didn't want to be married. She was 18, and had the sex drive of a wild woman. No man could keep up with her, and one man definitely wasn't enough to satisfy her needy pussy. But her wealthy parents didn't want her to get herself into trouble and ruin her reputation, so they set her up. Soon after her 18th birthday, Stacy's parents gave her a choice: she could marry the older man who was rich, or they would disown her, leaving her with nothing. She couldn't even think what it would be like to have nothing, so she reluctantly agreed to get married. After she did she found that her husband wasn't all that bad.

**“DON'T LET MY INNOCENT LOOKS FOOL YOU, I'M ALWAYS HOT AND HORNY FOR COCK!”**

**b**ut he wasn't adventurous enough for her. The young vixen knew she couldn't deny herself anymore. She was faithful for four months and would go crazy if she stayed faithful any longer. The next morning, a hunky repair man knocked at her door. He was there to fix her air-conditioner and had no idea it was she who broke it. Before he even had his tools out, the little vixen was rolling around on the bed showing off her yummy goods. He found her so tight, every pump of her pussy made the stranger scream. No matter how many positions they did, her pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.

# nicole

Nicole is cute and shy. The whole time, she tells the photographer that she's not ready but keeps flashing him and laughing about it. He has to chase her around the pool for the first hour, hoping she'll hold a pose long enough so he can focus and get the shot he needs. We need. The ones you're looking at right now. Nicole's all-natural boobs are perfect, her nipples just the right size and shape, and inviting you to pinch them. Not to mention her ass is nice and curvy, and her pussy has that sexy stubble of a all night party man in the morning after.

**" I JUST CAN'T WAIT TO GET THAT LITTLE VIBE INTO MY TIGHT PUSSY. CAN YOU?"**

**n**icole finally slows down when she gets to the orange bench and takes a seat. Right next to it is her bag with her most favorite vibe and can't wait to get started with it. But first it's posing with her long legs pulled up and her sweet pussy winking at the camera. Opened up like the petals of a butterfly, she playfully teases the photographer and herself. Not waiting any longer, she grabs the pink bejeweled vibe and coaxes it into her wet pussy. An inch, then two, then almost all of it. Everyone around wants to be the vibe.

## PEEPERS

My wife, Sabine, and I love your magazine. It's such a turn on to find her lying in our bed, her fingers gliding over her swollen clit while she reads the stories or looks at the hot pictorials. She says that watching one woman doing another or people having a threesome arouses her, even though she says she's still not quite ready to try any of it yet. The other night we were leaving a downtown club together and I told her I would like her to see a gentlemen's club. With this unbelievable smile she said, "Oh, you mean a strip club?" I smiled back, nodded and took her hand. We walked a couple blocks down the street and around the corner was a blinking marquee announcing the hottest

and most naked girls in town.

I told Sabine this club is kind of a throw back to the peep shows of the sixties. After we got in, I went to the bar and asked for a handful of tokens for the booths. We headed back through the club, occasionally accosted by semi-topless dancers. She loves hard-core porn, so nothing's shocked her, but I realize that she didn't know where there were live strippers available. We piled into one of the tiny dark rooms and immediately joked about the sticky floor. We sat in a small bench and slid our tongues together just to get warmed up.

I inserted a couple of the tokens into the slot and a curtain opened up across a three by three foot window. On the other side we saw naked women busy stroking their boobs or spreading their pink pussy lips in front of other windows. Sabine whispered that she expected a porno, but seemed to enjoy what she saw. As she commented on the body of each woman, I slid my hands inside her top to caress her small but perfectly shaped flawless boobs. We watched for about five minutes when the

Did you guys really think you could fool me into thinking that Gigi is a MILF? Did you think that for one minute, I was going to buy your magazine because she's so fucking hot, and write a letter to you saying so? Do you think that just because she's in a nasty threeway with a couple of guys, that that's enough to turn me on? Do you really think that just because you tell me on the cover that the models in the magazine are in free hardcore videos that I'm going to watch those MILFs fuck for free? Well, do you?

— Fred, Missouri

curtain closed abruptly. When Sabine asked for more tokens, I knew she would be game for anything. My hands found her moist pussy, which by now was dripping wet. She put in a couple more coins and while I fondled her, the curtains opened again and a nasty little blonde came over to spread out directly in front of our window. Sabine leaned back and she replaced my hands with hers, and she began to masturbate as furiously as her jeans would allow. As the stripper came closer to the window, she saw Sabine and we heard her say thru the glass, "I see you brought your own."

As the little blonde spread her pussy lips wide and began to really work her own clit, my wife did the same, moaning loudly as her first orgasm rocked her. I've never seen her come fast. With the stripper sticking her pussy against the glass, intending to be in my face, and my wife worked on her second orgasm. Watching all this so close and up front, what's a guy to do? I pulled out my hard-on and stroked it to full erection. I ignored the person pounding on the door and slid my cock between Sabine's luscious lips. She was stroking my shaft to give me her usual great blow job. As the curtain came down on our last token, she came again.

Her moans changed slightly as she began swallowing the load that I pumped into her hot mouth. There is no stickiness to add to this floor tonight, she swallowed every drop. After catching our breath, we buttoned up and left the booth. No one seemed to notice a thing. Walking

to the car, she admitted that she had never come that easy or that fast in her life. It was the nastiness of the place that did it, she said.

We agreed that next time she wouldn't wear any underwear and a loose skirt so we could fuck right there in the booth while the strippers watches perform for them. Who knows, maybe they'll tip us. I know we'd put on a great show.

– *Gene and Sabine, Boston*

## TYPICAL SUNDAY

It was a pretty typical Sunday for late September here in Portland. Everyone gathers at someone else's house for some weekend games and that often includes some radical, six-hour long battles on video game consoles. Of course it also includes beer and other stuff to make the games more competitive. Those that don't play or don't want to play, will

often disappear into bedrooms and not come out until there's a knock on the door. However tonight, many of the group did not show because they must have had something else to do.

This day there were the only the four of us. Lorne, Clara, Brad, and myself over at her house, but usually there are six or more. We always try to have an even number of guys and dolls so no one will get left out. House rules! Today, Clara pulled me aside and starting whispering in my ear that earlier in the day she had fucked Brad and wanted him again, what could we do to put him in the mood. So of course I suggested Lauren and I could make out in front of them! Clara isn't what you would call drop dead gorgeous, but she's pretty cute and has a smoking hot body. She's very curvy, her firm boobs are always pushing against her usually tight blouses. She is the perfect MILF looking woman,

*She gave me a look of surprise and whispered  
“Don’t stop. Do whatever you want and I’ll do it  
back to you till we both cum...”*

---

Young looking, but mature enough to make you think she knows what to do in the sack.

We’re all sitting on the floor. Brad and Lorne have no idea what’s about to happen. We start kind of giggling and start kissing. First it was just dry pecks on the lips but then Clara slips me her tongue and we start long wet kisses. Lauren just stared in amazement. Brad however was very interested. “The only thing that is missing is that

soaked! She jumped a little at first, but then returned the favor. This went on for a while till my little white cotton bikinis were soaked. Turns out Lorne had too much to drink and was feeling sick, so Brad said he would take him home. It was around one in the morning, so Clara and I decided to go to bed.

We cuddled up on her futon still in just our panties and she said it was really fun kissing me in front of the boys as she was softly rub-

and she moaned instantly making us both wet. I kissed her nipples and then started sucking them, as she writhed under me. As I slid my hand down her stomach, hers was on my pussy on top of my panties. I slid my hand under her panties and felt my way to her swollen clit. She gave me a look of surprise and whispered “Don’t stop. Do whatever you want and I’ll do it back to you till we both cum, ok?”

I started rubbing her clit harder as she moaned and asked me to put a finger in. I did and she flooded my hand with her pussy juices. I couldn’t let all that sweetness go to waste so I ever so slowly licked my way down her belly and devoured that smooth pussy full force. My tongue parted her lips as it played with her clit and she screamed and pushed my head further into her swollen pussy. I tongue-fucked her hole till she begged me to stop.

I sat up and took my panties off and positioned myself between her spread legs so we could bump pussies. She reached down and carefully spread our labia apart so our clits were touching. She started thrusting against me and I did it back harder. Our pussies rubbed together faster and faster till we both came and collapsed with scissors exhaustion. I rolled over beside her and she said she had never cum like that and wanted to know what got into us? We heard Brad come back in the house and called our names. We both laughed and fell asleep together.

– Denise, Portland

you are still dressed!” he said. So we both took off our clothes and bras and are just in panties. We start kissing again rubbing each other’s breasts and I have to wonder could she be as turned on as I am right now?

So I reach down and rub her pussy on top of her panties and they are

bing my breasts. We could always finish what we started and blame it on the alcohol in the morning. I laughed but I was so turned on, too! Neither one of us had ever been with a girl before!

I rolled on my side to face her and we started kissing and caressing each other. I pinched her nipples

**K**atya couldn't believe how helpful the painter she had hired was being. She was only paying him to paint her living room, but after seeing the state of her hallway and kitchen were in, he offered to spend a few extra hours painting those to at no extra charge. No matter how hard she tried, she couldn't understand why he was being so generous. She looked at the sweatpants she was in and she knew it couldn't be because of how she looked.

## **SOMEONE GETS ASS TODAY.**

She was definitely a sex kitten, but she didn't look it with what she had on that morning. But no matter his motivation, Katya thought he deserved a very big, very special thank you. While he was finishing up, she decided to change into something a little more interesting. When she came back in a tiny bikini, her painter almost fell off his ladder. He helped her out of it and she thanked him in her own special way.

When you have an ass like mine, guys are so drawn to it that I just had to get used to saying 'No. I'm saving it for marriage.' That always seems to get a good laugh. But when the realize that I'm telling the truth, it's kinda weird, they tend to respect it. But then they want to do doggy-style so they can look at it and push against it. And once in a while a guy will try to slip a finger in. That's okay, if I like him. But no further.

# PLEASURES OF THE CARIBBEAN

**S**oon after my new girlfriend discovered this new health club on the internet, she kept insisting that we go. It was in the Virgin Islands in the Caribbean and when I

got a week off, we headed down there. This place was a little different than the typical health club or spa their website said. Personal care, exotic massage oils, and intense aroma therapy, all wrapped around a unique thermal spa and a special section that is clothing optional.

We arrived at ten in the morning and were whisked away by their limo and within the hour we had checked in and settling into our cabana. There were no rooms, only oversized cabanas that had nice, but typical Carib decor. Our first appointment was at noon, so we grabbed our papaya smoothies and headed to the massage cabana. It was a large tent-like structure with curtains

between the 'rooms.' There were options for single and couples massage and you had a choice of masseurs: men, women or two at once, one or both sexes.

Kassandra chose a woman masseuse this first time and I chose a man. We were scheduled for the next at six pm so we wanted to play it comfortable at the start. After our first one, we went for facials, manicures and pedicures and that pretty much ate up the afternoon. After a healthy meal of veggies and legumes, we headed back for the evening massage. This time

I chose a woman, Lolly, and Kassandra's was a man Julio. I teased her about Julio because he looked like a body builder saying he must have done a lot of rub downs instead of push ups. I'd glance over at them and a few times, I saw his hands all over her boobs and butt, but she assured me that he was very professional. The only complaint is that the sessions were too short, just 35 minutes. All sessions were 35 minutes because they want you to taste the other luxuries of the club.

Kassandra told me she wanted longer massage sessions and I said she should ask him if he made house calls. He said he did work outside the club, but only in the evening at his house. He said he wouldn't charge her for the first one if she came back the rest of the evening during our stay. I told her that I didn't mind because we were here to make her happy. Kassandra thought about this for a while and took him up on his offer.

The rest of the story is from her perspective because I didn't go with her. Kassandra took an island cab from the health club to his house. He lived about a mile away in a gated neighborhood. She got there a few minutes before 5 pm and he greeted her at the door wearing his usual black T-shirt and pants. He was still pretty friendly and very professional. Kassandra followed him and was lead to his back screened in patio. Large tropical plants surrounded each side hiding a six-foot fence. Kassandra found his set up very erotic when she discovered his massage table outside on the patio. He said it was very private here and he enjoyed the natural warmth of the outdoors.

Maybe he saw a bit of hesitation on her part. He reached over and rested one of his strong hands on her shoulder and started a gentle rubbing. She looked into his soothing dark eyes and felt compelled to follow his instructions. He asked her to get undressed and pointed to the table, leaving her alone to get her a drink.

Kassandra was getting a weird feeling as she removed her clothes. The table had a fresh sheet on it but no towel was around. She just expected to find some towels like at the health club, instead she was standing naked by her discarded clothes. Back at the club, a few times she heard him gasp as she turned over exposing her 34DD breasts and trimmed pussy. So she figured what the hell. No sense in stopping now. She crawled onto the table and onto her stomach to wait for him.

Julio soon appeared with her drink and a pile of towels. He smiled and apologized for not having them out sooner. She told me she found his Carib laugh sexy and liked the naughty idea of being completely exposed to this very good-looking man. Julio handed her a drink and complemented her on her round ass. Stepping over to the table he patted her butt softly. He quickly poured a generous amount of warm oil all over her soft skin. Kassandra felt the oil puddle in the small of her back.

His hands soon started gently spreading the oil. His hands guided it up to her shoulders and swiftly back down over her ass, thighs and legs. He oiled up her feet and her entire body with a coating of the warm potion. She rested her face through the table's opening and enjoyed the sensation of his very strong hands covering her body. She was not use to being so well coated with oil. When at the club's tables, she was often covered with a towel over her ass, which blocked the warm fluid

that now ran slowly between her legs. She opened her legs a bit so the warm fluid would not just sit in the crack of her ass.

He was doing her hands and pulling her arms gently from her body. The cool island breeze tickled her exposed breasts. He seemed to be paying more attention to her large breasts. An evil thought popped into her head and Kassandra leaned up to reach for her drink. Watching him swallow hard as her round tits stood out was worth the maneuver. She tilted her head back and took a long drink. He stood watching her boobs sway in their heaviness. A few drops ran down her throat and along her right breast. She enjoyed the show she put on just to see his reaction.

Julio walked down to the foot of the table and he removed his shirt saying it was pretty warm tonight. Then he started working on the bottom of her feet and her toes. He lifted her calf and flexed her leg. He did some deep tissue work on the calf and was slowly pulling her leg gently. She felt him straighten her leg and then holding her leg straight, he rotated her hip joint very slowly. As she rested her face through the table hole she felt her pussy becoming quite moist as it opened up and felt the cool evening air play against her outer lips.

He left her leg spread as he lifted the opposite one. After doing the same hip rotations, she felt her legs spread out quite far with her privates fully exposed. He then went to her feet and was using a very light touch, which always made her excited. The sensations of hot oil, cool breeze, sexy strong hands were too much for her. She felt herself getting very wet down there. His hands glided up her leg and brushed against her pussy lips, which were always shaved. He ran his hands back down and now she was sure it was an intentional little feel on his part. His fingers boldly touched her swelling pussy lips and lingered for a moment, long enough to cause a gasp from her.

He leaned close to her ear and in his accented voice asked if everything was OK? Cassandra moaned a low reply that he was doing just fine. Her breathing was heavy and it was like he was testing her reaction to his touching her pussy. He seemed to have passed the test. His fingers now played along the top of her spine. Slowly he pulled his hand down her spine to the center of her back. As one hand would run down her spine and stop, another would begin at the top and start down again. Applying pressure along her spine, he reached

further and further down toward her ass.

She was wondering how far he would go when she felt his fingertips press along her ass crack. While one hand was slowly moving in her perfect heart shaped ass the other hand was working that way to replace it. His fingers found her tight pucker and she cooed as he gently ran a finger along her anus. She felt his thumb apply direct pressure on her hole, firm pressure but he did not push it in her ass. He kept his thumb pushed against her as his other hand graced her spine sending shivers along her nervous system.

Kassandra was confused, not only by his actions, but by her feelings. Surprisingly, she felt warm fluid run down her butt crack. His fingers rubbed it into her crack more vigorously than before, This hands gently pried her butt cheeks open and she felt a small penetration of her tightest orifice. She quickly thought of me, she said, and how I took my time playing with her butt hole before fucking it. Julio was not going to actually fuck it, but perhaps a finger or two would be okay with her.

Sensing little resistance, and an invitation to go further, Kassandra raised her hips slightly and that was all Julio needed. He pushed a finger a little further in until it

was to the first knuckle. By moving her hips higher, it forced his finger deeper into her anus, and she liked it. Feeling bolder, Julio pushed his well oiled finger in to the second knuckle and a moment later it all was in. He now, pulled and pushed it in her butt. She moaned in time with his action as he increased his speed finger fucking her butt hole.

Kassandra thought to herself that now was the time to get on her knees, so she slowly pulled her knees up forcing her ass higher into the air and naturally pulling her butt cheeks further apart. Julio pulls his finger out and puts both hands on her butt cheeks and rubs them with intent. Pulling them through her butt crack, he lingers at her anus and then gently inserts two fingers in it. Kassandra accepts them and pushes back. Julio pumps them in and out and suddenly it's three fingers.

Folding his finger together, they push her sphincter wider and wider. It accepts the challenge and offers its pleasure to her. After a few minutes, Julio had established a rhythm that she liked. Moaning and whispering that she liked that, he reached under her with his other hand and found her clit. Kassandra flinched as his fingers rubbed it and found the right pressure to put on it. Now she was being pushed, or rubbed, over the edge. Julio leans down and whispers for her not to hold back. Let her feeling go. Let his hands and finger take her to nirvana. She does let go with long low moan that tightened her muscles and released her juices.

Just so you know, I was back at the club while she visited Julio. I had my own little affairs with Lolly and two of the other masseuses. While I did not butt fuck any of them, I must say that they do give the best happy endings. When Kassandra came back to our cabana at night, we would talk about our experiences. We decided we liked it and would be back. After all, that's what makes this club so special – and healthy.

*jasmine & aliana*

Jasmine and Aliana have been best friends for years. They met in high school, got married in the same month, and now live next door to each other. Everything was great until their husbands decided that business and money were more important than their sexy ladies. The kinky duo was horny and alone, and both girls were aching for a good banging. They soon started messing around together.

They soon discovered that a yummy pussy can only take a girl so far. They had always fantasized about sharing a big dick and when their hunky mailman came to the door, he was met by two very sexy and cock-hungry girls. They had gone without real dick for too long. They jumped on the mailman like wild animals and started fucking his brains out. Fortunately for you, our photographer was visiting them at the time and got these incredibly hot shots.
