arranged for the wedding videography as her gift to the newlyweds. That's where I came in.

My business was new, still a one-man operation, and I did everything I could to make sure that Cocoa would be pleased with her choice of videographer. Actually, I probably overdid my attentions, because Cocoa was easy to pay attention to. Her name matched the color of her skin, and in personality (and appearance) she was just as sweet (and just as hot) as the drink. Her eyes were almond-shaped, her nose narrow, her lips full, her hair long and loose. Her speech, as befit her Cambridge education, carried with it both precision and a lilting British accent. She looked and sounded exotic.

Cocoa wore loose sweatshirts over dungarees to all our meetings. Still, they failed to conceal the prominence of her breasts or the firm bubble of her buttocks. As an unattached male, I found it easy to fantasize about what lay beneath the layers, but as a professional I needed to keep our relationship strictly business.

The wedding was non-denominational and held in a hotel ballroom which would later be converted into the reception hall. The bride's attendants included one bridesmaid who was white, and when I observed her standing next to Cocoa I realized that in the figure and boobs department they could've been twins. Further, when I first saw Cocoa in her black, deeply vee-cut gown, I realized why she had gone to so many pains to hide her bountiful, voluptuous figure. She must've known that no man could talk serious business with those two major distractions staring him in the face. She smiled warmly at me, silently excusing my involuntary gape. I managed to smile back through my flushed face and get on with the business at hand.

During the reception I couldn't help but notice that neither Cocoa nor the white girl was escorted; instead, they kept each other company. They did dance, but they never

brought their partners back to the table with them. Once, while the band was on break, Cocoa called me to where she and her friend were sitting, sipping champagne.

"Can I offer you something to drink?" asked Cocoa.

"No, thank you," I replied. "Not while I'm working. But if you ask me when the evening's over, I'll be glad to join you."

"That's a promise," she said. Then, after a short pause, she said, "Jeff, meet my best friend Brandy."

"Hi, Brandy," I said, extending my hand. When she shook it, her breasts quivered. "Pleasure to meet you. Are you having a good time?" It was a lame question, I know, but it was the best I could muster.

"I am, thanks. Great party."

"Jeff wouldn't know," said Cocoa with a smile. "He hasn't taken a break all day. He's been on top of everything

with his camcorder."

Professionalism prevented my telling Cocoa what I'd most like to be on top of, and if my expression gave it away, she didn't let on.

Three hours later, the evening wound down, the guests made their goodbyes, and I shot my ending sequence of the bride and groom leaving for their honeymoon. I packed up my gear and saw Cocoa standing alone at her table, smiling at me. She held a bottle of champagne in the air. I grinned and walked over.

"Offer still open?" I asked.

"Of course. But not here."

"Pardon?"

"Family flat's packed with more family, I'm afraid, so I booked a room here in the hotel. I thought we might hook up your camcorder to the telly. We could sip champagne as we watch the wedding."

Moments later we were in her suite, watching her sister and new brother-in-law exchange vows on videotape. Cocoa had brought the champagne and two flutes from the reception, and we sat side by side on the sofa in front of the television. She was delighted with my work, and I was delighted just to be sitting next to her.

"I'll get us a refill," she said and walked toward the counter of the mini-kitchen where the half-empty bottle stood. "Oh!" she cried as one ankle bent under. She turned her body to face me and bent forward to grasp her lower leg. My breath caught in my throat as her breasts nearly spilled out of her gown, but I was instantly on my feet rushing to her. "Damned shoes," she said. "Clumsy me. I was dancing all night without a problem, now I can't even walk ten steps."

"It's okay," I said, the video forgotten. "Let me help you to the sofa."

Cocoa put an arm around my shoulder as I put mine around her waist and she hobbled back to the sofa. One strap of her gown slipped from her shoulder as she plopped down, but she appeared not to notice. I, meanwhile, knelt before her, trying to look into her brown eyes instead of at her half-exposed, soft brown tit-flesh.

"Would you like me to massage it?" I asked, holding her ankle.

"That would be great, thanks," she said in her light British lilt. "You're an angel, no mistake."

Indeed, I thought. I'm no foot fetishist, but if I were I would have been in heaven now.

"Could you go a little higher?" she asked innocently, and my hands traveled up her calf. "Mmm. A little higher?" I swallowed hard as my hands found her knee and began to knead the soft resilience of her stockinged thigh. "That's nice. But, maybe a little higher still? Like...all the way up?"

I looked into her eyes again, saw their sparkle, the coy smile on her lips.

"I credit you for your professional behavior, but you don't have to be all stiff and formal now." She paused. "Well, stiff would be all right."

"Cocoa..." I began, but she immediately interrupted me.

"Come up here and kiss me, please, and then get back to work." She said with a laugh. "I've always wanted a good-looking white man kneeling at my feet."

I raised my face to hers. She held my head between her palms as she shot

# ANNA JOTA

## You wanna talk about potential.

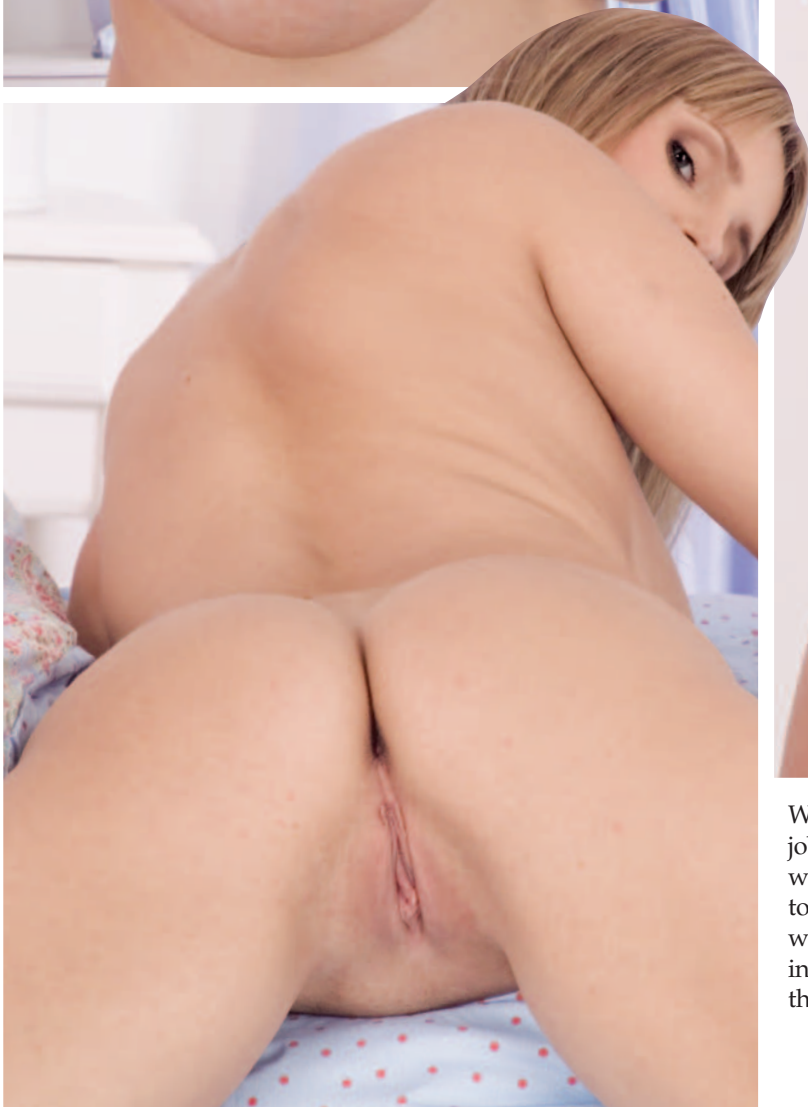

Anna Jota has it, and then some. One of 2005's top newcomers, this Polish sexpot is part of the new wave of Euro-babes flooding Big-Tit-Dom, and, even though this is an Olympic year and national pride is running high around the globe, all we've gotta say is, "Anna, do you have any sisters?" Together with 2005 Newcomer of the Year Bea Flora and the incomparable Ines Cudna, that is quite a trifecta of Polish busties to hit Big-Tit-Dom. And when you add in all of the other Eastern Euro babes to hit our pages in the past few years, one thing is becoming crystal clear. Thanks to women like Anna Jota, when it comes to big-tit talent, there's Eastern Europe, and everybody else is fighting for a distant second.

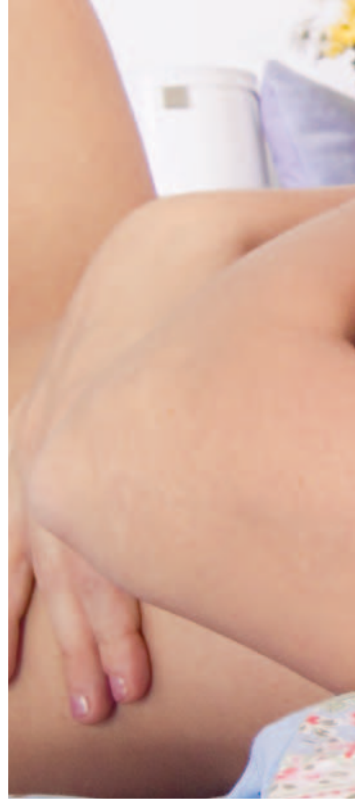

With perfect areolae, an asshole that's just begging for a lube job and that shaved, fresh twat, Anna's body is the stuff of wet dreams. She's a bonerfide sex goddess, and Anna loves to pose. It literally excites her to be naked with a camera, which is probably why Anna looks so unabashedly sensual in her pictures. The girl gets off on posing, probably more than all of us, and that's saying something.

What makes us think Anna Jota has potential? Hey, any gal with her cutie-pie face and curvaceous body who will also do nasty things to her asshole has got some major potential. How far will Anna go? Obviously, with this precocious Polish princess no hole is barred, so we'll just have to wait and see. Here's hoping we don't have to wait too long!

# CLAIRE

## Sexy and now showing!

No, Claire isn't preggers! We only wish she was carrying our child. No, the lady whose pussy V-men have clamored to see since her Oct. 34 **Voluptuous**

Still only 20 years old and working at McDonalds while she decides where she wants to go in life, Claire is, in a word, "adorable." And, talk about accessible. Trust us, all of you know Claire. She's that gal you sat next to in high school. The pretty one with the great body who was friendly when nobody else was. The one everybody loved and wanted to love more. The kind of gal who gets a tattoo of her name over her belly-button because she wants to be a bit of a rebel, but is too bashful to let a guy do it on her ass or over her pubes. Yes, you all knew a Claire at one time in your life. But, did you really get to know her? If not, that's what *Voluptuous* is for.

## WEDDING BELLES

Continued from page 24

her tongue into my mouth, making it dance against mine. She broke the kiss and slipped her tongue into my ear, her hot breath inflating a part of me that could not possibly have been physically connected. Then she pressed my face to her partially-exposed breast, and I kissed the softness there, wondering what her nipple might look like.

Cocoa eased my head away and gently pushed me back to her thigh. Her gown was hiked up and her legs were spread now, and as my ears picked up the sound of the best man's toast, my mouth uttered a quiet gasp of surprise as I saw that her garter belt was not riding beneath a pair of panties—that in fact Cocoa wore no

panties at all.

"While you were setting up the tape, I went to the bathroom and took them off," she cooed. "When I told you I was going to 'freshen up,' I really meant it."

I looked from her dark labia to her blood-red lips, upturned in the most fetching of smiles.

"So, um, how's your ankle?"

"Which one?" Cocoa asked, her face all innocence. She picked up the TV's remote, pressed a button, and muted the sound. "Right. No need for distraction, then, is there?"

No need for discussion, either. I began kissing Cocoa's thigh just above her stocking line, my lips traveling northward until they met the pouty lips that nested in her soft, close-cropped pubic hair. She smelled faintly of soap and just a trace of perfume.

Cocoa moaned as my lips found her

clitoris and began teasing it, and her vagina moistened as my tongue began its probe. My hands gripped her ass and pulled her tight to my face as she cried with the pleasure that I wanted more than anything to give her.

Her body trembled, I pulled my head back, and saw Cocoa's eyes rolled up, her tongue wetting lips made dry by breathing through her mouth. She looked down at me, catching her breath. "Time to raise your sights," she said softly.

I kneeled upright as she peeled the shoulder strap all the way down to reveal a large, dark nipple whose tip stood tall from its center. It took both of my hands to encircle that glorious mound of flesh, compressing it and pushing her nipple forward toward my mouth. I sucked on her breast, kissed it, traced my tongue around her areolae, then looked to its neighbor, still covered by Cocoa's gown. That covering was not to last, however, as the strap fell from her shoulder and she drew her arm free. Now the other breast was revealed, and my hand cupped it, feeling the jiggle, as my mouth encircled her nipple and began to suck. With a hand holding each saliva-streaked breast, I buried my face inside her natural cleavage and turned my head from side to side, feeling her soft satin skin slide against my face.

Soon I heard her voice, muffled by her breasts pressed against my ears. "You've sucked on me brilliantly, Jeff. Would you like me to suck you now?"

Could life get any better?

We both stood, and I watched as Cocoa stripped off her gown, leaving her clad only in a black garter belt, stockings and heels. There were tiny sparkles in her hair and in her make-up, and she glowed, looking like a Nubian goddess as she posed for my inspection. Then she stripped off my jacket, tie and shirt before kneeling to untie my shoes and remove them along with my socks.

From her position on the floor, she looked up and unfastened my pants, dropping them to the carpet. She snaked a hand up the leg of my boxers and smiled broadly as her fingers found an equally firm appendage of my own. "Are you ready?" she asked.

"To burst," I managed to gasp.

I looked down as Cocoa pulled my shorts to the carpet. I drew one leg free and spread my legs, allowing her to slide one hand beneath my scrotum as the fingers of her other hand wrapped

"Trust me, honey, looks have nothing to do with it."

**DEJA**

**Proud To Be Plump!**

And stacked, too! Yes, Deja is plump, stacked, pretty...Hell, she's the total package, which is probably why she Placed in the 2005 Plumper of the Year contest. And, she's a lot of fun. But, you can tell that just from looking at Deja's face, can't you? This is a lady who oozes personality. And if you believe looks can be deceiving, then you don't know Deja.

We were going to tell you all how fun-loving and happy-go-lucky Deja is, but do we really have to? Sure, she's the life of any party, but one look at her package and she could have Martha Stewart's personality and it wouldn't matter. Deja's tits are H-class, and her ass is in a class all its own. *Nuff said.*

About the only thing wrong with Deja is we don't have a video where she's laid out like she is over there to the right with her tits pressed together and some lucky V-man fucking the daylights out of her tit-tunnel. We do have Deja getting off and giving her whoppers a workout in *Titters in Toyland*, which is a good flick with a lot of great models. But, as of yet, Deja has not taken the hard-core plunge. Hey, maybe it's for the best. We all have our own Deja fantasies, and if yours are half as raunchy as ours, why mess with a good thing?

# ANGELA WHITE

**A wonder-teen no more. This Australian superstar is 100% bonerfide woman!**

Remember when Angela White debuted in *Voluptuous* a few years ago? Guys used to write the V-Mail and marvel at how hot she was for a teenager and how much hotter she'd get with maturity. We used to wonder if that was even possible. Well, you all were right. The teenaged Angela was hot. But the mature, now 21-year-old Angela is smokin' hot. The good news is, she's only going to get better!

The one thing we've always loved about Angela is she's your classic lady in the parlor, whore in the bedroom. With her clothes on and her sexy Aussie accent, you just fucking melt in her presence. When her clothes come off, Angela becomes a stark-raving sex maniac. Ask Brandy Talore. Angela laid into her with a strap-on in *Bosom Buddies* #6. Cherry Brady, too, on *Ultimate Cherry Brady*. Plus, Angela gets it as good as she gives it. Trust us, that's saying something.

**JULY 2006**

Our apologies to all of you. If it was up to us editor-types, this wouldn't be the last shot of Angela in this issue of *Voluptuous*. Not by a long (cum) shot! But, the powers-that-be are actually in the office this month, so we can't do the all-Angela issue. You're gonna have to come back in six to eight months for the Australian wonder-teen turned super-woman's newest pictorial. Of course, you could always load up on Angela's videos to tide you over, watch her whup some major tits and ass to win the *Busty Ladies of Oil Wrestling* title or perhaps get a back-up copy of this issue for those late nights when there isn't shit on but Ronco infomercials. Either way, you'll be stoked, because Angela will be there to keep you company.

## WEDDING BELLES

themselves around my erection. "Pretty," she whispered, and kissed the tip. "English men aren't circumcised, you know." She held my penis up and kissed my sac, then licked up the underside of my shaft, her eyes locked on mine as she pursed her lips to kiss my foreskin and then slowly, deliberately, to suck my penis fully into her mouth. Her head moved forward and back, her breasts swaying, and I bent forward to try to hold them between my hands.

Cocoa lifted herself to the edge of the sofa and returned to her deep fellatio. I was now better able to cup her breasts and lift them, to feel their softness, their pliability, beneath my fingers. This sensation, coupled with the warm wetness of her mouth, created a near detonation in my groin.

Her mouth released me, and my penis fell to Cocoa's cleavage as she captured it between her breasts. She lifted and lowered them as she tilted her face up toward mine and our lips

met yet again, tongues writhing.

The dusky goddess turned her back to me and knelt on the sofa, knees spread, hands on the backrest. She looked over her shoulder and drew a breath as I entered her. The rhythm of our intercourse made her breasts sway forward and back, and I held my hands beneath them, letting her nipples graze my palms before cupping them and pressing her breasts to her body, drawing her back to my chest.

Next Cocoa sat on the arm of the sofa, back to the seat cushions. Then she wrapped her arms around my neck and her legs around my hips as I stood and entered her. Moments later she let herself fall back upon the cushions and twisted her hips so that she was lying on her side with her legs perpendicular to her body as they rested on the sofa's arm. I entered her sidesaddle, watching her breasts quiver as they lay one against the other. I couldn't resist stroking them yet again, and Cocoa whispered a soft "Yes" as I did.

"I can't hold back much longer," I whispered to her, and Cocoa pulled away to sit on the edge of the cushions

once again. I stood before her as she rubbed my erection over her breasts, kissed, licked, and sucked on it, and then—something I'd never experienced before—held it before her open lips with one hand while the fingernails of the other one gently stroked the sensitive area where the scrotum meets the base of the penis.

I exploded: into her mouth, onto her lips, nose, and chin. One hand squeezed and pumped while the other gripped my testes, and as I looked down at Cocoa's face and felt her fingers work their magic, I climaxed yet again—another first. I threw my head back and nearly shouted as her hands drained me dry and her tongue caught the cum. When I looked down again, I watched her place my penis across her parted lips, resting it on her teeth. Her almond eyes caught mine, and I stared amazed as her tongue lifted my softening member and again lowered it into her mouth.

Later, we sat naked, sipping champagne, one of my arms around Cocoa's shoulder with a hand resting upon her ample breast. The TV was still muted, and the tape had long since run through. The screen was empty and blue, but somehow neither of us seemed to care.

**I**t was a week later when Brandy phoned. "Do you remember me?" she asked, and I wanted to reply, "How could I forget?" But this was a business call and I simply said, "Of course. You're Cocoa's friend."

"Yes. She told me what a great job you did on her sister's video." I thought for a second of the great job Cocoa had done on me. Brandy continued. "I have a video I'd like you to shoot, but it's not a wedding. It's a special project. Are you interested?"

I arrived at Brandy's apartment the next day with camcorder, lights, and reflectors ready. She had not told me anything more than that the video was "special," and that it would be shot inside her apartment. What I was totally unprepared for was the way she met me at the door—dressed in her bridesmaid's gown.

Brandy's hair was deep red and curly, and it fell past her shoulders. It was contoured and shiny enough for a shampoo commercial, and her face—green eyes, a touch of freckles across her nose, perfect teeth behind a pair of lush lips—was the perfect complement. And then, of course, there

# INESSE

**You gotta love  
these whoppers!**

We didn't have one of those Chik-Fil-A cows handy to do the comparison, but looking at Inesse's udderly unbelievable (but as real as oxygen) hangers, if that who's-got-bigger-milkers contest ever materializes, don't bet on the cow!

Measuring Inesse's boobs can be a bit tricky. Long-time readers are familiar with the Latvian Love Goddess' weight (and tit) fluctuation. In short, she gains more of the good stuff during the winter and loses it during the summer. It's a chick thing. Right now, we're catching Inesse in-between, which means her tits are coming in at a G-and-about-a-half-cup. They can go as large as an I-cup, which is truly astounding, and begs the question...when the hell is the first cold front coming?

Inesse has pretty much done all she has to do to go down in history as one of the sexiest, most desirable plumpers ever to appear in *Voluptuous*, although, there are a hardcore few who are constantly asking (and sometimes demanding) more. They want Inesse to suck 12 inches and take 14 in her ass. We're happy to report that it won't be happening.

That's not what Inesse is all about. There's nothing wrong with porn.

Hell, we love watching girls get laid. It's just not for Inesse, and we not only respect her decision, but we embrace it. She's just a down-home Latvian lady whose self-esteem meter goes to the high side every time she poses. That's her reward and, it seems, ours as well.

were her breasts, perfect gelatinous globes that pressed against her gown's vee-cut bodice and formed cleavage that went up nearly to her neck.

"Welcome to my humble abode," she said as she extended her hand. "I'm glad you could come, Jeff." Brandy led me inside and sat me on a chair in her living room as she took a chair opposite and leaned forward, as if she didn't want anyone eavesdropping. I struggled to keep my attention on her face.

"My boyfriend is in the service, in basic training as we speak. That's why he wasn't at the wedding with me. Now what I'd like, Jeff, is to make a video to send him."

"Of you in your bridesmaid's gown," I acknowledged. "To show him how you looked, and I'd guess to tell him what he missed."

"Something like that," she said enigmatically. "But also to show him what he's missed, if you get my drift. I'll tell you up front, I intend to take off my clothes for him. Are you all right with that?"

It only took a few minutes to set up the lights, reflectors, and camera on their respective stands, but it seemed forever. I think I was trembling as I screwed the camcorder onto the tripod and loaded the tape. I ran a few feet of tape with the lens cap on to provide a leader, then pressed the fade button to keep the screen dark. "Ready," I said, and Brandy sat at her vanity looking at my reflection in its mirror. She nodded, and I released the fade button before pointing to her to start.

"Hi, sweetheart," she began. "I missed you so much at Cocoa's sister's wedding." She stood and faced me. "This is what I wore as a bridesmaid. Do you like it?" She turned around as if modeling, then sat at the vanity again, her eyes on my reflection. I had used mirrors before in my wedding shoots, but this was a first. "Did you miss me, too, sweetheart? Did you miss this?" I zoomed in as she pursed her lips. "And this too?" She lowered the straps of her gown, and my lens followed the bodice as it slowly lowered to reveal more freckles, and lower still to expose pale pink nipples. She cupped her breasts. "I ached for you to touch me, to suck on me, and I ached to be sucking on you, too, my darling." My mouth went dry.

Brandy stood up and lowered her gown, standing as Cocoa had a week before, only still in her lacy black panties. She turned her back to me and drew the panties into the crack between her cheeks, eyes again catching the camera's lens in her mirror. Leaving her gown on the floor, she walked to her bed, where a black negligée lay. She put it on but left it unfastened, showing only cleavage and the front of her panties. Still, the camera picked up the points of her nipples pressing against the transparent fabric. It was incredibly sexy.

Brandy spread the negligée from her hips and slowly rolled her panties down. This girl was a natural redhead, I observed as she leaned forward and stepped out of her panties. She sat on the bed, her back against the headboard, one stockinged leg drawn up and exposed, one breast likewise. "If only you were here," she said softly, tilting her knee to the side and spreading the other leg to reveal her pubis. "If only you were here," she said again, drawing the negligée aside and holding it together under her breasts. "Then we could ..."

I couldn't tell you what she said next, probably because the pounding of my heart drowned it out. But by the time I pressed the fade button and doused the studio lights, Brandy was stripped of her negligée and one of her fingers was dripping wet.

"My," she said as she looked at me from the headboard. "If his reaction is anything like yours, I'm sure he'll appreciate this video."

I blushed. "I'm sorry," I said, looking down at the bulge in my trousers. "I don't mean to be disrespectful."

"Don't be silly," she laughed. "I'm flattered. Truly flattered."

"I don't know what to say."

"And," she said, on her hands and knees now and facing me, "I have a confession to make. As aroused as you are, I am just as turned on." I swallowed hard. "Jeff," she said, her eyes misty, "Will you make love to me?"

As if in trance, I walked toward her as she knelt on the edge of the bed, my actions speaking for my silence.

Brandy cupped her breasts, pointing her nipples at my face. "Make love to my breasts?" She reached her hands to the side of my head and pulled my face to them. I plunged into their quivering softness, felt the nub of a nipple against my teeth, nibbled as Brandy squealed. She slid back on the bed,

**A college chick who makes the grade.**

Show of boners...How many of you guys ever had a lady this hot when you were in college? That's not many of you, so get ready to live vicariously with a straight A English college student who may get straight A's, but she gets a D in our book and we're damn glad to have her!

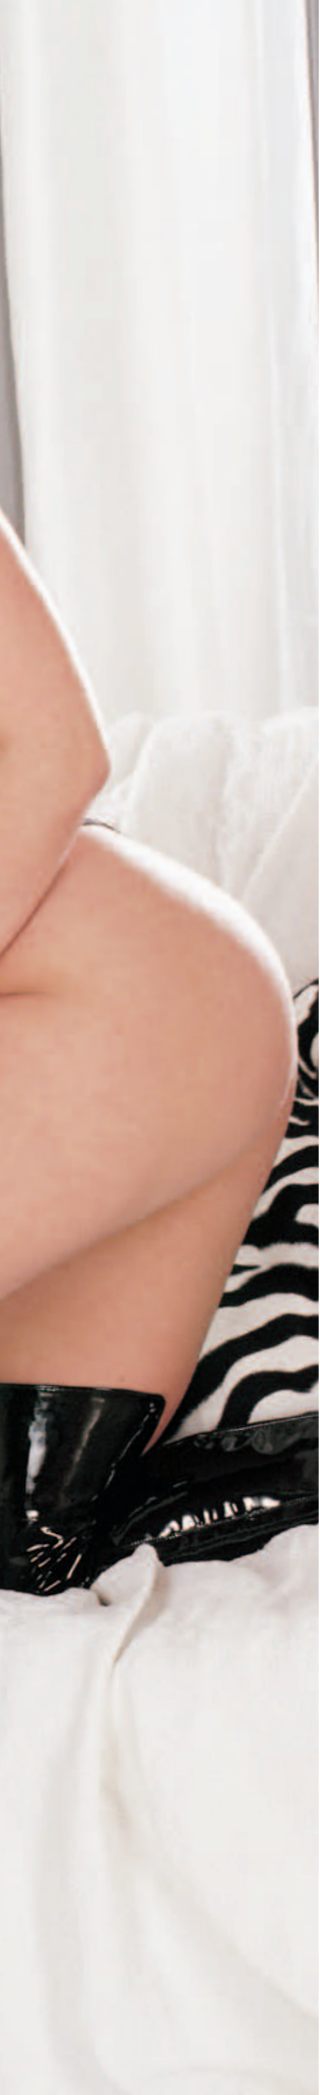

Readers of our sister mag know Alana well. She has posed twice in *SCORE*, and we always figured she was a bit too skinny for *Voluptuous*. But, the way we figure it, if readers love Michelle Bond, what's not to love about Alana? Not only does she have a curvy, slim-n-stacked body that all of us would ogle at the beach, but Alana is as regular as women get. She's just a normal college student, posing to pay for her tuition and some Guinness money, not necessarily in that order, according to Alana. She loves pubbing, soccer, dance clubs and horror movies with gobs and gobs of butter on her popcorn. Oh yeah, she's also a brainiac, hitting the 95 percentile mark in all of her studies. Still, we have a different kind of D-ean's List here at *Voluptuous*, and from what we're seeing, Alana Ambrose definitely makes the grade!

*Continued from page 71*

pulling me with her. Kneeling again, she had me lie on my back, my head on her lap—and then she leaned forward, her breasts stroking my face as she moved her shoulders from side to side. I reached up and cupped them, pulled them down to where my mouth could find better purchase, and covered them with kisses, licks, and love bites as Brandy slid her fingers to the waistband of my trousers and unfastened them.

As Brandy freed me from my trousers and shorts, she leaned forward and her breasts worked their magic upon my groin. Delicate fingers held my erection to her nipples, then sandwiched it between her breasts and stroked forward and back. Then she lowered herself on top of me, legs spread, her labia pressed against my face. I felt her lips and then her tongue on my phallus, felt it slide deep inside her mouth. My own lips and tongue busied themselves on Brandy's sex, and she lifted herself on her elbows so my hungry hands could feast their fingers yet again upon her breasts.

My tongue was tired but happy when Brandy rolled over and held out her arms. I slid between her legs and into her, propped on my extended arms as she pushed her breasts together and up toward my mouth. I sucked on each nipple, drove my tongue into her mouth, made tiny love bites on her lips before returning to her twin treasures with their pearly pink peaks.

"I'm...cumming," she said through gasps as her body shuddered, and I continued my thrusting, overjoyed to have brought her to her sexual peak. But Brandy was far from done. She reached down and pulled me out of her, then had me straddle her chest. Her fingers moved my erection over her breasts, her pussy juice making them glisten, then held it between them. I held her breasts together as my penis flew forward and back, approaching climax. But before I toppled over the edge, Brandy stopped me.

"Make love to my face," she whispered. "C'mon, fuck my face."

Without another word, Brandy turned to prop her shoulders against the headboard once again, and I knelt before her. She opened her mouth as my erection glided over her lower lip. Slowly my hips moved forward and back as her saliva coated my phallus

and bubbled around it. Her green eyes fixed on mine, and I was lost in them. I knew I was perched at the edge of the precipice. Then Brandy stopped my hips and took my penis from her mouth. She held it before her open lips with one hand while the fingernails of the other one gently stroked the sensitive area where the scrotum meets the base of the penis. And as I had one week prior, with another beautiful woman, I exploded. Twice.

Later we lay on the bed, I on my back, Brandy on her side with her head resting on my outstretched arm. Her tits lay one against the other, and I caressed them as her fingers toyed with my penis and testes. She smiled, and her eyes carried a trace of mischief—which I suddenly understood.

"Cocoa told you," I murmured. "Didn't she?"

"Uh huh. How did you know?"

"Because of that, that thing you did at the end. To bring me off."

Brandy smiled more broadly. "She and I are best friends, Jeff. No secrets. I'll bet you didn't hear the front door open a few minutes ago, did you?"

"What?"

Just then the bedroom door opened. I sat up, startled, to see Cocoa standing there in an ensemble exactly the opposite color of Brandy's—white heels and hose, white garter belt and panties, and a white negligée parted to reveal her deep cleavage. Dark nipples showed strongly through the transparent fabric. Her smile shone on us both.

"I have another confession to make," Brenda said as Cocoa glided toward us and sat on the edge of the bed next to me. "There is no boyfriend, I'm afraid. I did all this because, well, because I wanted to get you into bed."

"But don't get the wrong idea, love," said Cocoa. "We want you for more than your willy. You're a gentleman, you see, and that's rare these days. When I told Brandy about our little episode after the reception, she asked if I'd mind if she, um, got to know you, too."

"That's what best friends do," added Brandy. "They share. Now," she eased me once again onto my back, and each girl lay on her side facing me, a big brown nipple at one side of my mouth and a pouty pink one at the other. "You don't have a problem with that, do you?"

A glance at my groin told them all they needed to know. But I couldn't have answered anyway. After all, my mouth was full of tit-flesh.

## BUSTY COCK WORSHIPPERS

*Continued from page 13*

Sabryna backs dat shit up right into the camera as she gives his tool a strong ride.

As Sabryna continues her earth-shattering ride, her man is the one who starts to moan loudly and uncontrollably. As she bounces from tip to base, he whacks her ass hard enough to leave a red mark on her right ass cheek. Moments later, Sabryna climbs off and presents her big boobs for him to fire a load of steamy spunk onto. Being the great V-girl that she is, Sabryna does the right thing and massages the copious amount of guy-gravy into her funbags.

## DUSTY ROSE

For you guys who appreciate a really big woman, Dusty Rose is for you. She's not a shy girl, that's for sure. Dusty immediately peels out of a denim outfit that laces up the front and talks a lot about her enormous titties and what she wants to do with your stiffening pecker.

"Oh, look, you're making my nipples all hard and erected." Dusty says. Okay, so maybe grammar isn't her strong point, but, then again, Dusty is built like a brick shithouse, so who gives a damn.

Fittingly, when Dusty removes her top, she's wearing a lacy, dusty rose-colored bra. That comes off soon enough, and Dusty finds a small piece of rope that she ties around her ta-tas

to help press them together. No worries, there won't be a hanging in this scene. Dusty's rack certainly does enough hanging on its own.

She takes the end of the rope and loops it around her man's cock, which she then presses in between her flesh pillows. He gets a very enthusiastic titty-fuck before Dusty goes to work on his tool with her mouth. Dusty uses a lot of tongue and does an admirable job of working her man's entire fuck stick.

After some extensive oral ministrations, Dusty's man is so worked up that he grabs her boobs and wraps them around his prick for another round of titty-fucking. Dusty follows his lead and does another enthusiastic job, causing her man to moan. He seems ready to shoot his load before he's even put his dick in her.

Dusty grabs her rope again and wraps it around her copious cleavage. One great shot has us looking down at Dusty as she continues to move her tits up and down this guy's joint. Dusty has the biggest blue eyes you will ever see. Just another reason to love her. Of course, it doesn't hurt that she's also talking about how wet and horny she is as she's going to work on her man's junk.

Finally, Dusty gets on her back and gets some cock. It's easy to tell that she's happy about it. Her man sounds like he's enjoying himself, too, as he pounds away at her pussy. From the start, Dusty's man sounds like he can barely contain himself. And after all of that tit-fucking, who could blame

Sabryna Stone is such a howler in her debut hardcore video, not even a mouth full of cock can silence her pleasure moans. Thank goodness for that.

him? But he manages to control himself, even after he flips Dusty over onto all fours and starts hammering her doggie style.

After a while, Dusty goes for a ride, cowgirl style. She straddles her man, lowering her gash onto his unit until he's inside her balls-deep. Dusty bounces up and down on his man-meat and practically smothers him with her tit-flesh. We get a great view of her ass as his pole fills her up.

The view is even better when Dusty spins around for a reverse cowgirl twirl. When she leans back to take all of her man, we see Dusty's entire package jiggling in a sexual frenzy. She amps up the dirty talk, telling her man that she wants him to dump his load on her chest. Not long after, he does just that, firing his spunk onto her melons.

## SAPPHIRE

If Dusty is the biggest woman in this video, then Sapphire has the biggest pair of tits. If you ask me, they're gems. Yeah, sometimes Curly enjoys a bad pun, but she's got great cans. They're bigger than your head.

Sapphire is feeling herself up over a blue dress as she is perched on the edge of the bed. She wants to tease us a bit, but, fortunately, that doesn't last too long as she peels each one of her massive mammaries out of their confinement. You can see the marks from her blue bra, which clearly was too tight. As if Sapphire could find a bra that would be loose.

Just to show you how large her natural melons are, Sapphire eases over to her man and tit-fucks his hand before she moves on to his other areas. His hand disappears into her chest. It's kind of like a hot version of *Mortal Kombat*, when the one fighter punches through his opponent's chest. Except this time, there's no permanent damage, just an erection.

After his hand is freed, our man alternately spansks Sapphire's ta-tas while she rests them on the bulge in his jeans. Sapphire is running the show here. She's doing it all for her man as she causes a serious rise in his jeans. She moves from using her tits to grinding her ass on his package.

When she can't take it anymore, Sapphire undoes his belt, then the button fly and then yanks his member out. Sapphire doesn't mess around, popping it right into her mouth and giving him a bone-stiffening blowjob.

around her man's cock, his fuck stick all but vanishes. The only time you see it again is when the head barely pokes out at the top of her cleavage, as if it's coming up for a gasp of air. But what a way to go.

It's easy to see that Sapphire is a pleaser. She enthusiastically bounces her tits up and down her man's shaft for a good long while, getting ready for the main event. We go right from the tit-fucking to Sapphire being on her back and getting pounded with some long, powerful fuck-strokes. Sapphire loudly voices her appreciation and moans her approval. Check off "missionary" on the list of some of her favorite fuck positions.

The couple winds up exploring several other positions. Doggie-style goes well, and then Sapphire is on her side as her man grabs one leg and lays the pipe the best way he knows how. But when Sapphire takes her man's full-length, her tits start bouncing around in all kinds of directions. It's quite an impressive sight.

So you can imagine the result when Sapphire climbs on and gives that cock a ride. It's flesh everywhere, a total smorgasbord. Our man turns around the tables when he delivers a first-class tit-fucking. He gives her cleavage a plowing before they go back to the position that started it all, with Sapphire's tits hovering over his junk. A little more massaging, and it's spunk time all over her waiting rack.

#### **BONUS FOOTAGE**

The bonus footage on The SCORE Group's DVDs has fast become must-see viewing. The interviews are titillating and really take you up-close-and-personal with the girls.

Devyn claims to be "freaky and down for anything." She enjoys being spanked and having her hair pulled during sex. She also enjoys being handcuffed and blindfolded

Devyn seems genuinely stunned to learn that there is lotion on the set. Devyn, come on, baby, this is The SCORE Group. We buy in bulk and have cases of the stuff. Devyn winds up going for baby oil and massaging it into her enormous rack while discussing third dates and her affinity for David Spade and Janeane Garafolo.

Sapphire appears in a green strapless dress right after her boy-girl scene on video. Call it the, "Post-Fuck Show with Sapphire." Where's an "AP-PLAUSE" sign when you need one? Sapphire discusses her hardcore boy-

**Sapphire has the biggest tits on *Busty Cock Worshipers*, but her broad-beamed backside looks pretty untoppable here!**

girl scene and how much fun it was to do. Sure, it's a bit redundant. That much was obvious from watching it. But, Sapphire's so sexy, she could do the ABC's and we'd enjoy it.

Dusty Rose claims to have had a DD chest in the sixth grade. It should come as no surprise that she had the biggest boobs in her class. She goes on to say that she likes the idea of men jacking off when they watch her work, and she wants them to picture shooting their loads on her chest.

In what has to be considered a shocking revelation, Dusty says she can't remember the last time a guy tit-fucked her. That's not only startling, but also a bit disconcerting.

Dusty is into retail sales and deals in sex toys. She also says, "That's hot" almost as often as Paris Hilton, a decidedly less busty woman who also has done an adult film. Dusty is a real man's woman in that she loves the word "tits" and calls her pussy a "pussy." When asked about the word "cunt," her response is priceless. "Your pussy is your pussy," she says. "A girl is a cunt."

How can any man argue with that?

Also included in the bonus footage are deleted scenes and backstage footage. It's a terrific glimpse into the process of making the video. It's also more of whichever girl you've decided is your favorite. Why do you think we call it a bonus?

## **The sexiest *Busty Jack Girl* of them all!**

The last babe in the book, and she's a great one. Yes, we love all of the *Voluptuous*-gals. Any woman who will pose nude for our pleasure and get off on video is fine by us. However, when the V-girl looks like Joana, what a way to finish off a great month. There's a lot we could tell you about this Romanian wonder, but every time we see Joana naked we get speechless and grab our hard cocks. Perhaps that's the greatest compliment we can give her.

## BARE FACTS

With all due respect to the other Romanian gals who came our way in 2005, Joana is clearly the best. She's been described as a "poor man's Nicole Peters," though take it from an editor who has seen thousands of girls. There's nothing poor about this lady. Joana is first-class all the way, and her *Voluptuous* future is so bright, yes, she oughta be wearing shades. Welcome back, Jo. Now, go towel off and get your beautiful tushy back to the photography studio so we can see you again in *Voluptuous* real soon!

**Killer boobs and a libido that just won't quit!**

And thank gawd for that! The lady is Samantha Sanders, and this is The Horniest Show On Earth. Yes, boys and girls, the sun is shining here at *Voluptuous Xtra*, and you know what that means. We're going out and about to see the birds, hear the bees and sniff the pussy juice cumming out of Sam's horny snatch. Of course, being the good girl that she is, Sam's gonna lube us up with some of that foreplay stuff. Hey, she knows what guys want. A good strokin'. A wet suckin'. And a hot fuckin'. For those of you who think two out of three ain't bad, it's time for you to turn the page and raise your expectations. This is *Voluptuous Xtra*—the only place on Earth where the action is *All Stacked! All Natural! And All Hardcore!*

Wanna know the beauty of *Voluptuous Xtra*? Whenever most of us go picnicking by the beach with a bucket of KFC, a six-pack and a boner that won't quit, there's always some big-headed, fuckin' ugly kid who just won't go and play in the rip-current. Not in *Voluptuous Xtra*. The kids are gone to never-come-back land, but Sam is here, and so are her E-cup tits and XXX-mouth slobbering all over our knobs. Then, when she's gotten us all slick, this busty Brit spreads her legs and assumes every position. You see, according to Sam, fore-play is great, but nothing beats fucking. We couldn't agree more!

Guy gravy, love lava, joy juice...whatever you call it, Sam is ready to take it. There's a reason she asked to fuck in the XXX video *Cream My Tits*. Sam loves spunk (that's the Brit phrase). She loves it all over her tits, on her face and in her hair. Hell, shoot the elixer of life in her ear, and she's a happy girl. Unfortunately, our guy just didn't have enough to satisfy Sam's libido-run-amok. Anybody want to lend a hand?

## HOT AS BALLS

**If you think young Dana looks hot with a cock in her twat, just wait'll her asshole gets stuffed!**

Trust us, you won't have to wait much longer! This is Dana. She's an 18-year-old, Czech babe who has fast become a *Voluptuous* favorite. Sure, her boobs aren't the biggest, and she's kinda skinny, but at the end of every week we *Voluptuous* editor-types have this casual-Friday ritual. We sit at our desks, pop DVDs into our computers and watch girls fuck. Hey, it's a job. Our latest DVD was *Busty Czech Babes*, which we only started watching to see Veronika get nailed. But the second this youngster came on the screen, man oh man, we were running to the bathroom! Dana is so sexy and fresh and horny, and these two guys just wail on her every orifice so hard, we gotta be totally honest...Ain't no work gonna be done this Friday!

## BARE FACTS

## DANA

**Birthday:** Sept. 27, 1987 **Height:** 5'2"

**Weight:** 118 lbs. **Measurements:** 36-24-34

**Bra Size:** 32D **Lives:** Prague, Czech Republic

**Video:** *Busty Czech Babes* (XXX-Rated anal fuck-fest, available in the Video Club on page 98)

The storyline of *Busty Czech Babes* is quite simple, and you're seeing it right here. No foo-foo glamour. Just the deepest-dicking porn you can imagine with hot-as-balls babes like Dana getting it *butt-good*! And, no, we're not up-selling you guys to make 30 bucks a DVD. The bean-counters here dig money. We editors dig tits and chicks. And we just love this newcomer with her perky, flushed nipples and her libido that, jeez, we should all be so lucky to experience. Do yourselves a favor, guys. Check Dana out on this DVD. Only, don't plan on getting any work done if you take it to the office. We know from experience. It ain't happening.
