Editor Note

I'm really excited about 2020!

When I first started RHK Productions in 2009, I had no idea we would accomplish so much. We've had 5 magazine titles under our umbrella of publications and have released over 300 issues. We have featured over 1,000 of the world's top models, thanks to our dedicated staff and world-class photographers. We are becoming more involved with musical artists and other entertainers and we have no plans on slowing down. I would like to personally thank everyone who has supported RHK ... it hasn't always been easy, but the journey has been a wonderful experience. I hope this year is one of our best yet!

As always, my goal is to make RHK Productions the BEST. If there is anything we can improve, please let us know by contacting us at submit@rhkempire.com.

Have a wonderful 2020!

Best regards,
Alexander Deal, CEO

An energetic, free-spirited, fun, and open-minded person, living life to its fullest ... who loves meeting new people. My hobbies are travel, fitness, cooking, dancing, and anything that involves the outdoors.

A man with a beard and sunglasses, wearing a white dress shirt, is driving a car. He is looking down at his hands on the steering wheel. The car's interior is visible, including the leather seats with brown stitching and the center console with cup holders and a gear shifter. The text "What does your car say about you?" is overlaid on the bottom left of the image.

What does your **car** say
about you?

I am a United States Marine serving this country to give back. I was born in Peru, South America since the age of 12. At 12 years old, I was adopted by an American family where all my dreams came true. Everything I do has a purpose mentally and physically. My top two hobbies are staying fit at the gym and always using my Canon 5D MarkIII comera to capture other peoples's special moments.

My legs are my sexiest feature.
