SECRET MAGAZINE | ISSUE 3 | SEPTEMBER 2016 | WHERE'S THE FUN IF IT'S NOT A SCRET

Welcome to Issue 3.

And with winter comes very little shooting outside. Yep, even in sunny Queensland it's tough going to get an on location shoot sorted. So alot of this issue is made up from past shoots from our talented photographers and models. Again a lot of variety in all the pages here.

Here's to looking forward to the weather warming up with Spring and all of us getting out and shooting a little more!

Myself and Chelsea, had a week on the lovely Fraser Island with fellow photographer BWAltimages and his lovely wife. We found the great location near Mc Kenzies jetty. It is just a joy, to share a passion, she loves the modelling, and I love shooting her. It is great to be able to share these images with you.
