A Note from the Editor

Welcome to Sultry Magazine! You may ask yourself, what is a Sultry Woman? Well according to the Oxford dictionary it's (of a person, especially a woman) attractive in a way that suggests a passionate nature. This is what "Sultry Magazine" is all about, bringing out Beauty, Sexiness, and Passion to our viewers and subscribers alike. Nothing in the world is more sexier than a woman that knows she is sexy, classy, and passionate.

With those 3 things, how can a man resist her.
